As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Charles Schwab Trust Bank as of December 31, 2021 and for the period from May 18, 2021 to December 31, 2021, and Fidelity Personal Trust Company as of December 31, 2021 and for the period from January 1, 2021 to May 17, 2021 stating that the certified investment information, as described in Note 8 to the financial statement, is complete and accurate.

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Polly's Food Service and Affiliates Employees' Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Polly's Food Service and Affiliates Employees' Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness Polly's Food Service and Affiliates Employees' Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Polly's Food Service and Affiliates Employees' Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment at End of Plan Year as of December 31, 2021 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other

records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements Polly's Food Service and Affiliates Employees' Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated, October 7, 2021, we indicated that (a) because of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statement, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Polly's Food Service and Affiliates ("Company") Employees' Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who have one year of service, are age twenty-one or older, and are not covered under the union plans in which the Company participates. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a money market fund, fourteen mutual funds and seven collective trusts as investment options for participants. A discretionary profit sharing amount may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

EMPLOYEES' RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN - concluded

Notes Receivable from Participants

Participants were able to borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their non-forfeitable account balance, whichever is less. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest that is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions over a period which shall not exceed five years, except in certain circumstances. During 2007, the Plan was amended to eliminate the loan feature.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to either receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or take equal installments over a period of not more than the participants assumed life. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

Forfeitures are allocated first to reinstate previously forfeited balances of former participants, if any. Unallocated forfeitures are then used to reduce the employer contribution to the Plan. Remaining forfeitures are then allocated among all eligible participants pro rata based on annual compensation.

During 2021, forfeitures of \$3,517 were used to reduce the employer contribution to the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles of the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The outbreak of a novel coronavirus (COVID-19), which the World Health Organization declared in March 2020 to be a pandemic, continues to spread throughout the globe. Efforts to contain it have negatively impacted the global economy, disrupted manufacturing operations and global supply chain and created significant volatility and disruption of financial markets.

**POLLY'S FOOD SERVICE AND AFFILIATES
EMPLOYEES' RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Management believes the estimates and assumptions underlying the financial statements are reasonable and supportable based on the information available at the time the financial statements were prepared. However, uncertainty over the impact COVID-19 will have on the global economy and the Plan's activities in particular makes many of the estimates and assumptions reflected in the 2020 and 2021 financial statements inherently less certain. Therefore, actual results may ultimately differ from those estimates to a greater degree than historically.

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting. Investments held by the Plan are required to be reported at fair value.

Notes Receivable from Participants

Notes from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. Delinquent notes are reclassified as distributions based upon the terms of the plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see NOTE 4 for a discussion of fair value measurements). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Operating expenses

Operating expenses of the Plan are permitted to be paid out of the assets of the Plan. Operating expenses paid by the Plan for the year ended December 31, 2021 were \$28,917. The sponsor of the Plan absorbed additional operating expenses of the Plan in the amount of \$11,223 during 2021.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - concluded

Subsequent Events

The Plan has evaluated subsequent events through September 30, 2022, the date the financial statements were available to be issued.

NOTE 3 – RELATED PARTY TRANSACTIONS

Plan investments during 2021 and 2020 include mutual funds with shares managed by Fidelity Personal Trust Company. Fidelity Personal Trust Company is a trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Fidelity Personal Trust Company provides certain administrative services to the Plan pursuant to an agreement between the Sponsor and Fidelity Personal Trust Company. Fidelity Personal Trust Company receives revenue from mutual fund service providers for services it provides to the funds. This revenue is used to offset certain amounts owed to Fidelity Personal Trust Company for its administrative services to the Plan.

If the revenue received by Fidelity Personal Trust Company from such mutual fund service providers exceeds the amount owed under the agreement, Fidelity Personal Trust Company remits the excess to the Plan's trust on a monthly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2021, excess amounts of \$224 were received from Fidelity Personal Trust Company and used to reduce administrative expenses.

Plan investments during 2021 include mutual funds with shares managed by Charles Schwab Trust Bank. Charles Schwab Trust Bank is a trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Charles Schwab Trust Bank provides certain administrative services to the Plan pursuant to an agreement between the Sponsor and Charles Schwab Trust Bank. Charles Schwab Trust Bank receives revenue from mutual fund service providers for services it provides to the funds. This revenue is used to offset certain amounts owed to Charles Schwab Trust Bank for its administrative services to the Plan.

If the revenue received by Charles Schwab Trust Bank from such mutual fund service providers exceeds the amount owed under the agreement, Charles Schwab Trust Bank remits the excess to the Plan's trust on a monthly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2021, excess amounts of \$159 were received from Charles Schwab Trust Bank and used to reduce administrative expenses.

EMPLOYEES' RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – RELATED PARTY TRANSACTIONS - concluded

The Plan sponsor paid certain operating expenses of the Plan during 2021 (see NOTE 2). In addition, certain operating expenses of the Plan were paid to parties-in-interest for professional services. These fees were based on customary and reasonable rates for such services.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB ASC 820 Fair Value Measurements, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets or inactive markets, inputs other than quoted prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- Level 1 - The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.
- Level 2 - The fair value of investments in common collective trust based on the fair value of the fund's net assets as determined by the trustee of the funds, primarily using quoted prices for similar assets in active markets.

NOTE 4 – FAIR VALUE MEASUREMENTS - concluded

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as reported in the accompanying statements of net assets available for benefits at December 31, 2021 and 2020.

	<u>Fair Value Measurements Using:</u>		
	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>

Total investments	\$ 559,592	\$ 5,144,974	\$ 5,704,566

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6 – TAX STATUS

The IRS has determined and informed the Plan sponsor by a letter dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the plan and recognizes a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities.

**POLLY'S FOOD SERVICE AND AFFILIATES
EMPLOYEES' RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

NOTE 6 – TAX STATUS - concluded

The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income examination for years prior to 2018.

NOTE 8 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

Certain information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee. This information includes the investments as of December 31, 2021 and 2020, the investment gain of \$665,245, and interest and dividend income of \$41,927 for the year ended December 31, 2021.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan's invested assets ultimately consist of mutual funds and other investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

NOTE 10 – FORMER PARTICIPANT ACCOUNT BALANCES
