INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Saint Elizabeth Community 403(b) Retirement Plan
Warwick, Rhode Island

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Saint Elizabeth Community 403(b) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

The two firms operate as separate legal entities in an alternative practice structure. Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental Schedule H - Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Information Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees, to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. DESCRIPTION OF PLAN

The following description of the Saint Elizabeth Community 403(b) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a single-employer 403(b) retirement plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established by The Saint Elizabeth Community ("Community") on January 1, 2014, for the benefit of qualifying employees of Saint Elizabeth Home, East Greenwich ("Home"); Saint Elizabeth Development Corporation ("Development"); Saint Elizabeth Manor, East Bay ("Manor"), through Manor's sale in March 2021, at which time there was a partial plan termination; Saint Elizabeth Place, Providence d/b/a Saint Elizabeth Apartments for Seniors and Mobility-Impaired ("Place"); Saint Elizabeth Terrace, Warwick d/b/a Saint Elizabeth Apartments for Seniors ("Terrace"); Cornerstone Adult Services, Inc. d/b/a Saint Elizabeth Adult Day Centers ("Cornerstone"); St. Elizabeth Assisted Living, L.P. d/b/a St. Elizabeth Assisted Living ("Court"); and Saint Elizabeth At Home Corp. d/b/a Saint Elizabeth Home Care ("At Home Corp.") (the "Sponsors" or "Employers"). Community is a Rhode Island nonstock, nonprofit corporation which is the sole member of Home, Manor, Place, Terrace, Cornerstone and At Home Corp., and the sole shareholder of SEAL Melrose, Inc. ("SEAL"). Home is the sole member of Development and SEAL is the general partner of Court. SEAL is not a participating employer of the Plan.

In 2020, the Plan adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security Act, as amended (the "CARES Act"), however the Plan has not yet been amended for the adoption of these provisions. The CARES Act provisions that were adopted pertained to distributions and repayment of notes receivable by participants, including the following:

- (a) Participants that meet eligible CARES Act criteria could take penalty free withdrawals of up to \$100,000 from January 1, 2020 through December 30, 2020.
- (b) Participants will have the ability to repay the CARES Act distributions within three years, though repayment is not required.
- (c) Repayments of CARES Act distributions will not be subject to the annual retirement plan contribution limits.

403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Eligibility

Employees are eligible to participate in the Plan immediately upon hire and, unless otherwise elected, are automatically enrolled in the Plan.

Employees who incur a break in service (a 12-month computation period in which an employee does not complete more than 500 hours of service) and return to employment shall retain credit for their pre-break years of service for vesting and accrual purposes, subject to certain rules.

Employee contributions

Participants may elect to contribute to the Plan any dollar amount or percentage of eligible compensation, as defined in the Plan, provided such amount does not exceed the maximum amount allowed under Section 402(g) of the Internal Revenue Code ("IRC"). Participants who are at least age 50 before the end of the Plan year may make catch-up contributions equal to any whole number percentage of their eligible compensation or whole dollar amount. Participants may not contribute more than the maximum amount allowed by the IRC. Participants direct the investment of their contributions into various investments options offered by the Plan.

The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, with an automatic increase of 1% each year until year 8 where the deferral percentage remains at 10% indefinitely. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The participant's contributions are invested in a target date retirement fund, consistent with an expected retirement age of 65.

Employer contributions

Employer contributions are discretionary. An employee does not need to make elective deferrals to the Plan in order to be eligible for the Employer discretionary contribution. An employee must be at least 21 years of age and have completed at least 1,000 hours of service during the Plan year to receive a contribution, subject to certain limited exceptions for terminations.

For the year ended December 31, 2021, the Employer discretionary contribution for eligible employees was 3% of eligible compensation. Per diem employees and employees of Court were not eligible for the Employer contribution.

Participant accounts

Each participant's account is credited with the participant's contribution, allocation of Sponsors' contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participants' earnings or account balances, as defined. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account.

**SAINT ELIZABETH COMMUNITY
403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are fully vested in their voluntary contributions plus actual earnings thereon.

Participants are vested in Employer contributions and the related allocated gains and losses as follows:

<u>Number of years of service</u>	<u>Vested percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Effective February 23, 2021, the Plan was amended for participants that were terminated from employment due to the sale of an adopting employer of the Plan, or whose place of employment is no longer in operation, to allow for those participants to be 100% vested in their account balances under the Plan as a result of the partial termination of the Plan. All terminated employees from the Manor who were participants in the Plan were fully vested in their account balances at the date of the partial plan termination April 30, 2021.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 5.5%, which are commensurate with local prevailing rates as determined by the Plan administrator.

