Independent Auditor's Report

Board of Directors
Summit Medical Group, PLLC

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Summit Medical Group, PLLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Board of Directors
Summit Medical Group, PLLC

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Board of Directors
Summit Medical Group, PLLC

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Board of Directors
Summit Medical Group, PLLC

Other Matters (continued)

2021 Supplemental Schedules Required by ERISA (continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Board of Directors
Summit Medical Group, PLLC

Other Matters (continued)

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Summit Medical Group, PLLC 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2021

1. Description of the Plan

Summary Plan Description

The following description of the Summit Medical Group, PLLC 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions. Copies of this document are available from Summit Medical Group, PLLC (the “Company”), the plan sponsor.

General

The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees of the Company that are age 21 or older and have completed one year of qualifying service are eligible to be credited with the Company’s contributions and to make employee contributions.

Contributions

Participants may elect to defer up to a maximum of seventy-five percent of compensation, subject to certain Internal Revenue Service (IRS) limitations. Participants may direct both Company and participant contributions to any of various investment options available under the Plan.

Each pay period, the Company contributes to the Plan a matching contribution equal to 50% of each participant’s contribution up to 6% of contributions. The Company also contributes a qualified non-elective contribution in the amount of 3% of total compensation for all participants. The Company may also make an annual profit-sharing contribution to the Plan in accordance with the plan document, subject to certain limitations.

Cash contribution receivables from the Company are unsecured.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and Company contributions, as described above, and an allocation of the Plan’s earnings or losses, forfeitures and administrative expenses. Allocations are based on participant earnings or losses or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Summit Medical Group, PLLC 401(k) Profit Sharing Plan

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Vesting

Participants are immediately vested in their elective deferral contributions, Company matching contributions, and Company qualified non-elective contributions plus earnings thereon and are vested in the Company's discretionary profit-sharing contributions after five years of service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Participants may also become 100% vested as a result of death, disability, or reaching normal retirement age of 55.

Notes Receivable from Participants

Subject to approval by the Plan Administrator, participants may borrow from the general assets of the Plan up to the lesser of \$50,000 or 50 percent of their vested account balance (*Note 2*). The amount and terms of the notes receivable must meet certain criteria as defined in the plan document. The notes receivable are generally repayable in level periodic payments over various terms of up to five years unless it qualifies as a home loan, as defined, which may have extended terms. The notes receivable will bear interest at a reasonable rate, specifically set at prime plus 1% for loans originated beginning in 2011.

Upon default of participant notes receivable, the entire outstanding principal and interest shall be immediately due and payable. If a distributable event, as defined by the Internal Revenue Code (IRC), has occurred, the note receivable will be foreclosed on and be offset against the participant's account balance. If a participant's note receivable is in default, the participant shall be treated as having a taxable deemed distribution whether or not a distribution event has occurred.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a 10-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Summit Medical Group, PLLC 401(k) Profit Sharing Plan

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Forfeitures

Forfeitures of terminated participants' non-vested accounts can be used to pay the Plan's administrative expenses (*Note 4*) or reduce future Company contributions to the Plan. If a terminated participant, who is deemed to have received a distribution, resumes participation in the Plan, then the participant may be entitled to a restoration of certain amounts forfeited, based on provisions in the plan document.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis, as are annual returns filed under applicable provisions of ERISA and the IRC.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investments

Charles Schwab Trust Bank (Schwab) is the primary custodian for the Plan. The Trust Company of Tennessee, Inc. (The Trust Company), for which investments totaling \$49,813 and \$51,875 as of December 31, 2021 and 2020, respectively, were not certified, is an additional custodian for certain investments held in participant-directed brokerage accounts. Investments held with The Trust Company experienced investment income of \$1 in 2021 and \$15 in 2020.

Generally, the Plan's investments are collateralized by the proportionate share of the respective fund's underlying net assets. The maximum loss, if any, that would be incurred by the Plan if the counterparties to the Plan's investments failed to perform is the recorded amount of such investments.

The Plan's investments are reported at fair value based primarily upon quoted prices in an active market; accordingly, net appreciation or depreciation in fair value of investments is reflected in statements of changes in net assets available for benefits. This includes all investments bought or sold, as well as those held during the year. Purchases and sales are recorded on a trade-date basis, and dividends are recorded on the ex-dividend date.

Summit Medical Group, PLLC 401(k) Profit Sharing Plan

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

The Plan invests in a common/collective trust fund, the T. Rowe Price Stable Value Common Trust Fund (Stable Value Fund), which holds fully benefit-responsive investment contracts. The statement of changes in net assets available for benefits presents the fair value of the investment in this fund. Participants should refer to the Stable Value Fund financial statements for more information.

The Plan's investments in the participant-directed brokerage accounts consist of money market mutual funds, U.S. government securities, corporate bonds, common stocks, mutual funds and unit investment trusts.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses are paid primarily by the Plan.

