INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Trustees
Bressler, Amery & Ross P.C. 401(k) Profit Sharing Plan
Florham Park, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Bressler, Amery & Ross P.C. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including its form and content, is presented in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedule related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA, the Plan Administrator instructed us not to perform and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

BRESSLER, AMERY & ROSS P.C. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN:

The Bressler, Amery & Ross P.C. 401(k) Profit Sharing Plan ("Plan") is administered by Bressler, Amery & Ross P.C. ("Company," "Sponsor" or "Plan Administrator"). The following description of the Plan is provided for general information purposes only. More complete information is provided in the Summary Plan Description and Plan Document, which are available from the Company.

General:

The Plan is a voluntary, participant-directed, defined-contribution 401(k) plan as defined under the Internal Revenue Code ("IRC"), which became effective November 1, 1989, for the benefit of all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility:

All employees of the Company who have attained age 20.5 are eligible to participate in the Plan. Employees are eligible to make elective deferral contributions, receive discretionary employer-matching contributions, and receive employer profit-sharing contributions upon enrollment in the Plan. Profit-sharing contributions are limited to participating employees who completed 1,000 hours of service during the year. Employees may enroll in the Plan semi-annually, on January 1 and July 1, immediately following their initial date of eligibility.

Employee Contributions:

Each Plan year, participants may elect to make voluntary pretax contributions and Roth 401(k) contributions up to 100% of eligible compensation, up to the annual Internal Revenue Service ("IRS") dollar limit. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions in accordance with, and subject to, IRS limitations. Participants may elect to change their deferral percentage semi-annually. The Plan allows employees to rollover balances from other qualified retirement plans in accordance with ERISA, even when they have not met the eligibility requirements to participate in the Plan. The Plan accepts Roth rollover contributions that are properly segregated to the participant's accounts as Roth contributions.

Discretionary Employer-Matching Contributions:

On a quarterly basis, the Company will contribute a discretionary matching contribution on behalf of each eligible participant, an employer-matching contribution equal to 50% of an employee's elective deferral contribution, up to 8% of eligible compensation for the Plan year, up to \$11,600 for 2021 and \$11,400 for 2020. The Company made employer-matching contributions of \$783,432 and \$465,701, for the Plan years ended December 31, 2021 and 2020, respectively.

BRESSLER, AMERY & ROSS P.C. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN: (Continued)

Employer Profit-Sharing Contributions:

The Company may elect to contribute a profit-sharing contribution on behalf of each eligible participant each Plan year, based on an allocation of each employee's eligible compensation. There were no profit-sharing contributions to the Plan for the years ended December 31, 2021 and 2020.

Investment Options:

Upon enrollment in the Plan, participants may direct their contributions in any of the investment options available, as well as the option to self-direct investments in a self-directed brokerage account. A separate account is maintained for each participant and interest and dividends earned by each fund are reinvested in that fund. Participants may change their investment options daily.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocation of: (a) the Company's matching and profit-sharing contributions, if any; (b) Plan earnings or losses; and (c) investment expenses. Portfolio fees normally charged by the investment funds are applied against the participant's account and reported as a deduction to investment returns.

The Plan permits participants to self-direct the investments of their accounts in a variety of investment options. All participants have elected to self-direct their accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their elected contributions and rollover contributions, plus actual earnings thereon. A participant's vesting in employer-matching contributions and profit-sharing contributions, plus actual earnings thereon, is based on years of service (defined as 1,000 hours of service). Participants are automatically 100% vested in their accounts upon attainment of normal retirement age (defined as 65), disability, or death. Vesting in employer contributions for all employees is subject to a six-year, graded vesting schedule based on years of service as follows:

Vested Years of Service	Percentage
Less than 2	0%
At least 2, but less than 3	20%
At least 3, but less than 4	40%
At least 4, but less than 5	60%
At least 5, but less than 6	80%
At least 6	100%

BRESSLER, AMERY & ROSS P.C. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN: (Continued)

Notes Receivable from Participants:

Participants may borrow from their vested account balances. Loans are available to participants with a vested account balance of at least \$100,000, up to the lesser of 50% of their vested account balances or \$50,000, with a minimum of \$1,000. Participants may only have two loans outstanding at any given time. Interest rates on new loans bear interest at prime plus 1%. Loans are repaid in installments for terms up to five years. A loan used to acquire a principal residence for a participant may be repaid over a period of up to 10 years. A participant's vested account balance will be considered by the Plan as security for the outstanding loan balances of all Plan loans made to that participant. If a participant defaults on any outstanding loan, the unpaid balance, and any interest due thereon, shall become due and payable in accordance with the terms of the underlying promissory note.

Effective April 27, 2020, the Plan adopted the regulatory changes regarding loans as part of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") to increase the maximum loan limit to the lesser of \$100,000 or 100% of the participant's vested balance for COVID-19 related loans, made between March 27, 2020 and September 22, 2020, and to allow the deferral of loan repayments for up to one year for loans outstanding with a repayment due date between March 27, 2020 and December 31, 2020.

