KBC, INC. 401(K) PLAN

Required Communications

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Area	Comments
Our Responsibilities With Regard to the Financial Statement Audit	Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our arrangement letter dated June 2, 2022. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter. As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.
Overview of the Planned Scope and Timing of the Financial Statement Audit	We have issued a separate communication dated June 2, 2022 regarding the planned scope and timing of our audit and identified significant risks.
Accounting Policies and Practices	Preferability of Accounting Policies and Practices Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice.

KBC, INC. 401(K) PLAN

Required Communications (Continued)

Area	Comments
Accounting Policies and Practices (Continued)	Adoption of, or Change in, Accounting Policies Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period. Significant or Unusual Transactions We did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.
Management's Judgments and Accounting Estimates	The Plan does not have any significant accounting estimates.
Audit Adjustments	There were no audit adjustments made to the original trial balance.
Unrecorded Audit Adjustments	We are not aware of any uncorrected misstatements other than those that are clearly trivial.
Substantial Doubt About the Entity's Ability to Continue as a Going Concern	The financial statements were prepared on the assumption that the Plan will continue as a going concern.
Form 5500 Filing	GAAS require that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements.

KBC, INC. 401(K) PLAN**Required Communications (Continued)**

Area	Comments
ERISA-Required Supplemental Schedule	We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule is presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedule. We did not identify inconsistencies with the audited financial statements or with the certified investment information.
Disagreements with Management	We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.
Consultations with Other Accountants	We are not aware of any consultations management had with other accountants about accounting or auditing matters.
Significant Issues Discussed with Management	No significant issues arising from the audit were discussed or were the subject of correspondence with management.
Difficulties Encountered in Performing the Audit	We did not encounter any difficulties in dealing with management during the audit.

KBC, INC. 401(K) PLAN

Required Communications (Continued)

Area	Comments
Internal Control Matters	We have separately communicated the control deficiencies in internal control over financial reporting identified during our audit of the financial statements, and this communication is attached as Exhibit A.
Significant Written Communications Between Management and Our Firm	Copies of significant written communications between our firm and the management of the Plans, including the representation letter provided to us by management, are attached as Exhibit B.

Exhibit A
Internal Control Matters

September 28, 2022

Plan Administrator
KBC, Inc. 401(k) Plan
Omaha, Nebraska

In planning and performing our audit of the financial statements of the KBC, Inc. 401(k) Plan (the Plan) as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or deficiencies in internal control that might be significant deficiencies or material weaknesses. Therefore, instances that the Plan is not operating in accordance with the Plan's provisions or deficiencies in internal control, including material weaknesses or significant deficiencies, may exist that were not identified.

Instances where the Plan is not operating in accordance with Plan provisions may be indicative of a deficiency in internal control. A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

Following are descriptions of identified deficiencies in internal control that we determined did not constitute significant deficiencies or material weaknesses.

Compensation Error

During participant data and contribution testing, it was discovered that vehicle allowances were included when calculating employee deferrals and employer match contributions. Per review of the Plan document, reimbursements, allowances, fringe benefits, moving expenses, deferred compensation and welfare benefits are specifically excluded from the Plan compensation definition. The inclusion of vehicle allowances resulted in the Plan not complying with the correct definition of Plan compensation per the Plan document. We recommend that Plan management work with their service providers to either update the Plan document or specifically update the payroll system to exclude these specific items in order to ensure all contributions are calculated in accordance with Plan provisions.

Record Retention

During testing procedures, it was discovered that the Plan Sponsor does not always keep deferral election forms when changes are made by participants. This resulted in the Plan Sponsor gathering attestation forms from various employees in order to verify the deferral percentages throughout the year. In order to provide an adequate audit trail and have backup documentation for deferral elections, we recommend that Plan management obtain documentation from all employees on their deferral election moving forward and any associated changes made each year. This information should be kept in an employee file and readily available for review when necessary.

