INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
USA Hockey, Inc. 403(b) Plan
Colorado Springs, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of USA Hockey 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified

investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

USA Hockey, Inc. 403(b) Plan
Notes to Financial Statements
For the Year Ended December 31, 2021

A. DESCRIPTION OF PLAN

The following description of the USA Hockey, Inc. 403(b) Plan (Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions. The original Plan became effective on September 1, 1994 (amended May 1, 2003). A new Plan Document was adopted and became effective as of August 1, 2015, when the Plan assets were transferred to the current Custodian and Recordkeeper. The new Plan Document was updated for clarified language in March 2017. Also, in February 2019, the Plan Document was restated to remove certain class exclusions.

General

The Plan is a defined contribution plan covering all full-time employees of USA Hockey, Inc. (Plan Sponsor) and its subsidiaries. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to \$19,500 of pretax annual compensation for the year ended December 31, 2021, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts that represent distributions from other qualified defined benefit or contribution plans. The investments are participant directed. USA Hockey, Inc. makes matching contributions equal to 100% of the first 4% of compensation that a participant contributes to the Plan after the participant has been employed for six months. Additional discretionary profit-sharing amounts may be contributed at the option of USA Hockey, Inc.'s Board of Directors to participants who have been employed for one year.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the employer's contribution, (b) Plan earnings, and (c) forfeited amounts from separated non-vested participants and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which

USA Hockey, Inc. 403(b) Plan
Notes to Financial Statements
December 31, 2021

a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested in USA Hockey, Inc.'s matching and discretionary contributions plus actual earnings according to the following schedule:

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
1	0%
2	50%
3	100%

Vesting in the USA Hockey, Inc. portion of their accounts is based on years of continuous service. Refer to the Plan agreement for a description of vesting rules after reinstatement of a separated employee.

Notes Receivable from Participants

Participants may borrow from their fund accounts (see Note H for restrictions). The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.50% per annum, which are commensurate with local prevailing rates as determined by the Recordkeeper. Principal and interest are paid ratably through monthly payroll deductions. Based on management's experience with loans outstanding, no allowance for doubtful accounts is considered necessary.

Forfeited Accounts

Forfeitures of non-vested account balances amounted to \$36,350 and \$24,564 for the years ended December 31, 2021 and 2020, respectively. Forfeitures are used as follows: to restore participant accounts, to offset plan expenses, to reduce future employer contributions, and/or reallocated among participants.

B. SUMMARY OF ACCOUNTING POLICIES

Accounting Basis

The accompanying financial statements are prepared on the accrual basis of accounting. Purchases and sales of investments are recorded on a trade-date basis. Dividends are

recorded on the ex-dividend date.

Benefits paid to participants are recorded when requests are received by the Plan.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Participant Loans Receivable

The participants request loan advances using the Recordkeeper's online system. The system notifies the Employer of the requests that have been approved and distributed. Funds for participant loans are deducted directly from the participant's investment balance.

The Plan's participant loans receivable are recorded at the amount expected to be collected from balances outstanding at year-end. No allowance for loan loss was recorded at December 31, 2021 and 2020. Participant loans receivable are charged off upon an employee's separation from the employer. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Participant Loan Interest Recognition

Interest received from payments on participant loans is recognized according to respective amortization schedules generated when the loan is provided.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Excess Contributions

During the year ended December 31, 2021, the Plan received \$2,656 in excess contributions. Since 2010, contributions by active participants totaling \$66,425 exceeded the maximum amounts allowed by the IRS. These employer-contributed amounts are not recorded as payable, as they have been or will be allocated to the forfeiture account.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan Sponsor and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Date of Management's Review

In preparing the financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through September 19, 2022, the date that the financial statements were available to be issued.

C. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The Plan applies Generally Accepted Accounting Principles (GAAP) for fair value measurements of financial assets that are recognized or disclosed at fair value in the financial statements on a recurring basis. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the

lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

The following tables present assets that are measured at fair value on a recurring basis at December 31, 2021 and 2020:

During the year ended December 31, 2021, the Plan's mutual funds (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$3,094,572.

D. PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan document allows USA Hockey, Inc. to amend the Plan provisions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. If the Plan is partially terminated, only the separated employees will immediately become 100% vested.

E. TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. 403(b) plans currently are not required to submit plans to the Internal Revenue Service for determination. However, the Plan Administrator believes that the Plan was designed, and is being operated, in compliance with the applicable requirements of the Internal Revenue Code. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

F. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

G. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

A certified statement was issued from State Street Bank and Trust Company (Trustee). In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income

J. PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2021 and 2020, the Plan Recordkeeper was paid \$29,655 and \$29,376, respectively, for administrative fees.

K. COVID-19 PANDEMIC

In March 2020, the World Health Organization declared a pandemic related to the fast-spreading novel strain of coronavirus. The CARES Act was enacted in March 2020. The CARES Act allowed the plan qualified participants to receive special hardship distributions from their accounts, up to \$100,000, through September 22, 2020.

Plan sponsors are not required to amend their plans to allow for such distribution. The CARES Act allow plan administrators to rely on participant's self-certification that they satisfy the conditions for the coronavirus distributions.

Also, Section 2202 of the CARES Act allowed plan sponsors to amend their plans to allow for coronavirus related loans to qualified individuals. For those plans that were amended to allow for these specific loans, the maximum loan amount available to qualified individuals for loans made from March 27, 2020, to September 22, 2020, was increased to the lesser of (1) \$100,000 (minus outstanding plan loans to the individuals) or (2) the individual's vested benefit under the plan.
