Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Report of Independent Auditors

The Plan Administrator of
Los Angeles Police Federal Credit Union Employee Retirement Plan

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Los Angeles Police Federal Credit Union Employee Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Los Angeles Police Federal Credit Union Employee Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Los Angeles Police Federal Credit Union Employee Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for purpose of expressing an opinion on the effectiveness of Los Angeles Police Federal Credit Union Employee Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Los Angeles Police Federal Credit Union Employee Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Los Angeles Police Federal Credit Union Employee Retirement Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated August 6, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Los Angeles Police Federal Credit Union Employee Retirement Plan

Notes to Financial Statements

Note 1 – Organization and Summary of Significant Accounting Policies

The following brief description of the Los Angeles Police Federal Credit Union Employee Retirement Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General and eligibility – The Plan is a participant-directed defined contribution plan covering substantially all employees of Los Angeles Police Federal Credit Union (the “Credit Union” or the “Plan Sponsor”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees of the Credit Union who have attained the age of 18 and completed one month of service meet the eligibility requirements for the employee deferral portion of the Plan, as defined by the Plan. All employees of the Credit Union who have attained the age of 18 and completed one year of service meet the eligibility requirements for the nonelective employer contribution of the Plan, as defined by the Plan.

The Plan allows for automatic deferral enrollment for eligible participants at the rate of 3% of eligible compensation and the deferral contribution to a predetermined investment designated by the Plan Administrator. Participant deferrals are subject to an automatic annual increase of 1%, but not to exceed 3%, on March 1 of each successive year until the deferred rate reaches 10%. During 2020, the Plan implemented certain Coronavirus Aid, Relief, and Economic Security Act provisions to allow for waiver of the required 2020 minimum distributions. Written amendments to the Plan to reflect this change will be adopted in accordance with applicable law and Internal Revenue Service guidance. The Plan is required to be amended for the implementation of this provision by December 31, 2022.

Contributions – The Plan allows participants to contribute up to a maximum of 100% of their compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Plan also allows for Roth 401(k) contributions. The Credit Union contributes a nonelective employer contribution based on a discretionary formula equal to 20% of each participant’s total eligible compensation, plus 5.7% of such compensation in excess of the Social Security taxable wage base. For the year ended December 31, 2021, the total nonelective employer contribution was approximately \$2,500,000. Contributions are subject to certain limitations.

Participant accounts – Each participant’s account is credited with the participant’s contribution, gains and losses on investments included in the participant’s account balance and allocations of the Credit Union’s nonelective employer contribution based on eligible compensation. Plan earnings are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Credit Union contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service, at a rate of 20% per year after two years of continuous service.

Los Angeles Police Federal Credit Union Employee Retirement Plan

Notes to Financial Statements

Note 1 – Organization and Summary of Significant Accounting Policies (continued)

Payment of benefits – Upon termination of service due to death, disability, or retirement from the Plan Sponsor, a participant may elect to receive the vested interest of his/her account in the form of an annuity, a single-sum cash payment or a combination of the two. For termination of service due to other reasons, a participant may receive the value of the vested interest in his/her account as a lump-sum distribution.

If a participant's vested account balance exceeds \$1,000 but is equal to or less than \$5,000, and no election is made to distribute the vested account balance either (1) directly to the participant, or (2) to another qualified retirement plan, the vested account balance will be rolled over to an individual retirement account selected by the Plan Administrator.

Forfeitures – At December 31, 2021 and 2020, there were no balances in the forfeited nonvested accounts. During the year ended December 31, 2021, \$80,550 of forfeitures were used to reduce employer contributions.

Investment options – Participants must direct both employee and employer contributions to be invested among various investment options as made available and determined by the Plan Administrator, which are more fully described in the plan literature. Participants may change their investment options any time throughout the year via direct phone or internet access to the independent record keeper. In addition, participants can invest in self-directed brokerage accounts as long as the investment meets the legal requirements for investments by the Plan and is offered by affiliates of Fidelity Management Trust Company (Fidelity).

Note 2 – Significant Accounting Policies

Accounting records – The accounting records of the Plan are maintained, with respect to individual participant accounts and Plan Administration, by an independent record keeper and, with respect to investment transactions, by Fidelity, the trustee.

Basis of accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates – The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair value measurements – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The authoritative guidance describes a fair value hierarchy based on three levels of inputs, of which the first two are considered observable and the last unobservable, that may be used to measure fair value:

Level 1 – Quoted prices in active markets for identical assets or liabilities.

Los Angeles Police Federal Credit Union Employee Retirement Plan

Notes to Financial Statements

Note 2 – Significant Accounting Policies (continued)

Level 2 – Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual funds (registered investment companies) – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts – Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

Stable value collective trust fund – The Fidelity Advisor Stable Value Portfolio primarily comprises fully benefit-responsive investment contracts that are valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value determined by the trustee. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. The fund is valued on the last calendar day of the period.

