UNIFORM ADVANTAGE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the Uniform Advantage 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility

The Plan was established on January 1, 2001, as a defined contribution plan available to eligible employees of Zier, Inc. d/b/a Uniform Advantage and its affiliated companies (the Company, Employers or Plan Sponsor). The Plan was amended on June 1, 2019, to conform to certain tax legislation. Eligible employees are full-time employees who have one year or 1,000 hours of credited service and are age of twenty-one (21) or older. Employees are credited with a year of eligibility service provided they complete 1,000 hours of service in any of the following calendar years.

ADP, Inc. (ADP) provides third-party administrative and recordkeeping services to the Plan. Reliance Trust Company, serves as the Plan's Trustee, holds the Plan's investment assets, and executes investment transactions. The Company is the Plan Administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 75% of their pre-tax annual compensation, as defined by the Plan, within the limits prescribed by the Internal Revenue Service (IRS). For the year ended December 31, 2020, individual participant contributions were limited to \$19,500. Participants who are age 50 or older before the end of the Plan year are eligible to make catch-up contributions of up to \$6,500 for the year ended December 31, 2020. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Roth deferrals are allowed under the Plan's provisions.

The Company makes a matching contribution equal to 100% of the first 6% of a participant's eligible compensation, as defined, contributed to the Plan. The Employers' matching contributions totaled \$287,324 for the year ended December 31, 2020. The Employers may also make a non-elective discretionary contribution at the option of the Company's Board of Directors. Participants are eligible to receive the Company's non-elective discretionary contributions if they are employed on the last day of the Plan year. No such non-elective matching contributions were made for the year ended December 31, 2020.

Contributions are subject to certain limitations.

Participant accounts

Each participant's account is credited with the participant's contributions and an allocation of: (a) the Employers' matching contributions and non-elective matching contributions (if any), and (b) Plan earnings or losses thereon and is charged with his or her withdrawals and administrative expenses as defined in the Plan. Allocations are based on participant earnings, deferrals, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Vesting of benefits

Participants are immediately vested in their contributions, plus actual earnings, or losses thereon. Vesting in the Employers' matching contributions (if any) portion of their account plus earnings or losses thereon is based on years of continuous service in accordance with a six-year graded vesting schedule. Vesting in the Employers' matching contributions (if any) portion of their account plus earnings or losses thereon is based on years of continuous service in accordance with a three-year cliff vesting schedule.

Participant accounts become fully vested upon reaching normal retirement age (65), becoming disabled, Plan termination, or upon death.

Note 1 – Description of Plan, Continued

Forfeitures

Forfeited nonvested accounts may be used to offset Plan administrative expenses or offset Employers' contributions to the Plan. As of December 31, 2020 and 2019 there were no forfeitures available to be utilized. For the year ended December 31, 2020, forfeitures applied to offset Employers' contributions amounted to \$32,155.

Participant notes receivable

Plan participants may borrow from their vested accounts a minimum of \$500 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. No more than one loan may be outstanding at any time. Loan terms range from one to five years unless the loan is used to acquire the principal residence of the participant. The loans are secured by the balance in a participant's account and bear a reasonable rate of interest. Principal and interest are paid through regular payroll deductions and remitted to the Trustee. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum distribution, or in monthly installments or a rollover into another qualified plan. For termination of service due to other reasons, a participant may choose to leave the vested interest in the Plan if such amounts exceed \$5,000 or elect a lump-sum distribution. Participants with vested amounts less than \$5,000 must elect a lump-sum distribution. Participants may take in-service withdrawals upon early retirement age 59½, normal retirement age 65, or for immediate and heavy financial hardship needs, as defined in the Plan document.

Administrative expenses

The Plan allows certain administrative expenses to be paid from Plan assets. Certain administrative expenses are paid by the Plan Sponsor and are not reflected in these financial statements.

CARES Act

On March 27, 2020, the Coronavirus Aid Relief and Economic Security Act (CARES Act) was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants.

Plan management implemented the following provisions under the CARES Act:

- Special CARES Act distributions up to \$100,000;
- Loan repayments suspended up to one year; and
- Temporary waiver of required minimum distributions.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

UNIFORM ADVANTAGE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's Trustee.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and changes in net assets and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and those differences may be material.

Risks and uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate risk, market risk, and credit risk. Due to the high level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in risks in the near-term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Participant notes receivable

Participant notes receivable is measured at the unpaid principal balance plus any accrued interest. Related fees are charged directly to the borrowing participant's account and included as administrative expenses when incurred. No allowance for credit losses has been recorded at December 31, 2020 and 2019. Any delinquent notes receivable from participants are recorded as distributions and the notes are collateralized by the participants' account balances.

Payment of benefits

The Plan records benefits when paid.

Plan administration

The Employers are the Plan Administrator, and as such, control and manage the operations of the Plan. The Employers bear substantially all administrative expenses of maintaining the Plan in accordance with the Plan document. Plan management has contracted with ADP, LLC., (ADP) to provide recordkeeping and third-party administrative services to the Plan. The Plan's assets are maintained by Reliance Trust Company (Trustee). The Trustee invests cash received, interest and dividend income and makes distributions to participants (subject to the direction of participants). Fees from covered service providers of the Plan are in compliance with Department of Labor's (DOL) regulations regarding ERISA Section 408(b)(2).

