INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants of the
Lucky Eagle Casino 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Lucky Eagle Casino 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C)[ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net position available for benefits as of December 31, 2021, and the related statement of changes in net position available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have an audit of the Lucky Eagle Casino 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Lucky Eagle Casino 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Lucky Eagle Casino 401(k) Retirement Plan's ability to continue as a going concern for twelve months beyond the financial statements date, including any currently known information that may raise substantial doubt shortly thereafter.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Lucky Eagle Casino 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Lucky Eagle Casino 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of *Schedule H, Line 4i – Schedule of Assets (Held at End of Year)*, as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants of the
Lucky Eagle Casino 401(k) Retirement Plan:

We were engaged to audit the accompanying statement of net position available for benefits of the Lucky Eagle Casino 401(k) Retirement Plan (the "Plan"), as of December 31, 2020, and the related statement of changes in net position available for benefits for the year then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by Standard Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**LUCKY EAGLE CASINO
401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

Note 1: Description of the Plan

The following description of the Lucky Eagle Casino 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering employees of the Lucky Eagle Casino (the "Casino"), who have attained the age of 18 and completed three months of service. The Plan has two features: a salary deferral feature and an employer match feature. The Plan became effective on January 1, 1999 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective May 1, 2016, the Plan elected to offer a Roth 401(k) feature. Effective March 1, 2017, the Plan elected to remove suspension of elective deferrals for hardship distributions. The Casino is the Plan's sponsor and serves as plan administrator.

Contributions – Each year, participants may contribute a percentage of their annual compensation, up to established Internal Revenue Service (IRS) limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Plan includes an automatic salary deferral feature in which 3% of the participant's compensation is automatically withheld and contributed to the Plan once the participant meets the eligibility requirements. A participant may elect not to participate in the Plan upon notification to the Plan sponsor. The Plan allows for the Casino to make employer matching contributions up to 3% of participant compensation.

Investments – Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options anytime throughout the year. The Plan offers several investment choices through investments held with Standard Insurance Company. If a participant does not elect an investment option at the time of enrollment, their contributions are invested in the applicable lifecycle fund based on the participant's age until the participant changes their election. The Casino's contributions are allocated in the same manner as that of the participant's elective contributions.

Participant Accounts – Each participant's account is credited with the participant's salary deferral contribution, the Casino's matching contribution, and the allocation of the Plan earnings (losses). The benefit to which a participant is entitled is the vested portion of the participant's account.

Vesting – Participants are immediately vested in their voluntary contributions and earnings thereon. The Casino's matching contributions and actual earnings thereon become vested as follows:

<u>Service Period</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years of service	20%
3 years of service	40%
4 years of service	60%
5 years of service	80%
6 years of service	100%

Notes Receivable from Participants – Participants may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. The loans are secured by the balance in the participant's account and charge interest at the prime rate. Principal and interest is paid ratably through bi-weekly payroll deductions.

Note 1: Description of the Plan (Continued)

Payment of Benefits – Upon disability, retirement, death, or termination of employment, a Plan participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the account, equal installments over a period of time, or a different form of commercial annuity.

Forfeited Accounts – At December 31, 2021 and 2020, forfeited amounts available to offset employer contributions totaled \$3,936 and \$49,518, respectively. During the years ended December 31, 2021 and 2020, the Casino utilized \$4,650 and \$4,468, respectively, in forfeitures to offset Plan expenses. During the years ended December 31, 2021 and 2020 the Casino utilized \$49,518 and \$191,669, respectively, in forfeitures to fund the employer match.

Note 2: Summary of Significant Accounting Policies

The following significant accounting policies were used to prepare the financial statements in accordance with generally accepted accounting principles.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Generally accepted accounting principles include statements from the Governmental Accounting Standards Board (GASB) as well as other guidance provided by the American Institute of Certified Public Accountants' Audit and Accounting Guide, *Employee Benefit Plans*.

In May 2020, GASB issued Statement No. 95, *Postponement of the Effective Dates of Certain Authoritative Guidance*, effective immediately. The objective of this statement is to provide temporary relief to governments and other stakeholders in light of the COVID-19 pandemic by extending the effective dates of certain accounting and financial reporting provisions in Statements and Implementation Guides that were first effective for reporting periods beginning after June 15, 2018 and later. Implementation of this statement extended the effective date of GASB Statement No. 92.

In January 2020, GASB issued Statement 92, *Omnibus 2020*. The objective of this statement is to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing practice issues that have been identified during implementation and application of certain GASB statements. GASB Statement No. 92 becomes effective for the Plan for the 2022 reporting period.

