|---------------|--------------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

**1 Information on Persons Receiving Only Eligible Indirect Compensation**

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## INDEPENDENT AUDITORS' REPORT

Plan Administrator  
Atlas MedStaff 401(k) and PS Plan  
Omaha, Nebraska

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Atlas MedStaff 401(k) and PS Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after October 3, 2022.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***2021 Supplementary Information Required by ERISA***

The supplementary information as of and for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary information, other than the information in the supplementary information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary information related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

**Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

### 1. Plan Description

---

The following brief description of the Atlas MedStaff 401(k) and PS Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### ***General***

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established to provide retirement benefits for the employees of Atlas MedStaff, LLC (the Company).

Employees are eligible to make salary reduction contributions and receive safe harbor matching contributions after attaining age 21 and completing 6 months of service in which the employee was credited with at least one hour of service per month. Eligible employees become participants on the first day of the month following the date on which entry requirements are fulfilled.

Participants are also eligible to receive Company discretionary nonelective contributions if they are employed on the last day of the year.

#### ***Contributions***

Each year, participants may contribute up to the maximum dollar limits allowable by law of pre-tax annual compensation in connection with the 401(k) provisions of the Plan. Additionally, the Plan allows participants to designate a portion or all of their elective contributions as Roth after-tax contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. All participants who are eligible to make deferral contributions and who are projected to attain age 50 before the close of the calendar year shall be eligible to make catch-up contributions.

The Plan allows for a safe harbor matching contribution equal to 100% of the first 3% of the participant's eligible earnings that the employee defers as an elective deferral and an additional 50% of the next 2% of the participant's eligible earnings that the employee defers as an elective deferral. Contributions are subject to certain limitations. The Company may decide to make a discretionary nonelective contribution to the Plan. The discretionary nonelective contribution will be allocated to all employees eligible to participate in the Plan. The discretionary nonelective contribution, if made, will be allocated as of the end of each Plan year based on eligible earnings within the computation period. No discretionary nonelective contributions were made during the years ended December 31, 2021 and 2020.

### ***Participant Accounts***

Each participant's account is credited with the participant's contribution and an allocation of a) the Company's safe harbor matching contribution, b) Company's discretionary nonelective contributions and c) Plan earnings or losses. The Company's safe harbor matching contribution is allocated among participants based upon each eligible participant's elected salary deferral. The Company's discretionary nonelective contributions is allocated among participants based upon compensation of eligible participants. Plan earnings or losses are allocated on the basis of actual results of the investments selected by each participant. Investments are maintained in individual member accounts managed by Principal Life Insurance Company and Principal Trust Company (Principal).

### ***Vesting***

Participants are immediately vested in their contributions, Company safe harbor matching and earnings or losses thereon. If a participant terminates employment due to death, disability, or attainment of age 65, the Plan's normal retirement age, the participant will be 100% vested in their total account balance. Company discretionary nonelective contributions credited to participants' accounts are vested based on years of continuous service. A participant is 20% vested in Company discretionary nonelective contributions after two years of service and vesting increases 20% per year until a participant is 100% vested after six years of service.

### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$500 up to the lesser of \$50,000 or 50% of their vested account balance. Loans must be fully paid within five years unless the loan was issued for the purchase of a primary residence. No more than one loan may be outstanding for a participant at any given time and loans may not be refinanced. Loans must bear interest at a reasonable rate, determined at the time the loan is made. Principal and interest are paid through payroll deductions.

As a result of the Coronavirus Aid, Relief and Economic Security (CARES) Act, signed on March 27, 2020, the Plan was amended to allow participants impacted by Coronavirus to borrow from their accounts up to \$100,000 or 100% of their vested account balance through September 2020. Repayments from any new or existing note receivable from participants may be delayed up to one year.

### ***Payment of Benefits***

Upon termination, retirement, disability, or death, the participant or beneficiary may elect to receive either a lump sum or installment payments equal to the value of the vested funds allocated to the participant's account. If a participant's balance is less than \$5,000, the participant may only receive a lump sum payment. The Plan requires that distribution payments between \$1,000 and \$5,000 be directly rolled over to an individual retirement account designated by the plan administrator in the event the participant does not elect otherwise. Distributions under \$1,000 will be paid out to the participant in the event the participant does not elect a payout option. Benefits are recorded when paid.

## Notes to Financial Statements

December 31, 2021 and 2020

---

As a result of the Coronavirus Aid, Relief and Economic Security (CARES) Act, signed on March 27, 2020, the Plan was amended to allow early withdrawals for participants impacted by Coronavirus whereby, the 10% IRS tax penalty was waived for up to \$100,000 through December 2020.

