This representation letter is provided in connection with your audits of the financial statements and supplemental schedule of the Big Four Companies, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States ("U.S. GAAP") and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA, we have elected for you not to perform any auditing procedures with respect to information prepared and certified to by Great-West Life & Annuity Insurance Company, the custodian, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of September 26, 2022, the following representations made to you during your audits.

  - o The circumstances permit an ERISA Section 103(a)(3)(C) audit.
  - o A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
  - o The certification meets the 29 CFR 2520.103-5 requirements.

#### **Information Provided**

21. We have provided you with:

  - b. A substantially complete draft of Form 5500.
  - c. Additional information that you have requested from us for the purpose of the audit.
  - d. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
  - e. Plan instruments, trust agreements, insurance contracts or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
  - f. Completeness and availability of all minutes of all relevant boards and committees or summaries of actions of recent meetings for which minutes were not yet prepared.

- g. Communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
22. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
23. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
24. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
- o Management,
  - o Employees who have significant roles in internal control, or
  - o Others where the fraud could have a material effect on the financial statements.
25. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
26. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL and IRS regulations) whose effects should be considered when preparing financial statements.
27. We have disclosed to you the names of all of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions, including any side agreements.
28. The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
29. We have no -
- o Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
  - o Intentions to terminate the Plan.
30. Amendments to the plan instrument, if any, have been properly recorded or disclosed in the financial statements.
31. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
32. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, if any, result in a measure of fair value appropriate for financial measurement and disclosure purposes.
33. All required amendments to and filings of plan or trust documents with the appropriate agencies have been made.
34. The Plan Sponsor adopted a prototype defined contribution plan which received a favorable opinion letter from the Internal Revenue Service, which stated that the prototype plan, as then designed, was in compliance with the applicable provisions of the Internal Revenue Code ("IRC"). The

prototype plan has been amended since receiving the opinion letter and the Plan itself has not received a determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and is therefore, qualified and exempt from taxation.

35. The Plan (and the trust established under the plan) is qualified under the appropriate section of the IRC and we intend to continue them as a qualified plan (and trust). The Plan Sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions, if any, have been disposed of in accordance with regulations.
36. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan. We are aware that the 15<sup>th</sup> business day of the month following the month in which amounts were withheld from pay is NOT A SAFE HARBOR in terms of the timeframe allowed for remittance of contributions into the Plan. *We are also aware that the Department of Labor has concluded during informal discussions that remittances should be made within the same timeframe as payroll taxes are remitted and that any remittance made outside of this timeframe could be constituted as a prohibited transaction by the DOL.*
37. The Plan has complied with the fidelity bonding requirements of ERISA.
38. The Plan failed to withhold contributions from pay included in the definition of plan compensation during 2021, as defined by the plan document, and understands the corrective action required is a qualified non-elective contribution funded by the Company. However, we believe the QNEC is immaterial to the overall financials and fully understand the compliance ramifications if we elect to not self-correct the operational error.
39. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
40. We believe the form and content of the supplemental schedule are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
