We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Cedar Valley Bankshares, Ltd. Profit Sharing and 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cedar Valley Bankshares, Ltd. Profit Sharing and 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cedar Valley Bankshares, Ltd. Profit Sharing and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cedar Valley Bankshares, Ltd. Profit Sharing and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedule H, line 4i-schedule of assets held at end of year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditor's Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of Cedar Valley Bankshares, Ltd. Profit Sharing and 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 18, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## CEDAR VALLEY BANKSHARES, LTD. PROFIT SHARING AND 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

---

#### 1. PLAN DESCRIPTION

The following brief description of the Cedar Valley Bankshares, Ltd. Profit Sharing and 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

The Plan is a defined contribution plan sponsored by Cedar Valley Bankshares, Ltd. and its wholly-owned subsidiary First Security Bank and Trust Company, Charles City, Iowa (collectively, the “Company”).

An employee is eligible to participate on the first day of the plan quarter following the attainment of age 20. In order to be eligible for the employer matching contribution and profit sharing contribution, the employee must complete 1,000 hours and one year of service.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and the Internal Revenue Code of 1986, as amended.

401(k) Contributions - Participants are allowed to contribute an amount up to 80% of their annual compensation for the Plan year. The Company contributes a matching contribution equal to 50% of the participant’s contributions to the Plan up to 8% of the employee's eligible compensation. The Plan allows participants to designate contributions as Roth 401(k) contributions.

Effective January 1, 2020, the Plan was amended to add an automatic deferral contribution arrangement whereby newly eligible employees hired after January 1, 2020 are automatically enrolled in the Plan at a rate of 3% of the employee’s eligible compensation, unless the employee elects a different deferral percentage. Such contributions are directed by the Goal Manager Target Date Funds based on the employee’s date of birth and when the Plan’s normal retirement date will be reached unless another election is made by the employee. Additionally, an automatic deferral contribution increase provision was added providing for an automatic 1% increase in employee deferral contributions for automatically enrolled employees every first payroll period of January, up to 8%, unless another election is made by the employee.

Profit Sharing Contribution - For each Plan year, the Company may, at its sole discretion, contribute an additional amount to the Plan that is allocated to the participants based upon an individual's eligible compensation compared to total eligible compensation for all participating employees.

Rollover Contributions - Participants may rollover account balances from other qualified plans.

Investment Options and Participant Accounts - Participants select the investment direction of their account balance among various investment options including a self-directed option which allows participants to invest their account balance among an unlimited choice of investments. Participants may change their investment options daily.

Each participant's account is credited with the participant's contribution, the Company's contribution, allocations of the Plan's earnings and charged with an allocation of administrative expenses.

Vesting - Participants are 100% vested in their contribution plus actual earnings thereon. Vesting in the Company contributions portion of their accounts is based upon years of service. A participant is 100% vested after six years of service.

Payment of Benefits - Upon termination of service, benefits are paid to the participant or their beneficiary as a lump sum payment. Included in net assets available for benefits as of December 31, 2021 and 2020 are vested amounts allocated to participants who have terminated of \$1,650,239 and \$4,573,229, respectively.

A terminated participant with a balance less than \$1,000 may be automatically paid out by the Plan upon termination. Any terminated participants with a balance between \$1,000 and \$5,000 can still be automatically paid out if their balance is rolled into a qualified Individual Retirement Account. Distributions may be made at the participant's election prior to termination upon attainment of age 59 ½ or hardship as defined in the Plan document.

Forfeited Accounts - Under the terms of the Plan agreement, forfeitures are used to reduce Company contributions. In the years ended December 31, 2021 and 2020, employer contributions were reduced by \$7,000 and \$4,450, respectively, from forfeited nonvested account balances.

Plan Termination - Although they have not expressed any intention to do so, the Company may discontinue the Plan at any time in accordance with the provisions of the Plan and ERISA. In the event of termination of the Plan, the participants would become fully vested in their account balances.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the plan are maintained on the accrual basis of accounting.

Investments - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

Expenses - Administrative costs of the Plan are generally paid by the Company with certain expenses paid by Plan participants, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net asset available for benefits. In addition, certain investment related expenses are included in net appreciation or depreciation in fair value of investments presented in the accompanying statement of changes in net assets available for benefits. These transactions are exempt party-in-interest transactions under ERISA. The Company provides management services to the Plan. No fees are charged to the Plan for these services.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Payments of Benefits – Benefit payments to participants are recorded upon distribution.

### 3. INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including valuation of investments at December 31, 2021 and 2020, and net appreciation or depreciation in fair value of investments and interest and dividends for the years then ended, was obtained, or derived from information supplied to the plan administrator and certified as complete and accurate by Bank of America, N.A., the trustee.

### 4. FAIR VALUE MEASUREMENTS

Investments are grouped at fair value in three levels, based on the markets in which the investments are traded, and the reliability of the assumptions used to determine fair value. These levels are:

- Level 1 - valuation is based upon quoted prices for identical instruments traded in active markets.
- Level 2 - valuation is based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market.
- Level 3 - valuation is generated from model-based techniques that use significant assumptions not observable in the market. These unobservable assumptions reflect Plan estimates of assumptions that market participants would use in pricing the asset or liability. Valuation techniques include use of option pricing models, discounted cash flow models and similar techniques.

The following is a description of the valuation methodologies used for assets measured at fair value:

Common/Collective Trust Fund - Valued at fair value based on the net asset value (NAV) of observable market prices of the underlying assets within that account less liabilities. The NAV for the underlying assets of the fund is a readily determinable measure of their fair value and is the basis used by the fund for current transactions.

Mutual Funds - Valued at fair value based upon the quoted NAV of shares held by the Plan at year-end. The mutual funds held by the Plan are deemed to be actively traded.

The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees, and other third parties.

The following presents the balance of investments measured at fair value on a recurring basis as of December 31, 2021 and 2020.

| <u>December 31, 2021</u>     | <u>Level 1</u>      | <u>Level 2</u>   | <u>Level 3</u> | <u>Total</u>        |

| Total                        | <u>\$16,669,011</u> | <u>\$479,913</u> | <u>\$ -</u>    | <u>\$17,148,924</u> |

5. INCOME TAX STATUS

The Company adopted a Prototype Non-standardized Code section 401(k) Profit Sharing Plan which received a favorable opinion letter from the Internal Revenue Service in March 2014, which stated that the form of the Plan was designed in accordance with applicable sections of the Internal Revenue Code. The plan has been amended since receiving this opinion letter; however, the plan administrator assesses the Plan's income tax status based on evaluation of the facts, circumstances, and information available and believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. RISK AND UNCERTAINTIES

The Plan's investments are exposed to various risks, such as interest rate, credit and market risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service or for nondiscrimination provisions are recorded as a liability with a corresponding reduction to contributions. The amount of excess contributions was \$9,834 and \$25,429 as of December 31, 2021 and 2020, respectively.

8. PLAN AMENDMENTS

As required by the Bipartisan Budget Act of 2018 and final regulations relating to hardship distributions, the Plan was amended to require participants to represent they have insufficient cash or liquid assets available to satisfy their financial needs as a condition for obtaining a hardship distribution.

Under provision of the Coronavirus Aid, Relief and Economic Security Act, the Company allowed participants to request penalty-free in-service withdrawals of up to \$100,000 during 2020 and through June 25, 2021, for qualifying coronavirus-related reasons. The distributions may be repaid to the Plan within three years after the date the distributions was received.

## 9. SUBSEQUENT EVENTS

Effective June 30, 2022, the Plan was amended and restated to comply with recent legislative and regulatory changes and the IRS' Cycle 3 restatement requirements of the 2017 Cumulative List (Notice 2017-37), allow for loans to participants, allow for partial withdrawals and installment distributions, and allow for in-plan Roth rollover contributions and transfers.

The Company has evaluated subsequent events through September 22, 2022, the date which the financial statements were available to be issued.
