INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Tencarva Machinery Company
Profit Sharing and 401(k) Plan
Greensboro, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the December 31, 2021 Financial Statements

We have performed an audit of the financial statements of Tencarva Machinery Company Profit Sharing and 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits, as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank, similar institution, or insurance carrier ("qualified institution") that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from Fidelity Management Trust Company ("the Trustee"), as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion on the December 31, 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the December 31, 2021 Financial Statements* section –

- the amounts and disclosures in the December 31, 2021 financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the December 31, 2021 financial statements related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the December 31, 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the ***Auditor’s Responsibilities for the Audits of the December 31, 2021 Financial Statements*** section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements, in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor’s Responsibilities for the Audits of the December 31, 2021 Financial Statements

Except, as described in the ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the December 31, 2021 Financial Statements*** section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we –

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the December 31, 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

December 31, 2021 Supplemental Schedules Required by ERISA

The supplemental "Schedule of Assets Held at End of Year" for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the December 31, 2020 Financial Statements

We were engaged to audit the December 31, 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the December 31, 2020 financial statements, and (b) the form and content of the information included in the December 31, 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

A. DESCRIPTION OF PLAN

The following description of the Tencarva Machinery Company (“the Company”) Profit Sharing and 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. Overall responsibility for administering the Plan rests with the Plan Investment Committee, which is appointed by the Board of Directors of the Company.

1. **General.** The Plan is a defined contribution plan covering all employees at least 21 years of age. Upon hire, all eligible employees may immediately participate in the 401(k) portion of the Plan. The profit sharing portion of the Plan includes all employees of the Company who have one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).
2. **Contributions.** Participants are eligible to contribute, within the guidelines of Internal Revenue Service (“IRS”) Code Section 401(k), up to 60% of their compensation payable in any pay period to the Plan, instead of receiving such amount in cash. If the participant does not make an election, they are automatically enrolled in the Plan at a 6% deferral rate. The participant then may have 1% escalation each year up to 10% of their income deferred into the Plan. The Company may make a profit sharing contribution, or a qualified non-elective contribution. The Company’s discretionary profit sharing contribution totaled \$2,025,000 and \$1,875,000 at December 31, 2021 and 2020, respectively. These contributions are discretionary with the Company; however, the contribution may not exceed the amount allowable under the Internal Revenue Code (“IRC”).
3. **Participant Accounts.** Participants may direct Fidelity Management Trust Company (“the Trustee”) as to the investment of their accounts among several investment options, reflecting varying degrees of risk. The participants’ accounts are credited with their salary deferrals, any employer contributions, earnings of the underlying investments, and forfeitures of terminated non-vested accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.
4. **Vesting.** Participants are immediately vested in their voluntary contribution plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after six (6) years of credited service. Forfeitures of terminated participants’ balances are allocated to the remaining participants as an employer contribution.
5. **Payment of Benefits.** Upon termination of service, a participant is eligible to receive his vested balance as soon as administratively feasible after the end of the Plan year. Benefits may be paid as a lump sum, or in various forms of installments.
6. **Forfeited Accounts.** As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$50,856 and \$33,160, respectively. These accounts are allocated to participants in the annual profit sharing contribution provided by the Plan sponsor.
7. **Investment Options.** Upon enrollment in the Plan, a participant may direct employee contributions to a variety of funds offered by the Trustee in accordance with the Plan. Participants may change allocations directly with the Trustee at any time.

B. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation

The Plan's investments are stated at fair value, except for fully benefit responsive guaranteed investment contracts, which are reported at contract value. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value ("NAV") of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Benefit Payments

Benefits are recorded when paid.

Estimates

The preparation of financial statements, in conformity with generally accepted accounting principles, requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. TAX STATUS

The IRS has determined and informed the Company by letter dated December 5, 2001, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Company believes that the Plan, as amended, is being operated in compliance with the applicable requirements of the IRC; therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt.

As of December 31, 2021, management believes there are no uncertain tax positions.

As of December 31, 2021, and including the previous three (3) years considering extensions, the Plan's Form 5500 is open and subject to examination by tax authorities with relevant jurisdiction. Should such an examination take place, management does not anticipate any significant issues related to the open years.

D. ADMINISTRATIVE EXPENSES

The Plan sponsor has elected to pay certain administrative expenses of the Plan.

E. INVESTMENTS

The following is a summary of the investment information regarding the Plan, as of December 31, 2021 and 2020, and for the years then ended, included in the Plan's financial statements and supplementary schedule, that was prepared by, or derived from, information prepared by the Trustee on December 31, 2021 and 2020, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that such information is complete and accurate.

	<u>2021</u>	<u>2020</u>
Investments in Net Assets of the Plan:		
Mutual funds	\$ 69,987,501	\$ 65,000,808
Pooled separate accounts:		
Fully benefit responsive guaranteed investment contract	<u>8,562,671</u>	<u>8,341,856</u>
	<u>\$ 78,550,172</u>	<u>\$ 73,342,664</u>
	<u>2021</u>	
Investment Income:		
Appreciation in fair value of investments	\$ 5,808,368

	<u>\$ 10,079,925</u>	

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Furthermore, due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term, and that such changes could materially affect the amounts reported in the accompanying statements of net assets available for benefits.

F. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Codification establishes a framework for measuring fair value that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three (3) levels of the fair value hierarchy under FASB Codification are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the assets or liabilities;
 - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

**TENCARVA MACHINERY COMPANY
PROFIT SHARING AND 401(K) PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

F. FAIR VALUE MEASUREMENTS *[cont'd]*

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds. These funds are required to publish their daily NAV to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate account—fully benefit responsive guaranteed investment contract: Fully benefit responsive guaranteed investment contract valued at contract value at the Plan's year end. Contract value is the relevant measure for fully benefit responsive guaranteed investment contracts because this is the amount received by participants if they were to initiate a permitted transaction under the terms of the Plan. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value, or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value, as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 69,987,501	\$ ---	\$ ---	\$ 69,987,501
