Board of Trustees
Neighbours, Inc. 401(k) & Retirement Plan
49 Woodbridge Avenue
Highland Park, NJ 08904

Dear Trustees:

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of Neighbours, Inc. 401(k) & Retirement Plan (the Plan) as of and for the year ended December 31, 2021 and have issued our report thereon dated September 28, 2022. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated July 7, 2022, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

Significant Risks Identified

We have identified the following significant risks:

Management override of internal control has been identified as a significant and fraud risk of material misstatement to the financial statements as a whole, as required by professional standards. While the Plan's operations are record kept by John Hancock Life Insurance Company, we reviewed the detail of the Plan's activity for unusual transactions and non-standard journal entries. We performed analytical procedures to identify financial relationships inconsistent with our understanding of the Plan's operations, and we also selected random samples for our Plan level and participant level testing to incorporate an element of unpredictability in our audit procedures.

The definition of compensation has also been identified as a significant and fraud risk with regards to the value of each participant's compensation utilized in the calculation of the related employee's deferral contributions as well as the employer contributions. Our procedures included analyzing the various components to compensation and determining how those compensation items were considered with regards to contribution calculations and adherence to the definition of compensation as identified in the Plan document.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year ended December 31, 2021.

No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements are the fair value of the Plan's investments at December 31, 2021.

Management's estimate of the fair value of each of the Plan's investments is based on quoted market prices for identical assets in active markets as provided by the qualified institution that certified the investment information as of December 31, 2021. We evaluated the key factors and assumptions used to develop the fair value estimates and determined that they are reasonable in relation to the basic financial statements taken as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the Plan's financial statements relate to fair value estimates and the relevant risks with regards to the fair value of the Plan's investments.

The presentation of the fair value estimates includes identification of the leveling inputs utilized in the valuation techniques as well as the relevant descriptions of the valuation methodologies used for those fair value measurements. The financial statement disclosures also note the relevant interest rates, market, foreign exchange, and credit risks associated with investment securities and the reasonable possibility that changes in the fair value estimates will occur in the near term, affecting participant account balances. We evaluated the presentation of the fair value measurements and the related investment risks and determined that they are reasonable in relation to the basic financial statements taken as a whole.

Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. There were no significant unusual transactions noted during our audit.

Identified or Suspected Fraud

We have not identified any instances of fraud or obtained information indicating any suspected fraud.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole.

Management has corrected all identified misstatements.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures.

The following material misstatements that we identified as a result of our audit procedures were brought to the attention of, and corrected by, management:

Adjusting Journal Entries JE # 1			
To reverse prior year contribution receivable			
Employer Contributions	193,314.00		
Employer Contributions Receivable		193,314.00	
Total	193,314.00	193,314.00	

Adjusting Journal Entries JE # 2			
To record current year contributions receivable			
Employer Contributions Receivable	215,930.00		
Employer Contributions		215,930.00	
Total	215,930.00	215,930.00	

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Circumstances that Affect the Form and Content of the Auditor's Report

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditor's report.

Our auditor's report includes a paragraph regarding our audit as of December 31, 2020 and states that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Representations Requested from Management

We have requested certain written representations from management, and that letter was signed prior to the issuance of our audit report.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Matters noted as a result of our audit testing include the following:

1. Withum noted one loan that had not been paid back though it was past its maturity date. Withum recommends discussing with your third-party administrator to determine if a deemed distribution is necessary.

Other Information Included in Annual Reports

Pursuant to professional standards, our responsibility as auditors for other information, whether financial or nonfinancial, included in the Plan's annual reports, does not extend beyond the information identified in the audit report, and we are not required to perform any procedures to corroborate such other information. However, in accordance with such standards, we have read a draft of the Form 5500 that was substantially complete prior to dating of our auditor's report in order to identify material misstatements, if any, within the audited Plan financial statements.

Other Matters

The ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, was subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the board of trustees and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator,
Neighbours, Inc. 401(k) & Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Neighbours, Inc. 401(k) & Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (held at end of year) at December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following brief description of the Neighbours, Inc. 401(k) & Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a participant directed, defined contribution plan, qualifying under section 401(k) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established for the purpose of providing eligible employees of Neighbours, Inc. (the "Employer") and their beneficiaries funds for retirement.

