Independent Auditor's Report

Plan Administrator and Participants
RPC, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of RPC, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from two qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 5, on November 12, 2021, all account balances of employees associated with Cat Entertainment Services were transferred to the CES Power, LLC 041(k) Plan. All participants were notified of this transfer on August 31, 2021. All plan assets were transferred to the CES Power, LLC 401k Plan on November 12, 2021. Our disclaimer of opinion has not been modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for 12 months beyond the date of the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by two qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 8, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Retirement Savings Plan

Notes to Financial Statements

Note 1. Plan Description

The following description of the RPC, Inc. Retirement Savings Plan (the Plan) as amended and restated effective June 1, 2015, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan, established in 1995, is a defined contribution Plan available to substantially all employees of RPC, Inc. and SITECH North and Central Florida, LLC (the Company or Employer) who have three months of service and no age requirements. Eligible employees can enroll on the first day of each quarter. Collectively bargained employees and non-resident aliens are excluded from participation in the Plan. The Board of Directors of the Company is responsible for oversight of the Plan and the determination of the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan amendment: During 2021, the Plan implemented two amendments to allow all participants of Cat Entertainment Services to be 100% vested as of sale date and allowed loan balances for participants associated with Cat Entertainment Services to be rolled over to the new plan. See Note 5.

Contributions: Participants may contribute up to 100% of their compensation to the Plan up to the Internal Revenue Code maximum limits. The maximum allowable pretax voluntary contribution, as determined by the Internal Revenue Service (IRS), was \$19,500 for 2021. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions of up to \$6,500. A Roth elective contribution feature allows employees to make after-tax contributions into the Plan as well. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company provides for a matching contribution of 50% of participant contributions up to 7% of compensation. The Company may also make discretionary employer contributions to employees who have at least one year of service with a minimum of 1,000 hours in a 12-month consecutive period. During the year ended December 31, 2021, there were \$6,000,000 of discretionary employer contributions made. As of December 31, 2021, discretionary employer contributions are included in employer contributions receivable in the accompanying statements of net assets available for benefits. In addition, the Company may make special contributions, which include the qualified non-elective contributions (QNEC). No QNEC was made during the year ended December 31, 2021. Contributions are subject to certain IRS limitations.

Auto-enrollment: The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

Auto increase: The Plan also includes an auto-escalation provision whereby participants are subject to an annual automatic deferral rate increase of 1% until their deferral rate reaches 10% of eligible compensation. Participants may elect to discontinue their participation in the automatic deferral rate increase at any time.

Investment options: Upon enrollment in the Plan, a participant may direct all contributions to selected investments as made available and determined by the Plan Administrator in 1% increments. Participants may change their investment options daily.

Note 1. Plan Description (Continued)

Participant accounts: Each participant's account is credited with the participant's contributions, their portion of the Employer's matching contribution and discretionary contribution (if any) and Plan earnings. Participant accounts are charged with an allocation of Plan losses and administrative expenses that are paid by the Plan. Allocations are based on participants' contributions or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions and any QNEC plus or minus actual earnings and losses thereon. Participants are vested in the Company contributions plus or minus actual earnings and losses thereon based on years of continuous service. The Plan provides for 20% vesting of a participant's account for each full year of credited service, as defined in the Plan agreement. Participants are 100% vested after five years of credited service.

Regardless of years of service, participants become 100% vested in their accounts upon reaching normal retirement age, death, permanent disability or upon termination of the Plan.

Payment of benefits: On termination of service due to death, disability or reaches retirement age, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or receive regular installments over a set number of years, if such vested interest is greater than \$5,000. The normal retirement age, as defined by the Plan, is age 65. For anyone hired after December 2009, the normal retirement ages, as defined by the Plan is the later of age 65 or the fifth anniversary of participation. If a participant terminates before retirement and has a vested account balance in excess of \$5,000, they may elect a lump-sum payment or annual installments over a set number of years. Vested account balances less than \$5,000 will be distributed as a lump-sum as soon as administratively practicable.

