Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the America's Preferred Home Warranty, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. Because our audits were performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and because of the significance of the information that was certified by Capital Bank and Trust Company that was not audited by us, we are unable to express an opinion on the financial statements as a whole. Accordingly, we do not express an opinion on the 2021 and 2020 financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the America's Preferred Home Warranty, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the America's Preferred Home Warranty, Inc. 401(k) Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the America's Preferred Home Warranty, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

America's Preferred Home Warranty, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note A - Description of Plan

The following description of the America's Preferred Home Warranty, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

General

Adopted January 1, 2019 and restated on September 30, 2021, the Plan is a defined contribution profit-sharing plan with a 401(k) feature allowing eligible employees to make tax deferred and/or ROTH contributions to the Plan. The Plan covers all employees of America's Preferred Home Warranty, Inc. (the "Company") and "related employers" noted below who have 60 days of service and are age 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was established under Section 401(k) of the Internal Revenue Code. Participants are allowed to self-direct their individual investment accounts.

Effective July 1, 2019 and November 1, 2021, the Plan was amended to identify America's Preferred Service Contract Administration, Inc. and America's Preferred Structural Warranty, Inc., respectively, as a "related employers". All employees of the related employers are eligible to participate in the Plan under the same eligibility rules. The Company and the related employers are commonly owned.

The IRS has determined and informed the Plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the required trust is tax-exempt.

Plan Administration

Plan administration is provided by the Company, which has delegated responsibility for the custodial function to Capital Bank and Trust Company (the "Custodian").

Employer Safe Harbor Matching Contribution

The Company makes a safe harbor matching contributions of 100% of salary deferrals up to the first 3% of the Plan compensation, plus 50% of salary deferrals up to an additional 2% of Plan compensation.

See independent auditors' report

Notes to Financial Statements

December 31, 2021 and 2020

Note A - Description of Plan - Continued

Participant Accounts

Employees can elect to enroll in the Plan when they are eligible to participate. They are not automatically enrolled. Participants may elect to contribute, on a pre- or post-tax basis, up to 92% of compensation (as defined by the Plan) for any Plan Year, subject to an annual statutory maximum. Participants may also contribute amounts representing rollovers from other qualified defined benefit or defined contribution plans. Contributions are subject to certain limitations established by the Internal Revenue Service.

Each participant's account is credited with (a) the employee tax deferred and/or ROTH contribution, (b) safe harbor matching contributions, if any, and (c) the participant's account earnings.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's accounts. The total employee tax deferred, ROTH, and rollover contributions for the years ended December 31, 2021 and 2020 were \$1,096,051 and \$776,365 respectively.

Vesting

All participants are immediately 100% vested in their contributions, Company safe harbor contributions, plus the actual earnings thereon.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and any discretionary employer contributions to any of the available investment options. Participants may change their investment selections in any combination of funds and transfer between funds on a daily basis. Participants may also change their deferral percentages through the Company and may stop contributing to the Plan at any time.

Distributions

Distributions from the Plan are allowed upon retirement, disability, death, attainment of age 59 ½, termination of employment in accordance with the Plan document, or hardship. A hardship withdrawal must meet IRS requirements as specified in the Plan documents.

See independent auditors' report

America's Preferred Home Warranty, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note A - Description of Plan - Continued

Distributions from the Plan can be paid in one or more of the following methods:

- 1) One lump-sum payment in cash;
- 2) Payments over a certain period in monthly, quarterly, semi-annual or annual cash installments.

Loans

Loans to participants from their accounts are permitted under the Plan, but normally may not exceed the lesser of 50% of the present value of the participant's vested balance under the Plan or \$50,000. However, under the provisions of the CARES Act, loans were temporarily allowed up to 100% of the present value of the participant's vested balance or \$100,000. The increased loan provisions of the CARES Act are applicable for loans made between March 27, 2020 and September 22, 2020. Interest is charged monthly at market rates over reasonable amortization periods as provided for under the Plan.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments

The Plan's investments in mutual funds are stated at fair value based on quoted market prices. In accordance with the policy of stating investments at fair value, the Plan presents, in the statement of changes in net assets available for benefits, the net appreciation or depreciation in the fair value of investments. This consists of the realized gains and losses and the unrealized appreciation and depreciation on those investments.

Notes Receivable from Participants

Following the guidance of Financial Accounting Standards Board (FASB) ASC 962-310-45-2, participant loans as of December 31, 2021 and 2020 are identified as "Notes Receivable from Participants" on the Statement of Net Assets Available for Benefits and recorded at their unpaid principal balances plus any accrued but unpaid interest. There were \$115,351 and \$104,966 in participant loans as of December 31, 2021 and 2020, respectively.