Eligibility

An employee of the Employer becomes an eligible participant in the Plan upon attaining twenty one years of age and the completion of one year of service, defined by the Plan as 1,000 hours of service in a calendar year.

Contributions

A participant in the Plan may annually contribute through payroll deductions, any amount up to 100% of pretax compensation not exceeding amounts as determined by the Internal Revenue Service ("IRS"). Any participant, age 50 or over, may make an additional "catch up" contribution as determined by the IRS. Participants may also separately elect to contribute up to 100% of any bonuses paid during the year. Participants direct the investment of their contributions into various investment options offered by the Plan. Rollover contributions are permitted into the Plan in accordance with IRS regulations and Plan provisions.

The Employer may make a discretionary profit-sharing contribution in an amount determined by the board of directors. Profit-sharing contributions shall be allocated to each eligible participant pursuant to the Plan document. The Employer made a profit-sharing contribution for the year ended December 31, 2021 of \$215,930.

Participant Accounts

Individual accounts are established for each participant. The Plan offers a variety of pooled separate accounts, with varying investment objectives as investment options. Each participant's account is credited with the participant's pre-tax contributions, the Employer contributions, if any, and the proportionate share of dividends, interest, and investment gains since the preceding valuation date. The participant's account is reduced by withdrawals, losses on investments, expenses of the Plan, and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Distributions and Withdrawals

Prior to the retirement age of 59-1/2, distributions and withdrawals are not permitted from the Plan except in the instances of death, disability, termination of employment, or hardship as defined in the Plan document. A participant shall be considered 100% vested upon termination of service due to death or disability. Participants or their beneficiaries may receive a lump-sum amount equal to the value of the participant's vested account balance. After attaining age 59-1/2, 100% of the participant's vested account may be withdrawn for any reason.

Notes to Financial Statements
December 31, 2021 and 2020

Notes Receivable From Participants

Any participant may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. All loans which mature through 2023 are considered a direct investment of the participant, and payments of principal and interest are credited to the participant's account. Interest will be charged at reasonable rates (as defined in the Plan agreement). Restrictions and repayment terms are described in the Plan document. A participant will only be permitted to have one outstanding loan at a given time. The loans bear interest at a rate of 4.25% to 5.25% and are generally paid back over a period of one to five years. Principal and interest are paid ratably through bi-weekly payroll deductions.

Vesting

A participant's interest in his or her contributions to the Plan will always be fully vested and nonforfeitable. A participant is vested in the Employer's contribution, if any, based on the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

A participant's "vested percentage" is based on vesting years of service. A participant earns and accumulates a year of vesting for each 12 months of continuous service in which he or she is credited with 1,000 hours of service within the Plan year.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained under the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in Note 4.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold during the year, as well as held at year end.

December 31, 2021 and 2020

Administrative Expenses

The expenses necessary to administer the Plan including but not limited to retaining necessary professional assistance from an attorney, an accountant, an actuary, or an investment advisor are paid by the Employer. All expenses except for account maintenance fees, transaction fees, and investment fund management fees have been paid by the Employer. Participants are charged service fees for any loan and distribution transactions they request. Investment related fees are reflected as an offset of net investment income and are not readily determinable.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Forfeited Accounts

Forfeited accounts are retained in the Plan and will be applied first to pay administrative costs of the Plan, with any excess used to reduce future Employer contributions. The balance in the forfeiture account was \$16,176 and \$18,030 at December 31, 2021 and 2020, respectively. Forfeitures totaling \$2,781 were utilized to pay fees during the year ended December 31, 2021.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

3. INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent public accountants as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.) (the "trustee"), except for comparing such information with the related information included in the financial statements. Based on information provided and certified by the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2021 and 2020.

The following information as of and for the years ended December 31 was prepared from reports certified by the trustee as complete and accurate:

4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board established a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for similar assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for identical assets in active markets or for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for periods presented in these financial statements.