Review of the Service Organization Controls Report

The Plan Sponsor outsources recordkeeping and custodial services to different service providers. These service providers have Service Organization Controls (SOC 1) reports which includes detailed descriptions of the controls in place at the service provider and an assessment by an independent auditor of whether the controls are suitably designed, have been placed in operation and are operating effectively. These reports also detail user controls that must be in place within the Plan's operations in order for controls at the service provider to operate effectively. The Plan's management does not obtain and review this report as part of their fiduciary oversight of the Plan as well as to ensure the necessary user controls have been implemented.

The Plan Sponsor should obtain the SOC 1 reports annually and review these reports as part of their normal fiduciary oversight of the Plan and review the user controls to ensure they are all properly implemented.

Enrollment for Part-Time Employees

Per inquiry with the Plan Sponsor and testing procedures conducted, it was discovered that part-time employees are not offered the opportunity to participate in the Plan, even if they have reached the necessary eligibility requirements. Although we are aware that there are minimal part-time employees of the Company, we recommend the Plan notify all employees of Plan requirements for eligibility upon employment or update the Plan document to specifically exclude certain employees.

This communication is intended solely for the information and use of the Plan Administrator and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Omaha, NE 68114

This representation letter is provided in connection with your audit of the financial statements of KBC, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended December 31, 2021 and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodically examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Except where otherwise stated below, immaterial matters less than \$482,000, collectively are not considered to be exceptions that require disclosure for the purpose of the following representations. This amount is not necessarily indicative of amounts that would require adjustment to or disclosure in the financial statements.

We confirm, to the best of our knowledge and belief that as of September 28, 2022:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit arrangement letter dated June 2, 2022, for the preparation and fair presentation of the financial statements referred to above in accordance with U.S. GAAP.
2. We acknowledge our responsibility for administering the plan and determining the plan's transaction that are presented and disclosed in the ERISA plan financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
5. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable and reflect our judgment based on our knowledge and experience about past and current events, and our assumptions about conditions we expect to exist and courses of action we expect to take.
6. With regard to nonaudit services performed by you, we acknowledge our responsibility to:
 - a. Assume all management responsibilities
 - b. Oversee the services by designating an individual who possesses suitable skill, knowledge, or experience;
 - c. Evaluate the adequacy and results of the services performed; and
 - d. Accept responsibility for the results of the services
7. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represented our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurement. In addition, our disclosures related to fair value measurements are consistent with the objectives outlines in FASB ASC 820.
8. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
9. Transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed.
10. All events subsequent to the date of the financial statements, and for which U.S. GAAP requires adjustment or disclosure, have been adjusted or disclosed.

11. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
12. We have no intention to terminate the Plan.
13. We have properly reported and disclosed amendments to the Plan's instrument, if any.
14. We have no knowledge of any uncorrected misstatements in the financial statements.
15. We have evaluated that no conditions or events exist that, when considered in the aggregate, raise substantial doubt about the Company or Plan's ability to continue as a going concern for a reasonable period of time (one year from the date these financial statements are available to be issued) and that management's use of the going concern basis of accounting continues to be appropriate under U.S. GAAP.

Supplementary Information

16. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. In this regard:
 - a. We believe such schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
 - b. The methods of measurement or presentation have not changed from those used in the prior period.
 - c. We will only present the ERISA-required supplemental schedule together with the audited financial statements and auditor's report thereon and will not separate the ERISA-required supplemental schedule from the audited financial statements and auditor's report thereon in any document that contains such information.

Information Provided

17. We have provided you with:
 - a. Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters.
 - b. Additional information that you have requested from us for the purpose of the audits.
 - c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - d. The currently effective version of the Plan's documents, the trust agreement or insurance contracts and all related amendments. The Plan was most recently amended in January 2021.
 - e. A draft of the Form 5500 that is substantially complete;

