INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator,
Forem Facility Management 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Forem Facility Management 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year subsequent to the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplementary Schedule Required by ERISA

The supplementary schedule H, Part IV, Line 4a, schedule of delinquent participant contributions and schedule H, part IV, line 4i – schedule of assets (held at end of year), is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan which was formerly named the Wuhl Shafman Lieberman Corporation Profit Sharing and 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Forem Facility Management 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

1. DESCRIPTION OF PLAN

The following brief description of the Forem Facility Management 401(k) Plan (the “Plan”) is provided for general information purposes only. On January 1, 2021, the Plan was amended to change its name from the Wuhl Shafman Lieberman Corporation Profit Sharing and 401(k) Plan to the Forem Facility Management 401(k) Plan. Participants should refer to the Plan document and summary plan description for a more complete description of the Plan’s provisions.

Plan Sponsor

Prior to January 1, 2021, the Plan covered the employees of Wuhl Shafman Lieberman and Forem Facility Management. Subsequent to the Plan’s amendment on January 1, 2021, the Plan’s Sponsor was changed from Wuhl Shafman Lieberman Corporation (“Wuhl”) to Forem Facility Management, LLC (“FFM”). On January 4, 2021, all Plan assets belonging to participants employed by Wuhl were transferred to the Freshline & Wuhl 401(k) Plan. The Plan Sponsor, FFM, is a member of a controlled group which includes the following companies (collectively the “Company”):

- Forem Facility Management, LLC
- Forem Packaging, Inc.
- World Pack Enterprises

On September 1, 2021, the Plan’s Sponsor was changed to Americold Logistics, LLC upon its purchase of FFM.

General

The Plan is a participant directed defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code (“Code”) and subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan covers substantially all full-time employees, except for employees covered under a collective bargaining agreement of the Company. The Plan was established for the purpose of providing eligible employees of the Company and their beneficiaries funds for retirement.

Eligibility

Prior to January 1, 2021, an employee became an eligible participant in the Plan immediately upon attainment of 21 years of age, or their date of hire, and if they are reasonably expected to complete the hours-of service requirement as stated in the Plan agreement. Subsequent to the Plan’s amendment and restatement on January 1, 2021, an employee of the Company becomes an eligible participant in the Plan immediately upon attainment of 21 years of age and completing 2 months of service. Participants are eligible to enter the Plan on the first day of the month following satisfaction of eligibility requirements.

Employee Contributions

Employees have the option to elect to contribute up to 90% of eligible compensation, not to exceed \$19,500 for 2021. Any participant, age 50 or older, may make an additional “catch-up” contribution, as determined by the Code, which is not to exceed \$6,500 for 2021. The Plan has an automatic enrollment feature whereas newly eligible participants will be enrolled at a contribution rate of 3% unless an affirmative election to not participate is made. Under the Plan, participants may also make Roth contributions. Participants direct the investment of their contributions into one or more investment options offered by the Plan. A participant may suspend contributions or may increase or decrease his/her level of participation in the Plan at any point in time. Eligible employees may direct rollover amounts from another qualified plan or IRA into the Plan.

Forem Facility Management 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Employer Discretionary Matching Contributions

The Company may make a discretionary matching contribution equal to a percentage of a participant's salary. For the year ended December 31, 2021, the Company did not make a discretionary matching contribution.

Participant Accounts

Individual accounts are established for each participant. The Plan is invested in a variety of shares in a common collective trust and various registered investment companies. Each participant's account is credited with the participant's pre-tax and Roth contributions, Company contributions, if any, and the proportionate share of dividends, interest and investment gains since the preceding valuation date. Allocations are based on participant earnings or account balances as defined in the Plan document. The participant's account is reduced by withdrawals, losses on investment, certain administrative fees and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting and Forfeitures

A participant hired prior to January 1, 2021 is, at all times, fully vested in the portion of his/her account attributable to participant contributions, plus actual earnings and losses thereon. Vesting in the Company's contributions, plus actual earnings thereon, is based on years of service. Participants become fully vested upon death, total and permanent disability and early or normal retirement age.

