Independent Auditors' Report

To the Administrative Committee and Participants of Volunteer Materials and Related 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements Volunteer Materials and Related 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit Volunteer Materials and Related 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information

prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent Volunteer Materials and Related 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Volunteer Materials and Related 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of

expressing an opinion on the effectiveness Volunteer Materials and Related 401(K) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Volunteer Materials and Related 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) at December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

To the Administrative Committee and Participants of Volunteer Materials and Related 401(K) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of the Volunteer Materials and Related 401(K) Plan, as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by American Funds Service Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2020 that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion

on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

VOLUNTEER MATERIALS AND RELATED 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note A – Description of Plan

The following description of Volunteer Materials and Related 401(K) Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. **General:** The Plan is a participant-directed defined contribution pre-approved safe-harbor plan covering all non-union employees of the Company who are age eighteen or older and have completed one hour of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. **Plan Administration:** The Administrative Committee of the Plan is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings, and monitors investment performance. The plan administrator is responsible for carrying out the duties imposed under ERISA. The Plan’s custodian, American Funds Service Company, is responsible for the custody and management of the Plan’s assets.
3. **Contributions:** Participants may make voluntary pre-tax or Roth contributions to the Plan by means of payroll deductions, subject to certain annual limits as established by law and other limitations specified in the Plan. Participants are allowed to transfer or rollover funds into the Plan from other qualified plans. The Company matches up to the first 1%, and half of the following 5% that the participant contributes to the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.
4. **Participant Accounts:** Each participant’s account is credited with the participant’s contributions (including rollovers), allocations of the Company’s contributions, Plan earnings (losses), and charged for any withdrawals and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant’s accounts.
5. **Investment Options:** Participants may direct their contributions to a variety of mutual funds. These investments include a variety of investment options with various objectives and degrees of financial risks.
6. **Vesting:** Participants are immediately vested in voluntary contributions and earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after two years of credited service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	0%
2	100%

7. **Forfeited Accounts:** Forfeitures are those amounts of the Plan Sponsor contributions a participant is not fully vested in at the time of termination. There were no forfeited non-vested accounts at December 31, 2021. At December 31, 2020, forfeited non-vested accounts totaled \$11,681. Forfeited accounts may be used to reduce future employer contributions.

Note A – Continued

8. **Payment of Benefits:** On termination of service with the Company, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Active employees may make withdrawals of all or a portion of their vested account balances subject to certain withdrawal and contribution rules of the Plan. Withdrawals are not allowed for participants who are less than 59½ years of age, except under certain disability provisions.
9. **Participant Loans:** Participant loans are not allowed under the Plan.
10. **Amendments:** The Plan was originally effective January 1, 2016 and has been amended at various times to keep it in compliance with changes in Federal pension laws as well as to make changes deemed appropriate by the Company. The Plan was amended and restated for the Cycle 3 Restatement in order to bring the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 effective June 30, 2020.

Note B – Summary of Significant Accounting Policies

1. **Basis of Accounting:** The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, except that benefits paid to Plan participants are recorded on the cash basis.
2. **Estimates:** The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to use estimates and assumptions that affect the reported amounts of certain assets and liabilities, and changes therein, and disclosures. Accordingly, actual results may differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.
3. **Investment Valuation and Income Recognition:** The Plan's investments are reported at fair value as determined by American Funds Service Company, the custodian. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation in investments. Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected.

4. **Contributions:** Contributions from employees are recorded in the period the Company makes the payroll deductions from participant earnings.
5. **Corrective Distributions Payable:** Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There was no accrued liability for amounts refundable to participants at either December 31, 2021 or 2020.
6. **Payments of Benefits:** Benefits are recorded when paid.

7. **Administrative Expenses:** Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses. Expenses that are paid by the Company are excluded from these financial statements.

Note C – Information Certified by the Plan’s Custodian (Unaudited)

The plan sponsor has elected an audit under ERISA section 103(a)(3)(c) having determined it is permissible because information provided by Capital Bank and Trust Company, acting as agent for American Funds Service Company, the custodian of the Plan, is prepared by a qualifying institution that is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, and that prepares and certifies the information in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

Information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021, and net appreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants for the year ended December 31, 2021, was agreed to or derived from information certified as complete and accurate by the custodian.