- f. All correspondence, filings, reports, and determinations with the Internal Revenue Service (IRS) and the DOL relating to the Plan's compliance with ERISA and the maintenance of its tax-exempt status.
 - g. All Plans' financial records and related data. In that regard, the payroll information we provided you covered all employees that were eligible to participate in the Plans.
 - h. All minutes of the meetings of the Plan's Investment Committee, or summaries of actions of recent meetings for which minutes have not yet been prepared.
- 18. All transactions have been recorded in the accounting records and are reflected in the financial statements.
- 19. We have disclosed to you the results of our assessment of risk that the financial statement may be materially misstated as a result of fraud.
- 20. We have no knowledge of any fraud or suspected fraud affecting the Plan involving:
 - a. Management
 - b. Employees who have significant roles in internal control
 - c. Others where the fraud could have a material effect on the financial statements.
- 21. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
- 22. We are not aware of any pending or threatened litigation and claims whose effects should be considered when preparing the financial statements and neither we nor the Plan's Sponsor, or other acting on behalf of the Plan, have consulted a lawyer concerning litigation and claims or other matters affecting the Plan.
- 23. We have disclosed to you the identity of the Plan's related parties and parties-in-interest and all the related-party and party in interest relationships and transactions of which we are aware.
- 24. We have no knowledge of any significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize, and report financial data.
- 25. We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
- 26. The Plan has satisfactory title to all owned assets which are recorded at fair value, and all liens, encumbrances, or security interests have been properly disclosed.
- 27. We have answered your questions about the Plan's tax compliance to the best of our knowledge and belief.
- 28. There have been no communications, whether written or oral, from regulatory agencies concerning non-compliance or deficiencies in the operation of the Plan.

29. We have complied with (a) all aspects of contractual agreements, including provisions of the Plan, that would have a material effect on the financial statements in the event of noncompliance, (b) the fidelity bonding requirements of ERISA, (c) all participant eligibility and coverage requirements of the Plan, ERISA and the Internal Revenue Code (IRC), and (d) the filing requirements of appropriate agencies.
30. We have complied with the DOL's regulations concerning the timely remittance of participant's contributions to trusts containing assets for the Plan.
31. We have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements.
32. The Plan is qualified under the appropriate section of the IRC and intends to continue as a qualified Plan.
33. There are no:
- a. Non-exempt (prohibited) party-in-interest transactions that were not disclosed in the financial statements or supplemental schedule
 - b. Notes receivable from participants or other receivables or investments in default or considered to be uncollectible that were not disclosed in the financial statements or supplemental schedule
 - c. Reportable transactions that were not disclosed in the supplemental schedule.
34. During the course of your audits, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.
35. We have reviewed, approved, and take full responsibility for the financial statements and related notes and acknowledge the auditor's role in the preparation of this information.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
KBC, Inc. 401k Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of KBC, Inc. 401k Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Charles Schwab Trust Bank (Charles Schwab) as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by Charles Schwab agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITORS' REPORT (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i - Schedule of Assets Held (At End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by Charles Schwab agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Compilation Report on the 2020 Financial Statements

Management is responsible for the accompanying 2020 financial statements of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2020 financial statements

KBC, INC. 401K PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN

The following description of the KBC, Inc. (dba Johnstone Supply) (hereinafter referred to as the Company) 401k Plan (hereinafter referred to as the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General and Eligibility

The Plan is a defined contribution plan covering substantially all employees of the Company who are age 21 or older. Employees who have completed one month of service are eligible to make salary deferral contributions to the Plan. Employees who have completed one year of service are eligible to receive employer matching contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is intended to qualify under the applicable sections of the Internal Revenue Code of 1986, as amended.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, provided the contribution does not exceed limits established by law. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The Company may make discretionary matching contributions to the Plan and discretionary profit-sharing contributions. For profit-sharing contributions, if a participant is employed on the last day of the year or has 500 hours of service during the Plan year, the participant is allocated the profit-sharing contribution. For the years ended December 31, 2021 and 2020, no profit-sharing contributions were made to the Plan. The Company made discretionary matching contributions of \$553,959 and \$356,733 for the years ended December 31, 2021 and 2020. Participants direct the investment of their contributions, and employer contributions, into various investment options offered by the Plan.

Participants' Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

Investment

Participants in the plan direct all employee and employer contributions in the various investment options. The Plan has a self-directed account whereby participants can choose their investment option outside of the regular investment line-up.

NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ended December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings (losses) thereon. Company matching contributions become fully vested after completion of five years of service. Company contributions also vest 100 percent upon death or disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at local prevailing rates as determined by the Plan Administrator. Participants may not have more than two participant loans outstanding at any time. The interest rates for notes receivable for the years ended December 31, 2021 and 2020 ranged from 4.25% to 5.75%. Principal and interest are repaid through payroll deductions, if available.