When a loan is made, the employee's account is charged, thereby reducing the balance in the employee's account, which earns income. The repayment of the loan, including interest, is credited to the specific employee account as received (i.e., the interest paid on the loan is also credited to the account of the individual borrower). Only one loan can be outstanding at any time.

If a participant fails to make a payment when the loan is due under the terms of the loan, that participant will be in default. In the event of default, the loan shall become due and payable immediately, and interest will continue to accrue until the entire loan balance is repaid. The Plan will take all reasonable actions to collect the balance owed on the loan. Under certain circumstances, the loan in default could be considered a distribution from the Plan and could be considered income to the participant. In any event, failure to repay a loan will reduce the benefit a participant would otherwise be entitled to receive from the Plan.

**SAINT ELIZABETH COMMUNITY
403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Notes receivable from participants (continued)

Effective February 15, 2021, the Plan was amended to only allow loans to be made from elective deferral or rollover accounts. Additionally, as part of the amendment, repayment of loans is expanded to allow alternative methods of repayment besides payroll deductions.

Payment of benefits

Upon termination of employment by reason of normal or early retirement (as defined by the Plan), death or disability, participants will be entitled to 100% of the amounts credited to their accounts. Upon termination of employment for other than normal or early retirement, death or disability, participants will be entitled to the vested amounts credited to their accounts. Benefits are payable in a lump-sum amount or in equal installments over a period of not more than their individual life expectancy. Participants who have attained age 59 1/2 may make in-service withdrawals from any source that the participant is 100% vested in. Hardship withdrawals are permitted from elective deferral sources.

Forfeited accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$35,861 and \$20,784, respectively. Forfeitures of nonvested Employer contributions may be used to reduce future Employer contributions or to reduce administrative costs of the Plan. In 2021, \$35,861 of forfeitures was used to reduce the Employer discretionary contribution.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements were prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

**SAINT ELIZABETH COMMUNITY
403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment valuation and income recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in fair value includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan payments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded based upon the terms of the Plan document.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of benefit payments and other professional fees are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses charged directly to participants are included in "Net appreciation in fair value of investments."

Subsequent events

The Plan administrator has evaluated subsequent events through September 27, 2022, the date on which these financial statements were available to be issued, and has determined that, there are no subsequent events that require disclosure under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 855 *Subsequent Events*.

NOTE 3. FAIR VALUE MEASUREMENTS

U.S. GAAP defines fair value and established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy are described as follows:

- | | |
|---------|--|
| Level 1 | Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. |
|---------|--|

**SAINT ELIZABETH COMMUNITY
403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Unobservable inputs based on the Plan's assessment of the assumptions that market participants would use in pricing the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value and which are included in the fair value hierarchy. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

Assets measured at fair value are based on one or more of the following valuation techniques:

- (a) *Market approach:* Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities;
- (b) *Cost approach:* Amount that would be required to replace the service capacity of an asset (replacement cost); and
- (c) *Income approach:* Techniques to convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing and excess earnings models).

The following tables set forth by level, within the fair value hierarchy, summarize the Plan's assets measured at fair value on a recurring basis as of December 31, 2021 and 2020:

NOTE 4. INFORMATION CERTIFIED BY PLAN CUSTODIANS

The following tables summarize information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Great-West Life & Annuity Insurance Company and Great-West Trust Company LLC ("Empower") and Reliance Trust Company ("Reliance"), custodians of the Plan, without audit, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the custodians that such information is complete and accurate.

NOTE 5. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

In January 2014, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Empower, formerly known as MassMutual, who maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants would limit the ability of the Plan to transact at contract value. As a result of the partial plan termination (Note 1) there was no limit on the Plan's ability to transact at contract value.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7. PLAN TERMINATION

Although they have not expressed any intent to do so, the Sponsors have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

As a result of the sale of Manor (Note 1), the Plan experienced a partial plan termination as defined by ERISA.

NOTE 8. TAX STATUS

The Plan has adopted a volume submitter plan ("VSP") which received an opinion letter from the Internal Revenue Service ("IRS") dated May 1, 2015, stating that the volume submitter plan is designed in accordance with the applicable sections of the IRC.

Although the VSP has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore, believe the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods in progress.

NOTE 9. PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions are performed by officers or employees of the Sponsors. No such officer or employee receives compensation from the Plan.

Certain Plan investments are managed by Empower; accordingly, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also party-in-interest transactions.

NOTE 10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Schedule H Part I and II of Form 5500 are in substantial agreement with the statements of net assets available for benefits as of December 31, 2021 and 2020, and the statement of changes in net assets available for benefits for the year ended December 31, 2021, and there are no reconciling items.