For information related to investments and notes receivable from participants disclosed in the accompanying statement of net assets available for benefits at December 31, 2020, the plan sponsor has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the plan sponsor instructed the Plan’s independent auditors not to perform, and they did not perform, such auditing procedures with respect to the information certified as complete and accurate by the custodian at December 31, 2020, except for comparing the information certified by the custodian to information included in the Plan’s financial statement.

Note D – Fair Value Measurements

Fair value measurements in accordance with current accounting standards, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

VOLUNTEER MATERIALS AND RELATED 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note D – Continued

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Value determined by the daily closing price of the underlying actively traded mutual fund shares plus any distributions received from the mutual funds less any charges assessed.

Money market funds: Valued at the net asset value of shares held by the Plan at year-end.

The preceding description may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>Assets at Fair Value as of December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 2,701,147	\$ -	\$ -	\$ 2,701,147
Money market funds	<u>124,117</u>	<u>-</u>	<u>-</u>	<u>124,117</u>
Total	<u><u>\$ 2,825,264</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 2,825,264</u></u>
<u>Assets at Fair Value as of December 31, 2020</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 2,275,029	\$ -	\$ -	\$ 2,275,029
Money market funds	<u>32,694</u>	<u>-</u>	<u>-</u>	<u>32,694</u>
Total	<u><u>\$ 2,307,723</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 2,307,723</u></u>

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net appreciation in investments in the statement of changes in net assets available for benefits.

VOLUNTEER MATERIALS AND RELATED 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note E – Tax Status

The Plan has received a favorable opinion letter from the Internal Revenue Service dated March 31, 2014, and most recently June 30, 2020, stating that the form of the Plan is qualified under Section 401 of the Internal Revenue Code and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualification. Although the Plan has been amended since receiving the opinion letter, Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain tax positions that would require recognition in the financial statements. If it is probable that an uncertain tax position will result in a material liability and the amount of the liability can be estimated, then the estimated liability is accrued. If the Plan were to incur an income tax liability in the future, interest on any income tax liability would be reported as interest expense and penalties on any income tax would be reported as income taxes. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note F – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right. In the event of Plan termination, participants would become 100% vested in their accounts.

Note G – Party-in-Interest Transactions

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Plan management believes that the Plan has not engaged in any non-exempt party-in-interest transactions during the Plan years ended December 31, 2021 and 2020.

The Plan has engaged in permitted exempt party-in-interest transactions for the years ended December 31, 2021 and 2020. Certain Plan investments are managed by American Funds Service Company, the custodian of the Plan, or its affiliates. Fees paid by the Plan for investment management services were included as reduction of the return earned on each fund. Certain administrative fees related to the administration of the Plan were paid by the Plan or by the plan sponsor to the plan custodian and others on behalf of the Plan.

VOLUNTEER MATERIALS AND RELATED 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note H – Risks and Uncertainties

The Plan's investments, in general, are subject to various risks, such as interest rate, credit, and overall market volatility risk. Additionally, the value, liquidity, and related income of the investment securities are sensitive to changes in economic conditions and may be affected by shifts in the market's perception of issuers and changes in interest rates. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the participants' account balances and amounts reported in the statements of net assets available for benefits.

Note I – Pandemic and CARES Act

COVID-19 Coronavirus

In December 2019, a novel strain of coronavirus was reported in Wuhan, China. The World Health Organization has declared the outbreak to constitute a "Public Health Emergency of International Concern." The COVID-19 outbreak is disrupting supply chains and affecting production and sales across a range of industries. As of the date the financial statements were available to be issued, there was considerable uncertainty around the expected duration of the pandemic. Accordingly, the eventual financial impact to the Plan, participants, and the plan sponsor cannot be reasonably estimated at this time.

CARES Act

The Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was passed by Congress on March 27th, 2020. The Act permits changes in the provisions of 401(k) plans that, among other things, expands loan and withdrawal options to participants, changes the Required Minimum Distributions rules, allows additional time for plan sponsors to make certain minimum required contributions, and lets the Plan make necessary amendments related to the implementation of the provisions of the CARES Act retroactively. With the exception of the changes relating to Required Minimum Distributions, plan management has indicated that none of the expansive provisions of the CARES Act have been adopted and no plan participants have requested any loans or withdrawals beyond those that were already available under the Plan.

Note J – Subsequent Events

For the year ended December 31, 2021, the Plan has evaluated subsequent events for potential recognition and disclosure through the date of the auditors' report, which is the date the financial statements were available to be issued.
