**Board of Directors
Shared Support, Inc. 401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Shared Support, Inc. 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The

risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule(s), we evaluated whether the supplemental schedule(s), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 28, 2021, we indicated that (a) because of the significance of the information that we did not

audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SHARED SUPPORT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

1. Description of Plan

The following description of the Shared Support, Inc. 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions, which is available from the Plan Administrator.

General

The Plan is a 401(k) plan covering all full-time employees of Shared Support, Inc. (the Organization) who have attained age 18 and completed one year of service (1,000 hours), excluding union employees whose employment is governed by a collective bargaining agreement and certain nonresident aliens who have no earned income from sources within the United States. Eligible employees may enroll into the Plan on the first day of the Plan year or the first day of the seventh month of the Plan year (January 1 or July 1). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employee Contributions

All eligible employees are given the opportunity to enroll in the Plan through a salary deferral election. Such amounts are deducted from the participant's compensation each payroll period. Participants may change their salary deferral election at any time during the Plan year. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. All contributions are subject to Internal Revenue Code limitations.

Employee rollover contributions are also permitted.

Eligible employees may elect to opt out of participating in the Plan. There is no provision in the Plan document for automatic enrollment.

Participant loans are not permitted.

Employer Contributions

For each period the participant contributes to the Plan, the employer contributes a safe harbor matching contribution equal to 100% of the participant's salary deferral that does not exceed 4% of a participant's compensation. Safe harbor matching contributions are 100% vested.

SHARED SUPPORT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

Each year, the Organization may make a discretionary profit-sharing contribution to eligible participant accounts. No profit-sharing contribution was made for the years ended December 31, 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution, the employer's contribution, Plan earnings (losses), and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit credited to the participant's account.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions into any of the choices provided under the Plan as listed on the supplemental schedule, Schedule of Assets (Held at End of Year). These are determined by the Plan sponsor, and participants may change their investment options daily.

Vesting and Forfeitures

Under the Plan's vesting schedule, participants are immediately vested in their contributions plus actual earnings thereon. Vesting of the employer's contributions plus earnings thereon is based on years of continuous service. A participant is fully vested after six years of service. The non-vested balance is forfeited upon termination of service. Forfeitures are used to reduce employer contributions and to pay administrative expenses. Forfeitures totaled \$0 for the years ended December 31, 2021 and 2020.

Payment of Benefits

Upon termination of service, if the participant's account balance exceeds \$5,000, a participant may elect to receive his or her vested benefits paid as either a lump-sum amount equal to the value of his or her account or partial withdrawals. The payment will be made as soon as administratively feasible following termination of employment. Upon termination of service, if the participant's account balance does not exceed \$5,000, a participant must receive his or her vested benefits paid as a lump-sum amount equal to the value of his or her account, regardless of the consent to receive it. Hardship withdrawals may be made to purchase a residence, to assist in paying tuition, to prevent eviction or foreclosure, to make repairs to principal residences due to casualty losses, to pay for

burial/funeral expenses, and to assist in paying expenses for hospitalization, doctor, or surgery not covered by insurance.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reporting amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

All investments of the Plan are participant directed. The Plan's investments are reported at fair value, except for the guaranteed interest account. The guaranteed interest account is a fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisor, Plan custodian, and insurance company. See Note 3 for discussion of fair value and contract value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income (loss) is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Plan Benefits

Benefits are recorded when paid to participants.

YEARS ENDED DECEMBER 31, 2021 AND 2020

Administrative Expenses

Costs of administering the Plan may be paid out of Plan assets unless paid by the Organization. Administrative expenses paid out of Plan assets for the years ended December 31, 2021 and 2020 were \$20,538 and \$15,829, respectively.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks near-term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Subsequent Events

Subsequent events have been evaluated through the Independent Auditor's Report date, which is the date the financial statements were available to be issued.

