INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Copeland, Cook, Taylor and Bush P.A. Salary Reduction Plan
Ridgeland, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Copeland, Cook, Taylor and Bush P.A. Salary Reduction Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Copeland, Cook, Taylor and Bush P.A. Salary Reduction Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Copeland, Cook, Taylor and Bush P.A. Salary Reduction Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for these Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Copeland, Cook, Taylor and Bush P.A. Salary Reduction Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Copeland, Cook, Taylor and Bush P.A. Salary Reduction Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Copeland, Cook, Taylor and Bush P.A. Salary Reduction Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Copeland, Cook, Taylor and Bush P.A. Salary Reduction Plan
Ridgeland, Mississippi

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Copeland, Cook, Taylor and Bush P.A. Salary Reduction Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Mid Atlantic Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

SALARY REDUCTION PLAN
Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Copeland, Cook, Taylor and Bush P.A. Salary Reduction Plan (the Plan) is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the plan document.

General

The Plan is a defined contribution plan designed to allow employees of Copeland, Cook, Taylor and Bush P.A. (the Firm) to share in the profits of the Firm. The Plan is also intended to give employees of the Firm an opportunity to accumulate savings and provide for retirement by salary deferral. Distributions from Plan assets are made upon the participant's death, retirement, or termination of service. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

All employees who are at least 21 years old and have completed twelve consecutive months of work with 1,000 hours of service are eligible to enroll. Participating employees may choose to defer up to \$19,500 of their annual compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Firm matches each participant's voluntary elective deferral contribution up to 4% of the participants' eligible compensation. All contributions are invested in a trust administered by Mid Atlantic Trust Company.

Participant Accounts

Each participant's account is credited with the participant's contribution, and an allocation of the Firm's contribution, and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

A participant is immediately vested in their voluntary contributions and the Firm contributions portion of their accounts plus actual earnings thereon.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest commensurate with local prevailing rates as determined by the Plan administrator.

Investment Options

Upon enrollment in the Plan, a participant may direct investment of their applicable account balance in one or more of the available investment funds, subject to such rules and limitations as the Plan administrator may prescribe.

Payment of Benefits

On termination of service, a participant will receive a lump-sum amount equal to the value of his or her account, according to the provisions of the plan. Benefits are recorded when paid.

COPELAND, COOK, TAYLOR AND BUSH P.A.
SALARY REDUCTION PLAN
Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Administrative Expenses

Administrative expenses of \$97,986 and \$73,683, respectively were paid by the Plan in 2021 and 2020. All remaining administrative expenses were paid by the Firm to Mid Atlantic Trust Company, the trustee of the Plan. The fees were prorated from each participant's account.

Hardship Distributions

The Plan allows hardship distributions from all participant vested funds. Hardship distributions are allowable subject to certain limitations as established by the Plan.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared using the accrual basis of accounting with the exception of the payment of benefits, which are recognized as a reduction in net assets as they are disbursed to participants. The account balance of terminated plan participants was \$5,111,843 at December 31, 2021 and \$4,781,983 at December 31, 2020.

Investment Valuation and Income Recognition

Investments are reported at fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Participant Loans

Participant loans are shown at their unpaid principal balance plus accrued but unpaid interest.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for plan benefits during the reported period. Actual results could differ from those estimates.

NOTE 3 - INCOME TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's investment income is exempt from income taxes.

COPELAND, COOK, TAYLOR AND BUSH P.A.
SALARY REDUCTION PLAN
Notes to Financial Statements

NOTE 3 - INCOME TAX STATUS (CONTINUED)

The plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the plan was qualified and the related trust was tax-exempt as of the financial statement date. The plan administrator has concluded that the plan has taken no uncertain tax positions as of December 31, 2021 and is no longer subject to income tax examinations for years prior to 2018.

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The December 31, 2021 and 2020 Statements of Net Assets Available for Benefits, the investment activities included on the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2021 and 2020, and the accompanying notes to financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified by the Trustee.

	<u>2021</u>	<u>2020</u>
Investments:		
Value of interest in common/collective trusts	\$ 1,452,933	\$ 2,997,169
Value of interest in registered investment companies	20,230,635	17,426,238
Cash surrender value of life insurance policies	141,616	141,616
Net appreciation in fair value of investments	2,362,582	1,777,678
Dividends	259,000	110,192

NOTE 5 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. Fair value refers to the price that would be received to sell an asset or paid to transfer a liability in an orderly fashion between market participants in the market in which the reporting entity transacts. The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Investments with readily available active quoted prices or for which fair value can be measured from actively quoted prices will have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value. Investments carried at fair value will be classified and disclosed in one of the following three categories:

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 - Quoted market prices in active markets for identical assets and liabilities.

Level 2 - Observable market based inputs or unobservable inputs that are corroborated by market data.

Level 3 - Unobservable inputs that are not corroborated by market.

Fair value of investments measured on a recurring basis at December 31, 2021 and 2020 is as follows:

	<u>Fair Value</u>	<u>Level 1</u>
<u>December 31, 2021</u>		
Value of interest in common/collective trusts	\$ 1,452,933	\$ 1,452,933
Value of interest in registered investment companies	20,230,635	20,230,635
Cash surrender value of life insurance policies	141,616	141,616
<u>December 31, 2020</u>		
Value of interest in common/collective trusts	\$ 2,997,169	\$ 2,997,169
Value of interest in registered investment companies	17,426,238	17,426,238
Cash surrender value of life insurance policies	141,616	141,616

Value of interest in common/collective trusts

Value of interest in common/collective trusts consists of investments in a pooled investment account. The plan owns units of participation with fair value per unit based on the underlying fair value of assets held by the trust.

Value of interest in registered investment companies

Value of interest in registered investment companies consists of investments in mutual funds. Fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

Cash surrender value of life insurance policies

Cash surrender value of life insurance policies is valued at cash surrender value as reported by the issuer of the policy.

NOTE 6 - RISK AND UNCERTAINTIES

Investment securities are exposed to various risks, such as interest rate, market risks, and credit risks. Due to the level of risk associated with certain investments held by the Plan, it is at least reasonably possible that changes in fair value may occur and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net appreciation in fair value of investments per the financial statements at December 31, 2021 and 2020 to the Form 5500.

NOTE 9 - PARTY-IN-INTEREST TRANSACTIONS

Plan investments are held in funds managed by Mid Atlantic Trust Company. Mid Atlantic Trust Company is trustee as defined by the Plan, and therefore is considered a party-in-interest. Fees paid by the Plan for the investment management services amounted to \$3,259 and \$3,913, for the years ended December 31, 2021 and 2020, respectively. Additional investment fees are netted against investment returns.

NOTE 10 – CONTINGENCIES

Since the advent of the COVID-19 pandemic in March 2020, the Plan has maintained operating normalcy. To date, national COVID-19 related regulation has not adversely impacted the Plan. Management declines to speculate on when a return to pre-COVID-19 operations will occur, but does not anticipate a material impact on the Plan.

NOTE 11 - EVALUATION OF SUBSEQUENT EVENTS

Events that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the statement of net assets available for benefits date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the statement of net assets available for benefits date require disclosure in the accompanying notes. The Plan has evaluated subsequent events through September 15, 2022, the date which the financial statements were available to be issued, and determined there were no subsequent events that should be noted in the financial statements.
