INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees and Plan Administrator
Sharp Decisions, Inc 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Sharp Decisions, Inc 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Sharp Decisions, Inc 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sharp Decision, Inc 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit

evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sharp Decisions, Inc 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sharp Decisions, Inc 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sharp Decisions, Inc 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) for the year ended December 31, 2021. is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees and Plan Administrator
Sharp Decisions, Inc. 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Sharp Decisions, Inc. 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2020 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by The VOYA Retirement Insurance and Annuity Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2020, and for the year then ended that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit

opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

SHARP DECISIONS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Sharp Decisions, Inc. 401(k) Plan, (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established effective January 1, 1993, by Sharp Decisions, Inc., (the "Sponsor"). On February 29, 2016, the Sponsor completed an asset purchase agreement with CN-Tec, LLC and CN-Tec Colorado, LLC ("The TEC Group") that is effective March 1, 2016. As a result of this purchase, the Sponsor approved an amendment so that all eligible employees of The TEC Group employed on February 29, 2016 are eligible to participate in the Plan as of March 1, 2016. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, ("ERISA").

Eligibility

The Plan is a defined contribution plan covering all employees who have completed thirty days of service and who attained the age of twenty-one.

Contributions

Each year, Participants may elect to contribute a percentage of pre-tax annual compensation, as defined in the Plan. The elective deferrals for any calendar year cannot exceed the annual dollar limit permitted by law. The Sponsor does not make matching contributions to the Plan. Participants may also make after-tax salary deferrals to their Roth account. In addition, a participant who is at least age 50 and who has reached a limit on their annual deferral contributions may elect to defer an additional "catch-up" contribution of $6,500 for both 2021 and 2020.

Participant Accounts

The Plan is a participant-directed account plan. Participants direct the investment of their contributions into various investment options offered by the Plan. Each participants' accounts are credited with participant contributions and rollovers. Plan earnings and administrative expenses are allocated based upon a participant's account balance in proportion to the balances of all participants' accounts, as defined.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon.

NOTE 1 - DESCRIPTION OF PLAN *(Continued)*

Forfeiture Accounts

These accounts are used to reduce future employer contributions. Since there have been no employer contributions into the Plan, there are no forfeited amounts.

Loans Receivable from Participants *(See Note 2)*

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum which is equal to the lesser of $50,000 or 50% of the participants account balance. The loans are treated as a participant directed investment and are only made for hardship and financial necessity. The loans are secured by the participant's vested funds and, except for notes used to acquire a principal residence, must have a repayment period of no greater than five years. The loans are made at a reasonable rate of interest that a bank or other professional lender would charge for making a loan in a similar circumstance. The interest rate for the loans outstanding during 2021 and 2020 ranged from 4.75% to 7.0%. Principal and interest are paid biweekly through payroll deductions. Repayment of the entire balance is permitted at any time. All outstanding loan balances will become due and payable in their entirety upon the occurrence of a distributive event (other than satisfaction of conditions for an in-service distribution) as defined in the Plan agreement. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Investment Rollovers

Rollovers are permitted by employees who are not yet participants in the Plan. Participants are allowed to transfer or rollover funds into the plan from other qualified plans. In-kind rollovers are not permitted.

Payment of Benefits and Distributions

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in monthly, quarterly semi-annual or annual installments. Participants may elect to receive such distributions in the form of a life annuity. Hardship distributions are also permitted but cannot exceed the amount necessary to meet the participant's financial hardship. The Plan may also elect to make involuntary distributions of amounts less than $1,000. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. A participant who receives a hardship distribution is prohibited from making contributions to the Plan for six months from the date of the distribution. Distributions from a participant's Roth account are subject to certain restrictions by law, as defined in the Plan document.

NOTE 1 - DESCRIPTION OF PLAN *(Continued)*

Payment of Benefits and Distributions *(Continued)*

The Plan also includes an involuntary cash out provision for all terminated employees whose vested account balance does not exceed $5,000.

If the vested account balance exceeds $5,000, the terminated employee must consent to any distribution of their account. The Plan Administrator may commence distribution of a vested account without consent at the time that payments must begin under applicable federal law. Special rules apply to persons who are deemed to own more than 5% of the Sponsor.

Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. The net assets of the Plan, less any Plan expenses, would then be distributed to participants in accordance with the Plan's provisions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

As described in Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC), 972, investments are valued at the fund's net asset value reflecting all investments at fair value on the last day of the Plan year. The fund's net asset value is determined by the bank or entity sponsoring such funds by dividing the fund's net assets at fair value by its units outstanding at the valuation date.

Loans Receivable from Participants

In accordance with Accounting Standards Update 2010-25, Reporting Loans to Participants by Defined Contribution Pension Plans (ASU 2010-25), loans to participants are reported at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investment Valuation and Income Recognition

Investments are held in separate investment accounts that invest in publicly traded mutual funds and are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value) as reported by the fund managers. Fair value is determined based upon quoted market prices, which represent net asset value per share. Fund transactions are accounted for on the trade date (date the securities are purchased and sold). Interest income is accounted for on the accrual basis. Dividend income is accounted for on the ex-dividend date.

