Independent Auditors' Report

Plan Administrator
Gulfeagle Supply 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of Gulfeagle Supply 401(k) Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by (See Note 1) and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GULFEAGLE SUPPLY 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(1) Description of the Plan

The following description of the Gulfeagle Supply 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

(a) General

The Plan is a single-employer defined contribution plan covering all employees of Gulfside Supply, Inc. dba Gulfeagle Supply (the “Company” or “Plan Sponsor”), who have completed one year of service with 1,000 hours and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan has adopted certain provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001 (“EGTRRA”).

The Plan operated under a trustee agreement with SunTrust Bank, now Truist, (the “Trustee”) through February 12, 2021. Great-West Trust Company was appointed the plan’s trustee effective February 12, 2021 through the trustee agreement and administrative services agreement.

Effective November 2018, the Plan was amended and restated to include employees acquired with the acquisition of Kimal Lumber.

Effective April 2019, the Plan was amended and restated to include employees acquired with the acquisitions of Square Deal Building Supply of Almont, Square Deal Building Supply of Ludington, Ciraulo Brothers Building d/b/a Square Deal Building Supply, and Square Deal Building Supply of Grand Rapids.

(b) Contributions

Participants may contribute amounts to their accounts up to the maximum allowed under Internal Revenue Code (“IRC”) section 402(g). For the year ending December 31, 2021, the maximum allowed was \$19,500. The Plan also provides for “catch-up” contributions subject to Internal Revenue Service (“IRS”) limitations. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers).

Newly eligible participants of the Plan are automatically enrolled with a default deferral percentage equal to 3% of eligible compensation, as defined by the plan document, and their contributions are invested in a target date fund until changed by the participant.

The Company may make a discretionary matching contribution to each eligible participant up to a maximum of 6% of eligible compensation. During 2021, the Company elected to make discretionary matching contributions equal to 25% of the first 6% of earnings contributed by the participant. Total discretionary matching contributions were approximately \$512,000 which is net of approximately \$36,000 of forfeitures which were used to reduce employer matching contributions for the year ended December 31, 2021. The Plan allows the Company to make discretionary profit sharing contributions in accordance with provisions that are defined in the plan document. The Company did not make any discretionary profit sharing contributions or other non-elective contributions for the year ended December 31, 2021.

(1) Description of the Plan - Continued

(c) Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions from other qualified retirement plans, allocations of the Company's discretionary matching, profit sharing and non-elective contributions and plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching, profit sharing, and non-elective contributions are based on a six year graded vesting schedule. Participants become vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

(e) Investment Options

Upon enrollment in the Plan, a participant may direct their contributions and the employer contributions in any of the available funds as offered. The Plan currently offers mutual funds, interest-bearing cash, private real estate fund, and guaranteed accounts.

(f) Administrative Expenses

The administrative expenses of the Plan are shared by the Plan and the Company. Certain expenses of the Plan are paid by the Company and are not included in the statement of changes in net assets available for benefits.

(g) Payment of Benefits

In the event of termination of employment with the Company, normal retirement age, attainment of age 65, death, or disability, a participant shall be entitled to benefits equal in value to the participant's account. Benefit payments are recorded when paid.

GULFEAGLE SUPPLY 401(K) PROFIT SHARING PLAN

(1) Description of the Plan - Continued

(g) Payment of Benefits - Continued

The Plan also has a hardship withdrawal provision which allows active participants, meeting specified requirements, to take a distribution from their vested account balance that does not exceed an amount that satisfies their immediate financial need plus any related taxes.

As a result of the Bipartisan Budget Act of 2018, effective January 1, 2019, the requirement to exhaust loan distributions prior to receiving a hardship distribution was removed from the Plan. Additionally, participants are no longer suspended from making contributions to the Plan or from receiving Company matching contributions as a result of a hardship withdrawal.

Benefit payments are recorded when paid.

(h) Participant Loans

Participants may borrow from their vested account balance, subject to limitations. Loan amounts must be at least \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at prime rate plus 1% (4.25% to 6.50% for outstanding loans at December 31, 2021). Principal and interest are paid ratably through payroll deductions. All loans shall be repaid within five years, unless the loan qualifies as a home loan in which the loan term shall not exceed fifteen years for the purchase of a primary residence.

Related fees are recorded as administrative expenses and are expensed when they are incurred.

(i) Forfeitures

Forfeitures from the Plan may be used to pay plan expenses, reduce future employer contributions or reduce any other non-elective contribution. Forfeitures available were approximately \$121,000 and \$80,000 at December 31, 2021 and 2020, respectively. For the year ended December 31, 2021, the Company used approximately \$36,000 of forfeited non-vested account balances to offset employer contributions.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for benefits and changes in net assets available for benefits in accordance with accounting principles generally accepted in the United States of America.

GULFEAGLE SUPPLY 401(K) PROFIT SHARING PLAN

Notes to Financial Statements - Continued

(2) Summary of Significant Accounting Policies - Continued

(b) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

(c) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

(d) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

(3) Information Prepared and Certified by the Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, SunTrust Bank (Now Truist) ("SunTrust"), the Plan's trustee as of December 31, 2020 and for the period of January 1, 2021 through February 12, 2021 (date of resignation) and Great-West Trust Company and Great-West Life Annuity & Insurance Company ("Great-West"), the Plan's trustee as of December 31, 2021 and for the period February 12, 2021 through December 31, 2021, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments:

- Investments, at fair value, excluding the American Equity Life Insurance Contract
- Notes receivable from participants
- Net appreciation in fair value of investments
- Investment income - interest and dividends, excluding \$9,337 interest earned from the American Equity Life Insurance Contract
- Interest on notes receivable from participants
- Schedule of assets (held at end of year)

(3) Information Prepared and Certified by the Trustee - Continued

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in these financial statements and supplemental schedule.

(4) Fair Value Measurements

Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- (a) Quoted prices for similar assets or liabilities in active markets;
- (b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- (c) Inputs other than quoted prices that are observable for the asset or liability;
- (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds

Mutual funds held by the Plan are valued based on quoted market prices in active markets, which represent the net asset value ("NAV") of the units or shares held by the Plan at year end and are classified as Level 1 investments.

GULFEAGLE SUPPLY 401(K) PROFIT SHARING PLAN

Notes to Financial Statements - Continued

(4) Fair Value Measurements - Continued

Interest-Bearing Cash

The fair value of interest bearing cash is based on amortized cost or original cost plus accrued interest and is classified as a Level 1 investment.

Guaranteed Account

Valued at fair value based on contract value less surrender value charges. The guaranteed interest account promises contract value for a benefit event (death); however, there is a possible market value adjustment when funds are withdrawn prior to maturity. Therefore, the guaranteed interest account is not considered benefit-responsive and is valued at estimated fair value as determined by American Equity Investment Life Insurance Company. The crediting interest rates ranged from 1.15% to 7.0% for the year ended December 31, 2021. Valued based on contract value less surrender value charges, which approximates the fair value.

The above methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values.

As of December 31, 2021, the Plan's investments measured at fair value on a recurring basis were as follows:

<u>Description</u>	<u>Assets Measured at Fair Value at December 31, 2021</u>	<u>Fair Value Measurements at December 31, 2021 Using</u>		
		<u>Observable Inputs (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Mutual funds	\$ 46,741,803	46,741,803	-	-
Interest-bearing cash	20,542	20,542	-	-
Guaranteed accounts	608,056	-	608,056	-

(4) Fair Value Measurements - Continued

Guaranteed Account - Continued

As of December 31, 2020, the Plan's investments measured at fair value on a recurring basis were as follows:

Description	Assets Measured at Fair Value at December 31, 2020	Fair Value Measurements at December 31, 2020 Using		
		Observable Inputs (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 39,989,286	39,989,286	-	-
Interest-bearing cash	3,148,854	3,148,854	-	-
Guaranteed account	186,733	-	186,733	-
Investments at fair value	43,324,873	43,138,140	186,733	-
Investments measured at NAV practical expedient	1,492,738 (a)			
	\$ 44,817,611			

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(5) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(6) Transactions with Parties-in-Interest

During the year ended December 31, 2021, the Plan paid approximately \$28,000 to SunTrust and Great-West for services provided to the Plan. Notes receivable from participants and interest bearing cash accounts are managed by SunTrust and Great-West. These transactions qualify as party-in-interest transactions, however are expressly exempted from the prohibited transaction rules.

(7) Risks and Uncertainties

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

GULFEAGLE SUPPLY 401(K) PROFIT SHARING PLAN

Notes to Financial Statements - Continued

(8) Income Tax Status

The prototype plan adopted by the Plan received an opinion letter from the IRS dated March 31, 2014, stating that the prototype plan, as then designed, is qualified under the IRC, and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. Subsequent to this determination by the IRS, the prototype plan has been amended. The plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(9) Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through September 30, 2022, the date the financial statements were available to be issued.
