Independent Auditor's Report

To the Participants and Administrator of
Adams Beverages, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for 2021 Financial Statements

We have performed an audit of financial statements of Adams Beverages, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the 2021 financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern over the twelve months from the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of the Plan, as listed in the accompanying index, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Adams Beverages, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Adams Beverages, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

Note 1: Description of the Plan

The following description of the Adams Beverages, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a voluntary defined contribution profit sharing plan covering substantially all employees, except union or non-resident aliens, of Adams Beverages, Inc. and Adams Beverages of North Carolina, LLC (collectively, the Plan Sponsor or the Company), who have completed at least six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was originally adopted as of January 1, 1996 (as restated January 1, 2015).

Contributions

Participants may make pre-tax or post-tax (Roth) contributions to the Plan through payroll deductions up to 100% of their annual compensation, subject to the statutory limit set by the Internal Revenue Code (IRC), which was \$19,500 for 2021. Participants who have attained at least age fifty are eligible to defer additional amounts (catch-up contributions). The maximum catch-up contribution in 2021 was \$6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

During 2021, the Plan Sponsor elected to match 50% of the participant's elective deferral, up to 6% of eligible compensation. The Plan Sponsor's matching contributions totaled \$377,354 during 2021. The Plan Sponsor may also make discretionary profit sharing contributions for eligible employees. The Plan requires an employee to be an active participant in the Plan on the last day of the Plan year or have attained more than 500 hours of service during the year in order to participate in the profit sharing contribution. There were no discretionary profit sharing contributions made during 2021. Contributions are subject to certain other Plan and statutory limitations.

Administration

The Company serves as the Plan Administrator. The Plan Administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, among other things, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions, which may affect eligibility for benefits. The Company has engaged Principal Trust Company (Principal) to serve as the trustee and custodian of the Plan. As the custodian, Principal receives all contributions made under the Plan, holds Plan assets, pays benefits as directed by the Plan Administrator, and assists in the administration of the Plan. Principal serves as the intermediary for all asset purchases and redemptions. Additionally, Principal manages certain investment options of the Plan (Notes 3 and 7).

Administrative Expenses

Administrative expenses of the Plan are primarily paid by the Plan Sponsor. These expenses include, but are not limited to, legal, accounting, and recordkeeping fees; however, investment expenses are paid by the Plan. A proportionate share of fees and expenses paid by the Plan is charged to each participant's account.

Participant Accounts

Each participant's account is credited with pretax and Roth contributions made by the participant and the participant's portion of the Plan Sponsor's matching contributions, additional discretionary contributions, and plan earnings or losses. Earnings (losses), expenses, and gains and losses on investments are allocated to the participants' accounts daily based on participant account balances, as defined in the Plan Document.

Vesting

Participants are immediately vested in their elective contributions plus actual earnings thereon. Participants become vested in Plan Sponsor discretionary contributions in accordance with Plan provisions based upon years of service and become fully vested after six years of service. The vesting percentages are as follows:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants also become 100% vested upon termination of the Plan or upon reaching normal retirement age of sixty-five or upon disability or death while still an employee of the Plan Sponsor.

Investment Options

Participants are required to make participant-directed allocations of their accounts in increments totaling 100% among various investment options, including certain options for which the custodian or its affiliates serve as investment advisors (Note 7), selected by the Plan Administrator.

Notes Receivable from Participants

Participants may borrow from their accounts up to the lesser of \$50,000 or 50% of their vested account balance. Generally, participant notes receivable are to be repaid through payroll deductions in installments not to exceed five years, are secured by the balance in the participant's account, and apply interest at a rate based on prevailing interest rates at the time of the note as determined by the Plan Administrator. A note used for financing the purchase of the participant's principal residence may be repaid over a longer period of time. A participant is only allowed to have one outstanding loan at any given time.

Withdrawals

At the time of retirement, death, disability, or termination of employment, a participant or their beneficiary may receive the payment of the vested interest in their account in a lump sum distribution. Participants with a vested account balance exceeding \$5,000 at time of termination of service may receive partial withdrawals or installments, but only in respect to minimum required distributions, over a period of not more than participant's assumed life expectancy. If the account balance is \$1,000 or less, the Plan may, upon termination of service, pay the benefits owed in a lump sum. In-service withdrawals are also permitted for participants who have attained age 59½. Participants' account balances between \$1,000 and \$5,000 will be automatically rolled over to an individual retirement account. Participants are eligible to receive hardship withdrawals when certain conditions are met.

CARES Act

Effective March 27, 2020, the Plan adopted the distribution and loan rules of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). The CARES Act permitted retirement plans to provide qualified individuals (as defined in the CARES Act) who were impacted by the novel coronavirus (COVID-19) expanded distribution options and certain loan relief. Participants should refer to plan documents for specific changes made to the Plan. Written amendments to the Plan to reflect those operational changes will be adopted at a later date in accordance with applicable laws and IRS guidance.

Forfeitures

Non-vested account balances of terminated employees are forfeited upon the complete distribution of the vested portion of their account. Forfeitures of terminated employees' non-vested accounts may be used to reduce Plan Sponsor contributions or pay reasonable plan expenses. Forfeitures totaled \$0 in 2021. Forfeitures available for future use totaled approximately \$9,900 and \$8,500 at December 31, 2021 and 2020, respectively.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates in Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Payments of Benefits

Benefit payments are recorded when paid by the Plan.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowable under the IRC are recorded as a liability with corresponding reduction to employee contributions.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments represents the change in fair value during the year, including realized and unrealized gains and losses.

