INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
LANXESS Corporation Defined Contribution Plan
Pittsburgh, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit the financial statements of the LANXESS Corporation Defined Contribution Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the trustee, an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 10, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

LANXESS CORPORATION DEFINED CONTRIBUTION PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the LANXESS Corporation Defined Contribution Plan (Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General - The Plan was created, effective January 1, 2005, as a result of a spinoff from the Bayer Chemicals Corporation (Bayer), for those employees who were previously participants of the Bayer Corporation Defined Contribution Plan and any new eligible employees of LANXESS Corporation (Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

An employee is eligible for participation on the first day of employment if he or she is a regular full-time or part-time employee of the Company and is a U.S. citizen, a resident alien or a person legally entitled to work in the U.S. The Plan is a defined contribution savings plan available to these eligible employees. Certain restrictions apply to participants who are participating in other non-U.S. LANXESS retirement plans.

The Company is responsible for the administration of the Plan. The Vanguard Fiduciary Trust Company (Vanguard) is the trustee of the Plan.

Contributions - Employees may elect to contribute up to 75% of their eligible compensation in the form of before-tax or after-tax contributions, including Roth contributions. The Plan includes a feature that enables each eligible individual to be automatically enrolled in the Plan the later of his or her employment commencement date or as soon as administratively feasible following 30 days after the employee receives notification of his or her automatic enrollment, at a before-tax contribution rate starting at 6% and increasing on May 1 of each successive Plan year following the automatic enrollment date by 1%, up to a maximum of 10%. If a participant does not select a specific investment option, the participant's employee and employer contributions will be invested automatically in the applicable Vanguard Target Date Fund that corresponds to the approximate date that the participant will turn age 65. As defined by the Plan, the Company matches dollar-for-dollar for the first 2% contributed and \$0.50 per dollar for the next 4% contributed. In addition, the Company matches 50% of the first 6% of compensation for some union participants, including certain other eligible participants, per Plan year. Employees who attain age 50 before the end of the Plan year generally are eligible to make catch-up contributions to the Plan subject to Internal Revenue Service (IRS) limitations. Participant contributions include rollovers from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company also contributes an additional 5% of a non-union participant's eligible compensation, whether or not the participant is contributing to the Plan, herein referred to as the Employer Retirement Contribution. Union participants, including certain other eligible participants, receive between 2.5% and 4% in Employer Retirement Contributions based on the union or pay group with which they are a member. Certain participants may receive amounts in excess of 5%, not to exceed 15%, based on prior service requirements. Additionally, certain restrictions apply to employees participating in other Company-sponsored retirement plans. Contributions are subject to certain IRS limitations.

Participant Accounts - Each participant's account is credited with his or her contribution and an allocation of (a) the Company's matching contribution, (b) the Employer Retirement Contributions and (c) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

LANXESS CORPORATION DEFINED CONTRIBUTION PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting - Participants are immediately vested in their contributions and Company-matching contributions plus actual earnings thereon. Certain participants who were employed by a previously acquired company on or before December 31, 2017 are fully vested in Employer Retirement Contributions. Union participants from the previously acquired company who were hired after December 31, 2017 are subject to vesting schedules and become 100% vested after three, four or six years. All other participants become 100% vested in Employer Retirement Contributions only after three years of combined service with the Company.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. A maximum of two loans may be outstanding at one time. Notes receivable are collateralized by the balance in the participant's vested account and bear interest at rates that are commensurate with local prevailing rates as determined quarterly by the Plan administrator (ranging from approximately 3.25% to 6.25% at December 31, 2021). Principal and interest is paid ratably through payroll deductions. Effective April 2020, the Plan adopted multiple provisions included in the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that was signed into law in 2020. Upon specific participant request, participants may take a 12-month delay for loan repayments due from March 27, 2020 to December 31, 2020. During 2020, 32 participants within the Plan delayed loan repayments under this provision of the CARES Act.

Withdrawals - The Plan provides for withdrawals of after-tax contributions during a participant's employment. A participant may withdraw in cash all, or any portion of, the value and earnings thereon, with certain limitations applying to Company-matching contributions. Such withdrawals may be made only after such contributions have been held in the Plan for 24 months. After-tax contributions that have not been matched by Company contributions may be withdrawn not more than once in any plan year. Special coronavirus-related distributions up to \$100,000, exempt from early withdrawal penalty and associated taxes to be paid pro-rata over a three-year period.

