Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

L.E. Jones Company Bargaining
Unit 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of L.E. Jones Company Bargaining Unit 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of November 3, 2021, and the related statement of changes in net assets available for benefits for the period from January 1 to November 3, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of November 3, 2021 and for the period from January 1, 2021 to November 3, 2021, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of L.E. Jones Company Bargaining Unit 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Plan Merger

As further discussed in Note E to the financial statements, the Plan's sponsor adopted a resolution to merge the L.E. Jones Company Bargaining Unit 401(k) Plan into the L.E. Jones 401(k) Plan. As such, as of November 3, 2021 all assets of the Plan were transferred, and the Plan was effectively terminated. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date of this report.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of L.E. Jones Company Bargaining Unit 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of L.E. Jones Company Bargaining Unit 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion; accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

L.E. JONES COMPANY BARGAINING UNIT 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
November 3, 2021 and December 31, 2020

NOTE A | SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of the L.E. Jones Company Bargaining Unit 401(K) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan was adopted July 1, 1996, and restated effective January 1, 2016. The Plan was merged into the L.E. Jones 401(k) Plan effective November 3, 2021. It was a defined contribution plan and 401(k) plan under Section 401(k) of the Internal Revenue Code that covered all eligible bargaining unit employees of L.E. Jones Company, LLC (Company).

The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Administrative Fees

The Company elected to pay certain administrative fees for the Plan.

3. Contributions

Participants could elect to contribute a percentage of their compensation to the Plan. In addition to the participants' contributions, the Company contributed seventy cents per hour paid for each participant and matched participants' deferrals in certain percentages pursuant to a collective bargaining agreement. These Company contributions totaled \$696,938 and \$781,102 for 2021 and 2020, respectively.

4. Participant Accounts

Each participant's account was credited with the participant's contribution, employer contributions, and earnings. The benefit to which a participant was entitled was the benefit that could be provided from the participant's account.

5. Vesting

Participants were immediately 100 percent vested in the Company contributions. Amounts credited to a participant's Salary Deferral Account (401(k)) were 100 percent vested and nonforfeitable at all times.

6. Payment of Benefits

On termination of service, a participant could elect to receive the benefits as a single payment, an annuity, or some combination of these options. Benefits were recorded when paid.

NOTE A | SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

7. Use of Estimates

Management used estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affected the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

8. Notes Receivable from Participants

Participants could borrow from their fund accounts a minimum of \$1,000 and to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan transactions were treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms ranged from one to five years or up to fifteen years for the purchase of a primary residence. The loans were secured by the balance in the participant's account and bore interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Interest rates ranged from 4.25% to 6.50% for all loans outstanding. Principal and interest were paid ratably through payroll deductions.

The Plan deemed all participant notes receivable to be fully collectible; therefore, no allowance for uncollectible accounts was required. Participant notes receivable were treated as distributions when they are determined to be uncollectible.

9. Investment Valuation

The Plan's investments in pooled separate accounts were stated at fair value. Contract value was the relevant measurement attribute for the guaranteed interest accounts because contract value was the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Investments, in general, are inherently subject to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that a change in the value of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and statements of changes in net assets available for benefits.

10. Income Tax Status

The Internal Revenue Service had determined that the prototype plan and related trust from which the Plan was drafted were designed in accordance with applicable sections of the Internal Revenue Code, and, accordingly, the trust's net investment income was exempt from income taxes. The Plan sponsor believed that the Plan continued to qualify and to operate as designed. The Plan administrator was not aware of any course of action or series of events that had occurred that might adversely affect the Plan's qualified status. The Plan followed the accounting standards for uncertainty in income taxes; however, the Plan did not believe it had any uncertain tax positions and had no unrecognized tax benefits or liabilities for penalties or interest.

11. *Subsequent Events*

Management has evaluated subsequent events for recognition and disclosure in the financial statements through September 23, 2022, which is the date the financial statements were available to be issued. No subsequent events required recognition or disclosure.

NOTE B | INVESTMENTS

All the Plan's investments were participant directed and held by an insurance company under a group annuity contract. Investment options included guaranteed interest accounts and sub-accounts of separate accounts which invested in underlying mutual funds, exchange traded funds, or collective investment trusts. Participants could direct their contributions into any of the investment options offered by the Plan. Investment option changes and transfers could be made by the participants on a daily basis, subject to certain limitations.

NOTE C | INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan had a benefit-responsive investment contract (guaranteed interest accounts) with John Hancock Life Insurance Company U.S.A. (Hancock). Hancock maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. Contract value represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events, such as the premature termination of the contract by the Plan or termination of the Plan, would limit the Plan's ability to transact at contract value with Hancock. The Plan was merged into the L.E. Jones 401(k) Plan effective November 3, 2021, and balances within the Plan at that time were transferred to the L.E. Jones 401(k) Plan.

NOTE D | FAIR VALUE MEASUREMENT

The Plan followed the fair value measurement guidance for financial assets and financial liabilities. The guidance defines fair value, establishes a framework for measuring value, and expands disclosure about fair value measurements. In addition, the guidance permits an entity to measure eligible financial instruments and other items at fair value. The Plan had not made any fair value elections.

NOTE D | FAIR VALUE MEASUREMENT

Fair value is defined to be the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A three-level hierarchy has been established for fair value measurements based upon the inputs to the valuation of an asset or liability as follows:

Level 1 - Valuation is based on quoted prices for identical assets and liabilities in active markets.

Level 2 - Valuation is derived from inputs, other than quoted prices included in Level 1, which are observable for the asset or liability either directly or indirectly. Investments classified as Level 2 are generally valued by benchmarking model-derived prices to quoted market prices and trade data for identical or comparable securities. The significant inputs used in this approach include interest rates, prepayment timing, yield spreads, maturities, credit losses, and credit ratings of the securities.

Level 3 - Valuation is derived from unobservable inputs that are not corroborated by market data.

Fair value of the John Hancock Investment Funds was based on the unit values published daily by Hancock. These published unit values were based on the market value of the underlying funds.

Assets that were accounted for at fair value on a recurring basis as of November 3 are as follows:

	<u>2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
John Hancock Investment Funds	\$ <u> - </u>	\$ <u> - </u>	\$ <u> - </u>	\$ <u> - </u>

NOTE E | PLAN MERGER

The Plan's sponsor adopted a resolution to merge the L.E. Jones Company Bargaining Unit 401(k) Plan into the L.E. Jones 401(k) Plan effective November 3, 2021. As such, all assets of the Plan were transferred to the L.E. Jones 401(k) Plan as of November 3, 2021, and the Plan was effectively terminated.