Pooled Separate Accounts: Units held in pooled separate accounts are valued based on the net asset value ("NAV") of the shares held by the Plan at year end, which is based on the unit prices quoted by the fund, representing the fair value of the underlying investments. Included in the pooled separate accounts is the John Hancock Stable Value Fund. The John Hancock Stable Fund is reported at fair value. Fair value is calculated as the number of units of the sub-account held on a particular date multiplied by the unit value on that date, and generally is the value that would be paid out for participant-initiated or benefits withdrawals. As of December 31, 2021 and 2020, contract value approximated fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts, at NAV*				<u>\$ 3,024,082</u>

December 31, 2021 and 2020

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts, at NAV*				<u>\$ 2,275,244</u>

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following is a summary of the Plan's investments for which fair value is estimated using the net asset value per share practical expedient as of December 31:

5. PLAN TERMINATION

The Employer intends to continue the Plan indefinitely for the benefit of its employees but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its board of directors. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100% vested and non-forfeitable. All participants shall receive a total distribution of their accounts as described in the Plan. Any amount in the forfeiture account upon termination which has not been applied to reduce the Employer contribution shall be allocated on a pro rata basis to the participants' accounts.

6. INCOME TAX STATUS

The Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable sections of the IRS. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

7. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts managed by the trustee of the Plan. These transactions qualify as party-in-interest transactions. The Plan paid fees for administrative services of \$20,171 to the trustee as of December 31, 2021. Further, certain expenses related to the Plan's investments have been offset with net investment income. Notes receivable from participants qualify as exempt party-in-interest transactions.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of September 28, 2022, the date the financial statements were available to be issued. Based on that evaluation, the Plan has determined that no subsequent events have occurred which require adjustment to or disclosure in these financial statements.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

What's New

An extension of time to file Form 5500 Series (Form 5500, Annual Return/Report of Employee Benefit Plan; Form 5500-SF, Short Form Annual Return/Report of Small Employee Benefit Plan; Form 5500-EZ, Annual Return of One-Participant (Owners and Their Spouses) Retirement Plan); and/or Form 8955-SSA, Annual Registration Statement Identifying Separated Participants With Deferred Vested Benefits; and an extension of time to file Form 5330, Return of Excise Taxes Related to Employee Benefit Plans, must be submitted on separate Forms 5558. A signature is not required for an extension of time to file Form 5500 series and Form 8955-SSA. However, a signature is required for an extension of time to file Form 5330.

Future Developments

For the latest information about developments related to Form 5558 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/Form5558.

Purpose of Form

Use Form 5558 to apply for a one-time extension of time to file the Form 5500 series, Form 8955-SSA, or Form 5330.

To avoid processing delays, the most recent version of this Form 5558 should always be used. For example, this Form 5558 (Rev. September 2018) should be used instead of the August 2012 version or any other prior version. To determine the most recent version of this form, go to www.irs.gov/Retirement.

Where To File

File Form 5558 with the Department of Treasury, Internal Revenue Service Center, Ogden, UT 84201-0045.

Private delivery services. You can use certain private delivery services (PDS) designated by the IRS to meet the "timely mailing as timely filing" rule for tax returns. Go to www.irs.gov/PDS for the current list of designated services.

The PDS can tell you how to get written proof of the mailing date.

For the IRS mailing address to use if you're using PDS, go to www.irs.gov/PDSStreetAddresses.

PDS can't deliver items to P.O. boxes. You must use the U.S. Postal Service to mail any item to an IRS P.O. box address.

Specific Instructions

Part I. Identification

A. Name and Address

Enter your name and address in the heading if you are requesting an extension of time to file the Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA, or Form 5330.

The plan sponsor (generally, the employer for a single-employer plan) or plan administrator listed on the application should be the same as the plan sponsor or plan administrator listed on the annual return/report filed for the plan.

Include the suite, room, or other unit number after the street address. If the Post Office does not deliver mail to the street address and you have a P.O. box, show the box number instead of the street address.

If the entity's address is outside the United States or its possessions, or territories, enter in the space for city or town, state, and ZIP code, the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

If your mailing address has changed since you filed your last return, use Form 8822-B, Change of Address or Responsible Party—Business, to notify the IRS of the change. A new address shown on Form 5558 will not update your records. You can get Form 8822-B at www.irs.gov/Form8822B.

B. Filer's Identifying Number

Employer identification number (EIN). Enter the nine-digit EIN in an XX-XXXXXXX format, assigned to the employer for all applications filed for the Form 5500 series (Form 5500, Form 5500-SF, Form 5500-EZ) and/or Form 8955-SSA. Also enter the EIN for applications filed for Form 5330 (see *Social security number (SSN)* next for exceptions).