Benefit Payments:

A participant may receive distributions from their vested interest upon attainment of age 59 1/2, reaching the normal retirement age while still employed, the participant's death, or termination. Participants may elect to receive their distributions in a lump-sum cash payment or installment payments. If a participant is terminated prior to retirement, they may roll over their account balance into another qualified retirement plan or request a lump-sum distribution from the Plan. Upon death, benefit payments will be paid to the surviving spouse or other designated beneficiary. The participant's vested interest in their balance from employee contributions is always fully vested. The participant's vested interest in their account resulting from employer contributions is determined under the applicable vesting schedule. The Plan Document contains special rules for cash-out payments under a certain limit to be directly rolled over to an individual retirement account ("IRA") chosen by the Plan Administrator.

In-service Withdrawals:

Participants attaining early retirement age or normal retirement age may request a withdrawal of all or part of the vested portion of their accounts. In the event a participant suffers financial hardship, as defined in the Plan Document, participants may withdraw all or part of their employee deferral contributions, rollover contributions, employer-matching contributions, and profit-sharing contributions. The Plan adopted the provisions related to COVID-19 related distributions allowing a maximum amount of \$100,000 per participant from January 1, 2020 to December 30, 2020.

Forfeitures:

Forfeited contributions are retained in the Plan and may be first used to reduce future employer contributions. Any remaining amounts will be used to pay administrative expenses. \$105,843 and \$131,174 was used to offset employer-matching contributions during the years ended December 31, 2021 and 2020, respectively. At December 31, 2021 and 2020, \$2,469 and \$1,688 respectively, remain available in the forfeiture account.

BRESSLER, AMERY & ROSS P.C. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions in accordance with the provisions of the Plan. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Quoted market prices are used to value investments, if readily available. Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned on the accrual basis.

Plan Investments Purchased, Not Yet Settled:

Other liabilities as of December 31, 2021, of \$109,009, consisted of monies due for the purchase of Plan investments that had not settled as of the end of the Plan year.

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

The Plan's expenses are paid either by the Plan or the Plan Sponsor, as provided by the Plan Document. Expenses that are paid directly by the Plan Sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan, are recorded as deductions in the accompanying statements of changes in net assets available for benefits. Certain expenses that are paid by the Company and reimbursed from the Plan are recorded as accrued expenses by the Plan. In addition, certain investment-related expenses are included in net appreciation in fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Mutual Fund Fees:

Investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. Allowable fees under Section 12b-1 of the Investment Company Act of 1940 are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity and, thus, not separately identifiable as an expense.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

BRESSLER, AMERY & ROSS P.C. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Subsequent Events:

The Plan has evaluated its subsequent events and transactions occurring after December 31, 2021 through September 28, 2022, the date that the financial statements were available to be issued.

Reclassifications:

Certain reclassifications have been made to the 2020 Plan year financial statements in order for them to conform to the current Plan year financial statement presentation.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED):

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Bank of America, N.A., the Trustee of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS:

Fair value measurements establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

BRESSLER, AMERY & ROSS P.C. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS: (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Interest-Bearing Cash: Valued at the daily closing price as reported by the fund. (Level 1 input)

Registered Investment Companies/Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. (Level 1 input)

Self-Directed Brokerage Accounts: Accounts primarily consist of interest-bearing cash, registered investment companies, mutual funds, and corporate bonds. Within self-directed brokerage accounts, the fair value of interest-bearing cash, registered investment companies, and mutual funds are based on quoted market prices, while the fair values of corporate bonds are based on market interest rate curves and recent trades of similarly rated securities. (Level 1 and Level 2 inputs)

Common/Collective Trusts: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. (Other input)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS: (Continued)

Fair Value of Investments in Entities that Use Net Asset Value:

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2021 and 2020:

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 5,790,610	N/A	Daily	Daily

December 31, 2020	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 6,125,657	N/A	Daily	Daily

NOTE 5 - TAX STATUS:

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions for the years ended December 31, 2021 and 2020.

NOTE 6 - PLAN TERMINATION:

Although the Company has not expressed an intention to terminate the Plan, it may do so at any time under the provisions of ERISA. Upon termination of the Plan, participants will become 100% vested and entitled to their full account balance, including all Company contributions and earnings thereon, as of the termination date.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS:

The Plan's investments include investments managed by Bank of America, N.A., the Trustee, as defined by the Plan, and, therefore, those transactions are considered as party-in-interest transactions. Additionally, administrative expenses are paid to the Trustee who acts as the record-keeper of the Plan. These transactions with the Trustee qualify as party-in-interest transactions. If the revenue received by the Trustee from such transactions exceeds the amount owed under the fee schedule, the Trustee will remit the excess to the Plan's trust on a quarterly basis. These amounts are retained in the Plan and may be used to pay administrative expenses or allocated to participant accounts. Excess amounts of \$17,517 and \$18,114 were remitted to the Plan's trust for the years ended December 31, 2021 and 2020, respectively.

Notes receivable from Plan participants qualify as party-in-interest transactions.

NOTE 8 - RISKS AND UNCERTAINTIES:

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, including interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits. The Plan's exposure to a concentration of credit risk is limited by diversification of investments across all participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into various financial instruments. To the extent that a participant directs that his or her contributions be invested through the self-directed brokerage account option, the participant solely determines the extent to which such amounts will be diversified, if at all. Subsequent to December 31, 2021, the Plan's investments depreciated in value by approximately 24%.

NOTE 9 - CONCENTRATION:

The Plan holds certain investments that represent 10% or more of the Plan's total investments at:
