To the Plan Administrator and Trustees
Clifty Group, LLC 401(k) Plan
Bemidji, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Clifty Group, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 Financial Statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Clifty Group, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Clifty Group, LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Clifty Group, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Clifty Group, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Other Matter — Supplemental Schedule Required by ERISA (Continued)

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Clifty Group, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CLIFTY GROUP, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Plan Description and Summary of Significant Accounting Policies

The following description of the Clifty Group, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General Information

The Plan is a 401(k) salary reduction plan which was established on January 1, 2017 and last restated effective January 2, 2018. The Plan covers substantially all employees (other than certain nonresident aliens, leased employees and employees covered by a collective bargaining agreement) of Clifty Group, LLC (the Company) who have met the service requirements as defined by the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan's operations for the 2020 plan year were amended to adopt the provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Administration

The Custodian of the Plan's assets is Great-West Trust Company, LLC. The Plan is administered by an advisory committee (the Committee) made up of members of the Plan Sponsor's management. The Committee has the authority to control the operation, management and administration of the Plan. Administrative expenses of the Plan are paid partially by the Plan and partially by the Plan Sponsor. Administrative expenses paid by the Plan are included on the statement of changes in net assets available for benefits.

Participation

All employees other than nonresident aliens, collectively bargained employees, leased employees and certain other classes of employees (as defined by the Plan) are eligible for all aspects of the Plan on the first day of the calendar month following two months of employment and 167 hours of service. Employees who do not meet the 167 hour requirement in their first two months of employment but would otherwise be eligible, will become eligible after attaining 1,000 hours of service in a Plan year. Once employees are admitted into the Plan, they remain in the Plan until termination of employment and/or withdrawal of their individual account balance from the Plan. An employee's initial eligibility carries over to when the employee is rehired, if applicable (thus rehired employees may be eligible for participation immediately).

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Plan Description and Summary of Significant Accounting Policies (Continued)

Contributions

Each year, participants may contribute up to the maximum allowable not to exceed the limits of Internal Revenue Service (IRS) Code Section 401(k), as defined in the Plan. Contributions to the Plan are allowable on a pre-tax basis and/or on an after-tax basis (Roth contributions). Participants who have attained the age of 50 before the end of the plan year are also eligible to make catch-up contributions in any amount up to the limits prescribed by law. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their account into various investment options offered by the Plan.

The Plan includes a provision for automatic salary deferrals. Absent an election otherwise, 4% of each eligible participant's compensation is contributed to the Plan as an employee deferral.

The Company contributes to the Plan a safe harbor matching contribution of 100% of the participant's contribution on the first 4% of a participant's compensation. In addition, each year the Company may contribute a discretionary non-elective contribution to the Plan. A participant is entitled to employer discretionary non-elective contributions if employed on the last day of the plan year and having completed 1,000 hours of service during the plan year. Employees who die, become disabled, or reach normal retirement age during a Plan year will be eligible to share in employer discretionary non-elective contributions regardless of service hours or whether or not they are employed on the last day of the Plan year. There were no discretionary non-elective contributions made for the years ended December 31, 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant elective deferrals, employer matching contributions, employer non-elective contributions (if any) and an allocation of plan earnings. Allocations of plan earnings are based on the valuation of the investments (participant-directed) held in each participant's account. Participants' accounts are valued on a daily basis. The benefit the participant is entitled to is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their contributions, regular matching contributions, and any discretionary non-elective contributions, plus actual earnings thereon.

1. Plan Description and Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Within the limits of the IRC, a loan may be requested electronically by a participant. The minimum loan amount is \$1,000. The maximum loan amount may not exceed the lesser of (1) the amount which could be loaned tax-free under the applicable provisions of the IRC or (2) 50% of the loan participant's nonforfeitable account balance, reduced by the outstanding principal balance of any existing loan.

The loan repayment period is set at a maximum of 60 months. For loans used to purchase the participant's principal place of residence, the loan repayment period is set at a maximum of 180 months. The rate at which loans are issued plan-wide is the Wall Street Journal prime rate at the time of the loan plus 1.00%. No exceptions to this rate are allowed. Refinancing to secure a more favorable rate during the scheduled amortization of the loan is not allowed. Interest rates on loans outstanding as of December 31, 2021 ranged from 4.25% to 6.25%. Principal and interest is paid ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law in response to the COVID-19 pandemic. In accordance with the CARES Act, the Plan allowed participants to borrow up to \$100,000 from their account balance for loans made from March 27, 2020 through September 22, 2020. Participants were also able to delay loan repayments due between March 27, 2020 and December 31, 2020 for up to one year. The Plan was not amended for these changes since it is not required to be amended until the year ended December 31, 2022. Management intends to amend the Plan for this change prior to that date.

Payment of Benefits

Upon termination of employment, disability, death, or retirement, participants may receive the value of the participant's vested interest in the form of a lump-sum payment or if the balance exceeds \$5,000, elect to defer the benefit payment in accordance with plan guidelines. If the participant's account balance is between \$1,000 and \$5,000, the participant's balance will be paid in the form of a direct rollover to an IRA if no other election is made by the participant. Participant balances that are less than \$1,000 will be paid to the participant in the form of a lump-sum distribution with or without the participant's consent.

The Plan allows for in-service distributions from all accounts when a participant reaches normal retirement age (59 $\frac{1}{2}$). Distribution from the rollover portion of participants' accounts are allowed at any time. The Plan also allows for hardship withdrawals from all accounts.

