Plan Trustees
Huskey Truss & Building Supply, Inc. Profit Sharing Plan
Franklin, TN

We have audited the financial statements of Huskey Truss & Building Supply, Inc. Profit Sharing Plan as of and for the year ended December 31, 2021 and have issued our report thereon dated September 16, 2022. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated June 11, 2022 our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of Huskey Truss & Building Supply, Inc. Profit Sharing Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by Huskey Truss & Building Supply, Inc. Profit Sharing Plan is included in Note 1 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2021. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. The attached schedule summarizes uncorrected financial statement misstatements whose effects in the current and prior periods, as determined by management, are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to Huskey Truss & Building Supply, Inc. Profit Sharing Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated September 16, 2022.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with Huskey Truss & Building Supply, Inc. Profit Sharing Plan we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Huskey Truss & Building Supply, Inc. Profit Sharing Plan's auditors.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the supplementary information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the Plan Trustees and management of Huskey Truss & Building Supply, Inc. Profit Sharing Plan and is not intended to be and should not be used by anyone other than these specified parties.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Huskey Truss & Building Supply, Inc. Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan investment information by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Huskey Truss & Building Supply, Inc. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Huskey Truss & Building Supply, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the 2021 Financial Statements section of our report our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than on resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures

include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Huskey Truss & Building Supply, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Huskey Truss & Building Supply, Inc. Profit Sharing Plan ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(1)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presently fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules as of December 31, 2021 are presented for purposes of additional analysis and are not required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Huskey Truss & Building Supply, Inc. Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 21, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Huskey Truss & Building Supply, Inc. Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan funded by discretionary employer and employee contributions and covering all qualified employees of Huskey Truss & Building Supply, Inc. (the "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was established January 1, 1995 to provide the benefits of a qualified employee retirement plan for participants and their beneficiaries. The Plan was amended and restated effective July 1, 2000 through October 19, 2011 to modify certain Plan provisions and comply with changes in applicable tax regulations. Effective January 1, 2007, the Plan was amended to add a safe harbor matching contribution to the Plan. Effective January 1, 2008, Huskey Building Supply, Inc. was merged into the Employer Huskey Truss & Building Supply, Inc. and discontinued its sponsorship of the Plan. The Plan was amended to be known as Huskey Truss & Building Supply, Inc. Profit Sharing Plan on February 10, 2009. The Plan was amended to discontinue the Safe Harbor matching contribution effective March 12, 2009. The plan elected to reinstitute the Safe Harbor matching contribution effective January 1, 2014. Effective January 1, 2016 the plan was amended and restated to allow hardship withdrawals.

Eligibility

All employees are eligible to participate in the Plan following the attainment of twenty-one years of age and completion of one year of service. Participants may enter the Plan on the first day of the calendar quarter coinciding with or next following the date on which an employee meets the eligibility requirements.

Contributions

Each participant is eligible to make a Participant Salary Reduction Contribution elected on a pre-tax basis up to a maximum amount that would not cause the Plan to violate certain provisions as defined by the Plan document.

Effective January 1, 2007, the Plan was amended to add a Safe Harbor Matching Contribution. The Safe Harbor Matching Contribution is equal to 100% of employees' salary deferral contributions up to the first 3% of compensation, and 50% of the next 2%. The Employer discontinued the Safe Harbor Match effective March 12, 2009 but amended the plan to reinstitute the Safe Harbor Match effective January 1, 2014.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

The Employer may make an additional discretionary Employer Matching Contribution equal to a uniform discretionary percentage, determined annually by the Employer, of the Participant Salary Reduction Contribution elected by the participant. In addition, the Employer may make a Discretionary Employer Profit Sharing Contribution, as determined annually by the Employer. The Discretionary Employer Profit Sharing Contribution is allocated to participant accounts based on the age-weighted method, as defined by the Plan document. There were no discretionary contributions made for the years ended December 31, 2021 and 2020.

In order to receive the discretionary Employer Matching Contribution and/or the Discretionary Employer Profit Sharing Contribution, participants must complete a year of service during the Plan year and be actively employed on the last day of the Plan year or have terminated during the year as a result of retirement, permanent disability, or death.

Rollover contributions from other qualified plans are allowed after participants meet the Plan's eligibility requirements. Contributions are subject to certain limitations in accordance with applicable regulatory requirements.

Participant Accounts

The participants' accounts shall be increased by their Participant Salary Reduction Contributions and Rollover Contributions, and their respective proportionate shares of the Employer Matching Non-Elective and Discretionary Employer Non-Elective Contributions, any investment earnings, and increases in the fair market value of the fund since the last valuation. Participants' accounts shall be reduced by any payments made from such accounts and their respective proportionate shares of any decreases in the fair market value of the fund since the last valuation. Allocations are based on participants' earnings or account balances, as defined by the Plan document. The benefit to which participants are entitled is the benefit that can be provided from the participants' vested accounts.

