INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
403(b) Thrift Plan of Children's Friend and Service of Rhode Island:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the 403(b) Thrift Plan of Children's Friend and Service of Rhode Island (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Plan Benefits as of December 31, 2021, and the related Statement of Changes in Net Assets Available for Plan Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
403(b) Thrift Plan of Children's Friend and Service of Rhode Island:

We were engaged to audit the accompanying Statement of Net Assets Available for Plan Benefits of the 403(b) Thrift Plan of Children's Friend and Service of Rhode Island (the Plan) as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by Mutual of America Life Insurance Company (Mutual of America), the custodian of the Plan, except for comparing the information with the related information included in the financial statement.

We have been informed by the Plan Administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the custodian as of December 31, 2020, that the information provided to the Plan Administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for the 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

403(b) THRIFT PLAN OF CHILDREN'S FRIEND AND SERVICE OF RHODE ISLAND
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

1. Description of the Plan

The following description of the 403(b) Thrift Plan of Children's Friend and Service of Rhode Island (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that contains a salary deferral arrangement as described under Internal Revenue Code (IRC) Section 403(b). All employees of Children's Friend and Service of Rhode Island (the Plan Sponsor) are eligible to participate in the salary reduction contribution feature of the Plan except for those employees that are non-resident aliens or an employee eligible to make salary reduction contributions to another plan of the Plan Sponsor. Participants who have completed one year of service (1,000 hours) and have attained the age of twenty-one (21) are eligible for the Plan Sponsor contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan Sponsor is also the administrator of the Plan. As administrator, the Plan Sponsor has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. Mutual of America Life Insurance Company (Mutual of America) is the appointed custodian of the Plan and acts at the direction of the Plan's administrator.

Contributions

Participants may elect to contribute pretax annual compensation, not to exceed annual limitations as provided by the IRC. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants with 15 years of service are permitted to make special Code Section 403(b) catch-up contributions. Participants may contribute amounts representing distributions from other qualified plans (rollover contributions).

The Plan includes an automatic contribution provision under which the Plan Sponsor automatically enrolls the participants to make tax-deferred contributions in an amount equal to 1% of their eligible compensation, with no annual escalation provision.

The Plan Sponsor contributes two employer contributions to the Plan: a matching contribution and a base contribution. As it relates to the Plan Sponsor's matching contributions, the Plan Sponsor will contribute 25% of an eligible participant's salary reduction contribution deferred during the Plan year that does not exceed 6% of the participant's eligible compensation received during the Plan year. As it relates to the Plan Sponsor's base contribution, the Plan Sponsor contributes 3% of a participant's eligible compensation received during the Plan year.

403(b) THRIFT PLAN OF CHILDREN'S FRIEND AND SERVICE OF RHODE ISLAND
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

Participant Accounts

Each participant's account is credited with the participant's contribution, the Plan Sponsor's contributions and their allocation of Plan earnings (losses) and any expenses incurred. Allocations are based on compensation or individual participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Loans

Participants may request a loan from the custodian up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loans to participants are treated as Plan loans and are not directed investments in the Plan. The participant must have 120% of the loan amount invested in the insurance company general account investment option as collateral. Participants are allowed to have only one outstanding loan at any given time. The maximum loan term is five years and will bear a reasonable rate of interest that may not exceed the legal limit. Principal and interest is paid ratably through payroll deductions. Plan participants had loans outstanding with the custodian of \$133,187 and \$214,215 at December 31, 2021 and 2020, respectively.

In April 2020, the Plan elected to adopt Coronavirus Aid, Relief, and Economic Security (CARES) Act provisions which increased the maximum amount an eligible participant may borrow to the lesser of \$100,000 or 100% of the participant's vested account balance for loans made between March 27, 2020 and September 23, 2020. In addition, scheduled loan repayments due from March 27, 2020 through December 31, 2020 could have been delayed for up to one year for qualifying participants.

Vesting

Participants are immediately vested in their voluntary contributions (including rollover contributions) plus actual earnings on those contributions. Participants become fully vested in the Plan Sponsor contributions and earnings on those contributions after three (3) years of service. Participants are also vested upon death, disability or attainment of normal retirement age.

Payment of Benefits

On retirement, death, disability or termination of service, a participant (or participant's beneficiary in the event of death) receives a lump-sum amount or installment payments equal to the value of the participant's vested interest in his or her account. Amounts in the salary reduction contribution portion of a participant's account that were made prior to December 31, 1988 may be withdrawn at any time. If a participant has reached age 59½, distributions of amounts in the employee deferral account may be made, at the participant's election, without requiring the participant to terminate employment. If a participant's vested balance is less than \$1,000, the participant will receive an immediate cash-out of their vested account balance, and the non-vested portion shall be treated as a forfeiture.

403(b) THRIFT PLAN OF CHILDREN'S FRIEND AND SERVICE OF RHODE ISLAND
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

In April 2020, the Plan elected to adopt the CARES Act provisions which allow for special coronavirus related distributions taken by eligible participants between January 1, 2020 and December 31, 2020 up to \$100,000.

Hardship withdrawals from the Plan are also permitted subject to the applicable IRS laws.