CLIFTY GROUP, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Plan Description and Summary of Significant Accounting Policies (Continued)

Payment of Benefits (Continued)

Benefit payments are recorded upon distribution to participants.

In accordance with the CARES Act, the Plan allowed participants to take a coronavirus-related distribution from their retirement plan prior to December 31, 2020, of up to \$100,000. These distributions may be repaid to the plan over a three-year period. The Plan also suspended all required minimum distributions for 2020. The Plan was not amended for these changes since it is not required to be amended until the year ended December 31, 2022. Management intends to amend the Plan for these changes prior to that date.

Administrative Expenses

The Company pays certain administrative expenses on behalf of the Plan. Expenses paid by the Plan are included in the statement of changes in net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion on fair value measurements.

All purchases and sales of securities have been recorded on a trade-date basis. Income is recorded as earned. The increase or decrease in the fair value of investments represents the net difference between the current value of securities held at the beginning of the year or cost of securities purchased during the year and the current value of securities held at the end of the year.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Plan Description and Summary of Significant Accounting Policies (Continued)

Subsequent Events

In preparing these financial statements, Plan management has evaluated events and transactions for potential recognition or disclosure through October 4, 2022, the date the financial statements were available to be issued.

During 2022, the Plan was amended to include the employees of Clear Arc Industries, LLC and Voyageur Management Services, LLC.

2. Certification of Investments

The Board of Directors appointed Great-West Trust Company, LLC (Great West) as the custodian of the Plan's assets. The Plan Sponsor has elected to invest the assets of the Plan by means of an investment program offered by Great West and has appointed them as a recordkeeper to the Plan under a separate plan services agreement and to provide brokerage services to the Plan. Great West has supplied the plan administrator with certifications as to the completeness and accuracy of total assets of the Plan invested by the Custodian aggregating \$3,118,733 and \$2,704,680 as of December 31, 2021 and 2020, respectively, and the related investment income of \$376,444 and \$387,567, respectively, for the years then ended. Investment income includes \$3,982 and \$4,540 of interest on notes receivable from participants for the years ended December 31, 2021 and 2020, respectively. Such amounts and all related financial data are included in the accompanying financial statements and supplemental schedule of the Plan based on such certifications from the Custodian.

Under the terms of the custodial agreement, the Custodian manages investment funds on behalf of the Plan. The Custodian acts at the direction of the Plan Sponsor and plan participants when initiating purchases and sales of the investments in the investment funds.

3. Fair Value Measurements

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

CLIFTY GROUP, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

3. Fair Value Measurements (Continued)

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

General account investment: Fair value represents the value the Plan would receive if the various contracts were terminated, which is book value less any early withdrawal charges.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce fair values that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

CLIFTY GROUP, LLC 401(K) PLAN**NOTES TO FINANCIAL STATEMENTS (CONTINUED)****3. Fair Value Measurements (Continued)**

The following tables reflect the Plan's investments within the fair value hierarchy at December 31, 2021 and 2020:

As of December 31, 2021				
	Assets Measured at Fair Value	Fair Value Hierarchy Level		
		Level 1	Level 2	Level 3
Mutual funds	\$ 2,890,456	\$ 2,890,456	\$ -	\$ -
General account investments	110,791	110,791	-	-
Total Investments	\$ 3,001,247	\$ 3,001,247	\$ -	\$ -

As of December 31, 2020				
	Assets Measured at Fair Value	Fair Value Hierarchy Level		
		Level 1	Level 2	Level 3
Mutual funds	\$ 2,507,733	\$ 2,507,733	\$ -	\$ -
General account investments	106,859	106,859	-	-
Total Investments	\$ 2,614,592	\$ 2,614,592	\$ -	\$ -

4. Concentration Risk

Individual investments representing 20% or more of the total investments subject the Plan to potential concentration risk. As of December 31, 2021 and 2020, investments over the 20% threshold were as follows:

	2021	2020
American Fund 2045 Target Date Retirement Fund	N/A	\$ 595,857

N/A – Investment did not exceed 20% of plan assets as of the date listed

CLIFTY GROUP, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will retain 100% vesting in all accounts.

6. Plan Tax Status

The Company adopted a nonstandardized 401(k) Profit Sharing Plan and Trust which received a favorable opinion letter dated March 31, 2014, from the Internal Revenue Service which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The nonstandardized 401(k) Profit Sharing Plan and Trust has been amended since receiving its determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2021, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan's income tax returns are subject to examination by the appropriate regulatory authorities as of December 31, 2021, and the Plan's federal tax returns generally remain open for three years.

7. Risk and Uncertainties

The Plan provides for investment in a variety of investment funds. In general, investments are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

CLIFTY GROUP, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

8. Party-in-Interest Transactions

Transactions resulting in Plan assets being transferred to or used by a related party are considered prohibited transactions under ERISA unless a specific exemption exists. Great West is the Custodian of a portion of the Plan's assets and manages certain Plan investment transactions; therefore, the transactions qualify as party-in-interest transactions and are indicated as such on the supplemental Schedule of Assets Held at End of Year. However, the transactions are not considered prohibited transactions as ERISA regulations provide for a specific exemption for such transactions.

The Plan issues loans to participants, which are secured by the participant account balances. These qualify as party-in-interest transactions but are permitted under ERISA regulations.

Additionally, certain employees of the Company provide certain accounting and administrative services to the Plan for which no fee is charged. These transactions are also permitted under ERISA regulations.
