Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule (see accompanying table of contents), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INNOVATIVE OFFICE SOLUTIONS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Plan Description –

The following description of the Innovative Office Solutions 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Innovative Office Solutions (the Company or Employer), except for those who are covered under a collective bargaining agreement. The Plan was restated effective September 27, 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company adopted a volume submitter 401(k) plan. All investments are participant directed in various investment fund options offered by the Plan. The plan administrator is responsible for oversight of the Plan. The Plan has an investment committee that determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the plan administrator.

Plan Amendments

In 2020, the Plan implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which allow certain eligible individuals to receive coronavirus-related distributions of up to \$100,000, allow loan repayments to be deferred up to one year and delay the commencement date for required minimum distributions.

Eligibility

Employees are eligible to make salary deferral contributions and participate in employer discretionary matching and profit sharing contributions after attaining 21 years of age and completing one month of service. Employees may enter the Plan on the first of every calendar month immediately following the satisfaction of the eligibility requirements.

Effective September 27, 2021, interns and temporary employees are eligible to participate upon completion of one year of service.

Contributions

Participants may contribute up to the lesser of 100% of their pretax annual compensation not to exceed annual limitations specified in the Plan. The Plan also allows participants to make contributions to the Plan on an after tax-basis to a Roth deferral account. Those participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Employer may contribute a discretionary matching contribution equal to a discretionary percentage of a participant's salary deferrals. In 2021 and 2020, the Company made a discretionary matching contribution equal to the first 25% of the employee's 401(k) contribution, up to 6% of their salary. The Plan allows rollover contributions from other qualified plans. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's contributions, as well as allocations of plan earnings. Discretionary contributions are allocated in the same proportion that each participant's eligible compensation bears to the total eligible compensation of all participants. Participant accounts are charged with plan losses and an allocation of administrative expenses that are paid by the Plan. Plan earnings and losses are allocated based on account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

INNOVATIVE OFFICE SOLUTIONS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Plan Description – (continued)

Vesting

Participants are always 100% vested in their account balance attributable to salary deferrals and rollover contributions, plus related earnings. A participant or a participant's beneficiary is entitled to 100% of the account balance in the event of permanent disability, death, or normal retirement. The Company's discretionary matching contributions plus related earnings vest as follows:

Less than 1 year	0%
1 year but less than 2 years	25%
2 years but less than 3 years	50%
3 years but less than 4 years	75%
4 years or more	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account. Loan terms range from one to five years with longer term loans available for the purchase of a primary residence. The loan interest rate is set at prime rate plus 1%; the prime rate was 3.25% as of December 31, 2021 and 2020. Interest rates on outstanding loans range from 4.25% to 6.50% at December 31, 2021. As of December 31, 2021, the final loan payment will be made in July 2026. Principal and interest are paid ratably through payroll deductions.

Pursuant to the CARES Act, implemented by the Plan, Plan participants could elect to defer loan repayments that occurred between March 27, 2020 and December 31, 2020 for up to one year. Also pursuant to the CARES Act, the available loan amount increased to the lesser of \$100,000 or 100% of the participant's vested account balance. The ability to request to defer loan repayments and increase in loan amount available under the CARES Act ceased as of December 31, 2020.

Normal Retirement

Normal retirement age is 65. Participants vest 100% in their account balances at age 65, although actual payment of benefits may generally not begin until the participant is entitled to a distribution under terms of the Plan.

Payment of Benefits

A participant or a participant's beneficiary is entitled to 100% of the account balance in the event of permanent disability or death, or their vested balance at retirement. In addition, participants may obtain hardship withdrawals, as defined by the Plan. Pursuant to the SECURE Act enacted, effective operationally January 1, 2020, as amended in the Plan, the age at which required minimum distributions must begin was increased from 70½ to 72. Vested balances exceeding \$5,000 are permitted to remain in the Plan. Vested benefits of \$5,000 or less are distributed in a single lump-sum as soon as practicable after the event occurs that entitles a participant to a distribution. Vested benefits that exceed \$5,000 can be distributed either in a single lump-sum payment or installments over a period not more than the participant's life expectancy.