3. Investments

The Plan's investments at fair value consist of the Plan's interest in the pooled separate account. The Plan's investments at contract value consist of a guaranteed interest account of Massachusetts Mutual Life Insurance Company (Mass Mutual) through December 30, 2020. Effective on December 31, 2020, Empower Retirement (Empower) acquired Mass Mutual's retirement business. Through this transaction, business written by Mass Mutual is reinsured by Great-West Life & Annuity Insurance Company (GWLA) for the year ended December 31, 2021. Empower administers the business on Mass Mutual's behalf. The following methods are used to value the investments:

Pooled Separate Account

As of December 31, 2021 and 2020 the Plan held \$3,921,938 and \$2,981,423, respectively, in a pooled separate account. The pooled separate account is valued at the net asset value of shares held by the Plan at year-end. Investments held in the separate account are stated at fair value and are not available to satisfy the liabilities of the guaranteed interest

NOTES TO FINANCIAL STATEMENTS

account. The pooled separate account is valued at net asset value per share as determined by investment managers under the so-called “practical expedient.” The practical expedient allows net asset value per share to represent fair value for reporting purposes when the criteria for using this method are met. The pooled separate account consists of mutual funds actively traded that are easily redeemed. There are no unfunded commitments. The investment strategies of the underlying investment funds of the separate account include seeking growth and current income.

Guaranteed Interest Account

As of December 31, 2021 and 2020, the Plan held \$61,719 and \$52,002, respectively, in a guaranteed interest account, which is reported at contract value. The guaranteed interest account is a stable value investment with a guaranteed rate of return and a guarantee of principal that is backed by Mass Mutual through December 30, 2020 and beginning on December 30, 2020, the guaranteed interest account is backed by GWLA. The guaranteed interest account is provided through a group annuity contract issued by GWLA. Under the contract, a crediting rate is established for a six-month period of time (a rate period), and all assets invested in the guaranteed interest account are credited with that rate. At the expiration of each rate period, a new crediting rate is declared. Through December 30, 2020, Mass Mutual assumed market, credit, and interest rate risks for the assets supporting the guaranteed interest account. As of December 31, 2020, these responsibilities were assumed by GWLA.

The guaranteed interest account is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets of the portion of the Mass Mutual or GWLA general accounts that is used to determine the guaranteed interest account’s crediting rate compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset at least annually and no more frequently than quarterly for some contracts. In general, guaranteed interest account crediting rates will typically show less volatility than current market rates. In a rising interest rate environment, credited rates will lag market rates because much of the contract’s assets are backed by investments made in prior years with earnings that reflect the lower rates that prevailed in those years. Over time, as new contributions are made and investments mature and are reinvested at current interest rates, rates could be expected to move toward market levels. Conversely, as market rates decrease, the guaranteed interest account crediting rates would also be expected to fall, but generally slowly than market rates. At December 31, 2021 and 2020, the average yield earned by the Plan and average interest rate credited to participants was 1.15% and 1.29%, respectively.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

Plan participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their account balance at contract value. Contract value represents contributions plus credited interest less participant withdrawals and fees.

Certain events may limit the Plan's ability to execute transactions at contract value. Such events include but may not be limited to a participant termination of employment due to: 1) removal of a group of participants from Plan coverage as a result of temporary absence; 2) change in position or other occurrence qualifying as a temporary break in service under the Plan; 3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under common control with the employer; or 4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale of discontinuance of all or any part of the Plan sponsor's business. Such events also include: 1) removal from the Plan of one or more groups or classifications of participants; 2) partial or complete Plan termination; or 3) Plan disqualification. The Plan Administrator does not believe that the occurrence of each of those events that would limit the ability of the Plan to transact at contract value with Plan participants is probable of occurring.

4. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

5. Tax Status

The Plan operates under an adoption agreement in connection with a volume submitter profit sharing plan with cash or deferred arrangement (CODA). This plan document has been filed with the appropriate agency and has obtained an opinion letter dated March 31, 2014 from the Internal Revenue Service (IRS) stating that the Plan constitutes a qualified plan under Section 401 of the Internal Revenue Code (Code) and that the related trust was tax-exempt. The Plan Administrator believes the Plan and the related trust are currently designed and being operated in compliance with the applicable requirements of the Code. The Plan annually files a Form 5500.

In accordance with guidance on accounting for uncertainty in income taxes, the Plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any

SHARED SUPPORT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Party-in-Interest Transactions

The Plan invests in investment vehicles of Mass Mutual, purchased by Empower Retirement, LLC. Empower Retirement, LLC. provided recordkeeping and other administrative services to the Plan through December 30, 2021. As a result, these transactions qualify as party-in-interest transactions.

7. Information Certified by the Plan's Custodian

The Plan Administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following information certified by the Plan's custodian, Reliance Trust Company, except for comparing such information certified by the custodian to information included in the Plan's financial statements. The custodian certified to the completeness and accuracy of all investment activity reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020 and the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020 and the information reflected on the supplemental schedule as of December 31, 2021.