Forfeitures

Participants in the Plan who leave the employment of the Plan Sponsor before completing three years of service forfeit the non-vested portion of their accounts. Forfeitures will be used to pay Plan expenses or reduce future Plan Sponsor contributions. Forfeitures available to reduce future Plan Sponsor contributions at December 31, 2021 and 2020 were \$2,578 and \$4,118, respectively. Forfeitures used to reduce Plan Sponsor contributions during 2021 amounted to \$24,407.

Investment Options

Participants may direct their contributions in percentage increments into a series of fund options offered by the custodian to be held in the Plan's separate account. Alternatively, participants may invest their funds in the interest accumulation account, which provides a stated rate of return as the invested funds are held in the custodian's general account. Participants may change their investment options at any time.

The Plan includes a default investment option where contributions made on behalf of a participant where no investment option has been designated shall be allocated to the Mutual of America Retirement Funds that are appropriate to the participant's age at the time of allocation.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Valuation of Investments and Income Recognition

Investments in the insurance company general account are held in an interest accumulation account in accordance with the contract described in Note 4 and are stated at contract value. Investments in the insurance company separate accounts are valued at net asset value (NAV) as the practical expedient that approximates fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 3).

The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by investment advisors and the custodian.

403(b) THRIFT PLAN OF CHILDREN'S FRIEND AND SERVICE OF RHODE ISLAND
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Participant and Plan Sponsor contributions are recorded bi-weekly when the Plan Sponsor remits the contributions for investment into the Plan.

Excess Contributions Refundable

Amounts refundable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants subsequent to year end.

Payment of Benefits

Benefits are recognized when paid to participants or their designated beneficiaries.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan Sponsor, unless the Plan Sponsor directs that the expenses be paid by the Plan. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Plan loan set up and maintenance fees are paid directly by the participants through a reduction in their account and are included in administrative expenses. Investment management and recordkeeping fees, if applicable, are paid by the Plan through revenue sharing as a reduction of investment income (net appreciation or depreciation) from the related investment fund.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Sponsor to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

403(b) THRIFT PLAN OF CHILDREN'S FRIEND AND SERVICE OF RHODE ISLAND
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

Financial Instruments with a Concentration of Credit Risk

The Plan's investments are held by a single custodian. The Plan's exposure to credit risk is associated with the outside custodian's non-performance of its fiduciary responsibilities relating to these amounts as specified in the agreements. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

Subsequent Events

Management has evaluated subsequent events through September 19, 2022, which is the date these financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Insurance Company Separate Accounts: Valued using the NAV provided by the administrator of the fund based on the fair value of the underlying investments. Participant transactions (purchases and sales) may occur daily.

403(b) THRIFT PLAN OF CHILDREN'S FRIEND AND SERVICE OF RHODE ISLAND
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

As of December 31, 2021 and 2020, the Plan did not have investments that would be included in the fair value hierarchy as noted above. However, the Plan's investments in insurance company separate accounts are reported at NAV and in accordance with subtopic 820-10 would be presented outside the fair value hierarchy table as a reconciling item.

4. Investment Contract with Insurance Company

The Plan has entered into an investment contract with Mutual of America. Amounts held in connection with this contract may be held in Mutual of America's general account or separate accounts which invest in mutual funds advised by Mutual of America, mutual funds sub-advised by third parties, mutual funds managed by external mutual fund companies or invested directly in securities. Contributions allocated to the interest accumulation account are invested in the general account of, and are guaranteed by, Mutual of America. All other contributions allocated to any investment fund become part of separate accounts and are maintained separately from the general assets of Mutual of America. The value of the general account investments included in the financial statements are reported at contract value, as reported to the Plan by Mutual of America. Contract value is equal to the sum of contributions made plus earnings, less participant withdrawals and administrative expenses.

The contract value of funds allocated to the general account with the insurance carrier at December 31, 2021 and 2020 was \$4,507,162 and \$3,969,037, respectively. The crediting interest rate was 1.00% for the years ended December 31, 2021 and 2020, and the crediting interest rate is reviewed on a quarterly basis. Participant transactions may occur daily. Certain redemption restrictions exist were the Plan to liquidate the entire holding of the general account investment.

The guarantee of values provided for the investment made with Mutual of America under the Plan's investment contract is based on the financial strength and claims-paying ability of Mutual of America.

5. Plan Termination

The Plan Sponsor expects to continue the Plan indefinitely. However, the Plan Sponsor reserves the right to amend the Plan or contributions thereto, at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants and any Plan termination would be subject to the provisions of ERISA. If the Plan is terminated, the participants would become fully vested and entitled to receive all amounts credited to their accounts.

403(b) THRIFT PLAN OF CHILDREN'S FRIEND AND SERVICE OF RHODE ISLAND
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

6. Income Tax Status

Final regulations under Section 403(b) were published by the IRS on July 26, 2007. Under the regulations, a 403(b) plan sponsor by December 31, 2009 must have adopted a written plan intended to satisfy the requirements of Section 403(b) and the regulations effective as of January 1, 2009. The Plan Sponsor adopted a written plan effective January 1, 2009, which it believes satisfies the written plan requirement. While the IRS does not intend to establish a determination letter program for individually designed 403(b) plans, the Plan Sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Summary of Financial Data Certified by the Custodian

The following is a summary of financial information and data certified by the custodian, Mutual of America:
