**INDEPENDENT AUDITORS' REPORT**

To the Participants and Retirement Plan Committee  
The Employer Retirement Savings Plan - Premier Health Partners  
Dayton, Ohio

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of The Employer Retirement Savings Plan – Premier Health Partners, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 financial statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 financial statements section of our report. We are required to be independent of The Employer Retirement Savings Plan – Premier Health Partners and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Employer Retirement Savings Plan – Premier Health Partners' ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Employer Retirement Savings Plan – Premier Health Partners' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Employer Retirement Savings Plan – Premier Health Partners' ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### **2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of The Employer Retirement Savings Plan – Premier Health Partners. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### Note 1 - Plan Description

The following description of The Employer Retirement Savings Plan - Premier Health Partners (the Plan), provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

**General** – The Plan, established January 1, 2008, is a defined contribution plan covering certain eligible employees of Premier Health Partners (the Plan Sponsor) and several organizations that are affiliated with the Plan Sponsor (collectively, the Company or Employer). Eligible employees who have attained the age of 18 and one year of service, as defined, are eligible to participate in the Plan, subject to certain exclusions, as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In March 2021, certain participant balances of the MedAmerica Health Systems Corporation 401(k) Savings and Investment Plan were transferred into the Plan. The assets transferred into the Plan totaled, \$102,160,508.

Effective March 1, 2021, all assets of the CompuNet Clinical Laboratories Retirement & Profit Sharing Plan were transferred into the Plan. Assets of \$52,814,268 were transferred to the Plan in March 2021.

**Contributions** – The Company makes matching contributions equal to 25 percent of the participants' pre-tax contributions into the Employee Retirement Savings Plan – Premier Health Partners up to 6 percent of compensation deferred into the Plan.

Effective March 1, 2021, the Plan was restated to allow for eligible employees of CompuNet Clinical Laboratories, LLC to receive matching contributions equal to 50 percent of deferrals up to 6 percent of compensation and non-elective contributions equal to 1 percent of the eligible compensation. Participants must meet a 1,000 hour requirement and be employed on the last day of the year to be eligible for the non-elective contribution.

Newly eligible employees are automatically enrolled in the plan at a deferral rate of 3 percent of compensation. Employees may opt out of the automatic enrollment at any time.

Certain participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

**Participant Accounts** – Each participant's account is credited with contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All amounts in the participant accounts are participant directed.

**Vesting** – Participants are immediately 100 percent vested in previously allowed employee salary and rollover contributions and actual earnings thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon, is based on years of service. Participants become fully vested in the Company's contributions after three years of service.

Notes receivable are collateralized by the participant's account balance and bear interest at a market rate.

## Notes to Financial Statements December 31, 2021 and 2020

### Note 1 - Plan Description (Continued)

**Benefits Payments** – Upon termination of service or upon death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account. Account balances less than \$1,000 are paid in a single lump sum upon termination without consent; however, participants have the option, when applicable, to roll over their vested account balances into a qualified account and avoid any premature distribution penalties. Participants may also make withdrawals of vested account balances prior to termination upon attainment of age 59 ½ or in the event of financial hardship, as defined by the Plan. Effective March 1, 2021, the Plan was restated to allow for certain employees to receive their distribution as an annuity and for an in-service withdrawal option for employees who have attained age 62 and have vested money purchase plan benefits, as defined.

**Forfeitures** – If a participant is not fully vested on their termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce Company contributions, pay administrative expenses of the Plan, or allocated to eligible participants in proportion to account balances. At December 31, 2021 and 2020, forfeited account balances totaled \$316,041 and \$131,406, respectively. During 2021, \$48 and \$21,333, respectively, were used to reduce Company contributions and to pay administrative expenses. During 2020, \$160,000 and \$3,527, respectively, were used to reduce Company contributions and to pay administrative expenses.

**Party-in-interest Transactions** – Certain plan assets are in investment funds managed by Fidelity Management Trust Company (Fidelity) or its affiliates. Fidelity is the recordkeeper for the Plan; therefore, these transactions qualify as party-in-interest transactions as defined under ERISA guidelines.

**Termination** – While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

### Note 2 - Summary of Significant Accounting Policies

**Basis of Accounting** – The accompanying financial statements are prepared on the accrual basis of accounting.

**Investment Valuation and Income Recognition** – Investments are reported at fair value (except for the fully benefit-responsive investment contract which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Participant Notes Receivable** – Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectable.

### Note 2 - Summary of Significant Accounting Policies (Continued)

**Benefit Payments** – Benefits are recorded when paid.

**Administrative Expenses** – Certain administrative costs are paid by the Company and are excluded from these financial statements.