Payment of Benefits

Upon termination of service, retirement, disability or death, a participant (or his or her beneficiary) may elect to receive the vested portion of his or her account. In addition, participants may elect in-service distributions, including financial hardship distributions, as defined by the Plan.

Forfeited Accounts

Forfeitures from nonvested accounts can be used to pay plan expenses or used to reduce Employer contributions to the Plan. During the years ended December 31, 2021 and 2020, forfeitures were not significant.

COVID-19 and the CARES Act

In March 2020, the World Health Organization declared COVID-19 a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. In response to the COVID-19 pandemic, Congress passed the CARES Act to provide financial aid for individuals and companies impacted by the coronavirus. In addition, the CARES Act includes special provisions allowing access to retirement savings and suspension of required minimum distributions (RMDs) to aid participants impacted by the pandemic. Certain coronavirus-related relief provisions available to Plan participants are summarized below:

KBC, INC. 401K PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ended December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN (Continued)

COVID-19 and the CARES Act (Continued)

Withdrawals – The Plan offered coronavirus-related distributions (CRDs) in 2020 to participants who met certain coronavirus eligibility requirements. These distributions include a waiver of the 10% early distribution penalty tax (for distributions before age 59 ½), as well as provisions for a 3-year repayment of the distribution. Participants can elect to have the regular income taxes on the distribution spread over three years and the standard 20% withholding tax is not required.

Loans – The Plan elected the provision to increase the maximum loan availability for qualified individuals and the ability to delay certain loan repayments by qualified individuals.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported additions to and reductions from net assets. Actual results could vary from estimates used.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

KBC, INC. 401K PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ended December 31, 2021 and 2020

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants (Continued)

If a participant ceases to make note repayments and the Plan Administrator deems to participant note to be in default, the participant note balance is reduced and a benefit payment is recorded based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Income Taxes

Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

Subsequent Events

The Plan Administrator has evaluated subsequent events through September 28, 2022, which is the date the financial statements were available to be issued.

NOTE C – INFORMATION CERTIFIED BY CHARLES SCHWAB TRUST BANK

The following is a summary of the investment information as of and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule that were prepared by or derived from information provided by Charles Schwab Trust Bank (Charles Schwab), the custodian, and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from Charles Schwab that information provided to the Plan Administrator by the trustee related to the following investments is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following investments as of December 31, 2021:

Cash	\$ 75,922
Investments at Fair Value	22,221,863
Total	<u>\$ 22,297,785</u>

Charles Schwab also certified to the completeness and accuracy of \$2,968,848 of net appreciation in the fair value of investments and \$648,017 of interest and dividends related to the aforementioned investments for the year ended December 31, 2021.

NOTE D – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

KBC, INC. 401K PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ended December 31, 2021 and 2020

NOTE D – FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 or 2020.

Registered Investment Companies (RICs): Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The RICs held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts: Valued at quoted market prices of the investments held in the brokerage accounts. These are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 20,933,388	\$ -	\$ -	\$20,933,388
Self-Directed Brokerage	1,288,475	-	-	1,288,475
Total assets at fair value	<u>\$ 22,221,863</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$22,221,863</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 17,432,239	\$ -	\$ -	\$17,432,239

NOTE E – TAX STATUS

The Plan adopted a non-standardized form of a pre-approved plan sponsored by TD Ameritrade Trust. The pre-approved plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020 as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision of liability for income taxes has been included in the financial statements. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for periods prior to December 31, 2018.

NOTE F – PLAN TERMINATION

Although the Company has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H – RELATED PARTY TRANSACTIONS

The Plan incurred expenses of \$69,943 for investment advisory services, \$21,553 for recordkeeping services provided by Newport Group, Inc. and \$11,611 for trustee/custodial fees provided by Charles Schwab for the year ended December 31, 2021. Total fees for the year ended December 31, 2020 were \$75,763. All transactions with related parties were conducted on terms equivalent to those prevailing in an arm's-length transaction.
