REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Committee for the
Thrift Plan for Employees of the American Bar Association and Affiliates

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of Thrift Plan for Employees of the American Bar Association and Affiliates (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedules required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or

is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Thrift Plan for Employees of the American Bar Association and Affiliates

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN

General

The Thrift Plan for Employees of the American Bar Association and Affiliates (the Plan) is a defined contribution plan covering substantially all eligible employees of the American Bar Association, the American Bar Endowment, the National Judicial College, the ABA Retirement Funds and the American Lawyers Insurance Plans, Inc. (formerly American Bar Insurance Plans Consultants, Inc.) (collectively, the Sponsors). The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Plan Administration

The Plan is administered by the Committee for the Thrift Plan for Employees of the American Bar Association and Affiliates. Fidelity Management Trust Company is the trustee of the Plan and Fidelity Workplace Services is the recordkeeper of the Plan. Effective May 6, 2021, the Plan was amended and restated to reflect certain statutory changes, in accordance with Fidelity Management & Research Company (FMR)'s pre-approved plan document.

Eligibility, Contributions and Vesting

All employees who have completed 30 days of employment may participate in the Plan. Leased employees, nonresident aliens and any individual who performs services outside of the United States of America as a volunteer of the Sponsors are not eligible to participate in the Plan. Eligible employees may begin participating in the Plan on the first day of the month after having met the Plan's eligibility requirements. Participants may voluntarily contribute 1% to 50% in whole percentages of their covered compensation, which excludes severance pay and certain fringe benefits. These contributions can be made using pretax dollars or can be designated as Roth contributions. The maximum employee deferral contribution is 50% of an employee's covered compensation, subject to certain Internal Revenue Service (IRS) limitations. Participants who have attained the age of 50 may make additional catch-up contributions to the Plan. Participants may also make contributions representing distributions from other qualified plans or individual retirement account (rollovers) to the Plan. The Sponsors match 50% of deferral contributions up to 6% of compensation. This match is calculated on a pay period basis. Employees must have completed one year of employment to be eligible for the Sponsors' matching contribution. For certain eligible employees, the Sponsors will also make a non-elective contribution of 5% of compensation. These employees must have completed one year of employment to be eligible for the Sponsor's non-elective contribution.

Participants are immediately vested in their contributions. Effective January 1, 2018, vesting in the Sponsors' matching and non-elective contributions is based on years of service. Participants are 20% vested after one year of service, increasing in 20% increments for each subsequent year, and are 100% vested after completion of five years of service.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Sponsors' contributions (based on the employee's contributions) and the Plan's earnings or losses (based on the participant's account balance relative to the total account balances). Forfeited balances of terminated participants' non-vested accounts are used to reduce future Sponsors' contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Benefit Payments

Upon termination of service, the distribution of the participant's account shall be made in a lump sum, a rollover or installment payments.

If employment is terminated for reasons other than death and the participant's vested balance exceeds \$1,000, the participant may choose to leave the account balance in the Plan or may elect to receive a distribution of the vested account balance.

In-service withdrawals from all or a portion of the participant's vested account balance are also permitted for reason of financial hardship or attainment of age 59½. A participant may also withdraw all or any portion of his or her vested employer 100% match pre-1999 and pre-2016 employer match accounts.

Effective March 31, 2020, eligible participants were granted ability to obtain Coronavirus Aid, Relief, and Economic Security Act (CARES Act) distributions from the vested portion of their Plan accounts up to a total of \$100,000 through December 31, 2020. The Plan will be formally amended to adopt these provisions in accordance with the timeline prescribed by the IRS.

Forfeitures

As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$91,728 and \$244,586, respectively. Forfeitures were used to reduce Sponsors' contributions by \$338,268 and \$581,883 in 2021 and 2020, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, unless for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined quarterly by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

Effective April 21, 2020, eligible participants were able to defer payment on loans from their Plan accounts from March 27, 2020 through December 31, 2020 under the CARES Act. The Plan will be formally amended to adopt these provisions in accordance with the timeline prescribed by the IRS.

Investment Options

Participants may invest their account balance in any of the Plan's investments options. Investment elections may be changed daily. All amounts in participant accounts are participant-directed.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Thrift Plan for Employees of the American Bar Association and Affiliates

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Valuation of Investments

Investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note C for further discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant's loan to be in default based on the provisions of the Plan, the participant's loan balance is reduced, and a benefit payment is recorded.

Investment Income

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of investments are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Reasonable expenses relating to the administration of the Plan are paid using Plan assets. Such expenses include, but are not limited to, management, participant loan, distribution and consulting fees. Unless otherwise paid by the Plan, certain expenses of maintaining the Plan are paid directly by the Sponsors and are excluded from these financial statements.

NOTE C - INVESTMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Thrift Plan for Employees of the American Bar Association and Affiliates

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The valuation techniques and inputs used by the Plan for each major class of assets measured at fair value are summarized as follows. There have been no changes in the valuation methodologies used as of December 31, 2021 and 2020.

Mutual funds - Valued at quoted market price, which represents the net asset value (NAV) of shares held by the Plan at year end.

Collective trust fund - Valued using the NAV provided by the administrator of the fund. NAV is used as a practical expedient for fair value. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2021

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

- (a) These investments are related to the collective trust funds. The NAV of the stable return fund is determined using the market value, or fair value if market data is unavailable, of the underlying securities. Wells Fargo, as trustee of the stable value fund, reserves the right to require a 12-month notice for withdrawal of assets from the fund indicated by the Plan should a full redemption of the stable value fund be requested. There is no funding commitment for the stable value fund.

NOTE D - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management and Trust Company (FMTC), the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020;
- Investment income and interest income on notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020; and
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021.

NOTE E - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Investments, a company related to FMTC. Since FMTC is the Plan's trustee, these transactions qualify as party-in-interest transactions. Notes receivable from participants qualify as permitted party-in-interest transactions under ERISA.

NOTE G - INCOME TAX STATUS

The Plan adopted the pre-approved plan document sponsored by FMR, which received an advisory letter from the IRS on June 30, 2020. This letter stated that the pre-approved plan document is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Sponsors have determined that the Plan is eligible and have chosen to rely on the current IRS advisory letter. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes is included in the Plan's financial statements.

Thrift Plan for Employees of the American Bar Association and Affiliates

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsors have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their accounts.

NOTE I - SUBSEQUENT EVENTS

Plan management evaluated the Plan's December 31, 2021, financial statements for subsequent events through October 3, 2022, the date the financial statements were available to be issued.
