INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
The Heritage School 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The Heritage School 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Heritage School 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Heritage School 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Heritage School 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Heritage School 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Heritage School 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year), of assets (acquired and disposed of within year), and of reportable transactions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on the Financial Statements

We were engaged to audit the accompanying financial statement of The Heritage School 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of this financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Empower Retirement, the trustee of the Plan, except for comparing the information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on this financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The Heritage School 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN

The following description of The Heritage School 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all employees of Heritage Schools, Inc. and Heritage Behavioral Health Systems, Inc. (collectively the School) who have completed 1,000 hours of service and are at least 21 years of age. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Contributions

Participants may contribute up to 100 percent of pretax annual compensation, not to exceed \$19,500 in 2021, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to \$6,500. Participants may elect whether their contributions are treated as traditional salary deferral contributions deducted from before-tax compensation or as Roth after-tax contributions. Participants may also contribute amounts representing distributions (rollovers) from other qualified defined benefit or contribution plans.

The School has agreed to make a matching contribution to each participant based on his or her elective deferrals of 100 percent up to 4 percent of the participant's included compensation.

The School may make discretionary additional matching contributions up to 4 percent of the participant's compensation.

3. Participant accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the School's matching contribution and (b) Plan earnings or losses (including appreciation/depreciation in fair value of investments). Each account is also charged with an allocation of administrative expenses. Earnings by the Plan are allocated to each participant based on each participant's balance in the respective funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investment options are participant directed.

The Heritage School 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN - Continued

4. Vesting

Participants are immediately vested in their contributions as well as in the School's safe-harbor matching contributions plus actual earnings or losses thereon. Participants vest in the School's discretionary contributions at the rate of 20 percent per year starting after two years of service, with 100 percent vesting occurring after six years of service.

5. Notes receivable from participants

Participants may borrow from their fund accounts up to the lesser of 50 percent of their vested account or \$50,000. Loan terms range from one to five years. The loans are secured by the balance in the participant's account, bear interest at rates ranging from 3.25% to 6.50%, and are payable over a five-year period or less. Principal and interest is paid ratably through bi-weekly payroll deductions.

6. Payment of benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten-year period. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. A participant may also elect to remain in the Plan without making further contributions.

7. Tax status

The Great-West Trust Company Defined Contribution Prototype Plan and Trust is a Volume Submitter Profit Sharing Plan with CODA, which has received a favorable opinion letter from the Internal Revenue Service that the plan is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan's record keeper is Empower Retirement, a division of Great-West Life & Annuity Insurance Company. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC.

Generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan administrator believes that no such tax positions have been taken by the Plan. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to examination for years prior to 2018.

The Heritage School 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN - Continued

8. Forfeitures

Upon termination of a participant's employment, the non-vested portion of a participant's account shall be forfeited. Any forfeitures occurring during a Plan year may be used to reduce employer contributions or administrative expenses. At December 31, 2021, the forfeiture account reported a balance of \$78 (\$63 at December 31, 2020).

9. Administrative expense

All participant transaction and maintenance fees are allocated to participant accounts and are reflected as administrative expense in the accompanying Statement of Changes in Net Assets Available for Benefits. Any other administrative fees are paid for by the Plan sponsor.

10. Plan Termination

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of accounting

The financial statements have been prepared on the accrual basis of accounting.

2. Payment of benefits

Benefits are recorded when paid.

3. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Heritage School 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

4. Investment valuation and income recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments.

Net appreciation or depreciation caused by fluctuations in the market value of investments is reflected in the statement of changes in net assets available for plan benefits. Transactions are recorded on a trade-date basis. Amounts invested earn interest, capital gains or losses and dividends, which are in turn reinvested.

5. Subsequent events

The administrator of the Plan has evaluated subsequent events through October 5, 2022, the date these financial statements were available to be issued.

NOTE C – INVESTMENTS

The statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021, the accompanying notes to the financial statements, and the supplemental schedule of assets (held at end of year) as of December 31, 2021 were prepared in part or entirely from information certified by Empower Retirement, the trustee of the Plan, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$6,843,134 and \$5,880,713 at December 31, 2021 and 2020, respectively, total notes receivable from participants of \$166,677 and \$143,144 at December 31, 2021 and 2020, respectively, and related dividend and interest income of \$282,118, net appreciation in fair value of investments of \$554,052, and interest income from notes receivable from participants of \$7,822 for the year ended December 31, 2021.

The Plan's investments in mutual funds and common collective trusts (including realized and unrealized gains and losses) appreciated in value by \$554,052 during the year ended December 31, 2021.

NOTES TO FINANCIAL STATEMENTS

NOTE D – FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to level 1 measurements and the lowest priority to level 3 measurements. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 inputs include unadjusted quoted prices for identical assets in active markets.

Level 2 inputs include quoted prices for similar assets in inactive markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observable for the asset; inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

Level 3 inputs are unobservable and significant to the fair value measurement.

The following table sets forth by level within the fair value hierarchy and by investment category the Plan's investments as reported at fair value in the accompanying statement of net assets available for benefits.

	Fair Value	Fair Value Measurements Using		
		Level 1	Level 2	Level 3
December 31, 2021:				
Mutual funds	\$ 5,401,139	\$ 5,401,139	\$ -	\$ -
Fixed annuities	501,978	-	501,978	-
Total assets in the fair value hierarchy	5,903,117	5,401,139	501,978	-

Investments at fair value	<u>\$ 6,843,134</u>	<u>\$ 5,401,139</u>	<u>\$ 501,978</u>	<u>\$ -</u>
December 31, 2020:				
Mutual funds	\$ 4,723,274	\$ 4,723,274	\$ -	\$ -
Fixed annuities	475,160	-	475,160	-
Total assets in the fair value hierarchy	5,198,434	4,723,274	475,160	-

Investments at fair value	<u>\$ 5,880,713</u>	<u>\$ 4,723,274</u>	<u>\$ 475,160</u>	<u>\$ -</u>

^(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits. Additionally, these investments have no redemption requirements or restrictions on liquidations.

The Heritage School 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE D – FAIR VALUE MEASUREMENTS - CONTINUED

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair value of the fixed annuity is based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider. The fair value of collective trust funds is generally obtained directly from the fund house or other investment provider.

Gains and losses (realized and unrealized) included in net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation in fair value of investments, net of investment company fees.

NOTE E - RELATED PARTY TRANSACTIONS

The Plan paid administrative expenses to Empower Retirement during the year ended December 31, 2021 totaling \$33,047.

NOTE F – RISKS AND UNCERTAINTIES

The Plan's assets are invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
