INDEPENDENT AUDITOR'S REPORT

September 19, 2022

To the Participants and Plan Administrator of the
Total Sand Services, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Total Sand Services, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Total Sand Services, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Total Sand Services, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Total Sand Services, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Total Sand Services, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Total Sand Services, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter – Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Total Sand Services, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TOTAL SAND SERVICES, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. PLAN DESCRIPTION

The following description of the Total Sand Services, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was created on September 1, 2018. The Plan is a defined contribution plan covering substantially all employees of the following participating employers as defined in the Plan: Total Sand Services, LLC, Texas Specialty Sands, LLC, Resource Transport, LLC, and Profuel, LLC, collectively known as the Company. The Plan was amended on January 1, 2020 to add Lane Management Logistics, LLC as a participating employer in the Plan. On May 1, 2020, Lane Management Logistics, LLC merged into Resource Transport, LLC. The Plan was amended on January 1, 2021 to remove Profuel, LLC as a participating employer in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Company is the sponsor of the Plan. Prior to March 23, 2020, Principal Trust Company, as custodian for certain Plan investments and Principal Life Insurance Company as authorized representative of Principal Global Investors Trust Company, trustee of the Principal Stable Value Fund (collectively, Principal) was the custodian and third-party administrator (TPA) of the Plan. Three employees at management level positions throughout the Company served as trustees of the Plan. Effective March 23, 2020, Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (collectively, Empower Retirement) is the Plan's custodian, TPA and non-discretionary trustee of the Plan.

Eligibility

Employees of the Company that are not nonresident aliens or represented by a collective bargaining agreement are eligible to participate in the Plan upon the completion of three months of service and attainment of age 18. Part-time, temporary and seasonal employees are excluded from participation in the Plan, unless they work over 1,000 hours during an eligibility computation period, which is defined as the participant's anniversary year. Contributions begin on the first of the month following completion of each of these eligibility requirements.

Contributions

The Plan allows participants to contribute up to 100% of their annual compensation, subject to certain limitations of the Plan and the Internal Revenue Code (IRC). Participants may direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan.

The Plan provides for a safe harbor contribution. Under this provision, the Company contributes up to 100% of the elective deferral contributions up to 4%. Effective July 1, 2020, the Plan was amended to eliminate safe harbor contributions. Effective January 1, 2021, the Plan was amended to reinstate the safe harbor contributions. The Company may make discretionary matching and qualified nonelective contributions on behalf of participants. The Company elected not to make any discretionary matching or qualified nonelective contributions for the years ended December 31, 2021 and 2020.

1. PLAN DESCRIPTION (Continued)

Contributions (Continued)

The Plan provides an automatic enrollment provision in which newly eligible participants are enrolled to contribute 4% of their annual salary, unless the participant elects otherwise. Effective July 1, 2020, the Plan was amended to eliminate the automatic enrollment provision.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's safe harbor contributions and allocations of (a) the Company's discretionary matching and qualified nonelective contributions and (b) the participant's share of the Plan's income. Allocations are based on participant earnings and losses and plan expenses on account balances, as defined.

Vesting

Participants are immediately vested in their contributions, matching contributions, qualified nonelective contributions and actual earnings and losses thereon. Prior to July 1, 2020, discretionary contributions became vested in a 6-year graded vesting schedule. Effective July 1, 2020, participants become vested in their Company discretionary contributions based upon years of service, as defined in the Plan as follows:

Years of Service	Vesting Percentage
Less than 1	0%
1	33%
2	66%
3	100%

Benefit Payments

The Plan provides for benefit payments upon termination of service due to death, disability or attainment of retirement age. Participants may elect disbursement of their vested account balance in either a lump-sum amount or direct rollover into an individual retirement account or another qualified plan. The normal retirement age is the date a participant reaches the age of 65. Additionally, the Plan provides for in-service withdrawals allowed from rollover contributions at any time. The Plan allows for in-service distributions to actively-employed participants that have reached the age of 59 ½.

Benefit payments from the Plan will be made in a lump sum distribution if the balance is less than \$5,000 and the participant does not direct the Plan otherwise.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's account.

Administrative Expenses

The Plan pays certain administrative expenses associated with the administration of the Plan. Certain administrative expenses are paid by the Company.

Forfeitures

Forfeitures of non-vested account balances are used to reduce Company contributions or pay Plan expenses. As of December 31, 2021, there were no available forfeited non-vested accounts. As of December 31, 2020, the Plan reported available forfeitures of \$985. Forfeitures of non-vested account balances and earnings on unused amounts totaled \$8 and \$500 in 2021 and 2020, respectively. During 2021, plan expenses and employer-matching contributions of \$993 were paid from forfeited non-vested accounts. No plan expenses were paid from forfeited non-vested accounts during 2020.

