Report of Independent Auditors

Plan Committee
Le Creuset of America, Inc. 401(k) Savings Plan

Scope and Nature of the Employee Retirement Income Security Act of 1974 (“ERISA”) Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Le Creuset of America, Inc. 401(k) Savings Plan (the “Plan”), an employee benefit plan subject to ERISA, as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements (“2021 Financial Statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

Plan Committee
Le Creuset of America, Inc. 401(k) Savings Plan

Opinion on the 2021 Financial Statements (continued)

- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 Financial Statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the 2021 Financial Statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Plan Committee
Le Creuset of America, Inc. 401(k) Savings Plan

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 Financial Statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Plan Committee
Le Creuset of America, Inc. 401(k) Savings Plan

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 Financial Statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules as of December 31, 2021, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the 2021 Financial Statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 Financial Statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 Financial Statements or to the 2021 Financial Statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan Committee
Le Creuset of America, Inc. 401(k) Savings Plan

Other Matter - Supplemental Schedules Required by ERISA (continued)

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the accompany 2020 financial statements of the Plan, which comprise the statement of net assets available for plan benefits as of December 31, 2020, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 24, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2021 and 2020

1. Description of Plan

The following description of the Le Creuset of America, Inc. 401(k) Savings Plan (the “Plan”) provides only general information. Participants may refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which provides retirement benefits to certain employees of Le Creuset of America, Inc. and Schiller Stores, Inc. (together the “Company”). Employees may become participants in the Plan immediately. Employees become eligible for safe harbor matching contributions upon completion of six months of service with the Company, in which the employee completes at least 500 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Employees are automatically enrolled into the Plan upon six months of service, if not already participating, at a deferral rate of 6% of pre-tax compensation, unless they affirmatively elect not to participate, with an annual 1% deferral rate increase thereafter until a deferral rate of 10% is reached.

Plan Amendments

For the plan year ended December 31, 2020, the Plan retroactively adopted, as of January 1, 2022, the following provisions of the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act that was signed into law on March 27, 2020.

- **Coronavirus-Related Distributions (“CRDs”):** The CARES Act allows for participants affected by COVID-19 to withdraw an aggregate limit of \$100,000 from the Plan beginning on or after January 1, 2020 and before December 30, 2020. CRDs are not subject to the 10% early withdrawal penalty tax. Participants can (1) report the full distribution as income in 2020, (2) recognize the income ratably over a three-year period, or (3) repay all or part of the distribution back to the Plan tax-free within three years of the date of the CRD withdrawal. The Plan had approximately \$120,000 of CRDs in 2020.
- **Plan Loan Relief:** The CARES Act provided for a temporary loan repayment deferral. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments until 2021. The Plan had no participants defer loan payments under this provision.
- **Temporary Waiver of Required Minimum Distributions (“RMDs”):** The Plan implemented the temporary waiver of RMDs allowed for under the CARES Act. No participant requested a temporary waiver of RMDs for the plan year ended December 31, 2020.

1. Description of Plan (continued)

Contributions

Participants may contribute any percentage greater than or equal to 1% of their pre-tax compensation, as defined in the Plan. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified employee benefit plans.

The Company makes matching contributions to each participant account equal to 4% of eligible pay, not to exceed 100% of the first 2% of participant contributions and 50% of the next 4% of participant contributions of annual compensation. In addition to the contributions described above the Company may make additional Qualified Nonelective Contributions, as defined in the Plan, for the benefit of the Participants determined at the discretion of the Company. The Company has the option to make discretionary profit sharing contributions to participants, no profit sharing contributions have been made for the years ended December 31, 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions, and Plan earnings or losses, and charged with an allocation of any administrative expenses paid by the Plan. Earnings or losses are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments.

Vesting

Participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Employer matching and profit sharing contributions are vested based on a two year cliff vesting schedule (0% vested if participant has less than two years of service, 100% vested after two years of service).

Payment of Benefits

Distributions are made upon retirement or in the event of a participant's total and permanent disability, death, or other terminations of employment. A participant may elect to receive either a lump-sum amount equal to the value of the participant's account, or for all participants prior to September 1, 2014, annual installments over a ten year period. A lump sum payment will be automatically distributed for balances not exceeding \$5,000. Subject to certain conditions, a participant may make hardship withdrawals from his or her balance in the Plan while employed.