Subsequent Events

In preparation of the accompanying financial statements, management determined there have been no significant events subsequent to the date of the Statement of Net Assets Available for Benefits (December 31, 2021) through July 29, 2022, the date the financial statements were available for issuance.

3. Income Tax Status

The Plan adopted a volume submitter plan which had received an opinion letter dated March 31, 2014, in which the IRS ruled the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the accompanying financial statements.

4. Certified Information (Unaudited)

The following information related to investments and notes receivable from participants is included in the accompanying financial statements based upon information provided by Schwab. That information, which has not been audited, was certified as complete and accurate by Schwab and is summarized as follows.

Summit Medical Group, PLLC 401(k) Profit Sharing Plan

Notes to Financial Statements (continued)

4. Certified Information (Unaudited) (continued)

The Plan's cash and investments held by Schwab total \$304,370,003 and \$265,731,379 as of December 31, 2021 and 2020, respectively. The participant-directed brokerage accounts include \$8,615,719 and \$6,680,280, respectively, and mutual funds include \$3,745,790 and \$4,194,890, respectively, in funds of Schwab as of December 31, 2021 and 2020. Notes receivable from participants total \$1,281,293 and \$1,598,505 as of December 31, 2021 and 2020, respectively.

Investment income from cash and investments held by Schwab totaled \$14,655,132 in 2021 and \$8,153,542 in 2020. Interest income on notes receivable from participants was \$69,126 in 2021 and \$92,458 in 2020. The Plan's investments held by Schwab (including investments bought, sold, as well as held during the year) appreciated in fair value as follows for the years ended December 31:

	2021	2020
Fair value measured by quoted prices in an active market	\$25,608,607	\$25,918,040
Fair value otherwise determined	3,119	2,671
	<u>\$25,611,726</u>	<u>\$25,920,711</u>

The balance in the forfeitures account is invested in the Stable Value Fund as directed by the Plan Administrator. Activity in the nonparticipant-directed portion of this investment is as follows for the years ended December 31:

	2021	2020
Balance at beginning of year:	\$ 1,664	\$ 1,249
Investment income	458	1,235
Administrative expenses	—	(286)
Reduction in Company contributions	(103,663)	(102,040)
Forfeitures	107,929	101,506
Balance at end of year	<u>\$ 6,388</u>	<u>\$ 1,664</u>

5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

Summit Medical Group, PLLC 401(k) Profit Sharing Plan

Notes to Financial Statements (continued)

5. Fair Value Measurements (continued)

The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level for the asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Fund: Valued at fair value using the NAV practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund (*Note 2*).

Participant-directed brokerage accounts: Consists of U.S. government securities, corporate bonds, money market funds, mutual funds, common stocks, unit investment trusts, all of which are valued as determined by the issuer based on the current fair values of the underlying assets of the fund (*Note 2*). The mutual funds held by the Plan are deemed to be actively traded.

Summit Medical Group, PLLC 401(k) Profit Sharing Plan

Notes to Financial Statements (continued)

5. Fair Value Measurements (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments as of December 31:

	Level 1	Level 2	Level 3	Total
2021:				
Mutual funds	\$236,255,823	\$ —	\$ —	\$236,255,823
Participant-directed brokerage accounts	53,893,624	—	—	53,893,624
Total assets in the fair value hierarchy	<u>\$290,149,447</u>	<u>\$ —</u>	<u>\$ —</u>	<u>290,149,447</u>
Investments measured at net asset value*				11,924,080
Total investments at fair value				<u>\$302,073,527</u>
2020:				
Mutual funds	\$208,369,178	\$ —	\$ —	\$208,369,178
Participant-directed brokerage accounts	41,819,073	—	—	41,819,073
Total assets in the fair value hierarchy	<u>\$250,188,251</u>	<u>\$ —</u>	<u>\$ —</u>	<u>250,188,251</u>
Investments measured at net asset value*				12,409,585
Total investments at fair value				<u>\$262,597,836</u>

* - In accordance with Subtopic 820-10, the Plan's interest in the Stable Value Fund was measured at fair value using the net asset value per share (or its equivalent) practical expedient and has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments measuring at fair value based on NAV per share as December 31:

Investment Type	Fair Value 2021	Fair Value 2020	Unfunded Commitment	Redemption Frequency	Redemption Notice For Period
Stable Value Fund	11,924,080	\$12,409,585	None	Daily	Daily

Summit Medical Group, PLLC 401(k) Profit Sharing Plan
Notes to Financial Statements (continued)

6. Related Party Transactions and Parties-in-Interest Transactions

Certain plan assets consist of a money market deposit account of Schwab, and therefore, these transactions qualify as party-in-interest transactions.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

8. Risks and Uncertainties

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.
