INDEPENDENT AUDITORS' REPORT

To the Participants and Pension Committee
Central Investment LLC Thrift Savings 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Central Investment LLC Thrift Savings 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Central Investment LLC Thrift Savings 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Investment LLC Thrift Savings 401(k) Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Central Investment LLC Thrift Savings 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Investment LLC Thrift Savings 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Central Investment LLC Thrift Savings 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 - PLAN DESCRIPTION

The following description of the Central Investment LLC Thrift Savings 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement and the Summary Plan Description for a more complete description of the Plan's provisions.

Effective January 1, 2020, the Company adopted a prototype plan through the Great-West Trust Company, which was subsequently amended and restated effective March 30, 2021. This had the effect of changing plan eligibility, automatic enrollment provisions, entry dates, and qualifying compensation definitions among other things.

GENERAL-

Great-West Trust Company, LLC and its affiliate, Great-West Retirement Services, provide recordkeeping and custody services for the Plan's assets. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

ELIGIBILITY-

The Plan is a defined contribution plan covering eligible employees of Central Investment LLC and subsidiary companies (the “Company”) who have attained the age of twenty-one and earned credit for six months of service.

CONTRIBUTIONS-

Generally, each year active participants may contribute up to one hundred percent (100%) of pretax annual compensation (or the maximum amount prescribed by law, whichever is less), as defined in the Plan. The Company may make contributions to the Plan subject to limitations imposed by law (“Employer Contributions”). For 2021, the Company made safe harbor matching contributions equal to one-hundred percent (100%) of the amount of a participant's elective contributions that do not exceed one percent (1%) of the participants annual compensation and fifty percent (50%) of the participant's elective contributions that exceed one percent (1%) but do not exceed six percent (6%) of the participant's annual compensation.

All newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled employees have their deferral rate set at six percent (6%) of eligible compensation.

Contributions for automatically enrolled participants are invested in a default asset allocation until changed by the participant.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 (Continued)

NOTE 1 - PLAN DESCRIPTION (Continued)

PARTICIPANT ACCOUNTS-

Each participant's account is adjusted by (a) the participant's contribution, (b) allocations of any Employer Contributions, and (c) allocations of the Plan's earnings or losses (including any administrative expenses paid by the Plan). Allocations are based on participant earnings or account balances in accordance with the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants have the ability to direct the investment of their contributions into the various investment options offered by the Plan.

VESTING-

Participants are immediately vested in their contributions plus allocated earnings or losses less allocated expenses. Vesting in the Employer Contributions to a participant's account is based on years of continuous, credited service. Generally, a participant becomes one-hundred percent (100%) vested in Employer Contributions upon completion of three years of credited service. During the period prior to completion of the required credited service, a participant is zero percent (0%) vested in the amounts attributable to Employer Contributions. Participants become one-hundred percent (100%) vested in safe harbor matching qualified contributions upon completion of two years of credited service.

NOTES RECEIVABLE FROM PARTICIPANTS-

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% over the prime rate published in the Wall Street Journal on the first business day of the month the loan is originated. Principal and interest are paid ratably through payroll deductions.

FORFEITURES AND SUSPENSE ACCOUNT-

Forfeitures are used to reduce future Employer Contributions. There were \$2,364 and \$1,603 of unallocated nonvested amounts at December 31, 2021 and 2020, respectively. Forfeitures in the amount of \$4,280 were used to reduce Employer Contributions in 2021.

NOTE 1 - PLAN DESCRIPTION (Continued)

PAYMENT OF BENEFITS-

Upon reaching age 65, termination of employment, death, total and permanent disability, or termination of the Plan, the participant's account may be distributed under several options. If the participant's vested interest is greater than \$5,000, the participant may choose to have the distribution delayed (in accordance with the participant's election) until the participant reaches retirement age. If delayed, the participant's account will continue to be credited with earnings or losses until a distribution is made. If the vested interest is less than \$5,000 but greater than \$1,000, the participant may elect to have the distribution paid directly to an eligible retirement plan or receive the distribution directly in the form of cash. Should such an election not be made by the participant, the distribution will be in the form of a direct rollover to an individual retirement plan designated by the plan administrator. If the vested interest is \$1,000 or less, the payment will be in the form of a lump sum payment, payable at termination.

In conditions of financial hardship, as defined by the Plan and applicable regulations, a participant may apply to the plan administrator for approval to withdraw that portion of their 401(k) retirement account balance necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code ("IRC").

PLAN TERMINATION-

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

The financial statements of the Plan have been prepared in conformity with U.S. generally accepted accounting principles as applied to savings and retirement plans, and in accordance with the terms of the Plan agreement. A summary of the Plan's significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

BASIS OF ACCOUNTING-

The financial statements are prepared using the accrual method of accounting.

USE OF ESTIMATES-

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

VALUATION OF INVESTMENTS-

Accounting guidance establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- | | |
|---------|--|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities |
| Level 2 | Quoted prices in markets that are not active, or inputs that are observable either directly or indirectly, for substantially the full term of the asset or liability |
| Level 3 | Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (i.e. supported by little or no market activity) |

A financial instrument's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. As of December 31, 2021 and 2020, all investments are valued using quoted market prices and therefore are categorized as Level 1 fair value instruments.

Purchases and sales are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS-

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged against the borrower's loan proceeds. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

ADMINISTRATIVE EXPENSES-

Substantially all of the Plan's administrative expenses are paid by the Company.

PAYMENT OF BENEFITS-

Benefit distributions are recorded when paid.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 (Continued)

NOTE 3 - INCOME TAX STATUS

The Company adopted a volume submitter defined contribution plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service (“IRS”) dated February 16, 2017. The IRS stated in the letter that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has since been amended. While the Company has not obtained its own determination letter on the Plan, management believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

NOTE 4 - CERTIFIED FINANCIAL INFORMATION

Great-West Trust Company, LLC provides the Plan with custodial services and its affiliate, Great-West Retirement Services, executes investment transactions and pays plan benefits to participants and beneficiaries. Great-West Trust Company, LLC has provided the plan administrator with a certification as of and for the year ended December 31, 2021, that the investments and participant notes receivable reflected on the accompanying statements of net assets available for benefits and the related investment income and interest income on participant notes receivable reflected in the statement of changes in net assets available for benefits as provided to the plan administrator is complete and accurate.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various mutual funds. These investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6 - SUBSEQUENT EVENTS

The Plan’s administrator has evaluated the impact of events that have occurred subsequent to December 31, 2021 through September 1, 2022, the date the financial statements were available to be issued, for purposes of recognition and disclosure in the financial statements.

NOTE 7 PLAN OPERATIONS IMPACTED BY COVID-19

The COVID-19 outbreak in the United States has caused disruption due to temporary business shutdowns, among other things. The extent or impact of COVID-19 on the Plan’s net assets available for benefits and changes in net assets available cannot be accurately predicted and will depend on certain developments including the duration and spread of the outbreak.

NOTE 7 - PLAN OPERATIONS IMPACTED BY COVID-19 (Continued)

On March 27, 2020, the U.S. Congress passed the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to distributions and participant loans during 2020. The provisions of the CARES Act could be effective and operationalized immediately, prior to amending the plan document.

The Plan administrator has adopted the distribution relief provisions included in the CARES Act which permitted qualified individuals to request a pre-approved distribution, through participant self-certification of eligibility. The maximum dollar amount that could be requested per participant was \$100,000 up through December 30, 2020.

The Company intends to formally amend the Plan before the end of the applicable remedial amendment period to reflect such provisions.