Plan expenses

Administrative expenses of maintaining the Plan are paid by the Employers. Certain expenses paid by the Plan consist of recordkeeping fees and loan processing fees which are charged directly to participants' accounts.

UNIFORM ADVANTAGE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Uncertain tax positions

U.S. GAAP requires the Plan to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, the Plan has determined it does not have any positions at December 31, 2020 that it would be unable to substantiate.

Note 3 – Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee certified that the following data included in the accompanying financial statements and supplemental information is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2020 and 2019;
- Net investment income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2020; and
- Investment information included in the footnotes and supplemental information, schedule of assets (held at end of year) as of December 31, 2020.

The Plan's independent auditors did not perform any auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental information.

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in applicable methodologies used at December 31, 2020 and 2019. There were no transfers of financial instruments into or out of Level 3 for the year ended December 31, 2020.

UNIFORM ADVANTAGE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 4 – Fair Value Measurements, Continued

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds – valued at quoted market prices, which represent their daily net asset value (NAV) reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are traded on national exchanges (active markets).

Collective investment trusts – measured at fair value based on the calculated NAV per share (or its equivalent) practical expedient and has not been classified in the fair value hierarchy. NAV is determined by the respective collective investment trust fund manager based on the fair value of the underlying investments held at the end of the Plan year. The practical expedient would not be used if it were determined to be probable that the trust would sell its underlying investments for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily at NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis consist of the following types of instruments as of December 31, 2020 and 2019:

Fair Value Measurements as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,192,771	\$ -	\$ -	\$ 7,192,771
Collective investment trusts*	-	-	-	3,469,486
Investments, at fair value	<u>\$ 7,192,771</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,662,257</u>
Fair Value Measurements as of December 31, 2019

Mutual funds	\$ 5,875,780	\$ -	\$ -	\$ 5,875,780

Investments, at fair value	<u>\$ 5,875,080</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,741,342</u>

* In accordance with subtopic 820-10, certain investments that were measured at NAV (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to line items presented in the statements of net assets available for benefits.

Note 5 – Fair Value of Investments in Entities that use NAV

The following table summarizes the collective investment trusts measured at fair value using the NAV per share practical expedient as of December 31:

Note 6 – Fidelity Bond

The Plan has complied with the fidelity bonding requirements of ERISA.

Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Employers have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the Employers' contribution portion of their account balances.

Note 8 – Tax Status

On July 8, 2014, the IRS stated that the prototype non-standardized profit-sharing plan with CODA adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC) and, therefore, the related trust is tax-exempt. The Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator and the Plan's tax counsel believe that the Plan and related trust are being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2017.

Note 9 – Party-In-Interest Transactions

Parties-in-interest are defined under the DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employers, and certain others. The Plan's investments are maintained by Reliance Trust Company which serves as the Plan's Trustee and, therefore, these transactions qualify as party-in-interest transactions. ADP Retirement Services is the Plan's record keeper and provides services for investment services, participant information and record keeping services and, therefore, these transactions qualify as party-in-interest transactions.

Certain administrative functions are performed by officers and employees of the Plan Sponsor. No officer or employee receives compensation from the Plan for these services.

UNIFORM ADVANTAGE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 9 – Party-In-Interest Transactions, Continued

Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments, which were not covered by revenue sharing. The Plan also made direct payments to service providers which were not covered by revenue sharing.

Note 10 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the statements of net assets available for benefits and changes in net assets available for benefits as shown on Form 5500 at December 31, 2020 and 2019 and for the year ended December 31, 2020 with the amounts shown in the financial statements:

	2020	2019
Net assets available for benefits – Form 5500	\$ 10,811,545	\$ 8,949,685
Reconciling items:		
Refunds payable for excess contributions	(70,280)	(51,291)
Participant contributions receivable	60,936	-
Employers contributions receivable	<u>14,794</u>	<u>-</u>
Net assets available for benefits – financial statements	<u>\$ 10,816,995</u>	<u>\$ 8,898,394</u>
	2020	
Change in net assets – Form 5500	\$ 1,861,860	
Reconciling items:		
Corrective distributions	51,291	
Participant contributions	(9,344)	
Employers contributions	<u>14,794</u>	
Change in net assets – financial statements	<u>\$ 1,918,601</u>	

Note 11 - Excess Contributions Payable

Amounts payable to participants in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 and 2019 excess contributions to the applicable participants in each of the following years.

Note 12 – Significant Uncertainties

On March 11, 2020, the World Health Organization categorized Coronavirus Disease 2019 (COVID-19) as a pandemic and the President of the United States of America declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the market price of Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and the related impact on the Plan's liquidity cannot be determined at this time.

Note 13 – Subsequent Events

The Plan evaluated events occurring subsequent to December 31, 2020 through September 20, 2021, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the footnotes thereto.
