REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Trustees
The Charles Machine Works, Inc. Employee Stock Ownership Plan and Trust

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements
We have performed an audit of the financial statements of The Charles Machine Works, Inc. Employee Stock Ownership Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets in liquidation as of December 31, 2021, and the related statement of changes in net assets in liquidation for the year ended December 31, 2021, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Grant Thornton LLP is the U.S. member firm of Grant Thornton International Ltd (GTIL). GTIL and each of its member firms are separate legal entities and are not a worldwide partnership.

Basis for opinion on the 2021 financial statements
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s responsibilities for the audit of the 2021 financial statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A - DESCRIPTION OF PLAN

The following description of The Charles Machine Works, Inc. Employee Stock Ownership Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of Plan provisions.

General

The Plan is an employee stock ownership and profit sharing plan covering employees of The Charles Machine Works (the "Company" or the "Employer" or the "Plan Sponsor"), and the subsidiaries, Radius HDD Direct, LLC, American Augers, Inc., Earth Tool Company, LLC, and Subsite, LLC who have attained the age of 18 and have three months of continuous employment or have completed one year of service, which is equivalent to 1,000 hours in a Plan year. Employees of the Company's other affiliates or subsidiaries, and leased employees are not eligible to participate in the Plan. Employees may begin participating in the Plan on the first day of the month after the employee meets the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Plan Termination

On April 1, 2019 (the "Acquisition Date"), pursuant to an agreement and plan of merger (the "Merger Agreement"), the Company was acquired by The Toro Company ("TTC"). On the Acquisition Date, TTC acquired all outstanding shares of the Company, including the shares of Company's stock in the Plan in exchange for cash and certain deferred purchase price provisions. Effective with the Plan's termination, all participants and beneficiaries with an account balance remaining in the Plan became fully vested in the Plan regardless of status or years of vested service.

During 2021, in order to liquidate the remaining balances in the Plan, all participants with balances in the Plan were notified to take a distribution or elect to have their balances rolled over into an Individual Retirement Account ("IRA") with Millennium Trust Company, LLC ("Millennium Trust") by November 15, 2021. For those participants who did not take a distribution by this date, the remaining balances were rolled over into an IRA with Millennium Trust. The total amount of rollovers into Millennium Trust during 2021 was $2,844,144 and is recorded on the statement of changes in net assets in liquidation.

All remaining assets of the Plan were distributed during the year ended December 31, 2021.

Prior to plan termination, provisions of the Plan were as follows:

Contributions

The Company made discretionary profit sharing and discretionary stock contributions to the Plan. The Company's stock contributions were made in cash and then used to acquire stock of the Company, which was credited to the participant's individual stock account. Only participants who completed one year of service and were employed on the last day of the Plan year received an allocation of Employer contributions. Employees were not permitted to make contributions to the Plan. There were no contributions to participants made during the 2021 plan year.

Participant Account

Each participant's account was credited with an allocation of (a) the Company's stock contributions, (b) dividends received on Company stock (which were passed through the Plan and paid out to participants in a cash distribution) and (c) Plan earnings and losses thereon. The Company's contributions were allocated based on the ratio that each participant's compensation bears to the total compensation of all participants.

Plan earnings and losses and dividends received on Company stock were allocated to participants based on the ratio of the average daily balance of each participant's stock account to the total average daily balance of all participants' stock accounts.

Payment of Benefits

Under the provisions of the Plan, the Company had the right of first refusal to purchase any and all shares of Company stock that had been distributed under the terms of the Plan as long as the shares were not publicly traded. The Company had the option to assign this right to the trustees of the Plan.