America's Preferred Home Warranty, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note B - Summary of Significant Accounting Policies - Continued

Expenses

Administrative expenses incurred within the Plan for the year ended December 31, 2021 and 2020 totaled \$6,952 and \$3,925, respectively, and consisted of loan set-up and account maintenance fees.

Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various mutual fund investment options. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note C - Termination of the Plan

While the Employer has not expressed any intent to discontinue the Plan, it has the right at any time to terminate the Plan in whole or in part. In the event the Employer discontinues the Plan, the net assets of the Plan will be allocated among the participants and beneficiaries of the Plan in accordance with the terms set forth in the Plan agreement.

Note D - Audit Procedures Regarding Investments

Under Statement on Auditing Standards (SAS) No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans*, the Plan qualifies for a Department of Labor (DOL) ERISA Section 103(a)(3)(C) audit for the years ended December 31, 2021 and 2020. Under this standard certain investments held and certified by a qualified institution can be excluded from audit. Plan management elected early adoption of the Section 103(a)(3)(C) audit provisions for the year ended December 31, 2020.

Note D - Audit Procedures Regarding Investments - Continued

As a result of these qualifications, audit procedures in relation to investments certified by the Custodian are significantly reduced as compared to a full-scope audit.

Note E - Parties-in-Interest Transactions

The Company (as the "Plan sponsor"), the participants, Capital Bank and Trust Company (the "Custodian"), American Funds (investments), and TDM Retirement Plan Services, LLC, Insignia Financial Company, Puckett, Clement and Schellenberg, P.C., and Paychex (as service providers to the Plan) have all been identified as parties-in-interest. The Plan's mutual fund investments are managed by the Custodian. Therefore, expenses paid by the Company related to the administration of the Plan, transactions with participants and investment transactions executed and held by the Custodian qualify as party-in-interest transactions, but are not prohibited transactions.

Note F - Income Tax Status

The Trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and accordingly, the Trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service and the Plan sponsor believes that the Plan continues to qualify and to operate as designed.

Note G - Investments

The following participant-directed investments represent 5% or more of the net assets available for benefits at December 31, 2021 and 2020:

Note G - Investments - Continued

Due to the nature of the Plan's investments, significant fluctuations in the stock market, interest rates, etc. can impact the value of the Plan's assets.

Note H - Information Certified by Plan Custodian (Unaudited)

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator has elected to utilize the certification of certain financial information by Capital Bank and Trust Company in compliance with the audit requirements of the Act. All investment and investment income information included below was derived from data certified by the Custodian.

The following information has been certified by the Custodian as complete and accurate:

Investments and participant notes at December 31, 2020	\$3,202,574
Investments and participant notes at December 31, 2021	\$4,734,790
Interest and dividend income for the year ended December 31, 2021	\$238,254
Net realized and unrealized appreciation in fair value of investments for the year ended December 31, 2021	\$340,020

Note I - Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note I - Fair Value Measurements - Continued

	<u>Fair Value</u>	Fair Value Measurements Using Quoted Prices in Active Markets for Identical Assets (Level 1)

Mutual Funds	\$ 4,619,439	\$ 4,619,440

	<u>Fair Value</u>	Fair Value Measurements Using Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2020		
Mutual Funds	\$ 3,097,608	\$ 3,097,608
Participant Loans	104,966	104,966
Total	<u>\$ 3,202,574</u>	<u>\$ 3,202,574</u>

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or 3 inputs were available to the Plan.

See independent auditors' report

Notes to Financial Statements

December 31, 2021 and 2020

Note I - Fair Value Measurements - Continued

Level 1 Fair Value Measurements

The fair value of mutual funds are based on quoted net asset values of the shares held by the Plan at year-end. Participant loans are valued based on the outstanding principal balance. Both are considered Level 1 inputs by the Plan.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation in fair market value of investments.

Note J - Contingency

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including the United States. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. Most states and jurisdictions in the United States have declared states of emergency and some have issued stay at home orders at various times during the pandemic. In June 2021, COVID-related restrictions were lifted in Michigan. As of the date of these financial statements, most employees at both Michigan locations are still working remotely and the Company and related employer have seen no significant decrease in revenues or employees as a result of the pandemic. Management believes it has had very little, if any impact on the Plan.

Note K - Subsequent Events

On January 1, 2022, the fidelity bond coverage was increased from \$385,000 to \$500,000.

The Plan's management has evaluated subsequent events through September 23, 2022, the date the financial statements were available for issue.