Participant loans are valued at cost, which approximates fair value. The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net appreciation (depreciation) in the fair value of its investments, which consists of realized gains and losses and the unrealized appreciation (depreciation) on those investments.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of certain assets, liabilities and disclosures of contingencies, if any, at the date of the financial statements, and the additions to and deductions from net assets available for benefits during the reporting period. Accordingly, actual results may differ from those estimates. Such estimates are developed based on the best information available to management and management's best judgement at the time. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Payment of Benefits

Benefits are recorded when paid.

Tax Status

The underlying standardized prototype plan has received an opinion letter from the Internal Revenue Service dated March 31, 2008, stating that the written form of the

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Tax Status *(Continued)*

underlying prototype document is qualified under section 401(a) of the IRC, and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan has adopted the provisions of FASB ASC 740, *Accounting for Uncertainty in Income Taxes*. The standard clarifies the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribes a threshold of more-likely-than-not for recognition of tax benefits of uncertain tax positions taken or expected to be taken in a tax return. The standard also provides related guidance on measurement, derecognition, classification, interest and penalties, and disclosure. The adoption of this standard did not have an impact on the Plan's financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are no audits currently in progress. The Plan is no longer subject to income tax examinations for years prior to 2018.

Administrative Expenses

The Sponsor has elected to pay all administrative expenses incurred by the Plan except for certain transaction fees such as loan and distribution requests, which are paid by the Plan.

Excess Contributions Payable

Contributions in excess of the Internal Revenue Code ("IRC") limitations are refunded to the participants in the year the corrective refund is made.

Subsequent Events

Management has evaluated subsequent events or transactions through September 21, 2022, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan has implemented FASB ASC 820-10, *"Fair Value Measurements and Disclosures*" FASB ASC 820-10 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted observable quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Basis of Fair Value Measurement

Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3 Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following tables present by level, within the fair value hierarchy the Plan investment assets at fair value, as of December 31, 2021 and 2020. As required by FASB ASC 820-10, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

	Level 1	Level 2	Level 3	2021 Total
Mutual funds	$ 17,361,986	$ -	$ -	$ 17,361,986
Bond funds	106,495	-	-	106,495

Basis of Fair Value Measurement *(Continued)*

	Level 1	Level 2	Level 3	2020 Total
Mutual funds	$ 14,755,834	$ -	$ -	$ 14,755,834
Bond funds	190,537	-	-	190,537
Money market funds	5,259	-	-	5,259
Total investments at fair value	$ 14,951,630	$ -	$ -	$ 14,951,630

NOTE 4 - GUARANTEED INTEREST ACCOUNT

The Plan has investments in a traditional fully benefit-responsive guaranteed investment contracts with Voya Retirement Insurance and Annuity Company ("VRIAC") totaling $1,011,968 and $1,855,578 at December 31, 2021 and 2020, respectively. These accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. VRIAC is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is reviewed annually but may not be less than 3 percent. The Guaranteed Accumulation Account ("GAA") does not permit the insurance company to terminate the agreement prior to the completion of 5 years.

These contracts meet the fully benefit-responsive contract criteria and therefore are reported at contract values. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by VRIAC, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

GAA guarantees stipulated rates of interest for stated periods. Amounts withdrawn from plan accounts before the end of a guaranteed term may be subject to a market value adjustment. Amounts in GAA may be transferred to other investment options at any time subject to certain limits.

NOTE 5 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE (UNAUDITED)

The Plan's administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustees have certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

a. Investments, as shown in the statements of net assets available for benefits, as of December 31, 2021 and 2020.

b. Net depreciation in market value of investments, as shown in the statements of changes in net assets available for benefits for the year ended December 31, 2021 and 2020.

c. The schedule of assets (held at end of year) as of December 31, 2021 as presented in the supplemental schedule.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 6 - ROLLOVER CONTRIBUTIONS

Aggregate amounts of $49,857 and $4,231 were rolled into the Plan during the years ended December 31,2021 and December 31,2020, respectively and are included in rollovers on the statement of changes in net assets available for benefits.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options in separate investment accounts that invest in publicly traded mutual funds. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits. The Plan is covered under a fidelity bond for an amount up to 10% of the Plan assets subject to a maximum of $500,000.

NOTE 8 - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who have or may perform services or have fiduciary responsibilities to the Plan. Certain employees and officers of the Company, who are also participants in the Plan, perform administrative services to the Plan at no cost to the Plan. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. The

Company pays all the administrative and accounting fees of the Plan. Certain plan investments are shares of mutual funds sold by Voya, the custodian, as defined by the Plan. These transactions qualify as party-in-interest transactions.

Effective July 11, 2016 the Plan entered into a Portfolio Blueprint 3(38) Program Service Agreement with Morningstar Associates, LLC (“Morningstar”) and Voya. The Program allows the Plan to delegate the fiduciary responsibility for selecting, monitoring and replacing the Plan’s designated investment options from those available on the Voya Fund Platform to Morningstar in the capacity of an “investment manager” as defined in Section 3(38) of ERISA. In connection with its services, Morningstar receives a fixed annual fee from Voya and also a fee in the amount of 0.05% of assets in the Program. This agreement shall terminate automatically upon the Plan sponsor terminating its agreement with Voya or upon Voya and Morningstar terminating their agreement.