Put Option

Under federal income tax regulations, the Company stock that was held by the Plan and its participants was not readily tradable on an established market and included a put option. The put option was a right to demand that the Company buy any shares of its stock distributed to participants for which there was no market. The put price was representative of the fair market value of the stock. The purpose of the put option was to ensure that the participant had the ability to ultimately obtain cash. Therefore, if a participant received all or a portion of a distribution in the form of Company stock, the participant had the option, within the 60 days following the distribution or the 60 days following the participant's notification of the fair market value of the stock as of the end of the Plan year, to require the Company or the Plan trustees to purchase such shares at the fair market value of the shares as of the most recent valuation date, as defined in the Plan agreement. If the stock distribution was a distribution of the participant's entire account balance, the Company could pay for the purchase, with interest, in five equal annual installments. Otherwise, the Company had to pay for the purchase within 30 days after the participant exercised the put option.

Voting Rights

In certain triggering events, employees would have been granted the right to vote according to Plan regulations. Each participant was entitled to exercise voting rights attributable to the shares allocated to his or her account. Participants generally assigned voting rights associated with shares of Company stock held by the Plan to the majority shareholder of the Company.

Diversification

Diversification was offered to participants close to retirement so they had the opportunity to move part of the value of their investment in Company stock into investments that were more diversified. Participants that attained the age of 55 and completed ten years of service could elect to diversify a portion of their account. Diversification was offered to each eligible participant over a six-year period. In each of the first five years, a participant could diversify up to 25% of his or her stock account balance attributed to Company stock acquired on or after January 1, 1987, less any shares previously diversified. In the sixth year, the percentage increased to 50%. Participants could elect to diversify by taking a distribution of this amount or by rolling the amounts over to another qualified plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan as of and for the reporting period ended December 31, 2021 are prepared under the liquidation basis of accounting in conformity with United States generally accepted accounting principles ("U.S. GAAP"). The liquidation basis of accounting is considered appropriate and applied prospectively when, among other things, liquidation of the Plan is deemed to be imminent and the net realizable value of the assets of the Plan is reasonably determinable. Liquidation is deemed to be imminent when a plan for liquidation has been approved by parties with the authority to make such plan for liquidation effective and the likelihood is remote that execution of the plan for liquidation will

be blocked by other parties or the Plan will return from liquidation. Termination of the Plan was effective April 1, 2019, at which point liquidation became imminent.

Under the liquidation basis of accounting, assets are measured to reflect the amount of expected consideration from liquidation and liabilities are measured in accordance with U.S. GAAP that otherwise applies to such liabilities.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Company to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Cash

Cash consists of cash in an interest-bearing checking account.

Investment Valuation and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Concentration of Credit Risk

The Plan maintained its cash in bank deposit accounts, which at times may exceed federally insured limits. The Plan had cash of approximately $3,542,882 in a financial institution over the federally insured limit as of December 31, 2020.

Payment of Benefits

Benefits paid to participants are recorded when paid. The Plan assets were fully distributed as of December 31, 2021.

Administrative Expenses

Investment and certain administrative expenses are paid by the Plan. Certain administrative functions are performed by the officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE C - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, US Bank, the Plan’s trustee, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

- Cash and cash equivalents, as shown in the statements of net assets in liquidation as of December 31, 2021 and 2020.
- Investment income, as shown in the statement of changes in net assets in liquidation for the year ended December 31, 2021.

The Plan's independent certified public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

NOTE D - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the Department of Labor's regulations as any fiduciary of the plan, any rendering service to the Plan, the employer and certain others. Fees paid to US Bank qualify as party-in-interest transactions and are exempt from prohibited transaction rules.

NOTE E - TAX STATUS

The Internal Revenue Service determined and informed the Company by its latest determination letter dated January 30, 2020, received in connection with the termination of the Plan, that the Plan is qualified. The Plan is qualified under Internal Revenue Code ("IRC") and, therefore, the related trust is exempt from taxation. The Plan is required to operate in conformity with the IRC to maintain qualification. The Plan Sponsor, as the Plan administrator, believes the Plan is currently designed and operated, in compliance with applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain positions that more likely than not would not be sustained upon examination. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 6, 2022, the date the financial statements were available to be issued. No subsequent events were identified requiring additional recognition or disclosure in the accompanying financial statements.
