Independent Auditors' Report

The Plan Administrator
Eastern Plating 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Eastern Plating 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 1, 2021 (date of merger), and the related statement of changes in net assets available for benefits for the period from January 1, 2021 to December 1, 2021 (date of merger), and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 1, 2021 and for the period from January 1, 2021 to December 1, 2021, stating that the certified investment information, as described in Note (3) to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report,

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for the Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by a qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

EASTERN PLATING 401(K) PLAN

Notes to the Financial Statements

December 1, 2021 (date of merger) and December 31, 2020

(1) Description of plan

The following description of the Eastern Plating 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan was a defined contribution plan established to provide retirement benefits for employees of Eastern Plating, LLC (the "Plan Sponsor"). The Plan covered substantially all employees who had completed one year of service ("participants"). The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective as of December 1, 2021 (date of merger), all of the net assets of the Plan were merged into a multi-employer plan, the Securian Pooled Employer Plan and Trust. Plan management believes that the merger was a tax-exempt transaction under the applicable provisions of the Internal Revenue Code ("IRC") and therefore, is not subject to federal income taxes.

(b) Contributions

Participants could voluntarily make qualified retirement contributions to the Plan which were deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC"). Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants could direct the investment of their contributions into various investment options offered by the Plan. Participant contributions were permitted up to 100% of compensation subject to certain IRC limitations.

The Plan automatically enrolled all newly eligible employees at a deferral rate of 3%, unless the employee elected to not participate in the Plan or had a salary deferral agreement in place. Each enrolled employee's deferral percentage would automatically increase by 1% per year after the second year, to a maximum of 6% unless the employee elected otherwise.

The Plan Sponsor matched an amount equal to 100% of each participant's contributions up to 6%. Plan Sponsor contributions could not exceed the maximum amount deductible for federal income tax purposes.

The Plan also provided that the Plan Sponsor could contribute each year a profit-sharing amount authorized by the Plan Sponsor's Board of Directors; however, an annual contribution by the Plan Sponsor was not required. There was no profit-sharing contribution made for 2021.

EASTERN PLATING 401(K) PLAN

Notes to the Financial Statements

December 1, 2021 (date of merger) and December 31, 2020

(c) Participant accounts

Each participant's account was credited with the Plan Sponsor contributions as calculated above and participant contributions. Each participant's account was credited or charged with the actual earnings or losses of the investment options selected by the participant and an allocation of profit-sharing contribution, if applicable, and administrative expenses. Allocations were based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

(d) Vesting

Participants were immediately vested in their elective salary deferrals and Plan Sponsor matching contributions plus actual earnings or losses thereon. Vesting in the Plan Sponsor's discretionary profit-sharing contributions was based on years of continuous service. Participants vested over six years as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 2	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Participants could also become 100% vested upon full or partial termination of the Plan, or in one of the following ways, if incurred while employed: (1) death, (2) disability, or (3) reaching normal retirement age of 65.

(e) Notes receivable from participants

The plan did not permit participants to borrow from their accounts.

(f) Payment of benefits

On termination of service due to death, permanent disability, or retirement, a participant could elect to receive either a lump-sum payment or annual installments over a specified period equal to his or her entire account. For termination of service due to other reasons, a participant was entitled to receive only the vested interest in his or her account as a lump-sum distribution.

EASTERN PLATING 401(K) PLAN

Notes to the Financial Statements

December 1, 2021 (date of merger) and December 31, 2020

(g) Forfeited accounts

Forfeitures were created when participants terminated employment prior to becoming fully vested in the Plan Sponsor discretionary profit-sharing contribution portion of their accounts. Such forfeitures reduced the Plan Sponsor's contributions to the Plan. There were no forfeited nonvested accounts as of December 1, 2021 or December 31, 2020. Forfeitures of \$2,901 were used to reduce Plan Sponsor contributions during the period from January 1, 2021 through December 1, 2021.

(h) Hardship withdrawals

The Plan permitted distributions in the event of a hardship, as defined in the plan agreement. These distributions were taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant was younger than age 59½. Hardship withdrawals were limited to the participant's elective account balance.

(i) Administrative expenses

Certain expenses of maintaining the Plan were paid directly by the Plan Sponsor and are excluded from these financial statements. Fees incurred by the Plan for investment management services were included in net appreciation in fair value of investments. Fees for administrative services were paid from the assets of the Plan and were charged directly to the applicable participants' accounts and were included in administrative expenses.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan were prepared under the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America ("U.S. GAAP").

(b) Investment valuation and income recognition

Investments were stated at fair value or contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note (4) for discussion of fair value measurements and Note (5) for discussion of investment contract at contract value.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Net appreciation included the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes to the Financial Statements

December 1, 2021 (date of merger) and December 31, 2020

(c) Payment of benefits

Benefits were recorded when paid.

(d) Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(e) Events occurring after reporting date

The Plan Sponsor has evaluated events and transactions that occurred between December 1, 2021 and September 29, 2022, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified Information

Certain information related to investments reported and disclosed in the accompanying financial statements, including the fair or contract value of investments held at December 1, 2021 and December 31, 2020, and net appreciation in fair value of investments and interest income for the period from January 1, 2021 through December 1, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Sentry Life Insurance Company ("Sentry").

(4) Investments measured at net asset value using the practical expedient

The Plan's pooled separate accounts were measured at net asset value ("NAV") as a practical expedient to estimate fair value, and therefore, have not been classified in the fair value hierarchy.

The following table summarizes investments for which fair value is measured using NAV as a practical expedient as of December 1, 2021 and December 31, 2020. There were no participant redemption restrictions for these investments.

Notes to the Financial Statements

December 1, 2021 (date of merger) and December 31, 2020

(5) Investment contract with insurance company

The Plan maintained a guaranteed investment contract with Sentry, the Guaranteed Interest Account. The contract underlying this investment option was considered to be fully benefit-responsive. As of December 31, 2020, the contract value of the investment in the Sentry Guaranteed Interest Account was \$1,754,083.

The underlying contract had no restrictions on the use of Plan assets and there were no valuation reserves recorded to adjust contract amounts. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limited the ability of the Plan to transact at contract value with the issuer. Such events included the following: (i) amendments to the Plan documents (including a complete or partial plan merger with another plan) (ii) changes to the Plan's prohibition on competing investment options; or (iii) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any such event, which would have limited the Plan's ability to transact at contract value with participants, occurred.

The Guaranteed Interest Account did not permit Sentry to terminate the agreement prior to the scheduled maturity date.

(6) Income tax status

The Plan Sponsor adopted a prototype non-standardized profit sharing plan, which received a favorable opinion letter from the Internal Revenue Service ("IRS") on March 31, 2014, which stated that the prototype plan was designed in accordance with the applicable sections of the IRC. The Plan itself had not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. However, the plan administrator believed that the Plan, as amended, was operated in compliance with the applicable provisions of the IRC and was therefore, qualified and exempt from taxation.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator had analyzed the tax positions taken by the Plan, and had concluded that as of December 1, 2021 and December 31, 2020, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Related party and party-in-interest transactions

All Plan investments were comprised of units of pooled separate accounts and a guaranteed investment contract managed by Sentry, therefore, these transactions qualified as party-in-interest transactions under ERISA. As described in Note (1), the Plan paid expenses to various service providers which also qualified as party-in-interest transactions.

(8) Risks and uncertainties

The Plan invested in various investment securities. Investment securities were exposed to various risks such as interest rate, credit, and market risks.