The Plan provides for participants hired prior to January 1, 2021 to vest in their account balances as follows:

Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

Pursuant to the Plan's amendment and restatement on January 1, 2021, the Plan provides for participants to vest in their account balances as follows:

Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Forfeitures occur when a participant terminates employment and is less than 100% vested in his/her Company account balance. Forfeitures retained by the Plan are used to reduce employer contributions or pay Plan expenses as allowed by the Plan Documents. For the year ended December 31, 2021, there were no forfeitures used to reduce employer matching contributions.

Forem Facility Management 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Distributions and Withdrawals

Prior to age 59 ½, distributions and withdrawals are not permitted from the Plan except in the instances of hardship, death, disability or termination of employment. After attaining age 59 ½, participants may elect to withdraw an amount equal to any whole percentage not to exceed 100% of the participant's vested account for any reason. In the event of termination of employment, a participant shall receive, as a lump-sum distribution, the value of his/her vested account balance as adjusted for earnings or losses thereon. Normal retirement age has been designated as 65. Distributions under the Plan are made in lump sums, direct transfers or annuities.

Notes Receivable from Participants

Participants have the option to borrow, from their fund accounts, a minimum of \$500 and up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Participants may only have one outstanding loan at any given time and interest is determined based on the prime rate, as published in *The Wall Street Journal*, plus two percentage points.

The loans are secured by the balance of the participant's account. Loan terms generally range from 1 to 5 years unless utilized for the purchase of a primary residence, whereas the loan will be repaid within a period of no more than 30 years. Principal and interest are paid ratably through weekly payroll deductions. At December 31, 2021, the interest rate was 5.25%. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures, including contingencies. Accordingly, actual results may differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability between market participants at the measurement date. See Note 5 for further discussion of fair value measurements.

The Plan had a general account contract with an insurance carrier which was fully benefit-responsive with no stated maturity date. A fully benefit-responsive contract provides for a stated return on principal invested over a specified period and permits withdrawals at contract value for benefit payments, loans, or transfers. Contract value represented contributions made under the contract, plus earnings thereon, less Plan withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes to Financial Statements

December 31, 2021 and 2020

Risks and Uncertainties

The Plan provides participants with the option to invest in various investment securities. All investment securities are exposed to some type of risk, including, but not limited to, exposure to changes in interest rates, market fluctuations, economic conditions and currency devaluation. Due to the level of risk associated with certain investment securities, it is possible that changes in the near term could materially affect certain participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Users of these financial statements should be aware that the financial markets' volatility may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2021 may not necessarily be indicative of the amounts that could be realized in a current market exchange.

Administrative Services

Certain administrative fees are charged against participant accounts by Reliance Trust Company (the "Trustee") including loan fees, withdrawal fees and member requested service fees. All other significant administrative costs are absorbed by the Company. In addition, certain investment related transaction and administrative fees have been reflected as an offset of net investment income and are not readily determinable.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued, but unpaid, interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan documents.

3. SHORT-TERM INDEXED FUND

For the year ended December 31, 2020, the Plan held a fully benefit-responsive investment contract ("Contract") with Nationwide Trust Company, FSB whereas funds are held in a general account. The account was credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The contract was reported at fair value for the year ended December 31, 2020. The contract value of the underlying investment equaled its fair value, less any contingent deferred sales charge. There were no contingent deferred sales charges for the year ended December 31, 2020. As of December 31, 2020, contract value for the investment was \$194,420. The contract issuer was contractually obligated to repay the principal and interest at a specified rate that was guaranteed to the Plan. As of December 31, 2020, the crediting interest rate on the Contract was 0.18%.

