Independent Auditors' Report

To the Plan Sponsor and Participants of the
Orville's Appliance, Inc. 401(k) Plan
Lancaster, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Orville's Appliance, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material

misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 28, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit

evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Orville's Appliance, Inc. 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the Orville's Appliance, Inc. 401(k) Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering substantially all employees of Orville's Appliance, Inc. (the "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The trustee of the Plan's assets is Fidelity Management Trust Company.

The Plan, established effective November 1, 1989, was subsequently amended and restated most recently on February 22, 2022.

Contributions – Employees of the Plan Sponsor become eligible to participate after one year of service with 1,000 hours and reaching their "Entry Date." Their Entry Date will be the first day of the Plan year or the first day of the fourth, seventh or tenth months of the Plan year. Employees who are eligible to participate may elect to contribute any amount up to the annual dollar limit set by the Internal Revenue Service ("IRS") regulations through regular deferral contributions, additional deferral contributions, or bonus contributions. In accordance with IRS regulations, the maximum participant contribution was \$19,500 for 2021 and 2020; participants age 50 years and older are also eligible to defer a "catch-up contribution" of up to \$6,500 for 2021 and 2020. Participants may also contribute rollovers of eligible amounts from other retirement plans.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mostly mutual funds as investment options for participants. The Plan Sponsor matches 100% of the first 4% of eligible compensation, as a safe harbor contribution, that a participant contributes to the Plan.

The Plan Sponsor may make a discretionary non-elective contribution in an amount to be determined by the Plan Sponsor's Board of Directors each Plan year; however, any salary deferrals that are "catch-up contributions" will not be matched. For the years ended December 31, 2021 and 2020, the Plan Sponsor did not make a discretionary non-elective contribution.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of the Plan Sponsor's contribution and the participant's share of Plan earnings. Participant accounts are decreased by participant distributions, the participant's share of Plan losses, and certain administrative expenses. Allocations are based on participant earnings and losses or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Orville's Appliance, Inc.

401(k) Plan

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Vesting – Participants are immediately vested in their deferral contributions, rollover contributions or safe harbor matching employer contributions and any earnings thereon. Vesting of all other employer contributions is based on an employee's years of service, as follows:

<u>Years of Service</u>	<u>Non-forfeitable Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants – Participants may borrow from their fund accounts up to \$50,000 reduced by their highest outstanding loan balance during the prior twelve-month period or 50% of their vested account balance. Notes are secured by the participants' accounts and shall bear interest based on prevailing interest rates. Repayment terms may not exceed five years, with the exception of a note used to purchase a primary residence, in which case repayment terms may be extended by the Plan administrator. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Payment of Benefits and Withdrawals – Upon termination of service due to death, disability, or retirement, a participant may request the Plan administrator distribute their vested account balance. Additionally, participants, at their election, may request the Plan administrator distribute their vested account balance upon termination of employment.

Participants undergoing certain types of financial hardship, as defined by the Plan, may request that the Plan administrator distribute all or a portion of the vested balance of their account. Distributions to participants are available upon the attainment of age 59 ½. Such events are more fully outlined in the Plan document.

Forfeitures – Forfeited non-vested account balances are applied first to the payment of the Plan's administrative expenses with any excess applied to reduce matching contributions for the Plan year. There were no forfeitures available at December 31, 2021 and 2020.

Orville's Appliance, Inc.

401(k) Plan

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Income Taxes – The IRS has determined and informed the Plan Sponsor by a letter dated March 31, 2014 that the Plan is designed in accordance with Section 401 of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

Plan Termination – Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition – The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between participants at the measurement date. See Note 4 for discussion of fair value measurements.

The Plan presents in the accompanying statements of changes in net assets available for benefits the net appreciation in fair value of investments, which includes both realized gains and losses and unrealized appreciation (depreciation) in the fair value of investments. Realized gains and losses on disposition of investments are based upon actual costs and selling prices.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits – Benefits are recorded when paid.

Orville's Appliance, Inc.

