INDEPENDENT AUDITORS' REPORT

To the Retirement Plan Committee of the
Holland & Knight Profit Sharing Plan and Trust and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Holland & Knight Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Notes 3 and 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HOLLAND & KNIGHT PROFIT SHARING PLAN AND TRUST

Notes to the Financial Statements For the Years Ended December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN

The following description of the Holland & Knight Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General and Eligibility

The Plan is a defined contribution plan covering the employees of Holland & Knight LLP (the Firm). The Plan was established effective January 1, 1969. Members of a collective bargaining unit, non-resident aliens, leased employees, summer associates, hourly law clerks and interns are not eligible for the Plan. The Plan also excludes non-highly compensated non-legal staff whose compensation does not exceed \$57,500 per year and is a participant in the Holland & Knight Retirement Savings Plan (H&K RS Plan) from receiving employer qualified non-elective and non-elective profit-sharing contributions. New employees are eligible for the Plan upon employment and are eligible to participate in Firm contributions on January 1 or July 1 following the completion of one year of service (at least 1,000 hours in a 12-consecutive-month period). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), and was most recently amended effective January 1, 2022 to revise the loan policy of the Plan.

Pursuant to the agreement and plan of merger dated June 24, 2021, the Firm merged with Thompson & Knight LLP (T&K). As it relates to the Plan, effective August 1, 2021, the definition of an eligible employee excludes any former T&K employees.

Effective December 31, 2021, the Plan merged with both the T&K Retirement Savings Plan and the H&K RS Plan. Assets transferred into the Plan, including participant loans, as a result of the mergers totaled \$338,131,962 and \$3,095,417, respectively, from each plan. Transfers out of the Plan totaled \$109,718 for life insurance policy withdrawals for the year ended December 31, 2021.

Participant Contributions

Participants may contribute up to 75% of their pre-tax annual compensation, as defined by the Plan, not to exceed the maximum allowable contribution under the Internal Revenue Code (the Code). Effective January 1, 2009, employees may also make Roth contributions into the Plan. Roth elective contributions are allocated to a separate account maintained for such contributions. The maximum allowable contribution under the Code totaled \$19,500 for the years ended December 31, 2021 and 2020. Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to limitations imposed by the Code. Participants are permitted to make rollover contributions to the Plan.

Firm Contributions

The Firm may make matching, qualified non-elective, and non-elective profit-sharing contributions to the Plan, at its discretion. In order to share in Firm matching, qualified non-elective and non-elective profit-sharing contributions, the participant must complete one year of service and be employed by the Firm as of the last day of the Plan year. Effective January 1, 2009, associate attorneys, senior counsel and contract attorneys are not eligible for matching or profit-sharing contributions.

During the years ended December 31, 2021 and 2020, the Firm matched 25% of each eligible participant’s contributions to the Plan, not to exceed 8% contributed by the participant for a maximum Firm contribution of 2% of eligible compensation. Firm matching contributions totaled \$2,962,253 and \$1,902,810 during the years ended December 31, 2021 and 2020, respectively.

There were no qualified non-elective contributions made by the Firm for the Plan years ended December 31, 2021 and 2020.

For the years ended December 31, 2021 and 2020, the Firm made profit sharing contributions to the accounts of all eligible employees totaling a maximum of 3.86% and 3.82%, respectively, of compensation, other than partners. Profit sharing contributions to the accounts of partners totaled a maximum of 11.59% and 11.45% (not to exceed Section 415 annual limits) for the years ended December 31, 2021 and 2020, respectively. The minimum contribution totaled 3% up to the Social Security base wages of \$142,800 and \$137,700, and 6% of compensation exceeding the Social Security limits up to the IRS 401(a) compensation limit of \$290,000 and \$285,000 for the years ended December 31, 2021 and 2020, respectively. Profit sharing contributions totaled \$20,750,122 and \$18,785,099 for the years ended December 31, 2021 and 2020, respectively.

Participants eligible to receive profit sharing contributions totaling 7.5% of compensation (not to exceed 415 annual limits) in the H&K RS Plan must have completed one year of service and have been employed by the Firm as of the last day of the plan year. As the H&K RS Plan merged with the Plan on December 31, 2021, profit sharing contributions in the amount of \$805,551 are recorded in Firm contributions receivable in the accompanying statements of net assets available for benefits.

As the T&K Retirement Savings Plan merged with the Plan on December 31, 2021, profit sharing contributions in the amount of \$3,575,354 are recorded in Firm contributions receivable in the accompanying statements of net assets available for benefits.

Participant Accounts

Each participant’s account is participant-directed and credited with the participant’s contributions, allocations of Firm contributions, and the earnings and losses from the investment of the amounts credited to the participant’s account. The benefit to which a participant is entitled is equal to the vested portion of the participant’s account.

Vesting

Participants are immediately vested in participant contributions and rollover contributions. Participating employees are subject to a six-year graduated vesting schedule for amounts credited to the Firm’s profit-sharing contribution account and the Firm’s matching contribution account. Partners are subject to a three-year cliff-vesting schedule for amounts credited to the Firm’s matching and profit-sharing contribution account.