1. PLAN DESCRIPTION (Continued)

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, all participant accounts would become fully vested.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Interest-Bearing Cash

Interest-bearing cash may include bank demand deposits accounts, money market accounts and all highly liquid debt instruments purchased with a maturity of three months or less. The Plan's cash balances may at times exceed federally insured limits. The Plan has not experienced any losses in these accounts and believes it is not exposed to any significant risk with respect to cash and cash equivalents.

Investments and Income Recognition

The Plan's investments in mutual funds are reported at fair value as reported by the custodians. The Plan's investment in its guaranteed investment contract is a fully benefit-responsive investment contract reported at contract value as reported by the custodians. Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. The net appreciation in fair value of investments consists of both realized and unrealized gains and losses on the Plan's investments.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Fair Value Measurements – Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements – Definition and Hierarchy

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

See Note 4 for a description of where the Plan's assets fall within the fair value hierarchy.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market, economic conditions, world affairs, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the accompanying financial statements.

Benefit Payments

Benefits are recorded when paid.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Principal as of May 18, 2020 and for the period January 1, 2020 to May 18, 2020; and by Empower Retirement as of December 31, 2021 and 2020 and for the period March 23, 2020 to December 31, 2021:

	<u>2021</u>	<u>2020</u>
Investments, at fair value	\$ <u>3,767,931</u>	\$ <u>2,438,691</u>
Investments, at contract value	\$ <u>13,839</u>	\$ <u>10,786</u>
Investment income	\$ <u>451,506</u>	\$ <u>159,532</u>
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan's assets are measured at fair value, on a recurring basis within the fair value hierarchy, are as follows at December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>3,767,931</u>	\$ -	\$ -	\$ <u>3,767,931</u>
Total investments, at fair value	\$ <u>3,767,931</u>	\$ -	\$ -	\$ <u>3,767,931</u>

The Plan's assets are measured at fair value, on a recurring basis within the fair value hierarchy, are as follows at December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest-bearing cash	\$ <u>985</u>	\$ -	\$ -	\$ <u>985</u>
Mutual funds	<u>2,437,706</u>	-	-	<u>2,437,706</u>
Total investments, at fair value	\$ <u>2,438,691</u>	\$ -	\$ -	\$ <u>2,438,691</u>

4. FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value.

Interest-bearing cash: fair value approximates the carrying amounts of such instruments due to their short maturity.

Mutual funds: valued at fair value based on quoted market prices.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value at the reporting date.

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

Plan investments include a traditional fully-benefit responsive investment contract with Great-West Life & Annuity Insurance Company, that is reported at contract value. Great-West Life & Annuity Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The average yields for the investment contract and actual average yields earned on the investment contract as reported by Great-West Life & Annuity Insurance Company were approximately .90% and 1.05% for the years ended December 31, 2021 and 2020, respectively. Such interest rates are reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the issuer's ability to meet its financial obligation, which may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the IRC or the failure of the trust to be tax exempt under section 501(a) of the IRC.
- Premature termination of the contracts.
- Plan termination or merger.
- Changes to the Plan's prohibition on competing investment options.
- Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestures or spin-offs of a subsidiary) that significantly affect the Plan's normal operations.

The plan administrator does not believe any events which would limit the Plan's ability to transact at contract value with participants are probable.

6. PARTY-IN-INTEREST TRANSACTIONS

Principal was the custodian of the Plan assets for the period from January 1, 2020 to May 18, 2020 (upon the date that the transfer of all plan assets was completed). Empower Retirement is the custodian of the Plan assets for the period from March 23, 2020 to December 31, 2021. As such, transactions involving Principal, Empower Retirement and the Plan qualify as party-in-interest transactions.

7. INCOME TAX STATUS

Prior to March 23, 2020, the Plan was designed from a prototype plan provided by Principal. The Internal Revenue Service has determined and informed Principal, by the letter dated August 8, 2014, that the written form of the underlying prototype plan document is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees.

Effective March 23, 2020, the Plan is based on an IRS approved prototype plan provided by Great-West Trust Company. The IRS has determined, by the letter dated March 31, 2014, that the written form of the underlying prototype plan document is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan itself has not received a determination letter from the IRS. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets available for benefits per Form 5500 at December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial Statements	\$ 3,781,770	\$ 2,563,558
Participant contributions receivable in the current year, paid in the following year	_____ -	_____ (114,081)