NOTES TO FINANCIAL STATEMENTS

1. Plan Description – (continued)

Forfeitures

Forfeitures are used first to reinstate previously forfeited accounts, then to pay administrative expenses, and finally to fund the Company's discretionary matching contribution. During 2021, forfeitures of \$5,687 and \$1,551 were used to reduce employer contributions and to pay plan expenses, respectively. Available forfeitures were \$1 and \$60 at December 31, 2021 and 2020, respectively.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their employer contributions.

2. Summary of Significant Accounting Policies –

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires the management to make estimates and assumptions that may affect certain amounts and disclosures in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized gains and losses related to sales of investments are recorded on a trade-date basis, and unrealized gains and losses are recorded based on the fair value as of the end of the Plan year. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the plan agreement.

Payment of Benefits

Benefits paid to participants are recorded when paid. There were no benefits requested before year-end that were not paid.

INNOVATIVE OFFICE SOLUTIONS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies – (continued)

Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

3. Certified Investments –

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2021 and 2020, and investment income, including interest income on notes receivable from participants, for the year ended December 31, 2021 that is disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the trustee/custodian of the Plan. Reliance Trust Company and affiliates are collectively referred to as RTC.

4. Fair Value Measurements –

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standard Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

(continued)

INNOVATIVE OFFICE SOLUTIONS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

4. Fair Value Measurements – (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust funds: The fair value of the Wells Fargo Stable Value Class O (the Fund), which is a collective investment fund, is based upon NAV, as reported in the audited financial statements of the Fund. The Fund invests in the Wells Fargo Stable Value Fund G with the objective of a moderate level of stable income without principal volatility.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,788,827	-	-	16,788,827
Investments measured at NAV				
Stable value	-	-	-	1,220,289
Total investments at fair value	<u>\$ 16,788,827</u>	<u>-</u>	<u>-</u>	<u>18,009,116</u>

Investments at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,087,016	\$ -	\$ -	\$ 15,087,016

Stable value	-	-	-	1,132,064
Total investments at fair value	<u>\$ 15,087,016</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,219,080</u>

Investments Measured Using the Net Asset Value Per Share Practical Expedient

In accordance with FASB Accounting Standards Codification Subtopic 820-10, the Wells Fargo Stable Value Class O fund held by the Plan is not classified in the fair value hierarchy table that prioritizes the inputs to valuation techniques used to measure fair value because it is measured at NAV per share practical expedient and do not have a readily determinable fair value.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>

Collective trust fund – Wells Fargo Stable Value Fund O	\$1,132,064	n/a	Daily	12 months

The Wells Fargo Stable Value Fund O invests all of its assets in the Wells Fargo Stable Value Fund G. The Wells Fargo Stable Value Fund G invests in investment contracts and security-backed contracts. An investment contract is a contract issued by a financial institution to provide a stated rate of return to the buyer of the contract for a specified period of time. A security-backed contract has similar characteristics as a traditional investment contract and is comprised of two parts; the first part is a fixed-income security or portfolio of fixed-income securities; the second part is a contract value guarantee (wrapper) provided by a third party. Wrappers provide contract value payments for certain participant-initiated withdrawals and transfers, a floor crediting rate, and return of fully accrued contract value at maturity.

5. Related-Party Transactions and Party-In-Interest Transactions –

Bank of America NA provides investment services to the Plan. Transamerica Retirement Solutions, LLC and Tax Shelter Compensation, Inc. provide administration services to the Plan. Fees incurred and paid directly by the Plan for these services were as follows:

<u>Related Party and Party-In-Interest</u>	<u>Year ended December 31, 2021</u>
Transamerica Retirement Solutions, LLC	\$ 61,903
Bank of America NA	33,121
Tax Shelter Compensation, Inc.	1,800

6. Tax Status –

The Company adopted the volume submitter 401(k) plan, which obtained its most recent determination letter dated September 21, 2017, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the trustee/custodian and plan administrator believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

INNOVATIVE OFFICE SOLUTIONS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

7. Risks and Uncertainties –

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In addition, it is possible that the Plan could be adversely affected in subsequent periods by future economic disruptions caused by the COVID-19 pandemic and the associated governmental responses.

8. Concentrations –

Investments that represent 10% or more of the Plan's total investment balance were as follows:

Investment	December 31,	
	2021	2020
iShares MSCI EAFE International Index Fund Class K	\$ 2,940,588	\$ 2,597,880

9. Subsequent Events –

Management has evaluated subsequent events through September 16, 2022, the date at which the financial statements were available to be issued.
