INDEPENDENT AUDITORS' REPORT

To the Board of Trustees & Participants
Tri-State Urologic Services, P.S.C., Inc.
Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Tri-State Urologic Services, P.S.C., Inc. Retirement Sav. Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of Tri-State Urologic Services, P.S.C., Inc. Retirement Sav. Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Tri-State Urologic Services, P.S.C., Inc. Retirement Sav. Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tri-State Urologic Services, P.S.C., Inc. Retirement Sav. Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tri-State Urologic Services, P.S.C., Inc. Retirement Sav. Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tri-State Urologic Services, P.S.C., Inc. Retirement Sav. Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Tri-State Urologic Services, P.S.C., Inc. Retirement Sav. Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 7, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - PLAN DESCRIPTION

The following description of the Tri-State Urologic Services, P.S.C., Inc., Retirement Savings Plan (the "Plan") provides only general information. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Plan Termination

On March 17, 2021, Tri-State Urologic Group, P.S.C., Inc. (the "Company") approved the termination of the Plan, effective April 1, 2021. Effective with the Plan's termination, all participants with an account balance remaining with the Plan merged into the Integrated Medical Professionals, PLLC Employees' Deferred Savings and Profit Sharing Plan sponsored by Integrated Medical Professionals, PLLC. The Plan's termination also ceased employee and employer contributions into the Plan and no new participant loans were taken from the Plan. Ascensus Trust Company ("Ascensus"), the trustee, held the Plan's assets until April 7, 2021, then all of the Plan's assets held by Ascensus were transferred to Ameritas. The self-directed brokerage accounts were transferred at various dates throughout 2021 to BlueStar Retirement Services, Inc. ("BlueStar").

General

The Plan was established January 1, 1996 and was amended and restated on January 1, 2015. Prior to the effective date of the Plan's termination, all employees of the Company who reached age 21 and completed at least one year of service were eligible to participate in the Plan.

Contributions

Prior to the effective date of the Plan's termination, the Plan provided for the employees of the Company to participate in a 401(k) savings plan, whereby the employees could elect to make contributions pursuant to a salary reduction agreement. Participants could contribute up to the annual maximum amount of their annual compensation not to exceed a dollar limit established by law. Participants directed the investment of their contributions into various investment options offered by the Plan. Prior to the effective date of the Plan's termination, the Company could contribute to the Plan a discretionary profit sharing amount determined each year that was invested in the portfolio of investments in the same manner as the participant directed contributions. As of the effective date of the Plan's termination, all employee and employer contributions into the Plan ceased.

Participant Accounts

Each participants' account was credited with the participants' contribution and allocations of the Company's discretionary contributions, and Plan earnings. Allocations were based on participant earnings or account balances, as defined. The benefit to which the employee was entitled is the benefit that could be provided from the participant's vested account.

Vesting

Participants were immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon was based on years of continuous service. A participant was 100% vested after six years of service, starting at 20% after two years of service and 20% additional for each year of service thereafter. Effective with the Plan's termination, all participants became 100% vested in employer contributions.

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2021 and December 31, 2020

NOTE 1 - PLAN DESCRIPTION (Continued)**Notes Receivable from Participants**

Prior to the effective date of the Plan's termination, participants could borrow from their elective contribution, and rollover fund accounts, a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever was less. The loans were secured by the balance in the participant's account and bore interest at rates, which were commensurate with local prevailing rates as determined by the plan administrator at the time of the loan. Principal and interest was paid ratably through monthly or bi-weekly payroll deductions. As of the effective date of the Plan's termination, no new participant loans were allowed.

Payment of Benefits

On termination of service, a participant would receive a distribution equal to the value of the participant's vested interest in his or her account. Also, upon attainment of the normal or early retirement age, a participant who was not terminated could request a distribution of all or part of the participant's vested account.

Forfeitures

Forfeited non-vested accounts were used to reduce employer contributions and were used in the year forfeited. The amount of forfeitures used to reduce employer contributions was \$0 for the year ended December 31, 2021. The balance in the forfeiture account was \$0 at December 31, 2021 and \$0 at December 31, 2020.