401(k) Plan

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Administrative Expenses – Certain accounting and administrative expenses of maintaining the Plan are paid by the Plan Sponsor and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and are charged directly to the participant's account.

Party-in-Interest Transactions – Certain Plan investments are shares of mutual funds and stable value funds managed by Fidelity Management Trust Company as of and for the years ended December 31, 2021 and 2020. Fidelity Management Trust Company is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. All of these party in interest transactions are exempt from the prohibited transaction rules of ERISA. No fees were paid by the Plan to Fidelity Management Trust Company for investment management services for the years ended December 31, 2021 and 2020.

Risks and Uncertainties – The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Reclassifications – Reclassifications have been made to certain balances in the prior year financial statements for comparative purposes in order to conform with the presentation of current year financial statements.

Subsequent Events – Plan management has evaluated subsequent events, for recognition or disclosure, through September 30, 2022, the date the financial statements were available to be issued. See Note 1 – General and Note 5.

Orville's Appliance, Inc.

401(k) Plan

Notes to Financial Statements (continued)

3. Information Certified by the Trustee (Unaudited)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the investments and notes receivable from participants included in the accompanying financial statements and supplemental schedule of assets (held at end of year) are complete and accurate. The Trustee also certified net appreciation in fair value of investments of \$876,758 and \$1,216,985, dividends from investments of \$1,031,039 and \$545,264, and interest on notes receivable from participants of \$8,951 and \$10,180 for the years ended December 31, 2021 and 2020, respectively.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure the fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- **Level 1** – Unadjusted quoted prices in active markets for identical, unrestricted assets or liabilities that are accessible at the measurement date.
- **Level 2** – Quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in markets that are not active. This level also includes inputs other than quoted prices that are observable, either directly or indirectly, for substantially the full term through corroboration with observable, independent market data. This includes investments valued at quoted prices adjusted for legal or contractual restrictions specific to the security. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- **Level 3** – Pricing inputs are unobservable for the asset or liability. That is, inputs that reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset or liability. There were no assets of the Plan that were valued using Level 3 inputs at December 31, 2021 and 2020.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Orville's Appliance, Inc.

401(k) Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Funds: Stable value funds are valued daily at net asset value based on the market value of the underlying assets.

The underlying securities are listed on national securities exchanges and valued on the basis of year-end closing prices. The Plan has concluded that the net asset value as adjusted (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) and reported by the insurance companies approximates fair value of the investments. The investments are redeemable at the adjusted net asset value under agreements with the insurance companies.

It is possible that the redemption rights may be restricted or eliminated in the future. Due to the nature of the investments, changes in market conditions, liquidity requirements and the economic environment may significantly affect the net asset value of the stable value funds; and, consequently, the fair value of the Plan investments.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	2021	2020
Level 1		
Mutual funds	\$ 14,516,605	\$ 12,090,700
Level 2		
Stable value funds	2,286,011	2,217,999
Investments at fair value	\$ <u>16,802,616</u>	\$ <u>14,308,699</u>

5. Subsequent Events

As of December 31, 2021, the Plan Sponsor has initiated corrections through the Department of Labor's Voluntary Fiduciary Correction Program ("VFCP") for participant contributions transferred late to the Plan during the 2016, 2017, 2018, and 2019 plan years. On February 15, 2022, the Plan Sponsor received a letter from the Department of Labor acknowledging and accepting the Plan Sponsor's VFCP application and corrective contributions to the Plan for delinquent contributions made during the 2016 plan year totaling \$187,860. On July 22, 2022, the Plan Sponsor received a letter from the Department of Labor acknowledging and accepting the Plan Sponsor's VFCP application and corrective contributions to the Plan for delinquent contributions made during the 2017 plan year totaling \$388,938. As of the date of our report, the Plan Sponsor has submitted VFCP applications and made corrective contributions to the Plan for delinquent contributions made during the 2018 and 2019 plan years totaling \$443,401 and \$387,224, respectively. The 2018 and 2019 VFCP applications are pending acknowledgement and acceptance from the Department of Labor.