An entity that does not have an EIN should apply online by visiting the IRS website at www.irs.gov/EIN. The organization may also apply for an EIN by faxing or mailing Form SS-4 to the IRS. Customers outside the United States or U.S. possessions may also apply for an EIN by calling 267-941-1099 (toll call).

Social security number (SSN). If you made excess contributions to a section 403(b)(7)(A) custodial account or you are a disqualified person other than an employer, and you are applying for an extension of time to file Form 5330, enter your nine-digit SSN in an XXX-XX-XXXX format. Do not enter your SSN for Form 5500, Form 5500-SF, Form 5500-EZ, or Form 8955-SSA.

C. Plan Information

Complete the plan name, plan number, and plan year ending for the plan included on this Form 5558.

Part II. Extension of Time To File Form 5500 Series and/or Form 8955-SSA

Use Form 5558 to apply for a one-time extension of time to file the Form 5500 series (Form 5500, Form 5500-SF, Form 5500-EZ) and/or Form 8955-SSA.

Do not include the Form 5500 series (Form 5500, Form 5500-SF, Form 5500-EZ) or the Form 8955-SSA with this form.

Exception: Form 5500, Form 5500-SF, Form 5500-EZ, and Form 8955-SSA filers are automatically granted extensions of time to file until the extended due date of the federal income tax return of the employer (and are not required to file Form 5558) if both of the following conditions are met: (1) the plan year and the employer's tax year are the same; and (2) the employer has been granted an extension of time to file its federal income tax return to a date later than the normal due date for filing the Form 5500, Form 5500-SF, Form 5500-EZ, or Form 8955-SSA. An extension granted under this exception cannot be extended further by filing a Form 5558 after the normal due date of the Form 5500, Form 5500-SF, Form 5500-EZ, or Form 8955-SSA.

An extension of time to file a Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA does not operate as an extension of time to file the PBGC (Pension Benefit Guaranty Corporation) Form 1, Annual Premium Payment.

How to file. A separate Form 5558 must be used for each plan for which an extension is requested. For example, if an employer maintains a defined benefit plan and a profit-sharing plan, a separate Form 5558 must be filed for each plan. A single Form 5558 may, however, be used to extend the time to file a plan's Form 5500 series return/report and its Form 8955-SSA.

Lists of other plans should not be attached to a Form 5558. Only the plan listed on Form 5558 will be processed. Lists attached to the Form 5558 will not be processed.

When to file. To request an extension of time to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA, file Form 5558 on or before the return/report's normal due date. The normal due date is the date the Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA would otherwise be due, without extension.

Applications for extension of time to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA that are filed on or before the return/report's normal due date on a properly completed Form 5558 will be automatically approved to the date that is no later than the 15th day of the 3rd month after the return/report's normal due date.

Note: If the filing date falls on a Saturday, Sunday, or a legal holiday, the return may be filed on the next day that is not a Saturday, Sunday, or a legal holiday.

Approved copies of Form 5558 requesting an extension of time to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA will not be returned to the filer from the IRS.

Line 1. Check this box if the extension of time being requested on line 2 is for the first Form 5500 series return/report filed for the plan. This box should not be checked if the plan previously filed a Form 5500 series return/report at any time for any year.

Line 2. Enter on line 2 the due date for which you are requesting to file Form 5500, Form 5500-SF, or Form 5500-EZ. This date should not be later than the 15th day of the 3rd month after the normal due date of the return/report.

When using Form 5558 to request an extension of time to file Form 5500, Form 5500-SF, or Form 5500-EZ, plan sponsors or plan administrators are not required to sign the form. If Form 5558 is timely filed and complete, you will be granted an extension to not later than the 15th day of the 3rd month after the return/report's normal due date to file Form 5500, Form 5500-SF, or Form 5500-EZ.

Line 3. Enter on line 3 the due date for which you are requesting to file Form 8955-SSA. This date should not be later than the 15th day of the 3rd month after the normal due date of the return.

When using Form 5558 to request an extension of time to file Form 8955-SSA, plan sponsors or plan administrators are not required to sign the form. If Form 5558 is timely filed and complete, you will be granted an extension to not later than the 15th day of the 3rd month after the return's normal due date to file Form 8955-SSA.