The Fidelity Advisor Stable Value Portfolio invests in assets (consisting of debt securities, corporate bonds, U.S. government and government agency obligations, asset-backed securities, collateralized mortgage obligations, commercial mortgage securities, U.S. government agency mortgage securities, investments in open-end investment companies, and short-term securities), enters into “wrap” contracts issued by third parties and invests in cash equivalents represented by shares in money market funds. Investments in “wrap” contracts are fair valued using a discounted cash flow model that considers recent fee bids as determined by recognized dealers, discount rate and the duration of the underlying portfolio securities. For corporate bonds and U.S. government and government agency obligations, pricing services utilize matrix pricing, which considers the yield or price of bonds of comparable quality, coupon, maturity and type, as well as dealer-supplied prices. For asset-backed securities, collateralized mortgage obligations, commercial mortgage securities, and U.S. government agency mortgage securities, pricing services utilize matrix pricing, which considers prepayment speed assumptions, attributes of the collateral, the yield or price of bonds of comparable quality, coupon, maturity and type, as well as dealer-supplied prices. Investments in open-end investment companies are valued at their closing net asset value each business day. Short-term securities with remaining maturities of 60 days or less for which quotations are not readily available are valued at amortized costs, which approximate fair value.

Notes to Financial Statements

Note 2 – Significant Accounting Policies (continued)

flexPATH portfolios, Core Bond Fund, Large Cap Growth Fund, International Stock Fund, and BlackRock portfolios – These investments are held in common collective trust funds. The funds are valued based on the net asset value of units of the collective fund. The net asset value, as provided by the trustee, is used as a practical expedient to estimate fair value. The net asset value is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

Investment valuation and income recognition – The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The Plan Administrator determines the Plan's valuation policies utilizing information by Fidelity, the trustee. See Note 4 for discussion of fair value measurements. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in methodologies used at December 31, 2021 or 2020.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents in the statement of changes in net assets available for benefits the net appreciation in the fair value of its investments, which consists of the realized gains or losses on the purchases and sales of investments during the year and unrealized appreciation or depreciation of investments held during the year.

Contributions – Contributions from plan participants are recorded in the year in which the participant contributions are withheld from amounts paid, or earned and not yet paid. Nonelective employer contributions are recorded in the year in which the contributions are withheld or earned, on a per-pay-period basis from the amounts paid. All participant and employer contributions are participant-directed.

Payment of benefits – Benefits are recorded when paid.

Administrative expenses – The Plan's administrative expenses may be paid by the Plan or Plan Sponsor at the discretion of the Plan Sponsor. Investment-related expenses are included in the net appreciation of fair value of investments.

Subsequent events – The Plan has evaluated for disclosure subsequent events occurring through September 19, 2022, the date the financial statements were available to be issued.

Note 3 – Information Certified by the Trustee

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the trustee, Fidelity, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Fidelity that information provided to the Plan Administrator related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule, related to the following assets:

	December 31,	
	2021	2020
Investments at fair value		
Mutual funds (registered investment companies)	\$ 12,901,340	\$ 11,234,414
Self-directed brokerage accounts	5,071,508	4,770,474
Common/collective trusts	35,954,465	31,541,334

Fidelity also certified the completeness and accuracy of \$4,138,236 of net appreciation in fair value of investments and \$1,346,395 of dividends and interest investment income for the year ended December 31, 2021.

Note 4 – Fair Value Measurements

The following tables set forth, by level in the fair value hierarchy, the Plan's assets at fair value at December 31:

	2021

Note 4 – Fair Value Measurements (continued)

Investment category	2020			Total
	Level 1	Level 2	Level 3	
Mutual funds (registered investment companies)	\$ 11,234,414	\$ -	\$ -	\$ 11,234,414
Self-directed brokerage accounts	4,770,474	-	-	4,770,474
Total assets in the fair value hierarchy	<u>\$ 16,004,888</u>	<u>\$ -</u>	<u>\$ -</u>	16,004,888
Investments measured at net asset value as a practical expedient				<u>31,541,334</u>
Investments at fair value				<u>\$ 47,546,222</u>

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The investments in common collective trust funds are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses. Investments in this category can be redeemed after the notice period at the current net asset value per share based on the fair value of the underlying assets. The fair values of investments in this category have been estimated using the net asset value per share of the investments.

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using net asset value per share (or its equivalent) as of December 31:

Investment	2021			Redemption Notice Period

Note 5 – Tax Status

The Plan has adopted a nonstandardized form of a volume submitter plan sponsored by Fidelity Management & Research Company, an affiliate of Fidelity, effective January 12, 2016. The volume submitter plan has received an advisory letter from the Internal Revenue Service, dated June 30, 2020, as to the qualified status of the volume submitter Plan Document. The advisory letter has been relied upon by the Plan. The Plan has been amended since the initial adoption of the volume submitter Plan Document. The Plan Administrator believes that the Plan is designed in compliance with the applicable provisions of the Internal Revenue Code (IRC) and will take all reasonable actions necessary to maintain the qualified status of the Plan and operate the Plan in compliance with the provisions of the IRC.

In accordance with guidance on accounting for uncertainty in income taxes, the plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 – Risks and Uncertainties

The Plan invests in various investment securities that may be exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Note 7 – Related-Party Activity and Administrative Expenses

Certain plan investments, such as mutual funds and stable value collective trust funds, are managed by affiliates of Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Certain administrative functions are performed by employees of the Credit Union. No such officer or employee receives compensation from the Plan. Administrative expenses for participants are paid directly by the Credit Union.

Note 8 – Plan Termination

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in any portion of their accounts not already 100% vested.
