## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Benson Enterprises, Inc. (dba Ingram Park Auto Center)  
San Antonio, TX

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements*

We have performed an audit of the financial statements of Benson Enterprises, Inc. (dba Ingram Park Auto Center) Profit Sharing and 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Benson Enterprises, Inc. Profit Sharing and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements - continued**

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - 2021 Supplemental Schedules Required by ERISA**

The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditor's Report on the 2020 Financial Statements**

We are engaged to audit the 2020 financial statements of Benson Enterprises, Inc. Profit Sharing and 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules of Regulations for Reporting and Disclosure under ERISA.

**NOTE A - SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Presentation:* The accounting records of the Benson Enterprises, Inc. Profit Sharing and 401(k) Plan (the "Plan") are maintained on the accrual basis.

*Recognition of Income:* The basis of investments held by the Plan are adjusted annually to closing market value and unrealized gains and losses are recorded as part of this adjustment. Realized gains and losses on investments are computed using adjusted basis (beginning of year market value) on the first-in, first-out method. Security transaction expenses are considered in computing realized gains and losses on investments.

*Investments:* Investments in mutual funds are reported at quoted prices (net asset value) at year end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends on mutual fund are considered in the fair value determination. Gains and losses (realized and unrealized) are reported as net appreciation in aggregate fair value in the statement of changes in net assets available for benefits.

*Participants' Notes Receivable:* Participants' notes receivable are stated at their unpaid principal balance plus any accrued interest. Interest is recognized as accrued. An allowance was not required at either year end. If a participant ceases to make a note repayment and the Plan Administrator deems the participant note to be in default, the note balance is reduced and a benefit payment to the participant is recorded.

*Payment of Benefits:* Benefits are recorded when paid.

*Subsequent Events:* Subsequent events have been evaluated by management through the date of the independent auditor's report. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

*New Accounting Pronouncements:* Management is not aware of any new accounting pronouncements that have been released, and are not yet effective, which will have a significant impact to its financial position or results of operations in future periods.

*Use of Estimates:* The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

*Concentration of Credit Risks:* Concentration of credit risk with respect to investments is reduced as a result of the diversity of the underlying investments.

**NOTE B - DESCRIPTION OF PLAN**

The following description of the Benson Enterprises, Inc. Profit Sharing and 401(k) Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

*General:* The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and covers substantially all employees of the Plan Sponsors who are age twenty-one or older and have six months of service.

Companies of the Plan Sponsor with employees in the Plan include the following:

Benson Enterprises, Inc. (Parent/holding company)  
Ingram Park Chrysler Jeep, Inc. (Ingram Park Auto Center, San Antonio)  
Benson Nissan, Inc. (DBA. Ingram Park Nissan, San Antonio)  
Ingram Park Body Shop, L.L.C. (San Antonio)  
Ingram Park Auto Center Pre-Owned Auto, L.L.C. (San Antonio)

*Plan Amendment:* The Plan adopted the provisions of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) on July 1, 2021, which changes the Plan to allow certain eligible individuals to receive coronavirus-related distributions, suspend required minimum distributions, delay the commencement date for required minimum distributions, and incorporates an auto force out policy for terminated employees with balances less than \$5,000.

*Termination:* Although it has not expressed intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

*Contributions:* Participants may contribute up to 100% of pretax (traditional) and after tax (Roth) annual compensation subject to certain limitations of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan Sponsor may elect to contribute a matching contribution, the amount of which is determined by the Board of Directors and allocated based on each participant's contributions. Participants also direct the investment of any matching contribution received.

*Participant Accounts:* Each participant's account is credited with the participant's contributions and allocations of (a) the Plan Sponsor's contributions and (b) Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting:* Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their accounts, plus actual earnings thereon is based on years of service following the Department of Labor's guidelines.

*Participants' Notes Receivable:* Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms range from 1 to 5 years. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan Administrator. Principal and interest are repaid no less frequently than quarterly by payroll deductions.

**December 31, 2021 and 2020**

**NOTE B - DESCRIPTION OF PLAN - continued**

*Payment of Benefits:* On termination of service a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments over a period of time detailed in the Plan. The vested portion of terminated participants' accounts that had elected to withdraw from the Plan, but had not been paid, was \$0 at December 31, 2021 and 2020.

*Expenses of the Plan:* The Plan's administrative expenses are paid either by the Plan or the Plan Sponsor as provided in the Plan document.

*Forfeited Accounts:* Forfeited non-vested accounts totaled \$0 at December 31, 2021 and December 31, 2020. These accounts, when available, may be used to pay the Plan's administrative expenses and to reduce employer contributions. The Plan's employer contribution were reduced by \$530 in 2021 and administrative expenses by \$6,385 in 2020 by use of forfeited accounts.

**NOTE C - INVESTMENTS CERTIFIED BY THRID PARTY (unaudited)**

As permitted by Department of Labor CFR 2520.103-8, investments and participants' notes receivable at December 31, 2021 and 2020, and the related investment earnings and interest on participants' notes for the years then ended, were certified and held by Ascensus Trust Company, the Trustee, and were not audited by the independent auditor.

**NOTE D - INCOME TAX STATUS**

The Internal Revenue Service has ruled that the Plan qualifies under Section 401(k) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. The Plan has been amended since receiving the determination letter; however, the Plan administrator believes that the Plan is appropriately designed and is currently being operated in compliance with applicable requirements of the IRC.

Management is not aware of any tax positions that would have a significant impact on its financial position. Its federal tax returns for the last four years remain subject to examination.

**NOTE E - FAIR VALUE MEASUREMENTS**

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

**BENSON ENTERPRISES, INC. PROFIT SHARING AND 401(k) PLAN**  
**Notes to Audited Financial Statements**  
**December 31, 2021 and 2020**

**NOTE E - FAIR VALUE MEASUREMENTS - continued**

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets
  - quoted prices for identical or similar assets or liabilities in inactive markets
  - inputs other than quoted prices that are observable for the asset or liability
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means
  - if the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value:

|                                    | Fair Value Measurements Using |             |             |                     |

There have been no changes in methodologies used to measure fair value, nor transfers between levels. Following is a description of the valuation methodologies used for assets measured at fair value:

*Money Market Funds:* Valued at the stated principal plus accrued interest.

*Mutual Funds:* Valued at the net asset value (NAV).

**BENSON ENTERPRISES, INC. PROFIT SHARING AND 401(k) PLAN**  
**Notes to Audited Financial Statements**  
**December 31, 2021 and 2020**

**NOTE E - FAIR VALUE MEASUREMENTS - continued**

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE F - TRANSACTIONS WITH PARTIES - IN - INTEREST**

The Plan includes certain investments managed by Ascensus Trust Company, the Plan Trustee. Therefore, these transactions qualify as party-in-interest transactions. Fees paid for legal, accounting and other services rendered by parties-in-interest were based on customary and reasonable rates for such services. The Plan's administrative expenses are paid either by the Plan or the Plan Sponsor as allowed for in the Plan document.

**NOTE G – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits

**NOTE H – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**