Plan Operations

In December 2019, the Setting Every Community Up for Retirement Enhancement ("SECURE") Act of 2019 was signed into law. The SECURE Act had provisions that were effective for years beginning after December 31, 2019 and for years beginning after December 31, 2020. The Plan implemented the SECURE Act provision that changed the age of initiation for required minimum distributions ("RMDs") from 70.5 to age 72 for all retirement accounts subject to RMDs. This change for taking a participant's first RMD from age 70.5 to age 72 affects participants who had not attained age 70 ½ by December 31, 2019. The Plan implemented the SECURE Act provisions that are effective for years beginning after December 31, 2020 in 2021.

In March 2020, the World Health Organization declared the novel coronavirus ("COVID-19") outbreak a global pandemic. In response to COVID-19 pandemic, on March 27, 2020, the Coronavirus Aid, Relief and Economic Security ("CARES") Act was signed into law. The CARES Act provides temporary relief for retirement plan sponsors and their participants. The provisions of the CARES Act were available to be implemented immediately.

In 2020, the Plan has implemented several of the CARES Act provisions. The Plan suspended required minimum distributions for the calendar year 2020; allowed Plan participants to take participant loans up to \$100,000; allowed participants to elect to suspend participant loan repayments for the calendar year 2020; and allowed qualified individuals to request distributions up to \$100,000 which the participant could then repay over three years or the participant could elect to have the taxes related to the distribution paid over 3 years.

Reclassification

Certain prior year data in financial statements has been reclassified to conform with current year presentation.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") as applied to savings plans, and in accordance with the terms of the Plan agreement.

A summary of the Plan's significant accounting policies which were consistently applied in the preparation of the accompanying financial statements follows:

Basis of Accounting

The accompanying financial statements of the Plan are presented on the accrual basis of accounting in accordance with GAAP and conform to the accounting requirements of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction TSUS between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans to participants were reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans were reclassified as distributions based on the terms of the Plan document.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Fees for investment management and plan administration services are included in administrative expenses and allocated to participants' accounts by the Plan's recordkeeper. Fees for the administration of notes receivable from participants and participant distributions are included in administrative expenses and are charged directly to the participant's account.

TRI-STATE UROLOGIC SERVICES, P.S.C., INC. RETIREMENT SAVINGS PLAN**NOTES TO FINANCIAL STATEMENTS (Continued)**December 31, 2021 and December 31, 2020

NOTE 3 - INVESTMENTS

Latitude Retirement has been assigned the administrative function of maintaining separate accounts of the participants who do not have self-directed accounts, as provided in the Plan agreement. They have no discretionary authority or responsibility to make sales, investments or reinvestments. Under the direction of the participants, Johnson Investment Counsel, Inc. and Ascensus Trust Company invest the individual participant accounts in any or all of the investment options. The investments are not covered by federal insurance.

During 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$6,130,998.

NOTE 4 - INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2018. There are currently no audits for any tax periods in progress.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6 - FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were available to the Plan.

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2021 and December 31, 2020

NOTE 6 - FAIR VALUE MEASUREMENT (Continued)*Level 1 Fair Value Measurements*

The fair value of mutual funds and money market accounts are based on the closing price reported on the active market in which the individual securities are traded. The fair value of self-directed brokerage accounts are based on the quoted net asset values for certain investments and the closing price reported on the active market for actively traded securities.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and December 31, 2020:

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>
Mutual funds	\$ 0	\$ 0
Money market funds	0	0
Self-directed brokerage accounts	0	0
Total assets at fair value	<u>\$ 0</u>	<u>\$ 0</u>

<u>December 31, 2020</u>	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>
Mutual funds	\$ 28,799,755	\$ 28,799,755
Money market funds	2,045,726	2,045,726

Total assets at fair value	<u>\$ 79,732,451</u>	<u>\$ 79,732,451</u>

Gains and losses (realized and unrealized) included in changes of net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation (depreciation) in fair value of investments.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were managed by Johnson Investment Counsel, Inc. and Ascensus Trust Company. Johnson Investment Counsel and Ascensus Trust Company were the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for the investment management and administrative services amounted to \$182,966 for the year end December 31, 2021.
