401(K) PROFIT SHARING PLAN

REPORT ON AUDITS OF FINANCIAL STATEMENTS
AND SUPPLEMENTAL INFORMATION
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

INDEPENDENT AUDITORS' REPORT

To the Trustees
J-U-B Engineers, Inc. 401(k) Profit Sharing Plan
Meridian, ID

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of J-U-B Engineers, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of J-U-B Engineers, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 11 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of J-U-B Engineers, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about J-U-B Engineers, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of J-U-B Engineers, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about J-U-B Engineers, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Events Occurring After Reporting Date

The plan administrator has evaluated events and transactions that occurred between December 31, 2021 and October 4, 2022, which is the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

2. DESCRIPTION OF PLAN

The following description of the J-U-B Engineers, Inc. ("Company") 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

J-U-B ENGINEERS, INC.
401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

2. DESCRIPTION OF PLAN (CONTINUED)

General. The Plan is a defined contribution plan covering all employees of the Company who are regularly scheduled to work at least 1,000 hours during the year. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendments. Effective January 1, 2021, the Plan was amended to (a) disallow elective salary deferrals on overtime compensation, relocation allowances, taxable sick pay, and other taxable fringe benefits, and (b) adopt a four percent safe harbor matching contribution.

Effective January 3, 2020, the Plan was amended to merge the Dyer Engineering Profit Sharing & 401(k) Plan with and into the Plan and transfer all associated Plan Assets.

Effective May 1, 2020, the Plan was amended to remove the four percent safe harbor matching contribution and implement a discretionary employer matching contribution.

Contributions. Each year, participants may contribute elective pre-tax and/or after-tax (Roth) contributions up to the limits provided by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a wide range of registered investment companies funds and an insurance investment contract as investment options for participants. The Plan includes an auto-enrollment provision (pre-tax deferral rate of 4%) whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect otherwise. Participants direct the investment of their contributions; however, if an investment directive is not received by the Plan, the contributions are invested in accordance with the default investment fund established under the Plan until changed by the participant.

The Company contributed by matching each participant's contribution. For 2021 and wages paid January 1, 2020 through April 30, 2020, the Company adopted a safe harbor provision, matching 100% of each participant's contributions up to 4% of eligible compensation. For wages paid between May 1, 2020 and December 31, 2020, the Company implemented a discretionary matching contribution, matching 100% of each participant's contributions up to 4% of eligible compensation. Only participants employed on the last day of the plan year were eligible to receive the matching contribution.

J-U-B ENGINEERS, INC.
401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

2. DESCRIPTION OF PLAN (CONTINUED)

Annually, the Company's Board of Directors determines the Company's profit sharing contributions, if any, to the Plan. For 2021, the Company contributed 1% of eligible compensation as profit sharing. For 2020, the Company contributed 3% of eligible compensation as profit sharing. Company profit sharing contributions were allocated to active employees of the Company who were employed on the last day of the plan year and had 1,000 hours of service during the plan year. Participants direct the investment of the Company's contributions. Contributions are subject to certain limitations.

Participants' Accounts. Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution and plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in all contributions plus actual earnings thereon.

Payment of Benefits. On termination of service, a participant may elect to receive a lumpsum amount equal to the vested value of his or her account.

Notes Receivable from Participants. Participants may borrow from their account a minimum of \$1,000. The maximum amount of any loan is limited to the lesser of 50% of their vested interest or \$50,000. All loans are required to be repaid within five years unless the purpose of the loan is to acquire a principal residence. All loans are secured by the participants' vested interest in the Plan and possibly additional collateral. All loans bear interest at a rate commensurate with prevailing rates determined by the Trustees.

3. ADMINISTRATIVE EXPENSES

Certain administrative functions are performed by officers and employees of the Company. No such officer or employee receives compensation from the Plan. In addition, certain administrative expenses are paid directly by the Company, and are not reflected in these financial statements.

J-U-B ENGINEERS, INC.
401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

4. TAX STATUS

The Plan was amended and restated January 1, 2015. The plan restatement is a volume submitter 401(k) profit sharing plan offered by Standard Retirement Services, Inc. The volume submitter plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the Plan as then designed was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since the restatement, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code (IRC). Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

6. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted market prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented, and there were no changes in the methods used to measure fair value at December 31, 2021 and 2020.

401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

6. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	Fair Value Measurements at the End of the Reporting Period Using Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2021</u>	
Mutual funds	<u>\$ 76,011,352</u>
<u>December 31, 2020</u>	
Mutual funds	<u>\$ 66,113,598</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net change in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2021 and 2020, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

J-U-B ENGINEERS, INC.
401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

7. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Standard Insurance Company (The Standard). The Plan's contract value is a general liability against The Standard on the Plan's behalf and there are no particular segregated or identifiable assets of The Standard ascribed to the Plan's contract. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attributed to that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by The Standard, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020 was \$7,935,640 and \$7,248,780, respectively. The crediting interest rates are set by The Standard using a process similar to that used by banks or other insurance companies for similar products. Such rates are reviewed and reset quarterly. The crediting rates as of December 31, 2021 and 2020 were 2.21% and 2.42%, respectively.

Certain events limit the Plan's availability to transact at contract value with The Standard. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants or the issuer, is probable.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

7. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY
(CONTINUED)

The Standard may terminate the contract with 30 days advance written notice to the Plan for reasonable cause, which includes the Plan's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets of at least \$25,000, plan disqualification, and failure to adopt the plan in a reasonable period of time. Upon termination by The Standard, a market value adjustment or other withdrawal restrictions may apply. The Plan administrator does not believe that the occurrence of any such events are probable.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

9. PARTICIPANT TERMINATIONS

The vested portion of participants' accounts is distributed to terminated participants in accordance with their instructions and Internal Revenue Service regulations. Participants are fully vested at all times, resulting in no forfeitures for the year ended December 31, 2021. At December 31, 2020 the forfeited nonvested account totaled \$6,925. For the year ended December 31, 2021, employer contributions were reduced by \$6,843, from forfeited nonvested accounts. At December 31, 2021, the forfeited nonvested account totaled \$111.

10. RELATED PARTY TRANSACTIONS

The Plan invests in a general insurance contract issued by Standard Insurance Company. Administrative and investment management services are provided to the Plan by entities related to Standard Insurance Company.