Vesting

Participants are 100% vested in their Participant Salary Reduction Contribution and Rollover accounts, which are non-forfeitable at all times. Employer Matching Non-Elective and Discretionary Employer Non-Elective Contribution accounts vest 20% after two years of service, and 20% per year thereafter, resulting in 100% vesting after 6 years. A year of service for vesting purposes is any Plan year in which an employee completes not less than 1,000 hours of service. Participants' accounts also become fully vested upon normal retirement, death or disability or termination of the Plan. Effective January 1, 2007, the Safe Harbor Matching Contribution will be 100% vested.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Investment Options

Employer, employee, and rollover contributions and any earnings thereon may be directed by the participant into mutual funds that are approved by Plan management and held by Fidelity.

Participants may change their investment options at any time.

Funds may also be held temporarily in a cash account pending allocation into participants' accounts or to hold any forfeitures that have not been applied to reduce Employer contributions. This account does not represent an investment option that can be chosen by participants. At December 31, 2021, this amount was \$0 (\$0 at December 31, 2020).

Payment of Benefits

Benefit distributions equal to vested benefits are payable to participants or their beneficiaries upon retirement, death, disability, or termination of employment. The method of distribution shall be determined by the Plan administrator in accordance with the provisions of the Plan. Participants may, with the consent of the Employer, remain in the active employment of the Employer beyond normal retirement age. However, for over 5% owners, distributions from the participant accounts must begin by April 1 of the calendar year following the calendar year in which participants reach age 70 ½, whether or not participants have retired.

Withdrawals

The plan was amended on January 1, 2016 to permit hardship withdrawals, as defined by the Plan document. Employee deferrals must cease for six months following a hardship withdrawal.

Forfeitures

Forfeitures result from termination of employment under circumstances that do not entitle the participant to be fully vested in his Employer Matching Non-Elective and Discretionary Employer Non-Elective Contribution accounts. Forfeitures are used first to reinstate previously forfeited account balances of former participants. Any remaining forfeitures are used to offset the Employer Matching Non-Elective and Discretionary Employer Non-Elective Contributions to the Plan.

Forfeited nonvested accounts totaled \$0 as of December 31, 2021 and 2020.

If any employee is re-employed before five consecutive breaks in service and repays the full amount which had been distributed for his/her vested interest, then the forfeited account shall be reinstated. A break in service occurs when an employee has not completed more than 500 hours of service with the Employer during the year.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Administrative Expenses

The Plan is responsible for its administrative expenses unless paid by the Employer. The plan paid administrative expenses of \$23,319 for the year ended December 31, 2021.

Participant Loans

Participant loans are not permitted by the Plan.

Plan Termination

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to amend or terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, all participant accounts will become fully vested. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Employer may determine.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets available for Benefits presents the fair value of the investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared using the contract value basis for fully benefit-responsive investment contracts.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

See Independent Auditor's Report

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net decline includes the Plan's gains and losses on investments bought and sold as well as held during the year. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end.

Payment of Benefits

Benefit payments are recognized in the statement of changes in net assets available for benefits in the period paid.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted process from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

DECEMBER 31, 2021

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>	<u>Total</u>
<u>2021</u>				
Mutual funds	<u>\$ 8,629,104</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,629,104</u>
Investments at fair value	<u><u>\$ 8,629,104</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 8,629,104</u></u>
<u>2020</u>				
Mutual funds	<u>\$ 7,339,556</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,336,556</u>
Investments at fair value	<u><u>\$ 7,339,556</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 7,339,556</u></u>

NOTE 4 - INFORMATION CERTIFIED BY THE CUSTODIAN

As permitted by Section 29 CFR 2520.103-5 (c) of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure Under ERISA, the Plan Trustees have elected that the information certified by the Custodian, Fidelity, not be subjected to any auditing procedures, except for comparing such information to the related information contained in the financial statements and supplemental schedule.

The Custodians certified all investments (individually and in summary) as of December 31, 2021 and 2020, and investment transactions for the year ended December 31, 2021 including investment income, realized and unrealized gains and losses, and all supplementary information.

See Independent Auditor's Report

NOTE 5 - RISKS AND UNCERTAINTIES

Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 - INCOME TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan's tax counsel and Trustees believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 7 - PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Parties-in-interest are defined under United States Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others. Certain Plan investments are held and managed by Fidelity Investments. Fidelity Investments is the custodian, as defined by the Plan document and, therefore, these transactions qualify as party-in-interest transactions. Parties-in-interest transactions primarily include administrative expenses related to invested assets which are recorded against net asset values of each investment fund. Certain other professional fees related to participant record-keeping were paid by the Employer and not charged to the Plan. These party-in-interest transactions are exempt from the prohibited transaction provisions of ERISA and the Internal Revenue Code.

NOTE 8 - SUBSEQUENT EVENTS

The Plan Sponsor has evaluated events and transactions that occurred between December 31, 2021 and September 16, 2022, the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.
