INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Ajax Paving Industries of
Florida, LLC 401(k) Plan
Venice, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Ajax Paving Industries of Florida, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements. (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Ajax Paving Industries of Florida, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ajax Paving Industries of Florida, LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ajax Paving Industries of Florida, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ajax Paving Industries of Florida, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit

of the financial statements and certain additional procedures, including comparing and reconciling such directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Ajax Paving Industries of Florida, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and, content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AJAX PAVING INDUSTRIES OF FLORIDA, LLC
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2021 and 2020

NOTE 1 - Description of the Plan (Continued)

Forfeited Amounts - At December 31, 2021 and 2020, unallocated forfeited balances totaled \$33,993 and \$16,617, respectively. The Company may elect to use future forfeited accounts to reduce Plan expenses or employer contributions. SECURE Act and CARES Act - The Plan has implemented certain provisions of the SECURE Act, which was effective January 1, 2020, and the CARES Act, which was signed into law in March 2020. The Plan has until December 31, 2025, to adopt amendments to reflect these provisions.

NOTE 2 - Significant Accounting Policies

Basis of Accounting - The accompanying financial statements were prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investments - The Plan's investments are stated at fair value. Quoted market prices are used by the Trustee to value investments. Investments include shares of mutual funds and common trust funds and are valued at the net asset value of shares held by the Plan at year end. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends from investments in mutual funds are recorded when received. Unrealized appreciation (depreciation) of investments is the change between market value of investments at the beginning of the year and market value of investments at the end of the year.

Notes Receivable from Participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are recorded as a distribution in accordance with the terms of the plan document.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2021 and 2020

NOTE 2 - Significant Accounting Policies (Continued)

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Plan sponsor pays for expenses associated with the administration of the Plan with the exception of the loan origination fees associated with participant loans and distribution fees, and professional fees.

Subsequent Events - Management has evaluated events and transactions through September 19, 2022, the date the financial statements were available to be issued.

NOTE 3 - Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

	<u>Assets at Fair Value as of December 31, 2021</u>		
	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual Funds	\$24,926,632	\$ -	\$24,926,632
General Account	-	1,941,514	1,941,514
Total Assets at Fair Value	<u>\$24,926,632</u>	<u>\$ 1,941,514</u>	<u>\$26,868,146</u>

	<u>Assets at Fair Value as of December 31, 2020</u>		
	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual Funds	\$21,010,994	\$ -	\$21,010,994
General Account	-	1,500,515	1,500,515
Total Assets at Fair Value	<u>\$21,010,994</u>	<u>\$ 1,500,515</u>	<u>\$22,511,509</u>

The Plan's investments are reported at fair value in the statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels which are described below. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

AJAX PAVING INDUSTRIES OF FLORIDA, LLC
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2021 and 2020

NOTE 3 - Fair Value Measurements (Continued)

Level 1 Fair Value Measurements

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The fair value of money market and mutual funds is based on quoted net asset values of the shares held by the Plan at year end. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements

Level 2 inputs consist of quoted prices for similar assets in active and inactive markets and other observable corroborated market data. Level 2 inputs were only used when Level 1 inputs were not available. This includes, but not limited to, quoted prices for similar assets or liabilities in markets that are not active.

Level 3 Fair Value Measurements

Level 3 assets have the lowest priority. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. The fair value measurement is based on other unobservable inputs. The Plan did not have Level 3 assets at December 31, 2021 and 2020.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation or depreciation in fair value of investments.

NOTE 4 - Net Change in Fair Value of Investments

The net change in fair value by type of investments is as follows:

	<u>2021</u>	<u>2020</u>
Equity Growth & Income Funds	\$ 1,572,787	\$ 2,059,663
Fixed Income Funds	<u>(69,138)</u>	<u>78,046</u>

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2021 and 2020

NOTE 5 - Information Certified by Trustee

The financial statements, accompanying notes and supplemental schedule were prepared in part from information certified by Great-West Trust Company, the Trustee, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The information certified includes: investments, participant loans, investment income, and participant loan interest.

NOTE 6 - Trust Agreement

Under an agreement signed during 2012, Great-West Trust Company was appointed Trustee of the Plan. In accordance with the powers and duties of the Trustee as designated in the Trust Agreement, the Trustee invests the Plan's assets and the income for the benefit of the Plan participants.

NOTE 7 - Transactions with Parties-In-Interest

Plan investments include investments managed by Great-West Life & Annuity Insurance Company. Great-West Trust Company, the Trustee of the Plan, is related to Great-West Life & Annuity Insurance Company and, therefore, these transactions qualify as party-in-interest transactions. The Company participates in the Plan and is considered a party-in-interest. The administrative expenses paid by the Plan include plan administration and investment advisory, and are considered parties-in-interest. Fees incurred by the Plan for administrative services amounted to \$86,708 and \$65,321 during the years ended December 31, 2021 and 2020, respectively.

NOTE 8 - Plan Termination

Although it has not expressed any intent to do so, the Company shall have the right at any time to terminate the Plan subject to the provisions of ERISA. Upon termination, all amounts credited to the affected participants' accounts shall become 100% vested.

NOTE 9 - Tax Status

The Plan has adopted a prototype plan sponsored by Great Lakes Pension Associates, Inc. Great Lakes Pension Associates, Inc. has obtained a determination letter dated December 29, 2020, in which the Internal Revenue Service stated that the prototype Plan was in compliance with the applicable requirements of the Internal Revenue Code. NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2021 and 2020

NOTE 9 - Tax Status (Continued)

Management believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2021. Therefore, no provision for income taxes has been included in the Plan's financial statements. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has concluded that as of December 31, 2021 there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. There are currently no audits in progress for any tax periods. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 10- Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and statement of changes in net assets available for benefits.
