INDEPENDENT AUDITORS' REPORT

To The Board of Trustees
403(b) Thrift Plan of Legal Aid Society of Suffolk County, Incorporated
Central Islip, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of 403(b) Thrift Plan of Legal Aid Society of Suffolk County, Incorporated, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Legal Aid Society of Suffolk County, Incorporated and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Legal Aid Society of Suffolk County, Incorporated's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Legal Aid Society of Suffolk County, Incorporated's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Legal Aid Society of Suffolk County, Incorporated's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) at December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of 403(b) Thrift Plan of Legal Aid Society of Suffolk County, Incorporated. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

Note 1 - Description of Plan

The following description of the 403(b) Thrift Plan of Legal Aid Society of Suffolk County, Incorporated (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, which was established on November 1, 2010, is a defined contribution plan established under Internal Revenue Code (the "Code") Section 403(b), covering all eligible employees of Legal Aid Society of Suffolk County, Inc. (the "Sponsor") who are age 21 and older and have completed their first day of employment, with the exception of nonresident aliens with no U.S. source of income and employees who are eligible to make contributions to another employer or government plan as defined by the Plan. There is a one-year service requirement, accomplished after completing 1,000 hours during the first 12 months of employment, to receive Sponsor-based and matching contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Sponsor previously sponsored a Tax Deferred Annuity 403(b) Plan ("TDA"), amended and restated on January 1, 2009, which allowed for employees to make salary reduction contributions but did not provide for any Sponsor contributions. Effective November 1, 2010, the TDA contract was incorporated under the Plan in order to provide for Sponsor contributions.

The Sponsor is responsible for the oversight of the Plan. The Sponsor determines the appropriateness of the Plan's investment offerings, monitors investment performance and provides reports to the Plan's Finance Committee. The custodian and recordkeeper of the Plan is Mutual of America Life Insurance Company ("MOA").

Contributions

Each year, participants may contribute 100% of eligible annual compensation, as defined in the Plan, provided that such contributions do not exceed the limitations under the Code for 2021 of \$19,500, plus a maximum of \$6,500 in catch-up contributions for participants who have attained age 50 before the end of the Plan year. Contributions may be made as a pre-tax deferral. Highly compensated employees are subject to additional limits set forth in the Code. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Sponsor may make discretionary contributions which are allocated to the accounts of eligible participants on the basis of the ratio that each eligible participant's compensation bears to the total compensation of all participants for the Plan year. These contributions will be made whether or not the participant is making contributions, or the eligible participant is employed on the last day of the Plan year. The employer contributions receivable at December 31, 2021 were \$1,512,364, which represents profit sharing contributions of \$1,522,596, net of forfeitures of \$39,556 to be applied in 2022, and an additional 2021 discretionary contribution of \$29,324, received in 2022. The employer contributions receivable at December 31, 2020 were \$1,340,064, which represents profit sharing contributions of \$1,394,747, net of forfeitures of \$54,683 to be applied in 2021.

403(b) THRIFT PLAN OF LEGAL AID SOCIETY OF SUFFOLK COUNTY, INCORPORATED
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

Note 1 - Description of Plan (cont'd.)

Contributions (cont'd.)

For the year ended December 31, 2021, the employer contributions recognized on the statement of changes in net assets available for benefits totaled \$8,679,150, which includes profit sharing contributions of \$1,522,596 and additional discretionary contributions of \$7,200,000, net of forfeitures of \$43,446. The Sponsor made the additional discretionary contribution to the Plan in 2021 from excess assets reverted to the Sponsor from a terminated pension plan in 2020.

The Sponsor may make discretionary matching contributions allocated to each participant who is eligible if the participant is an employee on the last day of the Plan year. Sponsor matching contributions are allocated to the accounts of eligible participants on the basis of the ratio that each eligible participant's salary reduction contribution amount bears to the total salary reduction contribution amount of all participants for the Plan year. There were no matching contributions made to the Plan for the year ended December 31, 2021.

The discretionary contributions and matching contributions are invested as directed by the participant.

Participant Accounts

Each participant account is credited with the participant's contributions and rollover contributions and an allocation of employer contributions, if any, as well as allocations of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants shall have a vested percentage in the Sponsor's matching contribution accounts according to a graded vesting schedule based on years of service as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 1	0%
1	20%
2	40%

Loans to Participants

Participants may borrow from their fund accounts one loan at any given time of a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loan is secured by the balance in the participant's account equal to 120% of the loan balance and bears a reasonable rate of interest, as defined by the Plan. The interest rate is determined as of the date of origination and is fixed for the loan term. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years, unless the funds are used to acquire a principal residence, in which case the maximum repayment period is ten years.

In response to the financial effects of COVID-19, the U.S. Congress approved the Coronavirus Aid, Relief, and Economic Security ("CARES") Act on March 27, 2020. Certain CARES Act provisions increased the maximum loan amount participants could borrow from the lesser of \$50,000 or 50% of the value of the participant's vested balance to the lesser of \$100,000 or 100% of the vested balance, delayed loan repayments for one year, allowed hardship withdrawals related to COVID-19 of up to \$100,000 that could be redeposited to a qualified plan within three years without tax penalty, and allowed for certain other benefits. These provisions of the CARES Act were effective from the date of enactment through December 31, 2020.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or beneficiary is entitled to receive an amount equal to the value of the participant's vested interest in his or her account as a lump-sum distribution. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan also allows certain withdrawals at age 59½ and hardship withdrawals.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$3 and \$11, respectively. During the year ended December 31, 2021, participant forfeitures of \$58,574 in nonvested accounts were used to offset the 2020 accrued employer contributions and additional employer contributions paid in 2021.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Loans to Participants

Loans to participants are not separately stated as an asset on the statement of net assets available for benefits, as they are loans borrowed directly from MOA collateralized by the participants' vested account balances. At December 31, 2021 and 2020, \$284,528 and \$258,507 was outstanding, respectively. The collateral of 120% of the loan balance is transferred from the separate investment account funds to the interest accumulation account. Loan interest rates are variable at prevailing interest rates and could be increased or decreased by MOA. At December 31, 2021, the interest rates on the loans ranged from 4.00% to 4.25%.