1. DESCRIPTION OF THE PLAN – cont'd.

Forfeitures

Forfeitures of Firm contributions are first applied to pay Plan expenses. The residual amount, if any, may be used by the Firm to offset Firm contributions for the Plan year. As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$132,663 and \$1,195,349, respectively. No forfeitures were used to offset Plan expenses during the years ended December 31, 2021 and 2020. Subsequent to the Plan year ended December 31, 2021 and 2020, the Firm made contributions that relate to each Plan year ended totaling \$25,703,765 and \$20,685,659, respectively, which are recorded as contributions receivable in the accompanying statements of net assets available for benefits. Forfeitures were used to offset each contribution in the amount of \$138,360 and \$1,226,500, respectively, which is greater than the nonvested account balance as of December 31, 2021 and 2020, given future forfeited amounts.

Notes Receivable from Participants

Participants may borrow a minimum of \$500 up to an aggregate maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms range from 1 to 5 years, or up to 15 years for the purchase of a primary residence. A participant can have up to 5 notes outstanding at any one time. Notes are secured by the vested balance in the participant's account and bear interest at a rate comparable to that charged by an independent lender. The notes must provide at least quarterly repayments paid under a level amortization schedule. Principal and interest payments are made ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid balances plus accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Upon termination of service, death, disability, retirement (age 65), or attainment of age 59 ½, a participant or their beneficiary, in the event of death, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, a life annuity with guaranteed payment for 10 years or periodic installments over a period not exceeding the longer of the life expectancy of the participant, or the joint life expectancy of the participant and the participant's spouse. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed by the participant may be withdrawn for a hardship purpose. Distributions are subject to the applicable provisions of the Plan agreement. Certain income taxes and penalties may apply to withdrawals or distributions prior to age 59 ½. As of December 31, 2021 and 2020, there were no net assets of the Plan allocated to accounts of participants who had elected to withdraw from the Plan but had not received such distributions as of year-end.

1. DESCRIPTION OF THE PLAN – cont'd.

Plan Expenses

The fees and expenses of administration and operation of the Plan are paid with the assets of the Plan, unless paid by the Firm, at its discretion. During the years ended December 31, 2021 and 2020, the Firm paid a portion of the fees and expenses of administration and operation of the Plan and a portion was paid from the assets of the Plan. Expenses that are not paid by the Plan are excluded from the Plan's financial statements. Fees charged by Fidelity in connection with Plan loans and distributions are paid from the assets of the Plan and charged to the Plan account of the affected participant. Investment related fees and expenses incurred by the respective investment fund or investment manager are included in net appreciation in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and Trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan provides for investments in assets that are exposed to risks such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur and materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan evaluated for disclosure any subsequent events through September 28, 2022, the date the financial statements were available to be issued, and determined there were no material events that warrant disclosure, except as described in Note 1.

3. INVESTMENTS

The following investment information was obtained or derived from information provided to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the Trustee of the Plan. The fair value of the life insurance contracts not held by Fidelity are not certified.

4. FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standard Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

HOLLAND & KNIGHT PROFIT SHARING PLAN AND TRUST

Notes to the Financial Statements For the Years Ended December 31, 2021 and 2020

4. FAIR VALUE MEASUREMENT - cont'd.

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interests in common stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Interests in registered investment companies: Valued at the closing price reported in the active market in which the funds are traded.

Interest bearing cash: Valued at amortized cost, which approximates fair value.

Other: Corporate obligations, preferred stocks, and U.S. government and government agency securities are valued at fair value determined by quoted market prices. Cash surrender values of life insurance policies are valued at their redemption values.

Interest in common/collective trusts: Valued based on the net asset value (NAV) as determined by the issuer.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2021 and 2020.

4. FAIR VALUE MEASUREMENT - cont'd.

The following table presents the investments measured at fair value using the NAV per share as of December 31,:

	2021	2020	Redemption Frequency	Redemption Notice Period	Unfunded Commitments
Fidelity Managed Income Portfolio (a)	\$ 24,412,295	\$ 26,246,547	Daily	Daily	N/A

- (a) *The portfolio invests in assets (typically fixed-income securities or bond funds and may include derivative instruments such as future contracts and swap agreements) and enters into "wrap" contracts issued by third parties and invests in cash equivalents represented by shares in money market funds.*
- (b) *The Fund's investment objective is to outperform the benchmark while controlling volatility and risk. The Fund invests in North America equity sectors primarily in the information technology, financial and consumer discretionary industries.*
- (c) *The Fund seeks safety of principal and consistency of returns while attempting to maintain minimal volatility. The Fund invests in fixed income investments primarily consist of corporate securities, agency mortgage-backed securities, asset backed securities and United States Treasury securities.*

5. INCOME TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service dated May 25, 2016, stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the Internal Revenue Service, the Plan has been amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2021 and 2020.

The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits for any tax periods in progress.

6. PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in shares of investment funds managed by Fidelity Investments Institutional Operations Corporation, Inc. (FIIOC). An affiliate of FIIOC acts as the Trustee of the Plan. The Plan allows participants to take out notes receivable against their vested account balances. The Firm provides certain accounting and administrative services to the Plan for which no fees are charged. Such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in their accounts.

8. CARES ACT

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) to help the United States economy and workers in the midst of the Coronavirus Pandemic. The CARES Act included numerous provisions related to retirement plans. The Plan elected to amend its Plan to allow for Coronavirus penalty-free distributions up to \$100,000 for qualified individuals through December 31, 2020. In addition, the Act delayed loan repayments from the date of the Act through December 31, 2020, for qualified individuals. The Act also waived required minimum distributions through December 31, 2020. The Plan was formally amended to include these provisions on January 1, 2021.
