INDEPENDENT AUDITORS' REPORT

To the Administrator and Participants
Jim Ellis Atlanta, Inc. 401(k) Plan
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Jim Ellis Atlanta, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held at End of Year and Delinquent Participant Contributions as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Jim Ellis Atlanta, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

JIM ELLIS ATLANTA, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Jim Ellis Atlanta, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of Jim Ellis Atlanta, Inc., Jim Ellis Volkswagen, Inc., Jim Ellis, Inc., Jim Ellis Atlanta South, Inc. and Jim Ellis Motors, Inc. (referred to collectively hereafter as "the Company"). Employees are eligible to participate in the Plan beginning on the first day of each quarter once attaining age 21 and completing six months of service (1,000 hours). Upon enrollment in the Plan, a participant may direct contributions in various investment options, including mutual funds. Participants may change their investment options daily. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Participants may elect to defer their compensation up to the maximum amount allowed under the Internal Revenue Code, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company provides a matching contribution equal to 50% of the participant's salary deferral contribution, with such deferral contribution limited to 4% of compensation, after completing one year of service. Effective January 1, 2021, the Plan's match formula was changed from a fixed amount to a flexible discretionary amount. Additional amounts may be contributed at the option of the Company. Contributions are subject to certain limitations.

Effective July 1, 2021, the Plan includes an automatic enrollment feature whereby all newly eligible are automatically enrolled in the Plan after meeting the eligibility requirements, unless they affirmatively elect to not participate. The default deferral rate is four percent of eligible compensation.

Participant accounts:

Each participant's account is credited with the participant's contribution, any Company contributions, and an allocation of Plan earnings. Allocations are based on compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in their share of Company contributions is based on years of service, as defined by the Plan. A participant is 100 percent vested after the earlier of six years of credited service, total disability, death, or the reaching of normal retirement age.

JIM ELLIS ATLANTA, INC. 401(K) PLAN**NOTES TO FINANCIAL STATEMENTS****Note 1. Description of Plan (continued)****Notes receivable from participants:**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested balance of the participant's account. The loans are secured by the balance in the participant's account. The interest rate on all notes outstanding range from 4.25% to 6.50%. The notes are to be repaid within five years, unless the note is used to purchase a primary residence. Principal and interest is paid ratably through payroll deductions.

Forfeited accounts:

Forfeitures may be used to reduce employer contributions and to pay the Plan's administrative expenses. The amount of unallocated forfeitures as of December 31, 2021 and 2020 was \$74 and \$109, respectively. Forfeitures used during 2021 totaled \$61,532.

Payment of benefits:

The vested value of a participant's account is payable upon termination, retirement, death, or disability in either a lump sum or partial payments. Distributions are payable as soon as administratively feasible following the date on which a distribution is requested or otherwise payable. Certain in-service withdrawals are also allowed under the Plan.

Hardship distributions:

Participants may be distributed up to 100% of their elective deferral and vested employer match in the event of immediate and heavy financial need. In order to receive a hardship distribution, certain requirements and conditions must be satisfied. Effective January 1, 2021, hardship distributions are allowed from all sources.

Note 2. Significant Accounting Policies**Basis of accounting:**

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses on the Plan's investments are included in net appreciation (depreciation) in the fair value of investments in the Statement of Changes in Net Assets Available for Benefits.

JIM ELLIS ATLANTA, INC. 401(K) PLAN**NOTES TO FINANCIAL STATEMENTS****Note 2. Significant Accounting Policies (continued)****Notes receivable from participants:**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan payments and the plan administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Plan expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Payment of benefits:

Benefit distributions, determined in accordance with provisions of the Plan, are recorded when paid.

Use of estimates:

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the use of estimates based on management's knowledge and experience. Due to their prospective nature, actual results could differ from those estimates.

Note 3. Party-In-Interest Transactions

Certain Plan investments are underlying assets of collective trust funds and mutual funds managed by TransAmerica Life Insurance Company (TransAmerica). TransAmerica is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA. The custodian and third-party administrator received \$56,005 in direct fees from the Plan in 2021.

Note 4. Information Prepared and Certified by the Trustee of the Plan

The following information included in the accompanying financial statements and supplemental schedules was compiled from data certified by Reliance Trust Company, the trustee, as being complete and accurate:

- A. Investments included in the Statements of Net Assets Available for Benefits – December 31, 2021 and 2020.
- B. Investment income included in the Statement of Changes in Net Assets Available for Benefits – Year Ended December 31, 2021.
- C. Investment information included in the supplemental schedules.

JIM ELLIS ATLANTA, INC. 401(K) PLAN**NOTES TO FINANCIAL STATEMENTS****Note 5. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the market price of the Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 7. Income Tax Status

The Plan has adopted a prototype non-standardized profit sharing volume submitter defined contribution basic plan document. The underlying volume submitter plan has received an opinion letter from the IRS dated June 30, 2020, stating that the written form of the underlying prototype document is qualified under the applicable sections of the IRC. Any employer adopting this form of the plan will be considered to have a plan qualified under the applicable section of the IRC. Therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status.

Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt and no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

JIM ELLIS ATLANTA, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 8. Fair Value Measurements

The Plan's investments are valued at fair value based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Plan at year-end.

Money market: Valued at quoted market prices in an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Description	December 31, 2021			Total
	Level 1	Level 2	Level 3

Total	<u>\$ 43,841,452</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 43,841,452</u>

Note 9. Excess Contributions

Amounts payable to participants for deferral contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding increase in benefit payments. The Plan did not distribute the excess contributions to the applicable participants prior to March 15, 2022, which required the sponsor to file Form 5330 for excise taxes due.

Excess contributions, including earnings, for the years ended December 31, 2021 and 2020 totaled \$17,840 and \$171,458, respectively.

Note 10. Plan Amendments

In April 2020, the Plan adopted the participant loan provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. The CARES Act participant loan provisions increase the maximum allowance amount for participants to the lesser of 100% of the participant's balance or \$100,000 for loans taken between March 27, 2020 and September 23, 2020. The Plan also adopted the temporary loan payment deferment option of the CARES Act. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020. In addition, the Plan adopted the required minimum distribution provisions of the CARES Act that allows the plan sponsor to waive the required minimum distribution requirement for COVID related distributions made in 2020.

Effective January 1, 2021, the Plan was amended and restated to include an automatic enrollment feature, change the match formula from a fixed amount to a flexible discretionary amount, and allow hardship distributions from all sources. The automatic enrollment feature has a special effective date of July 1, 2021.

Note 11. Subsequent Events

Subsequent events have been evaluated through September 23, 2022, which is the date the financial statements were available to be issued.