Independent Auditor's Report

**Board of Directors
Shared Support, Inc. 401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Shared Support, Inc. 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The

risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule(s), we evaluated whether the supplemental schedule(s), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 28, 2021, we indicated that (a) because of the significance of the information that we did not

audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

1. Description of Plan

The following description of the Shared Support, Inc. 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions, which is available from the Plan Administrator.

General

The Plan is a 401(k) plan covering all full-time employees of Shared Support, Inc. (the Organization) who have attained age 18 and completed one year of service (1,000 hours), excluding union employees whose employment is governed by a collective bargaining agreement and certain nonresident aliens who have no earned income from sources within the United States. Eligible employees may enroll into the Plan on the first day of the Plan year or the first day of the seventh month of the Plan year (January 1 or July 1). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employee Contributions

All eligible employees are given the opportunity to enroll in the Plan through a salary deferral election. Such amounts are deducted from the participant's compensation each payroll period. Participants may change their salary deferral election at any time during the Plan year. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. All contributions are subject to Internal Revenue Code limitations.

Employee rollover contributions are also permitted.

Eligible employees may elect to opt out of participating in the Plan. There is no provision in the Plan document for automatic enrollment.

Participant loans are not permitted.

Employer Contributions

For each period the participant contributes to the Plan, the employer contributes a safe harbor matching contribution equal to 100% of the participant's salary deferral that does not exceed 4% of a participant's compensation. Safe harbor matching contributions are 100% vested.

SHARED SUPPORT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

Each year, the Organization may make a discretionary profit-sharing contribution to eligible participant accounts. No profit-sharing contribution was made for the years ended December 31, 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution, the employer's contribution, Plan earnings (losses), and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit credited to the participant's account.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions into any of the choices provided under the Plan as listed on the supplemental schedule, Schedule of Assets (Held at End of Year). These are determined by the Plan sponsor, and participants may change their investment options daily.

Vesting and Forfeitures

Under the Plan's vesting schedule, participants are immediately vested in their contributions plus actual earnings thereon. Vesting of the employer's contributions plus earnings thereon is based on years of continuous service. A participant is fully vested after six years of service. The non-vested balance is forfeited upon termination of service. Forfeitures are used to reduce employer contributions and to pay administrative expenses. Forfeitures totaled \$0 for the years ended December 31, 2021 and 2020.

Payment of Benefits

Upon termination of service, if the participant's account balance exceeds \$5,000, a participant may elect to receive his or her vested benefits paid as either a lump-sum amount equal to the value of his or her account or partial withdrawals. The payment will be made as soon as administratively feasible following termination of employment. Upon termination of service, if the participant's account balance does not exceed \$5,000, a participant must receive his or her vested benefits paid as a lump-sum amount equal to the value of his or her account, regardless of the consent to receive it. Hardship withdrawals may be made to purchase a residence, to assist in paying tuition, to prevent eviction or foreclosure, to make repairs to principal residences due to casualty losses, to pay for

burial/funeral expenses, and to assist in paying expenses for hospitalization, doctor, or surgery not covered by insurance.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reporting amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

All investments of the Plan are participant directed. The Plan's investments are reported at fair value, except for the guaranteed interest account. The guaranteed interest account is a fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisor, Plan custodian, and insurance company. See Note 3 for discussion of fair value and contract value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income (loss) is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Plan Benefits

Benefits are recorded when paid to participants.

SHARED SUPPORT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

Administrative Expenses

Costs of administering the Plan may be paid out of Plan assets unless paid by the Organization. Administrative expenses paid out of Plan assets for the years ended December 31, 2021 and 2020 were \$20,538 and \$15,829, respectively.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks near-term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Subsequent Events

Subsequent events have been evaluated through the Independent Auditor's Report date, which is the date the financial statements were available to be issued.