The effect of the future adoption of GASB Statement No. 92 on the Plan's financial statements has not been evaluated as of the date of this report.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therewith, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when received and credited to the participants' accounts. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan payments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

Note 2: Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value, as certified by the Plan's custodian, Standard Insurance Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Fully benefit-responsive investments are reported at contract value. Contract value is the most relevant measurement attribute because it is the amount that participants in a plan would receive in a permitted participant-initiated transaction.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

The Plan recognizes benefit payments in the period the benefits are paid.

Administrative Fees

All administrative fees of the Plan may be paid out of the Plan assets or through forfeitures, if the Casino does not pay the fees directly. Fees related to the administration of notes receivables from participants are charged directly to the participant's account and are included in administrative fees.

Date of Management's Review

Subsequent events were evaluated through October 4, 2022, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

The Plan's investments, excluding the fully benefit-responsive contract, are reported at fair value in the accompanying statements of net position available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

GASB Statement No. 72, *Fair Value Measurement and Application*, provides a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under GASB Statement No. 72 are described as follows: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs only when Level 1 inputs are not available to the Plan. There were no Level 1 or 3 inputs available to the Plan.

Note 3: Fair Value Measurements (Continued)

Level 2 Fair Value Measurements

The fair value of the mutual funds held in the pooled separate accounts are based on inputs other than quoted prices included within Level 1 that are observable for valuing the asset or liability, either directly or indirectly. Observable inputs include quoted prices for similar assets or liabilities in active or non-active markets. Fair value of the investments is based on the net asset value of the fund as reported by the investment advisor. Net asset valuation is computed by dividing the total assets minus liabilities, allocated to each share class by the number of shares outstanding for that class at the close of each business day that the New York Stock Exchange is open. Level 2 inputs may also include insignificant adjustments to market inputs.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

December 31, 2021	Fair Value	Inputs Other Than Quoted Prices in Active Markets for Identical Assets (Level 2)
Mutual funds:		
Growth equity funds	\$ 1,251,911	\$ 1,251,911

Note 4: Investments

Investments representing 5% or more of net position available for benefits consisted of the following as of December 31:

	2021	2020
Stable Asset Fund	\$ 1,036,118	\$ 1,059,750
Dodge & Cox Income	\$ 990,194	\$ 789,036

Vanguard Target Retir 2050 Inv	\$ 701,934	\$ 509,064
Vanguard Target Retir 2055 Inv	\$ 622,103	N/A

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$1,290,083 and \$1,030,029 for the years ended December 31, 2021 and 2020, respectively. Those changes in the Plan's investments were due to the mutual funds held by the Plan.

Note 5: Guaranteed Investment Contract with Insurance Company

The Plan invests in a fully benefit responsive investment contract with Standard Insurance Company ("Standard"). Standard maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The guaranteed investment contract meets the fully benefit-responsive criteria and; therefore, is reported at contract value. Contract value, as reported to the Plan by Standard, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value of the fully benefit-responsive investment at December 31, 2021 and 2020, was \$1,036,118 and \$1,059,750, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Note 9: Related Party Transactions / Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Standard. Standard is the custodian as defined by the Plan. Certain investment advisory services are provided by Financial Advocate Investments, while certain record keeping services are performed by StanCorp Financial Group. These transactions qualify as related party/party-in-interest transactions. Fees paid by the Plan for these services amounted to \$40,665 and \$39,592 for the years ended December 31, 2021 and 2020, respectively. Also, certain administrative functions are performed by employees of the Plan sponsors on behalf of the Plan.

Note 10: Tax Status

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code (IRC) and, accordingly, the trust's net investment income is exempt from income tax. The Plan has obtained a favorable tax determination letter dated March 31, 2008, from the Internal Revenue Service, covering the Plan offered by the trustees. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan sponsor believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related trust is tax-exempt.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 11: Plan Termination

Although it has not expressed any intention to do so, the Casino has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 12: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net position available for benefits.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

Note 13: ERISA Fidelity Bond

ERISA requires that every employee benefit plan obtain a fidelity bond to protect the Plan against theft of Plan assets by fiduciaries and other Plan officials. The amount of the bond is fixed at the beginning of the Plan year, in an amount that is not less than 10% of the Plan assets as of the beginning of the Plan year, up to a maximum bond requirement of \$500,000. Bonds were in place during the years ended December 31, 2021 and 2020.

Note 14: COVID-19 Considerations

The COVID-19 outbreak was declared a worldwide pandemic on March 11, 2020 by the World Health Organization (WHO). The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was passed into law. The CARES Act expanded the ability of certain 401(k) plan participants to withdraw, penalty free, funds from their vested retirement plan accounts, increased the participant loan limit, and delayed loan repayments for up to one year, subject to the certain participant eligibility criteria.

The Consolidated Appropriations Act of 2021 (CAA) passed on December 31, 2020 temporarily replaced or extended some of the provisions of the CARES Act and was in effect through June 25, 2021.
