1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Independent Auditor's Report

Board of Directors

Primary Health Network Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Primary Health Network Retirement Savings Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The

risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule(s) Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 31, 2021, we indicated that (a) because of the significance of the information that we did not

audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PRIMARY HEALTH NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED DECEMBER 31, 2021 AND 2020

1. Description of the Plan

The following description of the Primary Health Network Retirement Savings Plan (Plan) provides only general information. Participants should refer to the Plan document or the Summary Plan Description for a complete description of the Plan's provisions.

General

The Plan is a defined contribution 403(b) plan established for the benefit of the employees of Primary Health Network and Subsidiaries (Company), the Plan Sponsor. The Plan is intended to satisfy all the requirements for a qualified retirement plan under the appropriate provision of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees who are 18 years of age and are anticipated to work 1,000 hours or more in their first year of service are eligible to become active participants in the Plan immediately upon being hired by the Company. Employees who are not anticipated to work 1,000 hours or more in their first year of service are eligible to be active participants in the Plan after completing one year of service in which they have worked 1,000 hours or more and attained the age of 18. Active participants who are not provider contract employees are eligible to receive employer contributions after attaining the age of 18 and completing one year of service. Active participants who are provider contract employees are eligible to receive employer contributions after attaining the age of 18 and completing two years of service.

Contributions

Eligible employees may contribute pre-tax and post-tax annual compensation as defined in the Plan up to the maximum amount allowed by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company is required to make matching contributions based upon a four-year graded schedule up to a maximum of five percent of eligible compensation for participants who are not provider contract employees. The Company is also required to make matching contributions equal to the employee's elective deferral contributions up to a maximum of

PRIMARY HEALTH NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED DECEMBER 31, 2021 AND 2020

five percent of eligible compensation for participants who are provider contract employees. Participants may roll over amounts representing distributions from other qualified defined benefit or defined contributions plans. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is (a) credited with the participant's contributions, (b) credited with the Company's contributions, (c) credited (reduced) with an allocation of investment income (loss) and appreciation (depreciation) in the fair value of investments, (d) reduced by the participant's withdrawals, and (e) reduced by administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Allocations to individual participant accounts are based upon unit values at specified valuation dates.

Notes Receivable from Participants

A participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of his or her vested account balance. Loan terms may not exceed five years. However, if the loan is for the purchase of a principal residence, the Plan Administrator may permit a longer repayment term not to exceed ten years. Loans are collateralized by the percentage of the participant's vested account balance equal to the amount borrowed and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Participants may have only one loan outstanding at any point in time and only one loan can be approved for any participant in a 12-month period. Principal and interest are paid through payroll deduction.

Vesting

Each participant will be one hundred percent (100%) vested in the participant's entire account under the Plan at all times.

Payment of Benefits

On termination of service due to death, disability, retirement, hardship, or other reason, a participant may elect to receive a lump-sum distribution of his or her vested account

PRIMARY HEALTH NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED DECEMBER 31, 2021 AND 2020

balance. The Plan Sponsor may initiate a mandatory distribution without consent for those terminated participants whose vested account balance does not exceed \$5,000.

Forfeited Accounts

Forfeiture of non-vested employer matching contributions arising from employee terminations and withdrawals may be used to offset administrative expenses or employer contributions. There were no forfeited non vested accounts as of December 31, 2021 or 2020, and the Plan used \$0 to offset the employer contributions account and \$0 for offsetting the administrative expenses account in 2021.

Investment Options

Participants are allowed to invest in a variety of investment choices as more fully described in the Plan's literature. Participants may change their allocation on a daily basis.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets available for plan benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be

PRIMARY HEALTH NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED DECEMBER 31, 2021 AND 2020

received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date and interest income from notes receivable from participants is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees, if any, are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor as provided by the Plan document. Expenses are taken from forfeited balances, after which fees are taken from participant accounts and recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Subsequent Events

In preparing these financial statements, the Plan Sponsor evaluated events through the Independent Auditor's Report date, which is the date the financial statements were available to be issued.

PRIMARY HEALTH NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED DECEMBER 31, 2021 AND 2020

3. Information Certified by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, Custodian, except for comparing such information certified by the Custodian to information included in the Plan's financial statements. The Custodian certified to the completeness and accuracy of all investment and notes receivable from participants activity reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statements of changes in net assets available for benefits for the Plan years ended December 31, 2021 and 2020, and the information reflected on the supplemental schedule for the year ended December 31, 2021.

4. Investments and Fair Value Measurements

Authoritative guidance regarding Fair Value Measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the authoritative guidance are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and

PRIMARY HEALTH NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED DECEMBER 31, 2021 AND 2020

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level with the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observables and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Registered investment companies: Valued at quoted market prices.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

PRIMARY HEALTH NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED DECEMBER 31, 2021 AND 2020

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Assets at Fair Value as of December 31, 2021			
	Total	Assets (Level 1)	(Level 2)	(Level 3)
Registered investment companies	<u>\$ 31,897,886</u>	<u>\$ 31,897,886</u>	<u>\$ -</u>	<u>\$ -</u>

	Assets at Fair Value as of December 31, 2020			
	Total	Assets (Level 1)	(Level 2)	(Level 3)
Registered investment companies	<u>\$ 27,727,047</u>	<u>\$ 27,727,047</u>	<u>\$ -</u>	<u>\$ -</u>

5. Fully Benefit-Responsive Investment Contract

The Plan has a traditional investment contract with Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company. The Principal Fixed Income Guaranteed Option meets the fully benefit-responsive investment criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earning, less participant withdrawals and administrative expenses. The issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The contract value as of December 31, 2021 and 2020, amounted to \$348,936 and \$660,993, respectively.

The crediting interest rate is based on the earnings of the underlying assets in the entire portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset annually, but in no event is the crediting interest rate less than one percent. Withdrawals are permitted at any time without penalty. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Certain events limit the ability of the Plan to transact at contract value with the contractor issuer. Such events include the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (iii)

PRIMARY HEALTH NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED DECEMBER 31, 2021 AND 2020

bankruptcy of the Plan Sponsor or other Plan Sponsor events (e.g., divestitures or spin-offs of a subsidiary) which cause a significant withdrawal from the Plan; or (iv) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the ERISA. The Plan Administrator does not believe that the occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants, is probable.

6. Tax Status

Currently, the Internal Revenue Service (IRS) does not require a tax determination letter for defined contribution pension plans exempt under Internal Revenue Code (IRC) section 403(b). Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements. Further, the plan annually files a Form 5500.

The Plan Administrator intends to apply for a determination letter on the Plan when the government opens such program.

In accordance with guidance on accounting for uncertainty in income taxes, the Plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Related Party Transactions

Certain Plan investments are shares of registered investment companies and a guaranteed investment contract managed by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company. Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company is the Custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

PRIMARY HEALTH NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED DECEMBER 31, 2021 AND 2020

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the ERISA. In the event of Plan termination, participants would become 100 percent vested in their entire accounts.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investments securities will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