Part III. Extension of Time To File Form 5330

File one Form 5558 to request an extension of time to file Form 5330 for excise taxes with the same filing due date. For specific information on excise tax due dates, see the Instructions for Form 5330.

How to file. A separate Form 5558 must be used for an extension of time to file Form 5330. For example, if an employer maintains a profit-sharing plan and wishes to request extensions of time to file Form 5500 and Form 5330 for the plan, a separate Form 5558 must be used for an extension of time to file Form 5500 and an extension of time to file Form 5330.

An extension of time to file does not extend the time to pay the tax due. Any tax due must be paid with this application for an

extension of time to file Form 5330. Additionally, interest is charged on taxes not paid by the due date even if an extension of time to file is granted.

Note: The IRS will no longer return stamped copies of the Form 5558 to filers who request an extension of time to file a Form 5330. Instead, you will receive a computer-generated notice to inform you if your extension is approved or denied. Because of this change, we ask you to attach a photocopy of this notice to your Form 5330.

When to file. To request an extension of time to file Form 5330, file Form 5558 in sufficient time for the IRS to consider and act on it before the return's normal due date.

The normal due date is the date the Form 5330 would otherwise be due, without extension.

Line 4. On line 4, enter the requested due date. If your application for extension of time to file Form 5330 is approved, you may be granted an extension of up to 6 months after the normal due date of Form 5330.

Line 4a. Indicate the section(s) for the excise tax for which you are requesting an extension.

Line 4b. Enter the amount of tax estimated to be due with Form 5330 and attach your payment to this form.

Make your check or money order payable to "United States Treasury." Do not send cash. On all checks or money orders, write your name, filer's identifying number (EIN or SSN), plan number, Form 5330 section number, and the tax year to which the payment applies.

Line 5. The IRS will grant a reasonable extension of time (not to exceed 6 months) for filing Form 5330 if you file a timely application showing that you are unable to file Form 5330 because of circumstances beyond your control. Clearly describe these circumstances. Generally, an application will be considered on the basis of your own efforts to fulfill this filing responsibility, rather than the convenience of anyone providing help in preparing the return. However, consideration will be given to any circumstances that prevent your practitioner, for reasons beyond his or her control, from filing the return by the normal due date, and to circumstances in which you are unable to get needed professional help in spite of timely efforts to do so.

If we grant you an extension of time to file Form 5330 and later find that the statements made on this form are false or misleading, the extension will be null and void. A late filing penalty associated with the form for which you filed this extension will be charged.

Signature

If you are filing Form 5558 for an extension of time to file Form 5330, the Form 5558 must be signed. The person who signs this form may be an employer, a plan sponsor, a plan administrator, a disqualified person required to file Form 5330, an attorney or certified public accountant qualified to practice before the IRS, a person enrolled to practice before the IRS, or a person holding a power of attorney.

If you are filing Form 5558 for an extension of time to file Form 5500 series return/report or Form 8955-SSA, a signature is not required.

Privacy Act and Paperwork Reduction Act Notice

We ask for the information on this form to carry out the Internal Revenue laws of the United States and the Employee Retirement Income Security Act of 1974 (ERISA). We need it to determine if you are entitled to an extension of time to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA, or Form 5330. You are not required to request an extension; however, if you want an extension, section 6081 requires you to provide the information. Section 6109 requires you to provide your identification number. Failure to provide this information may delay or prevent processing your request; providing false information may subject you to penalties.

You are not required to provide the information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. Books or records relating to a form or its instructions must be retained as long as their contents may become material in the administration of any Internal Revenue law. Generally, tax returns and return information are confidential as required by section 6103.

However, section 6103 allows or requires the IRS to disclose this information to others. We may disclose to the Department of Justice for civil or criminal litigation, to the Department of Labor and the Pension Benefit Guaranty Corporation for the administration of ERISA, and to cities, states, the District of Columbia, and U.S. commonwealths or possessions to carry out their tax laws. We may also disclose the information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

The time needed to complete and file this form will vary depending on individual circumstances. The estimated average time is 24 minutes.

If you have comments concerning the accuracy of this time estimate or suggestions for making this form simpler, we would be happy to hear from you. You can send us comments through www.irs.gov/FormComments. Or you can write to:
