INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries
of the 1-800-Flowers Team Services, Inc. Prototype 401(k) Profit-Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of 1-800-Flowers Team Services, Inc. Prototype 401(k) Profit-Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"EisnerAmper" is the brand name under which EisnerAmper LLP and Eisner Advisory Group LLC provide professional services. EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1-800-FLOWERS TEAM SERVICES, INC. PROTOTYPE 401(k) PROFIT-SHARING PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN

The following description of the 1-800-Flowers Team Services, Inc. Prototype 401(k) Profit-Sharing Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description and Plan Document for a more complete description of the Plan's provisions.

[1] General:

The Plan is a defined contribution plan covering substantially all regular employees of 1-800-Flowers Team Services, Inc. (the "Company"), who are at least 21 years of age.

The Plan Sponsor adopted an additional defined contribution plan, 1-800-Flowers Team Services, Inc. 401(k) Plan (the "Additional Plan"), covering substantially all eligible temporary and/or seasonal employees of the Company, who are at least 21 years of age. During calendar year 2021, a net transfer of \$177,457 was made from the Additional Plan relating to employees being able to participate in the Additional Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

[2] Contributions:

Participants may contribute up to 80% of their annual eligible pretax compensation providing that such contributions do not exceed the maximum allowed contribution limits established by the Internal Revenue Service (the "IRS") each year. For 2021, the maximum allowed contribution limit was \$19,500, with an additional \$6,500 for eligible participants who attained the age of 50 before the close of the Plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company has the option to make discretionary contributions to the Plan. In accordance with the provisions of the Plan, the Company made a matching contribution of 50% of the first \$1,500 of annual eligible compensation contributed by the participants in the amount of approximately \$1,753,000 for the year ended December 31, 2021.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation. The Plan also has an escalation feature whereby the deferral rate will increase each year by 1%.

Forfeitures of employer contributions by participants who are not fully vested are used as a direct reduction of future employer contributions and/or Plan administrative fees. During 2021, approximately \$3,100 was used to reduce Plan administrative fees. There were no amounts used to fund employer match. As of December 31, 2021 and 2020, approximately \$251,000 and \$93,800, respectively, in cumulative forfeited amounts were available to offset future employer contributions and/or Plan administrative fees. Balances of forfeitures available are temporarily invested until utilized and reflect gains or losses during the period held.

[3] Participant accounts:

Each participant's account is credited with his/her respective contributions, the Company's discretionary contributions, if any, an allocation of Plan earnings or losses, and may be charged with an allocation of administrative expenses paid by the Plan. The allocation of the Plan's earnings or losses are credited to, or deducted from, the account balances of participants in the proportion that the amount of each account balance bears to the total of all account balances in the selected account. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account. Allocation of employee and employer contributions, and the earnings thereon, are all participant-directed.

1-800-FLOWERS TEAM SERVICES, INC. PROTOTYPE 401(k) PROFIT-SHARING PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[4] Vesting:

Participants are immediately vested in their own contributions and earnings thereon. Participants become vested in benefits arising from Company's matching and discretionary contributions plus earnings thereon based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2 but less than 3	25%
3 but less than 4	50%
4 but less than 5	75%
5 or more	100%

[5] Payment of benefits:

The value of a participant's account, including both the employee and vested employer contributions and the earnings thereon is payable in full to the participant upon retirement or disability or to the participant's beneficiary if death occurs during employment. Additionally, the value of a participant's contributions and earnings thereon plus all vested employer contributions are payable upon termination. Payment may be made as a lump sum or in the form of an annuity.

The Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law on March 27, 2020 and provided optional distribution as well as suspension of required minimum distributions ("RMDs") for anyone required to receive an RMD in 2020. The Plan Sponsor has implemented the following provisions of the CARES Act and the Plan will be formally amended prior to December 31, 2022 as required by the Act.

Participants, who meet specific conditions, are eligible to take a COVID-19 related distribution up to \$100,000 without a 10% early withdrawal penalty. Eligible distributions could have been taken from January 1, 2020 through December 31, 2020, and may be repaid within three years. The repayments will be treated as tax-free rollovers into the participant's account.

The Plan Sponsor elected to suspend paying RMDs to participants and beneficiaries that would otherwise have been required to receive an RMD in 2020. However, participants and beneficiaries had a choice between receiving and not receiving the RMD for 2020. In addition, individuals that received an RMD prior to the enactment of the Act had until August 31, 2020 to rollover the RMD to an eligible retirement plan.

[6] Hardship withdrawal:

In case of serious financial hardship, as defined by the Plan, participants may be eligible to receive an emergency withdrawal of a certain portion of their vested account balance.

[7] Notes receivable from participants:

Generally, participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms range from 1-5 years or up to 10 years for the purchase of a primary residence. The notes are secured by the participant's vested account balance and bear interest at a rate of prime plus 1%. Principal and interest are paid ratably through payroll deductions. If the note is not repaid, it will automatically be treated as a distribution. Related fees are recorded as administrative expenses and are expensed when they are incurred. The interest rates on outstanding notes receivable at December 31, 2021 and 2020 ranged from 3.25% - 6.50%.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of accounting:

The financial statements are prepared on the accrual method of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

[2] Investment valuation and income recognition:

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note H for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

[3] Use of estimates:

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that may affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

[4] Payment of benefits:

Benefits are recorded when paid.

[5] Administrative expenses:

Substantially all administrative expenses of the Plan are paid by the Company, with the exception of certain processing fees, which are deducted from the participant's account, and some investment management fees. The expenses paid by the Company are not reflected in these statements.

[6] Excess deferrals:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability and as a reduction to participant contributions.

[7] Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants' accounts shall become fully vested and distributed in accordance with the provisions of the Plan.

Notes to Financial Statements December 31, 2021 and 2020

NOTE C - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan, has certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021 and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2021.

NOTE D - DIFFERENCES BETWEEN FINANCIAL STATEMENTS AND FORM 5500

The Plan files its Form 5500 on a cash basis and maintains its financial statements on an accrual basis in accordance with generally accepted accounting principles and the rules and regulations of the DOL.

The following is a reconciliation of the net assets available for benefits per the accompanying financial statements to Form 5500:

	December 31,	
	2021	2020
Net assets available for benefits per the financial statements	\$188,205,462	\$164,292,851
Add:		
Excess deferrals	233,970	227,101
Subtract:		
Contributions receivable from participants	(533,702)	(415,202)
Contributions receivable from employer	(253,202)	(194,858)
Net assets available for benefits per Form 5500	<u>\$187,642,528</u>	<u>\$ 163,909,892</u>

The following is a reconciliation of the net increase in net assets available for benefits per the accompanying financial statements to Form 5500 for the year ended December 31, 2021:

Net increase per the financial statements	\$23,735,154
Add:	
Change in excess deferrals	(3,131)
Change in contributions receivable participants	(118,500)
Change in contributions receivable employer	<u>(58,344)</u>
Net increase per Form 5500	<u>\$23,555,179</u>

Excess deferrals relating to the 2021 and 2020 Plan years were returned to the Plan participants subsequent to December 31, 2021 and 2020, respectively, whereas, contributions receivable are omitted from Form 5500 for contributions that have been processed and approved for submission to the Plan prior to December 31, 2021 but not yet received.

1-800-FLOWERS TEAM SERVICES, INC. PROTOTYPE 401(k) PROFIT-SHARING PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE E - TAX STATUS

The underlying volume submitter plan, sponsored by FMR LLC received an opinion letter from the IRS dated June 30, 2020, stating that the written form of the underlying volume submitter document is qualified under Section 401(a) of the Internal Revenue Code (the "Code"). Any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The Plan has been amended since receiving this letter. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2021 may not necessarily be indicative of amounts that could be realized in a current market exchange.

The extent of the impact of the coronavirus ("COVID-19") outbreak on the financial performance of the Plan's investments will depend on future developments, including the duration and spread of the outbreak and related advisories and restrictions and the impact of COVID-19 on the financial markets and the overall economy, all of which are highly uncertain and cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the Plan's investment results may be materially adversely affected.

COVID-19 poses risks to the Company as well, given that such public health epidemics, if sustained, could impact Company employees, customers, supply chain and production in affected regions. Additionally, a prolonged widespread epidemic could adversely impact global economies and financial markets resulting in an economic downturn that may impact demand for the Company's products. Such impacts could adversely affect Company profitability, cash flows, financial results, and the ability to make required Plan contributions. At this point, the extent to which the coronavirus may impact the Company's financial results is uncertain.

NOTE G - RELATED-PARTY TRANSACTIONS

Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan allows for notes receivable from participants which also qualify as party-in-interest transactions.

1-800-FLOWERS TEAM SERVICES, INC. PROTOTYPE 401(k) PROFIT-SHARING PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE G - RELATED-PARTY TRANSACTIONS (CONTINUED)

In addition, the trustee provides certain administrative services to the Plan and receives revenue from mutual fund providers for services the trustee provides to the funds. This revenue is used to offset certain amounts owed to the trustee for its administrative services to the Plan. If the revenue received by the trustee from such mutual fund service providers exceeds the amounts owed, the trustee remits the excess to the Plan pursuant to the service agreement. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants, depending on the Plan's provisions. During 2021, approximately \$230,429 was used to reduce Plan administrative fees. As of December 31, 2021 and 2020, the nonvested account balances were approximately \$39,200 and \$126,400, respectively, which will be used to fund future administrative expenses. During 2021, the Plan recorded approximately \$143,180 of other income.

NOTE H - FAIR VALUE MEASUREMENTS

The Plan uses a fair value hierarchy that gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.
- Level 2 - Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:
 - Quoted prices for similar assets and liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in markets that are not active
 - Observable inputs other than quoted prices that are used in the valuation of the asset or liability (e.g., interest rate and yield curve quotes at commonly quoted intervals)
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means
- Level 3 - Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are considered Level 1 investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

1-800-FLOWERS TEAM SERVICES, INC. PROTOTYPE 401(k) PROFIT-SHARING PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE H - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table's present investment assets measured at fair value on a recurring basis at December 31, 2021 and 2020:

	Investment Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 173,672,845</u>			<u>\$ 173,672,845</u>
Total investments at fair value	<u>\$ 173,672,845</u>			<u>\$ 173,672,845</u>

	Investment Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 150,004,244</u>			<u>\$ 150,004,244</u>
Total investments at fair value	<u>\$ 150,004,244</u>			<u>\$ 150,004,244</u>

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the year ended December 31, 2021, there were no transfers into or out of Levels 1, 2 or 3.

NOTE I - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE

At December 31, 2021 and 2020, the Plan held an interest in Prudential Guaranteed Income Fund. The Plan entered into a benefit-responsive guaranteed investment contract with Prudential Retirement Insurance and Annuity Company ("PRIAC"). PRIAC maintains the contributions in a general account. The contract is reported at contract value. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by PRIAC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

1-800-FLOWERS TEAM SERVICES, INC. PROTOTYPE 401(k) PROFIT-SHARING PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE I - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE (CONTINUED)

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.5 percent. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Code or the failure of the trust to be tax-exempt under Section 501(a) of the Code;
2. Premature termination of the contracts;
3. Plan termination or merger;
4. Changes to the Plan's prohibition on competing investment options; or
5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants. In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines;
2. A breach of material obligation under the contract;
3. A material misrepresentation; or
4. A material amendment to the agreements without the consent of the issuer.

NOTE J - MUTUAL FUND FEES

Certain investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees are used to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

NOTE K - SUBSEQUENT EVENTS

The Plan administrator has evaluated subsequent events through October 5, 2022, the date the financial statements were available to be issued.