The Contract did not have a maturity date and did not provide for a distribution at contract value at some specified future date. The Contract did not restrict the frequency or amount of participant directed exchanges and shall continue, in full force, until all assets have been distributed, or no further payments were due. As of December 31, 2021, all assets were distributed from the short-term indexed fund.

Certain events limited the Plan's ability to transact at contract value. Such events included, but may not be limited to, the following: (a) the complete or partial termination of the Plan, or (b) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of sale or liquidation of a subsidiary or division as a result of group layoffs or early retirement programs.

4. INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent public accountants as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the Trustee as of and for the year ended December 31, 2021 except for comparing such information with the related information included in the financial statements. Information as of December 31, 2021 was certified to as complete and accurate by Reliance Trust Company, the Trustee. Information as of December 31, 2020 was certified to as complete and accurate by Nationwide Trust Company, FSB and Nationwide Life Insurance Company, the Custodians. Based on information provided and certified by the Trustee and Custodians, there are no fixed income obligations, leases or debt instruments in default or deemed uncollectible as defined by ERISA, as of December 31, 2021 and 2020.

The following information as of December 31, 2021 and 2020 and for the year ended December 31, 2021 was prepared from reports certified by the Trustee and Custodians:

	<u>2021</u>	<u>2020</u>

5. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

Forem Facility Management 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Registered Investment Companies: The investments held by registered investment companies consist of shares of mutual funds and are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Common Collective Trust ("CCT"): Contract value of the common collective trust represents contributions made under the contract, plus earnings less Plan withdrawals and administration expenses. Net asset value of the underlying funds is reported by the investment advisor using the audited financial statements of the collective trust at year-end.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The investment in the common collective trust is valued utilizing the NAV as a practical expedient to estimate fair value. The use of NAV is deemed appropriate as the common collective trust does not have a finite life, unfunded commitments relating to the types of investment or significant restrictions on redemptions. The practical expedient is used for valuation, unless it is probable that the Plan will sell a portion of the investment at an amount different from the net asset valuation.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2021				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 300,238	\$ -	\$ -	\$ 300,238
2020				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 1,190,442	\$ -	\$ -	\$ 1,190,442

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

6. PLAN TERMINATION

The Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and by resolution of the Company. In the event Plan termination occurs, all participants will become 100% vested in their accounts and shall receive a total distribution of their accounts as described in the Plan document.

On August 30, 2021, the Company adopted an amendment to formally terminate the Plan and expects to distribute all assets by December 31, 2022.

7. ASSET TRANSFER

Subsequent to the Plan's amendment and restatement on January 1, 2021, assets belonging to the employees of Wuhl amounting to \$1,129,962 were transferred to the Freshline & Wuhl 401(k) Plan.

8. TAX STATUS

The Plan obtained its latest opinion letter for a prototype plan on October 6, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable sections of the Code. The Plan has been amended since receiving this opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there has been no tax related interest or penalties for the periods presented in these financial statements.

9. DELAYED DEPOSIT OF EMPLOYEE CONTRIBUTIONS

DOL regulations require that salary deferrals to a 401(k) plan and loan repayments that are withheld from employees' paychecks must be deposited into the Plan as soon as they can be reasonably segregated from the employer's general assets, but in no event later than the fifteenth business day of the month following the month in which the participant contributions are withheld.

The Plan failed to remit certain deposits timely, in the amount of \$5,335 and \$132,158 over the course of the 2021 and 2020 Plan year, respectively. The Plan will not take corrective actions related to these deposits outside of the Voluntary Fiduciary Correction Program ("VFCP") which consists of restoring lost interest income and earnings on participants' contributions as lost earnings amount to \$156 and are deemed to be de minimis in nature as the Plan has since terminated (Note 6).

10. PARTY-IN-INTEREST TRANSACTIONS

During the year ended December 31, 2021, the Plan incurred fees totaling \$235 for services that were paid to ADP, LLC, the recordkeeper of the plan. Additionally, the Plan issues loans to participants which are secured by the participants' account balances. These transactions qualify as exempt party-in-interest transactions.