Delinquent loans are reclassified as distributions once the participant is no longer employed by the Sponsor. Principal and interest are paid ratably by the participant directly to MOA.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of loans or benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation or depreciation in fair value of investments. Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan.

Note 4 - Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note 4 - Fair Value Measurement (cont'd.)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Separate Account Funds

MOA's Separate Account values its investments at fair value in accordance with U.S. GAAP. Fair value is an estimate of the price the Separate Account would receive upon selling a security in an orderly, arm's-length transaction. Separate Account investments consist solely of investments in mutual funds registered with the Securities and Exchange Commission and are carried at the net asset value at which the mutual fund shares are actively traded.

MOA is the custodian of assets of the Separate Accounts and handles the collection and distribution of proceeds of shares of the underlying funds bought and sold by the Separate Accounts. The account value is represented by Accumulation Units. Each Subaccount's Accumulation Units has a different value, based on the value of the Subaccount's investment in shares of the related Underlying Fund and the charges deducted from the Separate Accounts. To determine the change in a Subaccount's Accumulation Unit value from the close of one valuation day to the close of the next valuation day ("Valuation Period"), an Accumulation Unit Change Factor is used.

For Subaccounts that invest in shares of the Mutual of America Investment Corporation funds, the Accumulation Unit Change Factor for each Subaccount for any Valuation Period is:

- (a) the ratio of (i) the asset value of the Underlying Fund at the end of the current Valuation Period before any amounts are allocated to or withdrawn from the Subaccount with respect to that Valuation Period, to (ii) the asset value of the Underlying Fund at the end of the preceding Valuation Period, after all allocations and withdrawals were made for that period, divided by,
- (b) 1.000000 plus the component of the annual rate of expense risk, distribution expense and Separate Account administrative charges against the Subaccount's assets for the number of days from the end of the preceding Valuation Period to the end of the current Valuation Period.

For the Subaccounts that invest in shares of various mutual funds, the Accumulation Unit Change Factor for each Subaccount for any Valuation Period is:

- (a) the ratio of (i) the share value of the Underlying Fund at the end of the current Valuation Period, adjusted by the Cumulative Dividend Multiplier for the current Valuation Period, to (ii) the share value of the Underlying Fund at the end of the preceding Valuation Period, adjusted for the Cumulative Dividend Multiplier for the preceding Valuation Period, divided by,
- (b) 1.000000 plus the component of the annual rate of expense risk, distribution expense and Separate Account administrative charges against the Subaccount's assets for the number of days from the end of the preceding Valuation Period to the end of the current Valuation Period.

Note 4 - Fair Value Measurement (cont'd.)

General Account Funds

The MOA General Account (i.e., the Interest Accumulation Account) is part of MOA's general assets, which are segregated from the separate investment account funds. The General Account, which is comparable to a cash equivalent, includes liquid assets and is not subject to any form of interest rate adjustment, "haircut" or loading charge. The crediting interest rate is a current rate, determined by MOA from time to time. MOA bears the full investment risk for the amount's participants allocate to the interest accumulation account. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at the account value. The amount included in the financial statements is the accumulated contribution plus interest credited less administrative expenses, which approximates fair value.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. For the year ended December 31, 2021, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

<u>Assets at Fair Value at December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Separate account funds	<u>\$ 36,507,632</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 36,507,632</u>
Interest accumulation account (a)				<u>15,234,804</u>
Total investments at fair value				<u><u>\$ 51,742,436</u></u>

<u>Assets at Fair Value at December 31, 2020</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Separate account funds	<u>\$ 24,451,027</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 24,451,027</u>
Interest accumulation account (a)				<u>14,651,561</u>
Total investments at fair value				<u><u>\$ 39,102,588</u></u>

- (a) MOA's General Account ("Interest Accumulation Account") includes liquid assets and is not subject to any form of interest rate adjustments, "haircut" or loading charge. The General Account is comparable to a cash equivalent and therefore exempt from hierarchy leveling requirements of FASB ASC Subtopic 820-10.

Note 5 - Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds and a guaranteed investment contract managed by MOA, which is the recordkeeper and custodian of the Plan. Therefore, the transactions related to these investments qualify as party-in-interest transactions.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 7 - Tax Status

The Plan has been designed to qualify under Section 403(b) of the Code. The terms of the Plan have been prepared to conform to the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71 and the draft Listing of Required Modifications issued April 4, 2009. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b). The Plan administrator and Sponsor believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that at December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset, or require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Subsequent Events

The Plan administrator has evaluated all events or transactions that occurred after December 31, 2021 through October 5, 2022 which is the date that the financial statements were available to be issued. During this period, there were no material subsequent events requiring disclosure.