The full value of a participant's account is payable at retirement. There are also provisions for withdrawals caused by a break in service by reason other than retirement, permanent shutdown, total and permanent disability or death.

Forfeited Accounts - The Plan's forfeited accounts are used to reduce future employer contributions. The forfeiture account had a balance of approximately \$126,000 and \$25,000 as of December 31, 2021 and 2020, respectively. Forfeitures used to reduce employer contributions approximated \$289,000 during the year ended December 31, 2021.

Although it has not expressed any intention to do so, the Company has the right under the Plan in certain circumstances to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, all account balances would be distributed to participants, as defined by the Plan, within a reasonable time following Plan termination. In the event of Plan termination, participants would become 100% vested in their account balances.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of accounting policies consistently applied by management in the preparation of the accompanying financial statements follows:

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition - The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. (See Note 3 for discussion of fair value measurement.)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Plan Expenses - The Plan pays administrative fees related to certain investment management fees and loan fees. All other administrative expenses are generally paid for by the Company.

Payment of Benefits - Benefits are recorded when paid.

Subsequent Events - Subsequent events are defined as events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are issued or are available to be issued. Management has evaluated subsequent events through September 28, 2022, the date that the financial statements were issued and determined that there have been no events that have occurred that would require adjustments to our disclosures in the financial statements.

NOTE 3 - FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification topic Fair Value Measurement provides a framework for measuring fair value under generally accepted accounting principles and, among other things, requires enhanced disclosures about assets and liabilities recognized at fair value.

LANXESS CORPORATION DEFINED CONTRIBUTION PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 3 - FAIR VALUE MEASUREMENT (Continued)

This topic defines fair value as the price that would be received to sell an asset or paid to transfer a liability (i.e., exit price) in an orderly transaction between market participants at the measurement date. This topic requires disclosures that categorize assets and liabilities measured at fair value into one of three different levels depending on the assumptions (i.e., inputs) used in the valuation. Level 1 provides the most reliable measure of fair value, while Level 3 generally requires significant management judgment. Financial assets and liabilities are classified in their entirety based on the lowest level of input significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The fair value hierarchy is defined as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Money Market Funds - Valued at the net asset value of shares held by the Plan at year-end.

Registered Investment Companies - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Funds - The Vanguard Retirement Trusts are collective trust funds that are valued based on the units of the collective trust funds held by the Plan at year-end times the respective unit value. The unit values of the collective trust funds are based on significant observable inputs, although they are not based on quoted market prices in an active market. The Plan's investment in the collective trust funds is not subject to any withdrawal or redemption restrictions. The Plan has no unfunded commitments relating to the collective trust funds at December 31, 2021 and 2020.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 3 - FAIR VALUE MEASUREMENT (Continued)

The valuations of the Plan's investments at December 31 according to the fair value hierarchy are summarized as follows:

	2021			
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 225,883	-	-	\$ 225,883
Registered investment companies	443,856,179	-	-	443,856,179
Total Assets In The Fair Value Hierarchy	444,082,062	-	-	444,082,062
Investments measured at net asset value - common collective trust funds (a)	-	-	-	310,873,960
Total Investments At Fair Value	\$ 444,082,062	-	-	\$ 754,956,022
	2020			
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 24,920	-	-	\$ 24,920
Registered investment companies	395,258,309	-	-	395,258,309
Total Assets In The Fair Value Hierarchy	395,283,229	-	-	395,283,229
Investments measured at net asset value - common collective trust funds (a)	-	-	-	289,455,970
Total Investments At Fair Value	\$ 395,283,229	-	-	\$ 684,739,199

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 4 - TAX STATUS

The IRS has determined and informed the Company by a letter dated September 23, 2016 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended and restated since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

LANXESS CORPORATION DEFINED CONTRIBUTION PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 4 - TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments that, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 - INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

Management has elected the method of annual reporting permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Vanguard, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Interest (including notes receivable from participants), dividends and net appreciation of investments as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in the schedule of assets (held at end of the year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At request of management, the Plan's independent auditor did not perform auditing procedures with respect to this certified investment information, except for comparing such certified information to the related information included in the financial statement and ERISA-required supplemental schedule.

NOTE 7 - RELATED-PARTY TRANSACTIONS

The Plan invests in registered investment companies and common/collective trust funds managed by the trustee. In addition, the Company may pay certain administrative expenses or perform administrative functions on behalf of the Plan, for which no fees are charged. These transactions qualify as party-in-interest transactions that are allowable under ERISA.