1. Description of Plan (continued)

Participant Notes Receivable

Under the terms of the Plan, participants may borrow from their accounts, subject to certain restrictions. Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, except for loans made for the purchase of a primary residence. The loans are collateralized by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.50% as of December 31, 2021. Rates are established on the date of the loan based on rates charged for similar types of loans by other lenders. Principal and interest are paid ratably through payroll deductions, and participants can have up to two outstanding loans.

Forfeited Accounts

At December 31, 2021 and 2020, unallocated forfeited non-vested accounts totaled approximately \$24,000 and \$18,000, respectively. The Plan's provisions allow unallocated forfeited non-vested account balances to be used for administrative expenses of the Plan or to reduce any employer contributions. The Plan used approximately \$10,000 to reduce contributions and \$7,000 to reduce administrative expenses for the year ended December 31, 2021. The Plan used \$9,000 to reduce contributions and approximately \$9,000 to reduce administrative expenses for the year ended December 31, 2020.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

2. Basis of Presentation and Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States ("US GAAP").

Le Creuset of America, Inc. 401(k) Savings Plan
Notes to Financial Statements
December 31, 2021 and 2020

2. Basis of Presentation and Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets during the reporting period. Actual results could differ from those estimates.

Payment of Benefits

Benefit payments are recorded when paid.

Investment Valuation and Income Recognition

The Plan's investments in interest-bearing cash and mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

The Plan's investments include the Key Guaranteed Portfolio Fund, a fully benefit-responsive guaranteed interest contract with Great-West Life & Annuity Insurance Company ("Great-West Insurance"). Great-West Insurance maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Great-West Insurance is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed interest contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the guaranteed interest contract. The guaranteed interest contract is presented on the face of the statements of net assets available for plan benefits at contract value. Contract value, as reported to the Plan by Great-West Insurance, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Notes to Financial Statements
December 31, 2021 and 2020

2. Basis of Presentation and Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Certain events limit the Plan's ability to transact at contract value with Great-West Insurance. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transactions exemption under ERISA.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan invests in various types of marketable securities that are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain marketable securities, it is at least reasonably possible that changes in the values of marketable securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying 2021 statement of net assets available for plan benefits.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes receivable are reclassified as distributions based on the terms of the plan documents.

Administrative Expenses

Significant administrative expenses, including accounting and legal expenses are paid by the Company. Other professional fees of maintaining the Plan are paid by the Plan.

3. Trustee Certification

Information disclosed in the accompanying financial statements as of, and for the years ended December 31, 2021 and 2020, related to investments, notes receivable from participants, net appreciation in fair value of investments, and interest and dividends, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Great-West Trust Company, LLC ("Great-West Trust") and Great-West Insurance (the trustees of the Plan).

Notes to Financial Statements
December 31, 2021 and 2020

4. Fair Value Measurements

The Plan's investments in mutual funds and interest-bearing cash are reported at fair value in the accompanying statements of net assets available for plan benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The Plan uses a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs to the valuation methodology are unobservable. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. All of the Plan's mutual fund investments and interest-bearing cash were valued using Level 1 inputs, based on quoted market prices. No Level 2 or Level 3 inputs were used by the Plan.

Investments that represent five percent or more of the Plan's assets are as follows:

5. Income Tax Status

No determination letter has been received for the Plan as it operates under a volume submitter plan document. The Internal Revenue Service issued an opinion letter for the volume submitter plan on June 30, 2020, stating that the form of the volume submitter is acceptable under Section 401 of the Internal Revenue Code (“IRC”) for use by employers for the benefit of their employees. Although the Plan has been amended since the date of the letter, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. The Plan administrator is not aware of any defects with respect to the design or operation of the Plan. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. No such liabilities are identified at December 31, 2021 and 2020. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

6. Party-in-Interest Transactions

Certain plan investments were managed by the Plan’s trustees, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for these investment management, trustee and record keeping services amount to approximately \$104,000 and \$100,000 for the years ended December 31, 2021 and 2020, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

7. Subsequent Events

Management evaluated events and transactions after December 31, 2021 through September 26, 2022, the date the financial statements were available to be issued, for subsequent events, and determined that, other than those described in Note 1, there were no subsequent events to report.