### ***Forfeitures***

Upon a participant's termination of employment before normal retirement or death, the portion of their Company contributions not then vested shall be forfeited. The forfeited portion of any participant's account can be used to either to pay Plan expenses, offset Company contributions or reallocated to Plan participants. At December 31, 2021 and 2020, there were no forfeited, non-vested accounts. For the years ended December 31, 2021 and 2020, no forfeitures were used to pay administrative expenses, offset Company contributions or were reallocated to Plan participants.

## **2. Summary of Significant Accounting Policies**

---

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements is set forth below.

### ***Basis of Presentation***

The accompanying financial statements have been prepared on the accrual basis and in conformity with accounting principles generally accepted in the United States of America.

### ***Presentation of Participant-Directed Funds***

The Plan's presentation of participant-directed investments is in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 962, *Plan Accounting-Defined Contribution Pension Plans*.

### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

### ***Investment Valuation and Income Recognition***

Investments are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an investment in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for further discussion of fair value measurements.

## Notes to Financial Statements

December 31, 2021 and 2020

---

Fully benefit-responsive investment contracts are reported at contract value. Contract value is the relevant measurement attributable for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Company invests in investment contracts through a guaranteed investment contract.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains on investments bought and sold as well as held during the year.

### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

### ***Other***

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related solely to a specific participant may be charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

### ***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### ***Subsequent Events***

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are available to be issued and may require potential recognition or disclosure in the financial statements. Management has considered such events or transactions through October 3, 2022, noting no items requiring disclosure.

### 3. Information Certified by Principal

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Principal, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplementary schedule.

The following table presents the value of the participant-directed Plan assets that were certified by Principal as of December 31:

|                               | <u>2021</u>         | <u>2020</u>         |
|-------------------------------|---------------------|---------------------|
| Investments at Fair Value     | \$ 9,273,547        | \$ 5,896,743        |
| Investments at Contract Value | 38,191              | 2,197               |
| Total Investments             | <u>\$ 9,311,738</u> | <u>\$ 5,898,940</u> |

Principal also certified to the completeness and accuracy of the following related to the investments for the years ended December 31:

|                                               | <u>2021</u>         | <u>2020</u>       |
|-----------------------------------------------|---------------------|-------------------|
| Net Appreciation in Fair Value of Investments | \$ 1,135,584        | \$ 835,463        |
| Interest and Dividends from Investments       | 7,131               | 12,584            |
| Total Investment Income                       | <u>\$ 1,142,715</u> | <u>\$ 848,047</u> |

### 4. Fair Value Measurements

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;

## Notes to Financial Statements

### December 31, 2021 and 2020

---

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their NAV and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

*Common Collective Trusts:* The fair value of the common collective trusts has been determined by referring to the investments underlying assets, which are principally guaranteed investment contracts and short-term investments. Units held in common collective trusts are valued at the unit value as reported by the investment managers. The net asset value (NAV) is used as a practical expedient to determine fair value for these accounts. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

*Pooled Separate Accounts:* Pooled separate accounts invest primarily in common stocks, commercial paper and mutual funds. The NAV is used as a practical expedient to determine fair value for these accounts. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Each pooled separate account provides for redemptions by the Plan at reported net asset values per share on a daily basis.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

\*\*The fair value of investments in the common collective trusts and pooled separate accounts are valued based on the investments NAV or equivalent, as supplied by the investments' administrator. This classification above excludes a level in line with ASU 2015-07, which removes the requirement to categorize within the fair value hierarchy all investments using the NAV per share as a practical expedient to estimate fair value.

The following table summarizes investments measured at fair value based on the NAV per share as of December 31, 2021.

The following table summarizes investments measured at fair value based on the NAV per share as of December 31, 2020.

#### 5. Investment Contract with Principal

---

The Plan has entered into an investment contract with Principal. Principal maintains the contributions in mutual funds, common collective trusts, pooled separate accounts and a guaranteed investment contract. These investments are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by Principal.

The mutual funds, common collective trusts, and pooled separate accounts, as reported to the Plan by Principal, are included in the financial statements at fair value, which represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses.

As the guaranteed investment account is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment account. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

#### 6. Tax Status

---

The Plan is qualified as a profit sharing plan under Section 401(a) of the Internal Revenue Code and is exempt from federal income taxation under Section 501(a) of the Internal Revenue Code.

The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authority. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

### 7. Plan Termination

---

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested. Distributions to participants of the account balances would be made as soon as practicable after the termination date.

### 8. Related Party Transactions

---

Certain Plan investments are common collective trusts, pooled separate accounts and a guaranteed investment account managed by Principal. Principal is the custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions.

### 9. Reconciliation to Form 5500

---

The following is a reconciliation of the net increase in net assets available for benefits per financial statements as of December 31, to the Form 5500:
