Independent Auditors' Report

The Plan Administrator
Miami International Holdings, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Miami International Holdings, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

The Plan Administrator Miami International Holdings, Inc. 401(k) Plan

We were engaged to audit the accompanying financial statements of Miami International Holdings, Inc. 401(k) Plan (the "Plan") which comprise the related statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations for the 2020 Financial Statement

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Miami International Holdings, Inc. 401(k) Plan

Notes to Financial Statements
December 31, 2021 and 2020

1. Plan Description

The following description of the Miami International Holdings, Inc. 401(k) Plan (the “Plan”) is provided for general purposes only. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees except those covered under a collective bargaining agreement, leased employees and non-resident aliens with no U.S. source income (as defined in the plan document) of Miami International Holdings, Inc. (the “Company”). The Plan is administered by a third party and qualified under Section 401(a) of the Internal Revenue Code (“IRC”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility

An employee of the Company becomes an eligible participant in the Plan upon attainment of age 21 and completing 6 months of service. Participants can enter the Plan immediately upon completion of the eligibility requirement.

Contributions

Each year, a participant may contribute up to 100% of their eligible compensation to the Plan on a pre-tax and post-tax (Roth) basis. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Additionally, participants age fifty or older are allowed to make catch-up contributions as defined in the Plan. Contributions are subject to certain IRC limitations. The Company may, at its discretion, make matching contributions for the Plan year. The Company made a matching contribution in the amount of \$737,821 for the year ended December 31, 2021. The Company did not make any matching contributions for the year ended December 31, 2020.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s discretionary matching contribution and (b) Plan earnings and (losses). Allocations are based on participant earnings or account balances, as defined. The participant’s account is reduced by withdrawals and losses on investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

1. Plan Description (*continued*)

Vesting

A participant is 100% vested in their contributions, rollover contributions and the Company's discretionary matching contributions made to the Plan and any earnings thereon.

Investment Options

Upon enrollment in the Plan, participants may direct their elective contributions and Company contributions into the various investment options offered by the Plan. Participants may change their investment options at any time.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Only one loan per participant can be outstanding at any given time. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Loans must be repaid over a period not to exceed five years, except in the case of loans incurred for the purchase of a primary residence, which can be repaid over a period of up to ten years. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service for any reason, a participant shall receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Benefit payments are paid upon retirement, death, disability or termination of employment. Hardship distributions are permitted under the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Miami International Holdings, Inc. 401(k) Plan

Notes to Financial Statements
December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based on the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the net asset value ("NAV") per share as a practical expedient is not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

Registered investment companies held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the registered investment companies are open-ended and registered with the Securities and Exchange Commission. These registered investment companies are required to publish their daily NAV and transact at that price. The registered investment companies held by the Plan are deemed to be actively traded. The common / collective trust is valued at its NAV. The NAV, as provided by the trustee, is used a practical expedient and is based on underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

2. Summary of Significant Accounting Policies *(continued)*

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

3. Information Certified *(Unaudited)*

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants as of December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company ("Fidelity"), a qualified institution.

4. Investments

The following are the major categories of investments measured at fair value on a recurring basis at December 31, grouped by fair value hierarchy:

Miami International Holdings, Inc. 401(k) Plan

Notes to Financial Statements
December 31, 2021 and 2020

4. Investments (*continued*)

(*) Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using NAV per share as a practical expedient is not categorized within the fair value hierarchy.

5. Common / Collective Trust

At December 31, 2021 and 2020, certain assets of the Plan were invested in the Fidelity Advisor Stable Value Portfolio II Fund ("Stable Value Fund"). The Stable Value Fund's investment objective is to seek the preservation of capital and to provide a competitive level of income over time that is consistent with the preservation of capital. The Stable Value Fund invests in assets (typically fixed-income securities or bond funds and may include derivative instruments such as futures contracts and swap agreements), enters into "wrap" contracts issued by third-parties, and invests in cash equivalents represented by shares in money market funds. The Stable Value Fund has no unfunded commitments.

The NAV per unit of each trust is determined at the end of each business day. Issuances and redemptions may be on such days, based upon the NAV per unit as of the valuation date last preceding the date on which such order to contribution or redeem assets is received. The trustee in its sole discretion reserves the right to value any contribution or redemption as of the next succeeding valuation date or another date as the trustee deems appropriate.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would remain 100% vested in their accounts.

7. Party-In-Interest Transactions

The Plan investments are managed by Fidelity. Fidelity is the Plan's trustee as defined by the Plan and therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Certain employees of the Employer, who may also be participants in the Plan, perform administrative services for the Plan at no cost to the Plan.

Participants who are active employees of the Plan may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants on the statements of net assets available for benefits.

Miami International Holdings, Inc. 401(k) Plan

Notes to Financial Statements
December 31, 2021 and 2020

8. Tax Status

The Company has adopted a volume submitter prototype plan document which received an Internal Revenue Service opinion letter dated March 31, 2014, which indicated that the Plan is designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the letter; however, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine examination by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.

10. Subsequent Event

Effective January 1, 2022, the Minneapolis Grain Exchange Employee Savings Plan and Trust merged with the Plan. Net assets of \$10,882,591 were transferred into the Plan as a result of the merger.

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is September 29, 2022.
