INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
of the Manco Abbott, Inc. 401(k) Plan
Fresno, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Manco Abbott, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Manco Abbott, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2021 and 2020, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator
of the Manco Abbott, Inc. 401(k) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Manco Abbott, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Manco Abbott, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Manco Abbott, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Manco Abbott, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

MANCO ABBOTT, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Manco Abbott, Inc. (the Company) 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan effective January 1, 1993, which covers substantially all employees of the Company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan has been restated for final PPA regulations effective January 1, 2015. The Plan's purpose is to enable eligible employees to defer a portion of their salary to provide for their retirement.

Eligibility

An employee becomes eligible to participate in the Plan when at least 21 years old and has completed one year of service.

Employee contributions

An employee will be eligible to elect to make a pre-tax or Roth salary deferral on the first day of the month following completion of the age and service requirements. Plan participants may contribute a percentage of their annual compensation to the Plan up to the maximum determined annually by the Internal Revenue Service. If the participant is age 50 or older, the participant may elect to defer additional amounts as defined by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation. Effective January 1, 2016, the Plan has an auto escalation feature whereby participants that were automatically enrolled will have an annual 1% increase in deferrals up to a maximum deferral rate of 5%.

Employer contributions

The Company makes a matching contribution equal to fifty (50) percent of the first four (4) percent of the participant's compensation which is contributed as an elective deferral.

Contributions are subject to certain IRS limitations.

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined. Participants may direct the investment of their contributions, and any employer contributions, into a variety of mutual funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus earnings thereon. Employer matching contributions are based on a six-year graded vesting schedule as determined by years of continuous service. An employee becomes 100% vested for employer matching contributions if employed while attaining early retirement age or if deceased or disabled.

MANCO ABBOTT, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Notes receivable from participants

Participants may borrow a minimum of \$500 up to the lesser of \$50,000 or 50% of the participant's vested account balance. The loans are secured by the balance in the participant's account. Participant loans are to be repaid with interest at least quarterly and in a time period not to exceed five years, unless the loan is for the purchase of the participant's principal residence, in which case the loan must be repaid with interest in a time period comparable to the repayment period permitted by commercial lenders for similar loans, not to exceed 15 years. Participant loans bear a reasonable interest rate which is defined by the Loan Policy as the prime rate plus 1%. Principal and interest is paid ratably through semi-monthly payroll deductions.

Payment of benefits

Upon retirement, death or disability, distributions may be made in the form of a lump sum of the participant's vested account balance, or a single lump sum distribution of a portion of the participant's vested account balance. A participant may not make withdrawals from their account prior to attaining age 59½ except in the event of death, total or permanent disability, retirement, termination of employment, or proven hardship.

Forfeitures

Forfeitures (participants' allocated interest in plan assets which are not vested because employment is terminated before the vesting period is complete) are used to reduce future employer contributions. If a participant does not receive a distribution of their vested account balance, the nonvested portion is forfeited at the end of the plan year during which the participant incurs their fifth consecutive one-year break in service. At December 31, 2021 and 2020, there were no forfeited nonvested accounts for each year. In 2021 and 2020, employer contributions were reduced by \$11,044 and \$839, respectively, from forfeited nonvested accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

MANCO ABBOTT, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability. The Plan distributed the 2021 and 2020 excess contributions to the applicable participants prior to March 15th of the following year.

Payment of benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value investments.

Date of management's review of subsequent events

Plan management has evaluated subsequent events through September 22, 2022, the date the financial statements were available to be issued.

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Level 1 fair value measurements

Mutual funds: The fair value of the mutual funds held by the Plan at year-end are based on the closing price reported on the active market where the individual mutual funds are traded.

Level 3 fair value measurements

The CUNA Mutual Group guaranteed account is a deposit administration group annuity contract. The contract value approximates fair value. It provides guaranteed protection of principal with a set rate of return. The fund seeks a high level of current income consistent with preservation of capital by investing primarily in corporate bonds, mortgage-backed securities, collateralized obligations, high quality commercial mortgage loans, municipal bonds and other high-grade fixed income securities.

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Certain information related to investments in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments for the years ended December 31, 2021 and 2020, were obtained by management and agreed to or derived from information certified as complete and accurate by MG Trust Company dba Matrix Trust Company, the custodian of the Plan.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian as of and for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Investments at fair value:		
Mutual funds	\$ 5,797,493	\$ 4,955,437
Guaranteed account	\$ 164,274	\$ 164,132
Interest and dividends	\$ 400,144	\$ 172,045
Net appreciation in fair value of investment funds	\$ 271,796	\$ 609,697

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTE 6 – ALLOCATION OF ASSETS

Net assets available in the amount of \$915,140 and \$322,202 for the years ended December 31, 2021 and 2020, respectively, have been allocated to the accounts of employees who have separated service with the employer. Non-vested amounts subject to forfeiture total \$14,688 and \$13,929 as of December 31, 2021 and 2020, respectively.

NOTE 7 – RELATED PARTY TRANSACTIONS

The Plan's assets are managed by MG Trust Company dba Matrix Trust Company. Plan management includes recordkeeping and investment services related to contributions received, plan earnings and distributions. Fees associated with each managed fund are built into the expense ratio for that fund. Broker commissions paid by MG Trust Company dba Matrix Trust Company related to the Plan totaled \$13,439 and \$10,511 for the years ended December 31, 2021 and 2020, respectively. SFG Retirement Plan Consulting, LLC, provided investment advisory services. The services to the Plan qualify as party-in-interest transactions. Third party administrative services are paid for by the Plan. Third party administrative compensation paid by MG Trust Company dba Matrix Trust Company was \$19,753 and \$14,036 for the years ended December 31, 2021 and 2020, respectively.

MANCO ABBOTT, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 7 – RELATED PARTY TRANSACTIONS (continued)

Administrative functions are jointly performed by employees of the Company and CPI Qualified Plan Consultants, Inc. No employee receives compensation from the Plan. The independent auditor's fees are paid directly by the Company.

NOTE 8 – TAX STATUS

The Plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