Risks and Uncertainties

The Plan's invested assets ultimately consist of stocks, bonds, fixed income securities, and other investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits and the statement of changes in net assets available for benefit.

Note 3: Information Certified by the Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Principal, except for comparing such information to information included in the Plan's financial statements and supplemental information:

	2021	2020
Statements of net assets available for benefits:		
Investments at fair value	\$ 13,836,080	\$ 11,119,645
Notes receivable from participants	288,653	238,295
Statement of changes in net assets available for benefits:		
Investment income:		
Net appreciation in fair value of investments	\$ 1,480,097	
Interest and dividends	194,017	
Interest income on notes receivable from participants	12,535	

Note 4: Fair Value Measurements

The accounting standard for fair value measurement provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds are valued at quoted market prices for the identical security in an active market.

The collective investment trust funds are privately managed by Principal and are not publicly quoted. The funds are composed primarily of target date funds and a stable value fund that are valued by Principal at net asset value (NAV) which is based on the underlying investment assets owned by the underlying fund, minus its liabilities, and then divided by the number of shares outstanding. The Plan has concluded that the NAV is used as a practical expedient to approximate the fair value of the investments. This practical expedient would not be used if it is determined to be probable that the investments would sell for an amount different from the reported NAV. There are currently no redemption restrictions or unfunded commitments on the investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by Level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 2,157,721	\$ -	\$ -	\$ 2,157,721
Collective investment trust funds (a)	<u>-</u>	<u>-</u>	<u>-</u>	<u>11,678,359</u>
Total assets at fair value	<u>\$ 2,157,721</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 13,836,080</u>

Assets at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 1,061,320	\$ -	\$ -	\$ 1,061,320
Collective investment trust funds (a)	<u>-</u>	<u>-</u>	<u>-</u>	<u>10,058,325</u>
Total assets at fair value	<u>\$ 1,061,320</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,119,645</u>

(a) These investments are measured using NAV as a practical expedient and are not classified in the fair value hierarchy. The fair value amounts presented in this table are shown for the purpose of reconciling to the statement of net assets available for benefits.

Note 5: Income Tax Status

The Plan Sponsor has adopted a prototype plan sponsored by Principal. The prototype plan has received a favorable determination letter from the Internal Revenue Service (IRS) dated March 31, 2014 which stated that the prototype plan and related trust met the requirements of the IRC. The Plan itself has not received a determination letter from the IRS; however, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the requirements of the IRC and that the Plan was qualified and tax-exempt as of December 31, 2021.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018

Note 6: Reconciliation of Financial Statements to Form 5500

The financial information of the Plan, as reported on Form 5500, does not include all amounts necessary for reporting on the accrual basis of accounting. A reconciliation of the amounts appearing on Form 5500 to the accompanying financial statements follows:

	2021	2020
Net Assets Available for Benefits		
Net assets, as reported on Form 5500	\$ 14,124,733	\$ 11,357,599
Adjustment to accrue interest from notes receivables	-	530
Adjustment to accrue excess contributions payable	<u>-</u>	<u>(59,099)</u>
Net assets, as reported in the accompanying financial statements	<u>\$ 14,124,733</u>	<u>\$ 11,299,030</u>
Changes in Net Assets Available for Benefits		
Increase in net assets, as reported on Form 5500	\$ 2,767,134	
Adjustment to reverse prior year interest from notes receivables	(530)	
Adjustment to reverse prior year excess contributions payable	<u>59,099</u>	
Increase in net assets, as reported in the accompanying financial statements	<u>\$ 2,825,703</u>	

Note 7: Party-in-Interest Transactions

Principal, its affiliates, and certain service providers perform services for, sell products to, and manage and maintain certain investments of the Plan for which fees are charged to the Plan. In addition, the Plan incurs expenses for services provided by parties-in-interest related to investment consulting, accounting, legal and plan administration. While the Plan Sponsor pays most of the fees, an insignificant portion is paid by the Plan.

Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 8: Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 9: Prohibited Transactions

The Plan Sponsor deducted, via payroll withholding, an aggregate of \$61,090 during 2020 from participants' gross wages that were not remitted in a timely manner to the Plan in accordance with Department of Labor regulations. During 2021, the Plan Sponsor calculated and restored lost earnings to participants for \$61,090 of the 2020 late remittances and made the necessary corrective actions.

Note 10: Excess Contributions Payable

The Plan is subject to certain compliance requirements of non-discrimination rules under ERISA and IRS guidelines. For the plan year ended December 31, 2021, the Plan passed these non-discrimination tests. For the plan year ended December 31, 2020, the Plan failed certain of these non-discrimination tests. The Plan recorded excess contributions payable of \$59,099 in the statement of net assets available for benefits to reflect the appropriate refund of a portion of the contributions made by highly compensated participants in order to comply with the non-discrimination requirements. The Plan refunded these excess contributions to its participants during 2021. The Plan Administrator believes that the corrective measure will satisfy the non-discrimination requirement of the IRS.

Note 11: Subsequent Events

In April 2022, the Company acquired certain assets and liabilities of Birmingham Budweiser Distributing CO., Inc., Valley Budweiser, Inc., and Shoals Distributing, Inc., pursuant to an Asset Purchase Agreement dated April 1, 2022. In connection with the transaction, certain employees of these companies became employees of the Plan Sponsor. Effective April 1, 2022, those employees had the option of rolling their assets into the Plan and were allowed prior service credit pursuant to a plan amendment.

The Plan Sponsor has evaluated for subsequent events between the date of the statement of net assets available for benefits as of December 31, 2021 and the report date, which is the date these financial statements were available for issuance. Management has concluded that all subsequent events requiring recognition or disclosure have been incorporated into these financial statements.