Participants may request hardship withdrawals of elective deferrals, rollover contributions and vested employer contributions under certain circumstances, as defined in the Plan document. Participants may request in-service withdrawal of deferrals or rollovers at age 59½ and in-service withdrawal of the Company's match at 59½ and 15 years of service. In addition, participants and surviving spouses may convert some or all of their distributions of vested account balances to a designated Roth account within the Plan.

Forfeited accounts: Forfeitures of participants' non-vested account balances are to be used to reduce future Company contributions or pay Plan expenses. As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$108,355 and \$150,972, respectively, and forfeitures used to reduce employer contributions of the Plan totaled \$374,478 for the year ended December 31, 2021.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000, up to the lesser of \$50,000 or 50% of the participant's vested balance in the Plan. A participant may not have more than one note outstanding at any time. The notes, which are collateralized by the balance in the participant's account, bear interest at a fixed rate (prime plus 1%), which ranged from 4.25% to 9.25% as of December 31, 2021, and mature through November 2029. Principal and interest are repaid ratably through payroll deductions. All notes are repaid within a period of five years, except notes for the participant's principal residence, which must be repaid in a reasonable period of time, not to exceed 15 years.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Retirement Savings Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's Board of Directors determines the Plan's valuation policies utilizing information provided by the investment trustee and custodian. See Note 4 for discussion of fair value measurements.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement for that portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis as earned. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits. The guaranteed investment account with Empower represented 21% and 23% of the Plan's net assets as of December 31, 2021 and 2020, respectively. As such, this investment is considered a concentration of credit risk.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. If a participant ceases to make note repayments and the Plan Administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded based on the terms of the Plan. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Excess contributions payable: Participant contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions.

Payment of benefits: Benefits are recorded when paid.

Expenses: Certain administrative expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Administrative expenses reflected in the financial statements include fees related to the administration of notes receivable that are charged directly to the participant's account and certain recordkeeping fees paid by the Plan (as provided for in the Plan agreement). Investment related expenses are included in net appreciation of fair value of investments.

Subsequent events: The Plan Administrator has evaluated subsequent events (events occurring after December 31, 2021) through August 2, 2022, which is the date these financial statements were available to be issued.

Note 3. Investment Information Certified or Provided by Reliance Trust Company (Trustee) and Empower/MassMutual (Custodians)

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and ERISA-required supplemental schedule obtained by management and agreed to or derived from information certified by Reliance Trust Company (RTC), the trustee and Empower, custodian of the Plan as of and for the year ended December 31, 2021 and from information certified by RTC, the trustee and MassMutual, custodian of the Plan as of and for the year ended December 31, 2020. The Plan Administrator has obtained certifications from the trustee as of December 31, 2021 and 2020 that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate to the best of their knowledge and has obtained certifications from the custodians as of December 31, 2021 and 2020 that information provided to the Plan Administrator by the custodians related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

	2021	2020
Investments at fair value:		
Registered investment companies (mutual funds)	\$ 42,552,656	\$ 38,075,293
Pooled separate accounts	182,137,152	163,089,149
	<u>\$ 224,689,808</u>	<u>\$ 201,164,442</u>
Investments at contract value:		
Guaranteed investment account	<u>\$ 61,208,750</u>	<u>\$ 63,225,940</u>
Notes receivable from participants	<u>\$ 5,651,024</u>	<u>\$ 5,662,377</u>

The trustee and custodians also certified to the completeness and accuracy of \$29,877,912 of net appreciation in fair value of investments and \$2,175,417 of interest and dividend income related to the aforementioned plan assets for the year ended December 31, 2021.

Notes to Financial Statements

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Valued at NAV of shares in each account held by the Plan at year-end. The net asset value is not a publicly-quoted price in an active market. The NAV, as provided by the insurance carrier, is used as a practical expedient to estimating fair value.

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Description	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies (mutual funds)	\$ 42,552,656	\$ -	\$ -	\$ 42,552,656

Investments measured at NAV (a)				163,089,149
Investments at fair value				<u>\$ 201,164,442</u>

- (a) In accordance with Fair Value Measurements topic, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is estimated using NAV per share (or its equivalent) as a practical expedient as of December 31, 2021 and 2020:

Note 5. Plan Transfer

On November 12, 2021, the balances associated with Cat Entertainment Services division was transferred to the new CES Power, LLC 401(k) Plan. On August 31, 2021, all participants associated with Cat Entertainment Service were notified of the transfer and the blackout period that was imposed on November 8, 2021, through November 12, 2021. During the blackout period, participants were temporarily unable to direct or diversify any investments in an individual account, obtain a plan loan or obtain a plan distribution. The transfer became effective on November 10, 2021, and the transfer of assets to the CES Power, LLC 401(k) Plan was completed on November 12, 2022. A total of \$12,904,264 of plan assets were transferred to the new CES Power, LLC 401(k) Plan as a result of this transaction. All participants retained their vested interest in their account balances in connection with this transaction.

Note 6. Fully Benefit-Responsive Investment Contract

The Plan has a guaranteed investment account with Empower, which, as described in Note 2, has been determined to be fully benefit-responsive. The guaranteed investment account is provided through a group annuity contract. Under the terms of the group annuity contract, a crediting rate is established for amounts invested in the guaranteed investment account and participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their account balance at contract value. Contract value represents contributions plus credited interest less participant withdrawals and fees. Because the trust fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits to the fund. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The principal is guaranteed as long as the contract is in force.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

The crediting interest rate is based on a formula agreed upon with the issuer and guaranteed not to be less than 3%. However, the average yield earned by the Plan and credited to participants may differ from the guaranteed rate due to interest being credited based on contract values, the timing of cash flows and the process by which rates may be reset during the plan year and simplified assumptions used in the calculation of the average yield credited to participants. Such interest rates are reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

Certain events may limit the ability of the Plan to transact at contract value. Such events include, but may not be limited to, the following: (1) removal from the Plan of one or more groups or classifications of participants; (2) Plan termination or merger; (3) Plan disqualification; (4) premature termination of the contract; or (5) changes in the Plan prohibition on competing investment options. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

In addition, certain events allow the issuer to fully or partially terminate the contract with the Plan and settle at an amount different from the contract value. Those events may be different under each contract. Examples of such events include, but may not be limited to the following: (1) an uncured violation of the Plan's investment guidelines; (2) a breach of material obligation under the contract; or (3) a termination or partial plan termination of the Plan.

Retirement Savings Plan

Notes to Financial Statements

Note 7. Related-Party and Party-in-Interest Transactions

Empower is the recordkeeper of the Plan; therefore, transactions with Empower qualify as party-in-interest transactions. Fees paid by the Plan to Empower totaled \$82,293 for the year ended December 31, 2021. The Sponsor also paid certain administrative expenses of the Plan.

Note 8. Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 9. Tax Status

Effective June 1, 2015, the Plan adopted a volume submitter plan sponsored by Empower. The volume submitter plan provider has received an advisory letter from the IRS as to the volume submitter plan's qualified status. The volume submitter advisory letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any significant uncertain tax positions that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to net assets per the Form 5500:

	December 31	
	2021	2020
Net assets available for benefits per the financial statements	\$ 297,549,582	\$ 273,552,759

Net assets per the Form 5500	<u>\$ 291,549,582</u>	<u>\$ 270,052,759</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to net income per the Form 5500:

	Year Ended December 31, 2021
Net increase in net assets available for benefits per the financial statements	\$ 36,901,087
Change in employer contributions receivable	(2,500,000)
Net income per the Form 5500	<u>\$ 34,401,087</u>

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
