Independent Auditor's Report

To the Plan Administrator and Participants of
Buck Distributing 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Buck Distributing 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Buck Distributing 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Buck Distributing 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Buck Distributing 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Buck Distributing 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Buck Distributing 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The 2021 supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by Askey, Askey & Associates, CPA, LLC. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed Askey, Askey & Associates, CPA, LLC not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their audit report, dated October 12, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from information certified by a qualified institution, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 – DESCRIPTION OF THE PLAN

General

The following description of Buck Distributing 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan, subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA) that was established on January 1, 1998. The Plan covers all employees who have completed three months of service and are at least twenty-one years of age, except for union employees whose employment is governed by a collective bargaining agreement in certain circumstances.

Effective June 22, 2020, Hammond Beverage Group of MD, LLC dba Buck Distributing (the Employer) assumed sponsorship of the Plan. The Plan name was changed to Buck Distributing 401(k) Profit Sharing Plan and prior service with Buck Distributing Company, Inc. will be recognized under the Plan for all purposes including eligibility, vesting and contribution allocations.

Administration

T. Rowe Price Retirement Plan Services, Inc. (TRP RPS) has been engaged to serve as the recordkeeper that processes and maintains the records of participant data. Reliance Trust Company (Reliance Trust) has been engaged to serve as the trustee. The Employer serves as the plan administrator and is responsible for the day-to-day operations and oversight of the Plan.

Participant Contributions

Participants may elect to contribute a percentage of their eligible pre-tax compensation to the Plan up to the amount allowable under current income tax regulations. Participants who elect to contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision where all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants who have attained age 50 before the end of the Plan year may make additional catch up contributions, subject to limitations imposed by the Internal Revenue Code (IRC).

Employer Contributions

The Employer may elect to make discretionary matching contributions equal to a percentage of the participant's elective deferrals and eligible compensation. The Employer matched 100% of employee contributions up to 1% of compensation for the year ended December 31, 2021. Employer matching contributions for the year ended December 31, 2021, totaled \$50,064. At its discretion, the Employer may also elect to make an annual profit sharing contribution. The Employer did not make a profit sharing contribution for the year ended December 31, 2021.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's matching contributions if any, allocations of the Employer's profit sharing contribution if any, and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and related earnings. A participant shall become fully vested in employer matching and profit sharing contributions and related earnings upon normal retirement, death or total and permanent disability as defined by the Plan. Otherwise, participants vest in the Employer's matching and profit sharing contributions and related earnings according to the following schedule.

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Investments

The Plan invests participant-directed contributions in a number of mutual funds and a common collective trust. Each participant's elective contributions will be invested into those investments selected by the participant. The Employer contributions will be invested into the same investments as the elective contributions. For those participants who do not make an investment allocation selection, their contributions and the related Employer contributions are automatically invested into a default investment designated by the Plan.

Forfeitures and Administrative Expenses

Non-vested amounts will be forfeited by participants upon termination and may be used to pay administrative expenses of the Plan or to reduce discretionary Employer contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$43,023 and \$35,802, respectively.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Forfeitures and Administrative Expenses (Continued)

The Plan receives an annual administrative budget of \$22,000 from T. Rowe Price Retirement Services, Inc., the recordkeeper for the Plan, which may be used to pay certain administrative expenses of the Plan. No funds were used from this budget for the year ended December 31, 2021.

Payment of Benefits

Upon retirement (age 65) termination of employment, death, total and permanent disability, attainment of age 59 ½ or qualified financial hardship, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum payment. Partial withdrawals or installment payments are only permitted for those participants who must receive required minimum distributions. Distributions are subject to the applicable provisions of the Plan agreement. In addition, upon termination, the Plan allows for automatic lump sum distributions of participants vested account balances that do not exceed \$5,000. Certain income taxes and penalties may apply to withdrawals or distributions prior to age 59 ½.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the participant's vested account balance and no more than five outstanding notes are permitted at any time. Such notes bear interest at 1% over the prime rate and must be repaid to the Plan within five years, unless the note is used to purchase a principal residence. The specific term and conditions of such notes are established by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participant accounts will become fully vested and non-forfeitable.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements. Purchases and sales of investments are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments include the Plan's gains and losses on investments bought and sold, as well as held during the Plan year.

The Plan's investment in the common collective trust is valued based on the net asset value (NAV) of the units held by the Plan at the end of the year. The Nav is primarily based on the quoted market prices of the underlying mutual funds and is adjusted for certain contract charges and fees. The NAV per unit is used as the practical expedient to estimate fair value.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make note repayments and the Plan administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to specific participant transactions are charged directly to participant accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

NOTE 3 – INFORMATION CERTIFIED BY CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian, Reliance Trust Company, has certified that the following data included in the accompanying financial states and supplemental schedules is complete and accurate.

A summary of the Plan's financial information, which has been certified by the Plan's custodian, is presented as follows:

Mutual funds	\$ 16,250,242
Common/Collective Trust	<u>324,546</u>
Total	16,574,788
Income/Loss:	
Interest	10,256
Dividends	1,557,711
Net appreciation of fair value of investments (including gains and losses on investments bought and sold, as well as held during the year)	<u>602,410</u>
Total	<u>\$ 2,170,377</u>

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2

Inputs, other than quoted prices included in level 1, that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Interest-Bearing Cash

Valued at amortized cost, plus accrued interest, which approximates fair value.

Mutual Funds

Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities & Exchange Commission (SEC). These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust

Valued at the NAV of units of the trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

December 31, 2021	Level 1	Level 2	Level 3	Total

Total Assets in The Fair Value Hierarchy	16,250,242	-	-	16,250,242
Investments Measured at Net Asset Value (a)				324,546
Total Investments, at Fair Value				\$ 16,574,788

Investments Measured at Net Asset Value (a)				339,206
Total Investments, at Fair Value				\$ 15,209,382

(a) In accordance with FASB ASC 820-10, certain investments were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020, respectively. There are no unfunded commitments and no participant redemption restrictions for the investment; the redemption notice period is applicable only to the Plan.

	Fair Value at December 31, 2021	Fair Value at December 31, 2020	Redemption Frequency (If Currently Eligible)	Redemption Notice Period

NOTE 5 – TAX STATUS

The Plan has been recognized by the Internal Revenue Service (IRS) as a qualified volume submitter plan under the IRC Sections 401(a) and 401(k) and is exempt from federal income taxes under the provisions of IRC Section 501(a). A determination letter has been obtained for the volume submitter plan dated June 1, 2015; however, no application has been made for a determination letter for this specific plan. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC, and, therefore, believe that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments as they are paid through revenue sharing rather than direct payment. The Plan made a direct payment of \$8,969 to T. Rowe Price Retirement Plan Services, Inc. for recordkeeper services, which was not covered by revenue sharing. As described in Note 2, T. Rowe Price Retirement Plan Services, Inc. contributed \$22,000 to the Plan's expense account for the year ended December 31, 2021. Notes receivable from participants also qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan's investment options provide participants with a variety of investment alternations with differing levels of risk and income potential. Investment securities are exposed to various risks such as interest rate, credit, and overall market versatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – ROLLOVER CONTRIBUTIONS

For the year ended December 31, 2021, there were no rollover contributions.

NOTE 9 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 27, 2022, the date the financial statements were available to be issued. There were no events that required recognition or disclosure in the financial statements.