3. Investments

The Plan's investments at fair value consist of the Plan's interest in the pooled separate account. The Plan's investments at contract value consist of a guaranteed interest account of Massachusetts Mutual Life Insurance Company (Mass Mutual) through December 30, 2020. Effective on December 31, 2020, Empower Retirement (Empower) acquired Mass Mutual's retirement business. Through this transaction, business written by Mass Mutual is reinsured by Great-West Life & Annuity Insurance Company (GWLA) for the year ended December 31, 2021. Empower administers the business on Mass Mutual's behalf. The following methods are used to value the investments:

Pooled Separate Account

As of December 31, 2021 and 2020 the Plan held \$3,921,938 and \$2,981,423, respectively, in a pooled separate account. The pooled separate account is valued at the net asset value of shares held by the Plan at year-end. Investments held in the separate account are stated at fair value and are not available to satisfy the liabilities of the guaranteed interest

SHARED SUPPORT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

account. The pooled separate account is valued at net asset value per share as determined by investment managers under the so-called “practical expedient.” The practical expedient allows net asset value per share to represent fair value for reporting purposes when the criteria for using this method are met. The pooled separate account consists of mutual funds actively traded that are easily redeemed. There are no unfunded commitments. The investment strategies of the underlying investment funds of the separate account include seeking growth and current income.

Guaranteed Interest Account

As of December 31, 2021 and 2020, the Plan held \$61,719 and \$52,002, respectively, in a guaranteed interest account, which is reported at contract value. The guaranteed interest account is a stable value investment with a guaranteed rate of return and a guarantee of principal that is backed by Mass Mutual through December 30, 2020 and beginning on December 30, 2020, the guaranteed interest account is backed by GWLA. The guaranteed interest account is provided through a group annuity contract issued by GWLA. Under the contract, a crediting rate is established for a six-month period of time (a rate period), and all assets invested in the guaranteed interest account are credited with that rate. At the expiration of each rate period, a new crediting rate is declared. Through December 30, 2020, Mass Mutual assumed market, credit, and interest rate risks for the assets supporting the guaranteed interest account. As of December 31, 2020, these responsibilities were assumed by GWLA.

The guaranteed interest account is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets of the portion of the Mass Mutual or GWLA general accounts that is used to determine the guaranteed interest account’s crediting rate compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset at least annually and no more frequently than quarterly for some contracts. In general, guaranteed interest account crediting rates will typically show less volatility than current market rates. In a rising interest rate environment, credited rates will lag market rates because much of the contract’s assets are backed by investments made in prior years with earnings that reflect the lower rates that prevailed in those years. Over time, as new contributions are made and investments mature and are reinvested at current interest rates, rates could be expected to move toward market levels. Conversely, as market rates decrease, the guaranteed interest account crediting rates would also be expected to fall, but generally slowly than market rates. At December 31, 2021 and 2020, the average yield earned by the Plan and average interest rate credited to participants was 1.15% and 1.29%, respectively.

SHARED SUPPORT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

Plan participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their account balance at contract value. Contract value represents contributions plus credited interest less participant withdrawals and fees.

Certain events may limit the Plan's ability to execute transactions at contract value. Such events include but may not be limited to a participant termination of employment due to: 1) removal of a group of participants from Plan coverage as a result of temporary absence; 2) change in position or other occurrence qualifying as a temporary break in service under the Plan; 3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under common control with the employer; or 4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale of discontinuance of all or any part of the Plan sponsor's business. Such events also include: 1) removal from the Plan of one or more groups or classifications of participants; 2) partial or complete Plan termination; or 3) Plan disqualification. The Plan Administrator does not believe that the occurrence of each of those events that would limit the ability of the Plan to transact at contract value with Plan participants is probable of occurring.

4. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

5. Tax Status

The Plan operates under an adoption agreement in connection with a volume submitter profit sharing plan with cash or deferred arrangement (CODA). This plan document has been filed with the appropriate agency and has obtained an opinion letter dated March 31, 2014 from the Internal Revenue Service (IRS) stating that the Plan constitutes a qualified plan under Section 401 of the Internal Revenue Code (Code) and that the related trust was tax-exempt. The Plan Administrator believes the Plan and the related trust are currently designed and being operated in compliance with the applicable requirements of the Code. The Plan annually files a Form 5500.

In accordance with guidance on accounting for uncertainty in income taxes, the Plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any

SHARED SUPPORT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Party-in-Interest Transactions

The Plan invests in investment vehicles of Mass Mutual, purchased by Empower Retirement, LLC. Empower Retirement, LLC. provided recordkeeping and other administrative services to the Plan through December 30, 2021. As a result, these transactions qualify as party-in-interest transactions.

7. Information Certified by the Plan's Custodian

The Plan Administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following information certified by the Plan's custodian, Reliance Trust Company, except for comparing such information certified by the custodian to information included in the Plan's financial statements. The custodian certified to the completeness and accuracy of all investment activity reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020 and the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020 and the information reflected on the supplemental schedule as of December 31, 2021.