**Use of Estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

**Risks and Uncertainties** – The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Reclassifications** – Certain amounts in the 2020 financial statements have been reclassified to conform to the 2021 presentation.

**Subsequent Events** – The financial statements and related disclosures include evaluation of events up through and including September 22, 2022, which is the date the financial statements were available to be issued.

### Note 3 - Information Prepared and Certified by Trustee

Fidelity Management Trust Company, the trustee of the Plan, holds the Plan's investments and participant notes receivable and executed all investment transactions as of and for the years ended December 31, 2021 and 2020. The investment balances and participant notes receivable balances and related income and losses included in the accompanying financial statements and schedule of assets (held at end of year) are based solely on information provided by and certified by the trustee.

### Note 4 - Tax Status

The Plan adopted a Fidelity volume submitter plan effective March 1, 2021. The volume submitter plan has received a favorable opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014 indicating that the Plan, as designed, is qualified for federal income tax-exempt status. The Plan has not individually sought its own determination letter. The plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

### Note 5 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the inputs and valuation techniques used to measure fair value. Following are the three levels of the fair value hierarchy:

# The Employer Retirement Savings Plan - Premier Health Partners

---

## Notes to Financial Statements December 31, 2021 and 2020

### Note 5 - Fair Value Measurements (Continued)

**Level 1** - Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

**Level 2** - Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

**Level 3** - Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

In instances whereby inputs used to measure fair value fall into different levels in the above fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.

Participant directed brokerage accounts: The accounts hold primarily cash, common stocks, and mutual funds which are valued at daily closing prices and are deemed to be actively traded.

Collective trust funds: The collective trust funds are valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## The Employer Retirement Savings Plan - Premier Health Partners

### Notes to Financial Statements December 31, 2021 and 2020

#### Note 6 – Investment Contract

The Plan has a traditional fully benefit-responsive guaranteed investment contract with The Lincoln National Life Insurance Company (Lincoln). Lincoln maintains the contributions in general accounts. The accounts are credited with earnings and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the contract issuer but may not be less than 1.7 percent. The interest rate is reviewed on a periodic basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the contract issuer. Such events include the following: (i) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (ii) changes to the Plan's prohibition on competing investment options or deletion of equity provisions, (iii) bankruptcy of the Plan Sponsor or other Plan Sponsor events (e.g., divestitures or spin-offs of a subsidiary) which cause a significant withdrawal from the Plan, or (iv) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contract does not permit the contract issuer to modify the contract without mutual consent from the Plan.

As described in Note 2, because the guaranteed investment contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets attributable to the guaranteed investment contract. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

#### Note 8 – Plan Operations

On March 11, 2020, the World Health Organization declared the novel coronavirus (COVID-19) outbreak a pandemic which has impacted the financial markets and global economy. The COVID-19 pandemic is on-going and the duration and extent of the related financial impact on the Plan's net assets available for benefits and changes in net assets available for benefits is uncertain and cannot be reasonably estimated at this time.

On March 27, 2020, the U.S. Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to distributions and participant loans. The provisions of the CARES Act could be effective and operationalized immediately, prior to amending the plan document.

The Plan Administrator adopted distribution relief provisions, delayed loan payment, and temporary waiver of required minimum distributions provisions included in the CARES Act in 2020.

The distribution relief provision permitted qualified individuals to request a pre-approved coronavirus-related distribution, through participant self-certification of eligibility. The maximum amount that could be requested per participant was \$100,000 through December 30, 2020.

The plan loan relief provision permitted qualified individuals to request a loan up to \$100,000 and 100% of their vested balance, through participant self-certification of eligibility. Additionally, the Plan permitted participants impacted by COVID-19 to defer loan payments between March 27, 2020 and December 31, 2020 for one year.

The Company formally amended the Plan before the end of the applicable remedial amendment period to reflect such provisions.

**INDEPENDENT AUDITORS' REPORT**

To the Participants and Retirement Plan Committee  
The Employer Retirement Savings Plan - Premier Health Partners  
Dayton, Ohio

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of The Employer Retirement Savings Plan – Premier Health Partners, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 financial statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 financial statements section of our report. We are required to be independent of The Employer Retirement Savings Plan – Premier Health Partners and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Employer Retirement Savings Plan – Premier Health Partners' ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Employer Retirement Savings Plan – Premier Health Partners' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Employer Retirement Savings Plan – Premier Health Partners' ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### **2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of The Employer Retirement Savings Plan – Premier Health Partners. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
